There is no better health-care protection at any price!

Blue Cross-Blue Shield pay more ... for more hospital and medical services ... for more people!

ARE YOU PROTECTED?

ONE IN EVERY THREE FAMILIES FACES A HOSPITAL BILL WITHIN THE YEAR!

Sickness and accidents are never welcome visitors. Recovery is often a slow process. In many cases, recovery from expenses due to hospitalization and medical care is even slower!

Hospital costs are up!

Modern medical science is making tremendous strides in easing pain and speeding recovery. Many wonderful drugs and medical techniques have been introduced in just the last few years.

But, new drugs and new techniques are expensive. Inflation, too, has pushed hospital costs up. In the last 10 years, these costs have almost tripled. That's why Blue Cross - Blue Shield protection is more important than ever before!

In the 14 years since Michigan hospitals and doctors started these *non-profit* plans, Michigan Blue Cross - Blue Shield have paid out over 302 million dollars—in subscriber benefits. With nearly 3-million members Blue Cross - Blue Shield is Michigan's most widely used health-care protection.

Blue Cross covers hospital bills!

Blue Cross Comprehensive Group Hospital Plan covers a wide range of hospital services, for up to 120 days, at any one of over 95% of the general hospitals in Michigan (excepting Government hospitals).

Blue Shield covers doctor bills!

Blue Shield Medical-Surgical Plan pays generous amounts to your doctor for over 480 listed medical-surgical procedures. It pays toward your doctor's hospital visits in non-surgical cases.

Protection without problems!

There's no red tape with Blue Cross - Blue Shield. Simply show your identification card to your doctor and hospital admitting clerk. Benefits are taken care of automatically!

How to get Blue Cross - Blue Shield:

No physical examination is necessary. Ask your employer. Check your Farm Bureau or Grange! Write or call your nearest Blue Cross - Blue Shield office.

The hospitals' and doctors' own non-profit health-care plans for the welfare of the public . . .

Shrimp Fanciers Face A Shortage

If you are a shrimp fancier, you're in for slim pickings for some time to come, according to Detroit shrimp distributors, who are feeling the pinch created by the low yield this year from the Gulf of Mexico.

Despite this, however, local residents will continue to eat shrimp, Bill Matzinger, of the Argonne, which features shrimp dinners on Friday evening announced last week. The popular eating place has secured enough shrimp to carry it through the next few weeks although it has necessitated a small increase in the price of the "all you can eat" dinner.

Proposal To Vacate Land Wins Approval

Following a special hearing Monday night, the City Council adopted, by a five to one vote, a resolution to vacate the north 300 feet of the present Ferry ave. beach prior to selling the parcel of land to the South Bend Tool and Die Co.

More than 30 interested persons attended the hearing. Mayor Dean Davenport asked each one present for his opinion regarding the proposal. At a show of hands which followed the discussion, all but one person raising their hands favored the sale of the land with several stipulations. Among these were that funds derived from the sale of the property be used to improve the existing Ferry ave. park and other city beaches and that the property revert to the city if not developed by the South Bend Company.

The details of the sale will be worked out later by the council.

In other business transacted at the meeting several bids for equipment, the State St. sewer project and fuel oil were accepted.

The council approved the purchase of a 48-inch rotary pick-up sweeper for $2,005 from the Wilshire Sweeper Sales of Grand Rapids a one ton GMC dump truck from Krahnke Motor Sales for use at the cemetery for $1,762; a half-ton Dodge pickup truck from Brown Motors for $800 for use by the utility department; a Pontiac police car from Cooper Pontiac Sales for $650.47. Trucks and cars now being used by the various departments were turned in on the new cars.

The bid submitted by the Lake Construction Co. for construction of the State st. sewer project for $4,729 was accepted. Only other bid was for $5,126 entered by P. Vanderveen and Sons., contractors for the new highway.

The Osceola Refining Co. bids for fuel oil, the lowest among five submitted, were acepted. The bid was for .09 per gallon for No. 4 oil and .0775 for No. 5 oil for a year's supply or 350,000 gallons. The next lowest bid submitted by Roosevelt Oil Co. was for 10 cents more per thousand gallons on each type fuel oil.

The hearing to amend the zoning ordinance on property located at 1008 Bridge st. was postponed for two weeks.

The council voted to advertise for bids on a four-unit hangar to be constructed at the airport.

The appointment of E. J. Smith as meter officer was approved.

Third ward alderman Ralph S. Hamilton was elected mayor pro tem.

Bills amounting to $12,239.26 were approved.

Hold Services For Mrs. John Burns, Pioneer Resident

Mrs. John Burns, 90, pioneer resident of this community, died Sunday at her home at 203 Grant st. She had been in failing health for several years.

Funeral services were held at the Pontius Chapel Tuesday afternoon with the Rev. Harold E. Kohn officiating. Burial was in Brookside cemetery.

Born in Evanston, Ill., May 19, 1863, the former Mary Elizabeth Burns came to Charlevoix county in 1865 with her parents, Mr. and Mrs. John Bell, who were among the early settlers in the community then known as Pine River. They resided on a farm south of Charlevoix and at one time owned more than 400 acres of land along Lake Michigan where the popular Bell's Bay is located. The bay was named for the family.

In 1885 she was married to John Burns, a contractor and builder who died April 1, 1935.

Mrs. Burns was an ardent member of the Congregational church and several years ago one of the groups, the Mary Burns circle, was named in her honor. She was also a member of the Rebekah lodge.

She is survived by an adopted son, Cecil Burns, who resided with his mother.

Give Results Of School Election

Mrs. Hazel Evers of Hayes township and W. G. Boswell of East Jordan were elected to six year terms on the Charlevoix county board of education at the bi-annual election of the board in Boyne City Monday evening.

Mrs. Evers who was appointed to the board when it was organized in 1940 was re-elected to succeed herself.

Mr. Boswell was elected to succeed Howard Porter of East Jordan who was not seeking re-election. He is a member of the East Jordan board of education.

Other members of the county board are: Ross Renwick of Walloon Lake; William Parsons of Norwood township and James H. Gallagher of St. James. Mrs. Catherina C. Bergeon is county superintendent of schools.

At the business meeting which followed the election school finances, annexation procedures, school building improvements and transportation problems were discussed.

Rebekah Lodges Of District Hold A Joint Meeting

Charlevoix Rebekah Lodge No. 293 joined the Emmet Rebekah lodge No. 104, Petoskey, with Little Traverse Lodge No. 313, Harbor Springs, in entertaining Mrs. Mattie Hesley Vice Rebekah Assembly president last Tuesday evening at the IOOF temple.

Petoskey Noble Grand, Mrs. R. Gibbs, conducted the meeting. At that time the charter was draped in memory of a member who passed away. Mrs. Hesley gave a very interesting and informative school of instruction. A program of readings was given entitled, "How I Became A Rebekah," and "Aunt Timmy Joined The Lodge."

Refreshments were served buffet style from a lace covered table centered with flowers and lighted tapers. Mrs. Edward Swanson, Noble Grand of Charlevoix and Mrs. Blance Herrick, Noble Grand of Harbor Springs lodge presided at the coffee service.

The members attending from Charlevoix were Noble Grand, Mrs. Edward Swanson, District Deputy President, Mrs. Anna Stroud, Mrs. Fred Southwood, Mrs. Robert Mitchell Mrs. Leroy Allers, Mrs. Ray Seymour, Mrs.

J. K. Reed Speaks To Kiwanis Club

J. K. Reed of Paul-Reed Inc. was the guest speaker at the regular meeting of the Kiwanis Club Monday evening. Eight members of the Harbor Springs club met here for a joint meeting with the local group.

Mr. Reed spoke briefly on the company, its products and its plans for the future.

Plans were also made by the local club to attend a Tri-city service club meeting at East Jordan Tuesday, June 9. I. A. Berger, noted world traveler, will address the club members from Charlevoix, East Jordan and Boyne City. The wives of members will also be guests at the meeting.

Guests at the Monday meeting were Asa Allerding, Carl H. Tanner, M. A. Erwin, J. H. Clarke, Col. D. R. MacMillan Carl L. Wright, S. D. Leahy and Floyd Hoover all of Harbor Springs.

Five Generations Gather

Debrah Lynn Pontz of Reed City met her many forebearers for the first time at a family gathering held recently in Reed City to celebrate the silver wedding anniversary of her grandparents, Mr. and Mrs. Chris Otis Thiel.

It marked the first time the five generations in the family had been together since Debrah was born April 24, 1952.

Pictured are Debrah Lynn, held by her great-great-grandmother, Mrs. Araminta Morse of Charlevoix.

Standing are the child's mother, Mrs. George Pontz, the grandmother, Mrs. Thiel both of Reed City and her great-grandmother Mrs. George Clark of Charlevoix.

Sheriff Tells Of New Regulations For Boat Liveries

Sheriff Floyd W. Ikena announces that the forms are now available at the Sheriff's Office for all owners of boat liveries that have three or more boats for hire, as passed by the 1952 Legislature and went into effect this year.

Sec. 2 of the law reads: No person shall operate a boat livery within the boundaries of this state unless he shall first register, upon forms to be furnished by the commission, with the Sheriff of the County within which said boat livery is located. All registrants shall furnish such information as shall be required by the commission. Such registration shall be for the period of one year.

Sec. 4: The Sheriff of each County, or a Deputy authorized by such Sheriff shall upon request of boat owners annually inspect all equipment offered for lease or rent, located within his county, and shall determine whether said equipment complies with safety standards established by said commission.

Sec. 5: Any person operating a boat livery, leasing, renting, or permitting the leasing or renting of any equipment subject to the provisions of this act without first obtaining such inspection certificate shall be guilty of a misdemeanor.

Sec. 7: Every boat livery shall pay a fee of 50 cents to the Sheriff making such inspection, per each maximum passenger capacity tag issued, which fee shall be used to cover the cost of said tags and inspection.

St. Mary's Church Honors Graduates

Members of St. Mary's parish who were graduating from the Charlevoix high school and St. Mary's school were honored at a breakfast at the parish hall Sunday morning.

The seven high school graduates and the five junior high graduates attended Mass and received Communion in a body. Later, with their parents and the Rev. E. F. Denay, they gathered for the breakfast.

High school graduates are: Ann Lagerman, Joan Pischner, Carlton Foster, Raymond Sanford, Wilfred Browe John LaBlance and Tom Brun.

Junior high graduates are: Roberta Mayne, Joan Brady, Paul LaBlance, Laura Brun and Barry Pischner.

Announce Sale Of Local Beauty Shop

The announcement of the sale of Henry's Beauty Shop to Milli Yon Kling was announced Monday by Mrs. Dallas Henry. Mrs. Kling is a well known hair stylist and formerly operated at Hudson's Beauty Salon in Detroit and Larson's at Fort Lauderdale, Florida. Specializing in hair cutting and styling, she recently attended special brush-up courses on new techniques in Detroit.

The new shop will be known as Milli's House of Charm. Mrs. Henry, who has operated the shop for the past twenty five years, plans to retire. However, Mr. Henry will continue to own and operate Henry's Barber Shop.

Seek Talent For Amateur Show To Aid Light Fund

Can you sing, dance, play a musical instrument or have any other talent for entertaining?

If you do, the Knight Memorial Fund committee is interested in having you participate in an amateur show tentatively planned for June 24. If you are interested in entering the show, call Mrs. Perry Smith Jr. or Mrs. Melvin Plum.

The Memorial Fund this week neared the $1,200 mark as proceeds from a bake sale Friday added $49.28 to the coffers. The fund now has $1,191.

Mrs. Jake White would like to express her appreciation to everyone who assisted in the bake sale.

Five Generations Have A Reunion

It was a happy occasion Saturday when five generations of the Fairbanks family gathered for the first time since the arrival of the youngest member, Charles Leo Fairbanks II, on Feb. 13.

Joining Master Charles were his father, Charles L. also of East Lansing where he attends Michigan State college, his grandfather, Ronald Fairbanks and his great-grandmother, Mrs. Agnea Fairbanks, both of Grand Rapids and his great-great-grandmother Mrs. Ada Budd who came from Traverse City for the memorial occasion.

In addition to the above mentioned grandparents, the youngest also has grandparents and great-grandparents in his mother's family. She is the former Virgilene Thomson of Ironton.

The gathering Saturday was held at the home of Mr. and Mrs. Clifford Riley. Others here for the occasion were Mrs. Alta Cornell of Traverse City, Mr. and Mrs. Maynard Curtis of Alden, Mrs. Ronald Fairbanks and children, Shayne and Bruce, of Grand Rapids; Mrs. Charlea Fairbanks and the Riley family.

Clear Land For New Plant Here

Workmen are clearing land and preparing to construct footings for a new industrial plant on the property located on M-66 purchased earlier this spring by I. T. Quarnstrom of Detroit.

The 50 ft. by 160 ft. structure will be built of structural steel with an all-steel roof which will be covered with three inches of water for insulation against the weather.

It is expected the building will be completed by fall.

The plant will house a departmental division of the Detroit Mold Co. and will be a sister plant to the American Mold Engineering Co. already located here.

Announce Plans For Girl Scout Camp Program

With the conclusion of the current school year, the Charlevoix Girl Scout Council has announced plans for the annual camping program provided for 70 Girl Scouts and 60 Brownie Scouts.

Troop camp for the Girl Scouts will open at Camp Charlevoix at 1:30 p.m. tomorrow, Mrs. Charles Duerr, president of the Girl Scout Council said Wednesday.

Brownie Day Camp will be held at the Charlevoix Rod and Gun Club beginning Monday, June 8, Mrs. Duerr continued.

The five-day outing for the Girl Scouts at the popular Camp Charlevoix site will be under the direction of Mrs. Herbert Irish of Harbor Springs who has been in charge of the program for several years.

The Scouts will enjoy a program of swimming, hiking, handicraft, and experience in outdoor cooking and primitive camp skills. Each troop will cook two noon meals and one breakfast outdoors. They will select their own camp site and prepare camp kitchens for cook-outs.

Mrs. Irish will be assisted by troop leaders and members of the troop committee who are serving as assistant leaders. This group will go to camp this evening (Thursday) to organize the camp program in preparation for the arrival of the Scouts at 1:30 p.m. Friday.

Mrs. Bernia Ward will be in charge of the camp kitchen. She will be assisted daily by three mothers from each troop who are giving one day each to assist with food preparation.

Parents and other interested visitors will be welcome at camp from 7 to 9 p.m. Sunday, June 7.

Services Held For Blaine F. Wilson, Veteran Newsman

The former editor of the Central Lake Torch, Blaine F. Wilson, 64, who was awarded the Ernie Pyle plaque in Jan. 1952 in commemoration of 47 years in the newspaper business, died unexpectedly in Central Lake May 26.

Funeral services for the veteran newsman were held at the Diton Funeral home in Central Lake, with burial in Southern cemetery.

Among those who attended the services for the lifelong resident of Central Lake were his sister, Mrs. Theodore Browe and Mr. Browe and his cousins, Mr. and Mrs. E. D. Hawley.

Announce Season's Last Northwestern Symphony Concert

Traverse City—Northwestern Symphony Orchestra, Dr. Pedro Paz conducting, which played two pleasing concerts here during the winter, will make its final appearance for the season Sunday afternoon, June 14, at the Traverse City high school auditorium.

Featured guest soloist will be Iarida Scott Peterson, outstanding Michigan cellist. She is an artist-pupil of Alexander Schuster, who has been heard throughout the state in recital and as symphony soloist.

In its concluding concert, June 14, the Northwestern Symphony will play Hayden's 'Symphony No. 88 in G Major" and the "Hungarian Dances Nos. 5 and 6" by Brahms, and the "Blue Danube Waltz" by Strauss. Mrs. Peterson will play the "Cello Concerto" by Lalo.

The concert will begin at 3 p.m.

Schools To Start Summer Vacations

Charlevoix schools will conclude the 1952-53 school year this week.

The elementary school students will gather for picnics on Thursday before picking up their final report cards.

Junior and Senior high school students, however, will return Friday for their cards.

Students at St. Mary's school will meet for their picnics on Thursday and return to school Friday for report cards.

First Ward Alderman, Fire Chief Appointed To Fill Vacancies

The naming of a first ward alderman and a fire chief and appropriations for the 1953-54 budget were made at a special meeting of the city council Wednesday evening.

E. James Hiller, who is associated with the Charlevoix Lumber Co. was named first ward alderman to succeed Drew Young who resigned recently to accept an appointment as city assessor.

Martin Elzinga, school bus maintenance man and driver for the Charlevoix public schools for several years, was appointed fire chief to succeed Elmer Barber who resigned after serving only two weeks in the position. Mr. Elzinga assumed his new duties at once.

The council also appropriated funds to the various departments for the ensuing year. The sums are available from a 16 mill for levy on the assessed valuation of $5,019,100 which will net a total of $80,305.60. Other funds to finance the $124,750 budget will be derived from refunds from the weight, gas and sales taxes and other sources.

The appropriations follow: contingent fund, $15,559.21 or 3.1 mills; Parks and beaches, $5,521.01 or 1.1; general street fund, $7,528. 65 or 1.5; docks and harbors, $1,505.73 or .3; fire fund, $5,019.10 or 1; police cemetery and advertising funds with budget of $7,528.65 will receive 1.5 mills each.

The interest and sinking fund has been allocated $12,547.75 or 2.5 mills

Street district funds will receive the following appropriations: District No. 1, $3,638.80; District No. 2, $2,474.40; District No. 3, $3,925. or two mills on the assessed valuation of each ward for a total of $10,038.20.

In 1052 the same 16 mill tax levy netted $80,080 toward financing a budget of $112,000. Last year 10.8 mills were appropriated to the general fund compared to 11.5 mills and 3.2 mills to the interest and sinking fund compared to 2.5 this year. The street district fund remains the same.

Name Winners Of Interlochen Scholarships

The recipients of the fourth annual Interlochen scholarships, awarded annually to outstanding musicians in the Charlevoix high school band, were announced this week by Mrs. E. D. Hawley, chairman of the scholarship committee.

They are Henry Pontious, James Bearss and Barbara Smith.

The scholarship provides two weeks at the National Music Camp at Interlochen with the All-State band beginning July 27. The scholarships pay a large part of the general fee with the recipient earning the remainder.

With the awarding of the scholarships, all three have applied for admission to the camp. Their acceptance depends on the availability of housing and proper balance of the All-State band, which is conducted by Arthur C. Hills of Holland.

The recipients are selected on their musicianship as measured by length of study, quality of repertoire, success as measured by ratings in festivals and seats occupied in local groups, aptitude and academic standings.

The students apply for the scholarship upon a recommendation from their director, C. A. Odmark. A committee composed of Mrs. Hawley, Mrs. Arthur Ranger, Mrs. Albert Edwards, Mrs. Kit Carson, Mrs. C. M. Bica and Albert Novotny make the final selection.

Henry and James both juniors, play trombone and clarinet respectively with the local band. Barbara, a sophomore, plays the flute.

As a member of the All-State group each will participate in two concerts and two broadcasts. The final concert for each group is scheduled on Sunday afternoon so that parents and friends may attend.

All-State students have the un-

Charlevoix Host To Church Group

Charlevoix was host to the spring meeting of the Gaylord deanery of the National Council of Catholic Women Tuesday when more than 100 members from Gaylord, Boyne City, East Jordan, Mancelona, Boyne Falls and Charlevoix met at St. Mary's parish hall.

The business meeting was followed by a brief program which featured Cathy McCann, James Brady, Roberta Gillispie, Katherina Ann Oleksy in a dance number, vocal solos by Marguerite Colburn and dance routines by a group composed of Mary Jean Campbell, Mable Bingham and Lynette Mayne a trio, and Roberta Mayne and Margot Davenport, a two-some.

A social hour and refreshments followed the business session and program.

Church Of God To Conduct Vacation Bible School Here

The Community Church of God will be conducting a Daily Vacation Bible School in Fellowship Hall again this year for children of all ages, starting Monday, June 8, at 10 a.m.

At the conclusion next week there will be a program in the church to which the parents and friends are cordially invited. They will present songs and exercises to demonstrate what can be learned in a short time.

They will also display a variety of handi-work and art-craft which illustrates the lessons. Mrs. George Majors is in charge of the school.

A. C. Zeitler, 72, Dies Following A Long Illness

Andrew C. Zeitler, 72, lifelong resident of Charlevoix county, died Thursday at the Charlevoix Hospital. He had been in failing health for several months.

Funeral services were held at St. Mary's church Monday morning with the Rev. E. F. Denay officiating. Burial was in St. Mary's cemetery.

Mr. Zeitler was born at Ironton on Jan. 1, 1881, and had spent his entire life in this area. He was a teamster by trade.

He was a member of St. Mary's church.

Surviving are his wife, the former Katherine Christie whom he married in 1012; two sons, Robert of Charlevoix and Charles of Flint; two daughters, Mrs. Margaret Tilk of Petoskey and Mrs. Ilene Drost of Charlevoix; eight grandchildren; two brothers, Frank and John of this city and four sisters, Mrs. Eva Votruba of East Jordan; Mrs. Anna Britz of Joliet, Ill., Mrs. Margaret Haney of Lansing and Mrs. Rose Orvis of Flint.

Entertain Guests

ODDS 'N ENDS

By Fran Martin

IT'S JUNE . . . have you noticed? . . . Spring is beginning to come around . . . a little late this year, we'll admit . . But we think it's here . . . The trees are in bloom, the leaves are finally out on most of the trees, the graduates have been wearing their caps and gowns and we've heard of a few June brides . . . O yes, and the parking meters are on . . . They're the only things that's early this season. . . .

• • •

AND WEATHER . . . well, you just mention it and we've had it . . . that squall that blew up Saturday night was really something . . . Seems we were in a low pressure area and the air descended on us . . . pushing the level of Lake Michigan up plenty especially in the Little Traverse Bay area . . . We're told it went over the pier at Harbor Springs . . . in fact, right into the front door of a bar located on the pier . . . Floating into the bar on one of the surges of water was a muskrat . . . Which evidently have taken the place of pink elephants

• • •

SPEAKING OF WATER reminds us of driftwood and that reminds us of something we saw the other day . . . definitely something new and different . . . Driftwood jewelry . . . that's right . . . It's made from small pieces of the water-washed wood . . . necklaces and earrings . . . They're very charming and unusual to say the least . . . And one of our own residents is credited with the clever idea . . . Wayne Belding . . .

• • •

MRS. HUGH MAYNE called us the other day to give us another wildlife story . . . Seems she and her mother, Mrs. William Smith, were returning from Petoskey when a big red fox ambled down to the highway to watch the traffic go by . . . They thought at first he was a dog 'til they took a second look . . . And in their backyard lives a woodchuck . . . which, when he's nothing better to do fights with the cats at an early hour . . .

• • •

EVERY ONCE in a while we write a story which makes us sad . . . The one we had to do last week on the barbershoppers was one of those . . . Charlevoix had set a precedent in jamboree seldom reached even in the larger cities . . . But with so few to carry on, it was next to impossible to keep the big event going . . It's an event we shall miss very much . . . it always seemed such a fitting climax to the summer season . . . We shall have many memories of the wonderful programs and grand friends we made among those who came for the jamborees . . .

• • •

WE HAD the good fortune the other day to meet Frank O'Donnell whose twins, Dick and Ron, entered the army recently . . . He told us they are now stationed at Fort Knox . . . Their cousin who went with them was sent home until a later date because of a fractured finger . . . the trio had hoped to stay together . . . Would that have been confusing . . . With Mr. O'Donnel was his charming sister, Mrs. Teeder of Lake Forest, Ill . . . who had made a trip to northern Michigan . . .

• • •

WHEN THE KIDS in Charlevoix decide to do something, they do it up brown . . . as you've probably noticed in the past . . . The latest thing they set their hearts to was an assembly in honor of one of their teachers who is leaving the Charlevoix school system, Mr. Suomela . . . It was strictly the kids idea, we're told and they did a beautiful job . . . They asked for an assembly, the last of the school year, in order to present Mr. Suomela with a grand gift, an electric saw . . . Pete Ulrich who was chairman of a committee, made the presentation . . . Mr. Bennatt spoke briefly, we got our two-cents worth in, the band played and all in all it was a grand tribute to a great teacher . . . We're sure that Mr. Suomela now knows, in case he ever had his doubts, just how very much his students think of him.

• • •

WE'RE TOLD that one of the graduates, making up a list of persons she wished to invite to graduation this week included those of none other than President Eisenhower, Gov. Williams and her favorite film star, John Wayne . . . To date she hasn't heard from Washington or Hollywood but she did have a nice letter from Lansing bearing Gov. Williams regrets that he would be unable to attend . . . We don't know what Ann Lagerman would have done had all three decided they could come . . . But it would have been interesting to see . . .

• • •

YOU'VE ALL HEARD about the tornado which struck Port Huron and Sarnia recently . . . but you haven't heard anything 'til you talk with someone who went through it . . . Mrs. Charles Novak returned last weekend from Sarnia where she has been visiting her brother and sister-in-law, Mr and Mrs. Dan McKenzie . . . She said they had not had the radio on and did not know of the tornado until it struck . . . The wind had been blowing hard all day the weather was balmy so when the hailstones as big as golfballs started coming down she walked to the window to see them . . . In a matters of minutes the wind was roaring about them and bricks from a neighbor's chimney were flying through the window . . . Other windows in the house were blown in, the porch and part of the roof torn off . . . trees were torn up by the roots or their branches stripped from them . . . And all this in a section of the city where the damage was not as severe as in the business district . . . They were without utilities and it was almost impossible to travel the streets because of the debris . . . She said it was Saturday before the workmen with big electric saws and cranes cleared the trees from their street . . . In the business district buildings were collapsed, the damage beyond description . . . martial law was declared and no one could move about the city without a pass . . .

WHAT DO **YOU** WANT TO KNOW ABOUT BANKING?

. . . are there any advantages in financing my next car through your bank and if so, what are they?

HERE are a few of the advantages: the cost is reasonable (you pay no commissions or "buried" charges); you may include the cost of the car *insurance* in the loan; you build valuable bank credit standing as you repay, conveniently, in once-a-month instalments.
If you have chosen a car and can make the down payment, apply here for a Bank Auto Loan — to finance the remainder of the cost.

Listen fellow citizens and you shall hear
Of the sensational buy of the '53 year.
She's the best little Ford in the 48 states
And for dependability she really rates.
Got 4 new tires and the brakes are tops
And when you step on her, she really hops.
She doesn't eat oil and she's easy on gas
All the way round she's a game old lass.
So if you're in the market for a reliable car
Our '36 Ford is the best far.
Been in the family for 17 years
And with her departure we'll shed some tears.

So come on felles—
Just call Dale

Announce Plans For Girl Scout Camp

(Continued from Page 1)

The Girl Scouts are reminded that they must provide their own transportation to and from camp.

Camp will close at 1:30 p.m. Wednesday.

Joan Nelson, assisted by Mrs. Ralph S. Hamilton, will be in charge of Brownie Day Camp which will be held at the Rod and Gun Club.

The program planned by the Brownie leaders will include games and hiking, singing and outdoor cooking.

The Brownies will assemble at the City Hall daily Monday through Friday for transportation by bus to the camp site. The bus will return them to the city hall at 4 p.m. each afternoon.

Miss Nelson and Mrs. Hamilton will be assisted by Brownie leaders and several members of the troop committee.

Large quantities of organic matter—from barnyard manure or green manure crops—are needed for good potatoes, reminds Dr. James Tyson,. Michigan State College soil scientist.

Fungicides can be sprinkled right into garden seed packets and shaken around to coat the seeds and fight disease, suggests Dr. Edward A. Andrews, Michigan State College plant pathologist.

Coat each slat of venetian blinds with a film of wax to prevent dust collection, recommend Michigan State college home economists, but be sure to let wax set for half an hour before moving the slats.

IT HAPPENED ON . . . . BEAVER ISLAND

By Loyola Malloy

Patrol Boat No. 1 spent one night in port here last week.

The Coast Guard Cutter Sundew brought a load of coal for the U. S. C. G. Station and Beaver Head Light.

Mary Greene had part of her family with her for the weekend Mary Margaret and Lillian were here from Chicago, Dan from Detroit and Anthony from Traverse City.

Pery Gatliff spent the weekend with his parents Mr. and Mrs. Tom Gatliff.

Mrs. Arthur Huston and family and Rosemary Nackerman arrived Sunday to spend some time with their parents, Mr. and Mrs. Frank Nackerman.

Mr. and Mrs. Dave Wilson and family spent the weekend at their cottage.

It wasn't a very pleasant weekend on Beaver Island. It rained and stormed from Friday until Sunday night. Saturday was the worst day. The wind was so strong that it blew anything lying on the beaches into basements and up on the road. The telephone service was cut off two or three times in less than twenty-four hours.

Larry and Jack Cull and Francis O'Donnell spent some time with their folks this weekend.

Last Thursday evening Father Raymond Osdyke gave a very interesting talk on his visit to many parts of Europe.

Mr. and Mrs. Peter Gallagher spent a few days visiting relatives in Charlevoix.

Mr. and Mrs. Warren Townsends arrived with their furniture last week.

Robert Bonner plans to spend some time with his parents before his induction on June 9th into the Army.

Father Xavier of St. Mary of Cary, O. had a meeting explaining the purpose of Credit Unions.

Mrs. John Martin and daughter Mrs. Bernice Eckles surprised Mrs. Martin's husband Friday when they came to spend the weekend with him.

Mrs. Anna McCann of Charlevoix spent a few days here last week.

Grace Cole is spending sometime in Charlevoix. She accompanied by her nephew, Dale Cull. Mrs. Cole may go to Williamsburg, Iowa, to visit her brother-in-law and sister Mr. and Mrs. Ray Osborn. Mr. Osborn is in very ill health at the present time.

Visiting at the home of Ceil Kenny are Jean Gray and her sons of Hamtramack.

The Bob McDonoughs did it again. On May 26 another daughter Philamena Ileen was added to the five girls they already had.

Leo McGinnis is here visiting his daughter Mrs. Charles Martin.

Word was received today of the death of Mrs. Judge Boyle. The Boyles live in Charlotte.

Mr. and Mrs. Ted Hinie are spending a week or ten days at their cottage.

Mr. and Mrs. Bill Gabowski of Hamtramack spent part of their honeymoon at the Beaver Lodge.

Jeri Buckner went to Traverse City Friday to see her father who was injured in a fall while doing Carpenter work.

Ag Conservation County Program Being Developed

The tentative agricultural conservation program for Charlevolx County for 1954 was developed last week in Boyne City Ed Rebman, County Agricultural Agent, announced today. The program as planned was the result of the efforts of several people. Those present at the original meeting held two weeks ago were: Roy Hardy; Boyne City, Chairman PMA; Archie Murphy, East Jordan, PMA; Rowley Williams, Charlevoix, PMA; Jim Finley, Boyne City, Conservation Department; Bill Grimm Boyne City Soil Conservation Service; Clayton - Healey, East Jordan, Charlevoix Soil Conservation District and Ed Rebman, Boyne City, County Agricultural Agent.

This first group went over the overall plan and picked out the sections that would pertain to Charlevoix county. A small committee composed of Leroy Hardy, Archie Murphy, Bill Grimm, and Ed Rebman added the recommendations and the amount of payments that were to be made on the 1954 program.

The 1954 progrem will be on permenent practices only. Some of the items that will be in this hendbook will be: (1) Constructing diversion terraces; (2) Esteblishing permanent sod waterweys; (3) Initlel establishment of improved permanent pasture; (4) Establishing and contour strip cropplng; (5) Establishing field strip cropping; (6) Planting fruit on the contour; (7) Plenting trees; (8) Constructing open dreinage systems end (9) Installing underground drainage systems.

Leroy Hardy, on the left, from Boyne City, and Chairman of the P. M. A.; Archie Murphy, Eest Jordan, P. M. A.; Bill Grimm, Boyne City, Soil Conservetion Service end Ed Rebman, Boyne City, County Agricultural Agert meking the tentative 1954 program before it is submitted to Lensing end Washington, D. C.

All of the divisions of the United States Department of Agriculture that are in Charlevolx county work closely together. They have an organization known as the Agriculture Mobilization Committee. This committee, in addition to coordinating each division's programs, also handles the requests for deferment for agriculturel workers.

Michigan farmers can expect to pay $10 to $12 per hour to have their hay, straw or silage custom field-chopped this season, according to a survey conducted by the Michigan State college agricultural economics department.

From where I sit ... *by* Joe Marsh

A Little Headwork Saves a Lot of Footwork

"I don't ever aim to give up fishing," Pappy Hayes said one day— "but the older I get the less I like hiking over to Pike's Creek. Guess I'll have to bring the fish nearer to me."

So Pappy got his nephew to bulldoze down about three acres of bottom land. Then he dammed up the little stream there.

He wrote the U. S. Fish and Wildlife Service, in Washington, and got some "blue gills" and bass to stock it—free. Pappy's idea wound up giving him (and us) just about the best fishing pond in the county . . . right in his own back yard.

From where I sit, Pappy may be older than some of us but his mind is active—and open. He's ready to listen to anybody with an idea. That's why he and I can talk on any subject—sometimes about his preference for buttermilk and mine for beer. And though we disagree, we respect each other's opinion. That's neighborliness without a "catch" to it.

MSC Offers Short Courses In Farm Training For Youth

June means commencement to High School graduetes, but it also means "Where now?"

There's an answer to this for farm boys who don't want to go through four years of college, who find no appeal in city life, or who don't feel secure enough to start farming now, according to Ed. Rebman, Charlevoix County Agricultural Agent.

"Michigan State college short courses offer an excellent means of getting plenty of good, practical training, and in a short time, too," Rebman said.

All over Michigan, but particularly in the north, there ere resources which could be expanded with more training, says Ralph W. Tenny, director of the MSC short courses. In the lest century farm population hes decreased from 85 percent to 15 percent of the netion's populetion, but farm production has risen—and must continue to rise.

"This means that farmers will have to be able to produce more, with less help," Tenny says. "We want to aid in this. Trained men will do the job quicker and better."

Students interested in the short courses program should contact the MSC short course representative for their area. In northern Michigan and the Upper Peninsula it's Carl Hoyt; Western Michigan, Robert E. Dennis; Eastern Michigan, Vernon C. Larson, and Donald Shepard for Southern Michigan.

Information can also be obtained from county agents, 4-H agents, vocational agriculture teachers, or the Short Course department et MSC, East Lansing.

A combination of large and small pieces is the most satisfactory assortment for a family washing. Small items in a single load wash well, but a load of all sheets gives trobules. So put in some smaller pieces with the sheets and everything will move freely in the washer, points out Michigan State college home management specialists.

State Holstein Cattle Sale To Be Held June 17

On June 17 a sale of surplus purebred holstein heifers and a few bulls from State institutional farms will be held at the Upper Peninsule State Fair grounds, Escanaba, starting at 12 noon, reports B. Dale Ball, Coordinator, Institutional Farms and Herds, Michigan Department of Agriculture.

Fifty-four heifers and seven bulls, some of which are ready for service, or a total of sixty-one head will be offered for sale. These cattle are consigned from State Prison of Southern Michigan, Jackson; State Home of Correction and Branch Prison, Marquette; Mt. Pleasant State Home and Training School; Newberry State Hospital and Traverse City State Hospital.

Again this year all surplus female animals from Institutional Farms are being sold at public auction sales. This gives all breeders a chance to bid on the animals, states Mr. Ball. The cattle being sold are from ancestors that have been on official testing for production for many years. Many are from high producing dams, especially the bulls, which have dams with records of 571 to 746 pounds of butterfat per year.

All production records will be converted to a twice a day milking so that purchasers can more easily compare them with records made under regular farm conditions.

Suggests Spray To Hasten Tomatoes

Use of a hormone spray may help your tomato plants produce ripe fruit two to three weeks earlier, reports Ed Rebman, Charlevoix County Agricultural Agent.

He says hormone sprays have been working well in counteracting the effect of low night temperatures. Fruit set he explains, depends on the presence of a hormone or growth controlling chemical. There isn't enough of th chemical in the tomato flower at temperatures belw 60 degrees.

S. H. Wittwer, Michigan State college horticulturist, advises applying the spray to the tomato plant flowers while they are open. Ordinary household sprayers can be used on small plantings. On commercial plantings special one-quert sprayers are used in applying the hormone. The chemical is available at many seed stores.

Wittwer suggests going through the plantings once every three to five days and spraying all blossoms showing color. Keep the spray off the foliage as much as possible.

He says fruit set will be increased only as long as night temperatures stay below 60 degrees. But fruit size may be increased by spraying anytime during the season. The size of tomatoes has been boosted as much as 30 per cent in some cases.

Area Development Group Entertains Agents At Dinner

The farm Income of the area served by the Northwest Michigan Industrial Development Council, is over 11 million dollars per year according to the County Agricultural Agents.

The County Agents from Antrim, Benzie, Charlevoix, Kalkaska, Missaukee, Montmorency and Otsego counties were the dinner guests of the Council, recently at the William Stebbins farm near Kalkaska.

Over thirty guests gathered in the new dairy barn to watch a demonstration of milking parlors. This was followed by a "Thresher Style" dinner, served by the ladies in the farm home.

Following a short business session of the Council the meeting was turned over to Mr. Orville F. Walker, County Agricultural Agent for Kalkaska County. Slides were shown from each county and each agent reported on the work in his county.

It was pointed out that farming has become big business and thet it requires about thirty thousand dollars worth of equipment to operate a farm. Each agent has about one thousand farms to help in his area. It seemed to some members of the Council that a demonstration farm in the area might help.

Remember, federal law requires that any fabric containing wool must be labeled with percentages of all fibers used in tha fabric, say Michigan State college textiles specialists. It is always wise to look for the label first, then ask for it if you can't find it.

Chickens should alwaya be cooked until it is well done, remind Michigan State college home economists. Less shrinkage and better texture and flavor come from chicken that is cooked slowly at low to moderate temperatures.

In preparing rhubarb sauce, remember that the fruit should be cooked as short a time as possible to retain the most of the fresh fruit flavor . . . the more aroma in the eir the less flavorful the sauce, remind nutritionists at Michigan State college.

Dr. Guy H. Hill Advises Graduates On Requisites Of Success In 1953

Charlevoix high school awarded diplomas to 51 aeniora at Commencement exercises at the high school auditorium Wednesday evening.

The graduating class of 1953 heard Dr. Guy H. Hill, co-ordinator of high school education for Michigan State College, speak on the subject "Model 1953" in which he gave the requisites for a successful man or woman in 1953.

Diplomas were awarded by E. D. Hawley, treasurer of the Board of Education, as high school principal, H. E. Bingham, presented the candidates.

Amy Kipke delivered the valedictory and Janet Krulik the salutatory. The Rev. Lloyd M. Schloop gave the invocation and the Rev. Harold Kohn the benediction. Special music was by the high school band and the Girls Glee Club directed by C. A. Odmark. Supt. R. G. Bennett introduced the speaker.

Dr. Hill, in addressing the graduates, said there are several qualities that are necessary in becoming a model person in 1953.

First, he said, the 'model 1953' must be intelligent and must continue to seek knowledge for as long he lives; he must be able to think things out for himself and not expect other people to do his thinking for him.

It is equally important to know how to work and to do the job well, regardless of what it might be, he continued.

Another important requisite is to respect one's fellowmen regardlesa of their creed, color or station in life, he said.

And above all eternally seek the truth, he concluded, for only in this way will you be successful and attain the goal you have set for yourself.

Americans To Mark Flag Day Sunday, June 14

Flags will be unfurled throughout the land and in every country where Americans are stationed on Sunday, June 14, in observance of Flag Day . . . the day which this country has selected to honour its national emblem, the stars and stripes.

Few people, however, know the history of Flag Day or why it is observed on June 14.

The date marks the anniversary of the adoptian of the American fleg by Congress in 1777.

Prior to the Revolutionary War, each state had its own flag. On Jan. 2, 1776, General Washington unfurled the first American flag at Cambridge, Mass. It had 13 stripes, representing the 13 colonies, alternating red and white, and a blue field bearing the crosses of St. George and St. Andrew.

On June 14, 1777, Congress authorized the U. S. flag as having 13 alternating red and white stripes and a blue field with 13 stars.

In 1794, an the edmission of Vermont and Kentucky Into the Union, two stars were added and also two stripes. In 1818 it was decided to rastore and keep the 13 stripes, adding a star only far each new state. Thus with 48 states there are now 48 stars on the blue field.

Sunday will mark the one hundred and seventy - sixth anniversary of the adoption of this country's great flag.

H. K. Miller Tells Of Development Work In State

Harris K. Miller of the Michigan Economic Development Commission, was the guest speaker at the regular meeting of the Charlevoix Kiwanis club Monday evening.

Mr Miller said that Charlevoix's Development Corporation was one of 25 in the state working with the state organization to bring industry into the smaller communities. He went on to say that the Michigan Commission had been instrumental in bringing 11 new industries to northern Michigan. Purpose of the group is to build and maintain payrolls throughout the state, he said.

S. E. Coleman, secretary of the Board of Commerce, spoke briefly to the group, outlining the tentative plans for Venetian Night. He said that the prizes for the best decorated boats had been increased this year and that several local groups were cooperating in presenting the parade. He asked that the Kiwanis Club join with the Board of Commerce and other organizations in sponsoring the event.

Lawrence Feindt, Alan MacDonnel and Ralph S. Hamilton were named to a committee to meet with the Board of Commerce later this week to formulate plans for the event.

Guests at the meeting were Clarence Rabach, Joseph Williams, Carl Kohler and Joseph McPhillips of the local Development Corporation, Ivan Livingston of Grant's Pass, Ore. and Andy Bloetscher of the Detroit Northwestern Club.

Tornado Does Great Damage In Flint Area

Local residents with relatives and friends in Flint where a tornado dealt untold damage at 8:30 Monday evening spent many anxious hours Monday night and Tuesday awaiting word from the stricken city.

In most cases, however, no news was good news and those who have not heard from Flint relatives and friends at this time feel that they were not hurt in the storm that swept through the north section of the city.

At Milfard, Mr. and Mrs. Don Bellinger called their parents, tha Cherles Bellingers and the John Rathburns to sey they hed seen the storm but were a mile fram the dowrtawn area which hed suffered the greatest damege.

Mrs. Theodore Louselle waited for hours to complete a call to her daughter, Mrs. William Bradford which finally was completed at 12:30 a.m. Wednesday. Mrs. Bradford said her son and daughter-in-law, the William Braford Jr. had lost their home but had suffered only minor injuries. Their new Buick car, however, was being towed to the junk yard. Others in the family had escaped injury.

Campaign Training Workshop To Be Held For Leaders

A Campaign Leadership Training workshop to give Michigan leaders additional know-how in planning, budgeting and campaigning for health and welfare needs will be conducted at Kellog Center Michigan State college, East Lansing, Saturday and Sunday.

Sponsors of the two-day workshop are the United Health and Welfare Fund, Michigan State college, Michigan Welfare League and Michigan Community Chests and Councils.

Dr. Warren B. Cooksey of Detroit, president of the United Fund, will preside at the opening session and will introduce the discussion leaders who will outline and speak briefly on the purposes of the workshop sessions: better campaigns, better public relations, and better planning and budgeting.

Charles X. Sampson, associate for Community Chests and Councils, New York, will serve as a resource person throughout the workshop and will present a summary of the two-day meeting at the closing luncheon Saturday.

Softball League To Open Season Monday, June 15

Action in the inter-county softball league will get underway Monday with games at Ellsworth and Charlevoix, Larry Tuomela, local recreation director has announced.

This will be the first of a series of games with six Charlevoix and Antrim county teams participating.

Games during the next week will find East Jordan Foundry playing Ellsworth at Ellsworth at 8 p.m. and E. J. Canners meeting Freedmans at Charlevoix at 9 p.m. Monday.

On Tuesday Cadillac-Olds will play the U. S. Coast Guard at 9 p.m.; Wednesday Freedmans will meet Ellworth at Ellsworth at 8:30 p.m. and E. J. Canners will play Cadillac-Olds here at 9 p.m.

These are the first of a series of games to be played until July 13 when the first round will end.

The city leagues are still in the process of being organized. The V.F.W. and Scouts will meet at 7:30 Monday and the Class B league and Neffs will meet Schroeder and Hovey at 7:30 Tuesday in the Girls league.

Mr. Tuomela has asked all persons or businesses wishing to sponsor teams to submit their rosters to him or Dean Davenport as soon as possible so the schedules may be set up at once.

Draft Board To Call Three For July Induction

Charlevoix county will send three men for induction in July, the local draft board has announced.

Despite the fact that the July call is the lowest since June, 1952 Charlevoix county's quota continues to be the same as it has been in the past.

The three men who made up the June draft quota left Tuesday for Detroit where they were inducted into the army. They are Joseph A. Buchfinck of Charlevoix, Robert H. Bonner of St. James and James G. Coples of Boyne City.

The local board will not send any registrants for pre-induction physical examinations this month.

Charlevoix high school students and faculty members gathered at the auditorium last week to honor Uno A. Suomela, manual arts instructor for the past eight years who is retiring after 25 years in the teaching profession.

The assembly was called at the request of a student committee headed by Peter Ulrich so the students could present Mr. Suomela with a gift which had been purchased with funds contributed by the students.

Highlights of the event was the presentetian af an electric saw to Mr. Suamela by Peter, who said it was a token of the students appreciation of Mr. Suomela's fine work in the school not only as a teacher but as a friend.

Mr. Suomela responded briefly and said that he would take many fine memories of his years in Charlevoix with him.

Supt R. G. Bennett spoke briefly and said that in his years in the teaching profession, he had known many excellent teachers but few great ones. Mr. Suomela, he went on to say could certainly be listed among the great in the entire profession. He wished Mr. Suomela success and happiness in his new work and said that Charlevoix was certainly a finer place for having had him as teacher and resident.

Mr. Bennett also mantioned Rahert Kanerva wha will not ba on tha faculty next year and vateran bus driver. Martin Elzinga, wha has resigned ta became fire chief.

H. E. Bingham was master of ceremonies and music for the event was played by the high school band directed by C. A. Odmark.

Preceding the presentation, Karen Smith, Crimson Flash editor, announced the names of [illegible] members who would be awarded Flash pins this year.

Mobile Blood Unit Will Visit County Later This Month

Initial plans for the annual Blood Procurement program to be held in Charlevoix county June 29-30 and July 1 have been announced by Mrs. R. G. Bennett, blood chairman for the Charlevoix county Red Cross chapter following a meeting with Miss Iva Allen, field representative for blood procurement for the Michigan Department of Health.

The quota for the annual three-day program has been set at 260 pints with 130 pints going to the armed forces and remainder for county needs, Mrs. Bennett said.

The Health Department mobile unit will be in Charlevoix Monday, June 29 with Mra. G. Wolf serving as local chairman. The unit will be in Boyne City, June 30 and in East Jordan, July 1.

Purpose of the blood procurement program in this county is to collect whole blood for the armed services and plasma and important blood derivatives to meet the needs of Charlevoix county. As a result of the program, Charlevoix county residents receive not only blood plasma but immune serum globulin more familiarly known as gamma globulin for use in modification of measles, infectious hepatitis and polio; antihemophilic globulin for the control of bleeding in hemophiliacs; normal serum albumin for treatment of kidney and liver diseases; and packed red cells for treatment of anemia certain blood diseases or carbon monoxide poisoning.

For the first time local doctors will serve with the clinics and will be assisted by Health Department technicians and nurses supplemented by local volunteer nurses.

In Charlevoix county where only 99 pints of blood were obtained in 1952, there is a deficit of 80 pints which must be repaid to the Health Department following this year's clinic.

The role of the Red Cross in the clinic is to serve as a local clearing house for all of the details associated with the Michigan Plasma program such as enlisting the cooperation of other groups in the community; coordination of the activities of local participating groups, recruiting donors and obtaining volunteer clerical and canteen workers as well as financing the costs of the canteens during the clinics.

Announce New County School Superintendent

A. F. Cook superintendent of the Boyne Valley Rural Agricultural school at Boyne Falls for the past three years, was appointed Charlevoix county superintendent of school following a special meeting of the County Board of Education here Tuesday night.

He was selected from five applicants to fill the vacancy left by the resignation of Mrs. Catherina C. Bergeon who had held the position since Nov. 1948. She resigned recently to accept a position as helping teacher in Ottawa county with headquarters in Grand Haven.

Mr. Cook was appointed for a term of office which will expire July 1, 1957.

John Waffle, 86 Pioneer Resident Passes In Flint

John Waffle, 86, pioneer resident of this community, died Tuesday at the home of his son, Earl, in Flint.

Funeral services will be held in Flint Friday and the body brought to the Pontius Chapel for a brief service at 2 p.m. Saturday.

Varied Activities Planned By School Faculty During Summer

With the closing of the Charlevoix public schools for the current term, faculty members are making plans for vacation employment or enjoyment, as the case may be.

Supt. R. G. Bennett will remain in Charlevoix most of the summer and may take a brief vacation some time during the next three months.

Principal H. E. Bingham will return to Camp Charlevoix as business manager: Elementary school principal Frances Milner will return to the Polly Kay shop.

C. A. Odmark, band director, will take his family on a two weeks vacation trip to the upper peninsula before returning here to start his summer music program and direct the city band in weekly concerts.

Three of the group will attend summer school. Glenn Snider will complete work on a master's degree at the University of Michigan in Ann Arbor; Mrs. Helen O'Neill will attend the summer session at Michigan State college in East Lansing and Mrs. Florence Moeller will enroll at Central Michigan college in Mt. Pleasant following a two weeks vacation trip to Canada.

Coach Del Terrill plans to hava a 'gang' of boys to be known as Tarrill's play camp. The program will start June 15.

Mrs. Bertha Shetterly and her husband, Ralph Shetterly, plan to leave soon on an extensive vacation trip through the west.

Max Novak will return to his former position with the Western Adjustment Insurance and Inspection Co. This year he will be in the Kalamazoo area.

Larry Tuomela has taken over the city recreatian program; S. E. Cofeman has returned to his duties as secretary of the Board af Commerce; Ray L. Kipke will again be at the Belvedere Galf course.

Uno Suomela, who is retiring from teaching after 25 years in the profession, eight of which were spent here, has already gone to Saginaw where he and Mrs. Suomela will make their home. Robert V. Kanerva, who will not be returning as commercial teacher, has gone to Covington in the upper peninsula for the summer.

ODDS 'N ENDS

By Fran Martin

ONE DAY LAST week, Jimmy VerWys went to school, as did all his classmates in the sixth grade, to take his final examinations . . . This morning it was geography so Jim entered the classroom as per usual to take the exam . . . But everyone was staring . . . he glanced about himself to see what was wrong but found nothing out of place . . . But every tima ha loked up he found someone staring . . . It was most disconcerting . . . He turned in his paper when the exam waa over and after leaving the room asked someone what was wrong . . . He soon found out . . . It was his shirt . . . one of those map jobs that has tha names of the states and thair capitols, etc on it . . . And that's what the exam was about . . . So if kids didn't pass it wasn't Jim's fault although he hadn't 'crihbed' from it for it was just another shirt to him . . .

IN THE MAIL this week a card from Denmark . . . from Capt. and Mrs. Bob Vratanina who with their two children were touring Holland and Denmark . . It must be beautiful for they've written Holland with its magnificent displays of tulips [illegible] and kind people . . . Denmark's roads are excellent and wind through very pleasant vistas of rolling farmland, woods by small lakes and along the sea . . . Kronborg Castle shown on the card is supposed to have been Hamlet's and each summer the play is staged daily (when they have the money) . . . Down in the casemates is said to sleep Holgar Danske, Denmark's guardian viking who wakes only when Denmark is in dangar . . . Never fear we shan't disturb him . . . Capt. Vratanina is stationed in Germany with the army . . .

...**THE SIXTY-FIFTH** annual commencement exercises were held for this year's graduating class of good old C.H.S. last week . . . Gee, that's a lot of peopla to have left the old place . . . And by tha way, do you know that most of them have one thing in common . . . except for the first few classes they all went to high school in the present building.

As the names of the graduates were called and they crossed tha platform to accept that hard-earned diploma, we had a little lump for they were names we knew so well . . . There wasn't a one who hadn't participated in something . . . sports, band, glee club, plays, clubs and what have you . . . And this thought struck us . . . never had we had to write an uncomplimentary thing about one of them . . . That's saying quite a lot for 51 kids . . . So do you wonder that we hate to seo them go their various ways.

• • •

DID YOU SEE all those people catching all those perch off tho docks around Round Lake? . . . So did we and it looked so easy we thought we'd try it . . . After nearly threa hours of putting squirming 'wigglers' on the hook and casting until we were worn out, we came home with 10 fish . . . givan to us through the courtesy of Clayt Smith, Tip Riley, Dick VanRaaphorst and our nephew, John Martin . . . We some times wonder if its's worth the effort . . . And after paying out $1.50 for a license . . . and the book that gives all the info on the fish but none on how to catch the darned things . . .

• • •

YOU WOULDN'T know it from the weather but we're well on our way toward another resort season . . . lawns are being put in shape, cottages are being cleaned, a few window boxes are putting in an appearance, the summer hotels and shops are being prepared for the season, lifeguards for the beaches are being signed up, most of the park benches are out, a few yachts and cruisers are stopping in the harbor and others are making appearances at their boathouses here, kids are loking for summer jobs, Irish Coleman will soon be back in his little house (Board of Commerce building), a Venetian Queen will soon be chosen . . . And if you need anymore reminders, we'll name them for you . . . And in case wo don't see you until fall, lots of luck . . .

Lorene Oswald Weds Gerald Goss In Double Ring Church Ceremony

The First Church of Christ in Luther was the scene Saturday of the wedding of Lorene G. Oswald of Luther and Gerald A. Goss of Charlevoix.

Parents of the couple are Mr. and Mrs. Frank Jones of Luther and Mr. and Mrs. W. E. Goss of this city.

The Rev. Pittman, pastor of the church, read the doubla ring service in the presence of the immediate families before an altar decorated with seasonal flowers.

Given in marriage by her father, the bride selected a light blue summer wool suit, white accessories and a corsage of rose and white carnations for her wedding.

Mrs. Burton Jones of Luther, sister-in-law of the bride, as matron of honor wore a light pink suit, white accessories and a corsage of pink and white carnations.

Robert Goss assisted his brother as best man.

Mrs. Jones chose a navy and white summer print dress and white accessories for her daughter's wedding. Mrs. Goss, mother of the bridegroom wore a pastel blue summer suit and white accessories. Each had a corsage of white and rose carnations.

Immediately following the ceremony a reception was held at the home of the bride's parents. Old Homestead resort near Irons. Seasonal flowers decorated the rooms and the refreshment table, which was centered with a tiered wedding cake.

The couple left on a weding trip to Niagara Falls and will make their home at 320 Mason st. in Charlevoix after June 16.

Among those who attended the wedding were Mr. and Mrs. Goss and sons, William and Thomas, Mr. and Mrs. Shelby Goss and daughter, Lorie and Mr. and Mrs. Robert Goss and daughter, Toni. Other guests were present from Grand Rapids, Greenville, Saranac, Ionia, Ypsilanti and Mesick.

Butler-Miller Wedding Vows Are Spoken In Double Ring Service

Joyce Iris Butler, daughter of Mr. and Mrs. Percy Butler, became the bride of Paul C. Miller of Mt. Clemens at a candlelight service performed at the First Congregational church here Saturday evening.

The Rev. Harold E Kohn read the double ring service in the presence of 50 guests before an altar decorated with baskets of white gladioli, snapdragons and ferns and lighted tapers in canelabra.

Preceding the ceremony Mrs. Charles Bellinger, organist, played a program of traditional wedding music and accompanied C. A. Odmark, violinist, who played "Always," "At Dawning" and "O Promise Me."

Given in marriage by her father, the bride chose a gown of white lace and nylon tulle over satin for her wedding. The bodice was embroidered with seed pearls and iridescent sequins which extended down one side of the hoop skirt. The same embroidery trimmed the Juliet cap which held her veil of net and lace. Her fan-shaped bouquet was of lillies of the valley and Vanda orchids.

She was attended by her sisters, Mrs. Dale Lyons of Lansing who was matron of honor and Mrs. Allen Hanson of Petoskey who was bridesmaid. They wore identical ballerina length gowns of taffeta and net and matching [illegible] in deep blue and deep rose respectively. Their headbands [illegible] of pink daisies and their bridal bouquets were of [illegible] and carnations in variegated pink shades.

Mr. Lyons assisted the bridegroom as best man and Mr. Hanson was an usher groomsman.

Immediately following the ceremony a reception was held in the church lounge. Seasonal flowers and lighted tapers decorated the refreshment table and were used about the room. Mrs. Ford Hulett of Armada, Mrs. Ethel Butler of Petoskey and Mrs. Wallace Zupin of Elk Rapids presided at the refreshment table assisted by Mrs. A. F. Novolny, Mrs. W. H. Supernaw and Mrs. Harold Bedford.

For traveling on their brief wedding trip the bride selected a navy blue tissue silk dress with white accents and navy and white accessories and a corsage of gardenias and lillies of the valley.

Guests were present from Elk Rapids, Petoskey, Lansing, Mt. Clemens, Williamsburg and San Bernadino, Calif.

Charlevoix IN UNIFORM

Bruce L. Barker a veteran of 2½ years in the Navy, will be discharged from the navy this month to accept a fleet appointment to the U S Naval Academy at Annapolis, Md

He is home on a 10-day leave prior to receiving his discharge at Bainbridge Md., where he has been stationed at the U. S. Naval Preparatory School.

He will be sworn into the Academy on June 28 at Annapolis.

Bruce received an appointment to the Academy from Victor A. Knox, (R) of this Congressional district but relinquished it in favor of a Fleet appointment.

• • •

Frank Lagerman, A2-c, arrived Thursday from George AFB, Victorville, Calif., to spend a furlough with relatives here.

This is his first furlough here since enlisting last August.

He is the son of Edward Lagerman.

Cpl. Richard Jolliffe, a veteran of 14 months duty in Korea, arrived home Saturday to spend a 30-day leave with his parents Mr. and Mrs. William Jolliffe.

He will report at Camp Atterbury, Ind., for reassignment.

His arrival was unexpected for he had written his family not to expect him until mid-July.

• • •

Pvt. Timothy Shores left last Wednesday via plane for Seattle, Wash., enroute to his new assignment in the Far East.

He recently completed basic training at Camp Atterbury, Ind., and spent 30-days with his parents, Mr. and Mrs. Tim Shores, before leaving for the west coast.

May Apply For '54 Wheat Allotments

Farmers on land on which no wheat was seeded for any of the years 1951, 1952 and 1953 may apply for a 1054 wheat acreage allotment, according to Le Roy Hardy, Chairman of the Charlevoix County Production and Marketing Administration Committee. To be considered for an allotment on a farm which had no wheat seeded for any of those years, the farmer must apply in writing to his county committee by June 18, 1953.

Blank application forms are available at the county PMA office for use in filing requests for allotments.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, on the [illegible] day of June, A.D. 1953.

Present, Hon. Floyd A. Supp, Judge of Probate.

In the Matter of the Estate of Mary E. Crandall, deceased.

Earl Crandall, Administrator of said estate, having filed in said Court his petition, praying for license to sell at private sale the interest of said estate in certain real estate therein described,

It is Ordered, That the 29th day of June, A. D. 1953, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition, and that all persons interested in said estate appear before said Court, at said time and place, to show cause why a license to [illegible] at private sale the interest of said estate in said real estate should not be granted;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks, previous to said day of hearing, in the Charlevoix Courier, a newspaper printed and circulated in said County.

Floyd A. Supp,
Judge of Probate.

Lighted Softball Field Is Dedicated For Banks Township

Ellsworth—A large and appreciative crowd attended the dedication of the softball field which will be officially known as the Banks Township Athletic Field.

Two games were played. The first game between the Oldsters of Atwood and the Ellsworth oldtimers, Atwood winning by a score of 8-1.

Between games Village President James Elzinga and Bank Township Supervisor Bert DeYoung spoke over the loudspeaker system about the progress of the field and of how and when the idea was first suggested in a Chamber of Commerce meeting it seemed like a far off dream, but then the idea caught fire and today we have one of the finest softball fields in northern Michigan.

A quartet number was also enjoyed between games.

The main game of the night was between Charlevoix and Ellsworth with Charlevoix winning 8-1.

On Monday night of this week two games were played, Atwood Oldsters versus the Ellsworth youngsters, the youngsters winning 15-12.

The second game Ellsworth won over East Jordan 13-8.

Next week's games on the local field: Monday night June 15th the East Jordan Foundry play Ellsworth; Wednesday, June 17th Freedmans of Charlevoix play the locals; Friday, June 19, Cadillac-Olds of Charlevoix play the locals.

Many prospective players have signed up as players and will be available for any one who wishes to sponsor a team.

Quartet To Compete

Ellsworth will have some local talent competing in the Amastars District Show to be held in Bellaire this Saturday night, June 13. The girls quartet composed of Joan Edson, Sue Kaley, Roselynn Carpenter and Betty Lou James is entered.

You can help them out by your presence and your popular vote. The girls have tickets for the show and will be glad to sell some to you.

If they don't see you, you see them!

The Conservation Class of the Charlevoix high school, under the direction of Max Novak, again planted trees on the property north of Charlevoix owned by the Charlevoix Rod and Gun Club. The boys were assisted this year by K. C. Festerling, District 4-H Club Agent, and Ed Rebman, County Agricultural Agent. The group planted 2,000 Red Pine trees and 400 multiflora Rose.

The ground for the trees was plowed prior to planting by Shelby Goss. The purpose of the plowing was so the trees could be planted in the furrow and so that the grass would be removed to eliminate some competition with the grass.

Trees that have been planted in previous years are doing very well except for some of the pines where water is standing. Rebman states that pines will not grow where they have wet feet. Cedar is probably the best species to plant in these wet areas. The Multiflora Rose planted last year have almost a 100 per cent survival. They are, however, being planted on an experimental basis only.

The boys of the Conservation Class and the other folks who assisted them enjoyed a very nice pancake and bacon dinner at noon prepared by Kit Carson and E. B. Bowman.

When you transplant tomatoes, you can get faster growth by giving the plants a shot of phosphate in solution, according to S. H. Wittwer of Michigan State college horticulture department.

Grass Day To Be On June 24 Near Kalkaska

Farmers from all over this area will be circling in towards Kalkaska county on Wednesday, June 24, for their last chance to attend an area Grass Day program, Ed Rebman, County Agent said today.

This is the seventh year of the cooperative Grass Days between Michigan State college and the local agricultural agents. There are seven of these profitable programs, marking this seventh and final year before moving into other types of pasture programs.

O. F. Walker, Kalkaska county agricultural agent and chairman for the area Grass Day program, has extended invitations to all area farmers to visit this Grass Day. It will be on Wednesday, June 24 at the Jenkins' farm, located 3 miles south on road 66 and 2 miles east.

Tours will start at 9:30 in the morning and will give visitors a chance to see some of the finest farm operations in the state. Seeding, fertilization and other practices will be discussed.

Visitors will be able to have lunch right on the farm and be able to make a daylong educational outing of Grass Day on June 24.

After lunch, there will be an interview of the host farmers, Mr. Fay and Floyd Jenkins, by the host agent, O. F. Walker.

Farm machinery will be on exhibit and will be demonstrated in the field. Units will include forage harvesters, field balers, crop blowers, forage wagons, bale [illegible] and haycrushers.

Plan now to attend the area Grass Day Wednesday, June 24 at the Jenkins' farm. You will see [illegible] erected during [illegible]

Red Cross May Now Send Messages Through Army, Air Force Channels

The American Red Cross has been authorized by the Departments of the Army and Air Force to relay through their rapid communications, death messages involving immediate families of overseas servicemen of these two branches effective June 1, Mrs. Don Haig, Charlevoix county chapter chairman has announced.

Formerly, the Red Cross could send death messages to servicemen via these rapid facilities only if leave for the serviceman, which the family had requested was denied.

Provision also has been made that all these death notifications contain complete information as to the time and cause of death, welfare of the remaining family, whether leave is being requested, and any other relevant facts. Whenever possible, the message is given in person to the serviceman by the Red Cross field director at his base, to help him meet the shock of distressing news.

Since Nov. 1950 the Army and Air Force have been allowed the transmittal of birth messages by rapid transit but these messages do not have priority. The Navy makes its rapid communications system directly available to Navy Marine and Coast Guard families for sending emergency communications as well as birth messages to all overseas personnel.

Reporting and communications services is a charter responsibility of the American Red Cross. The Red Cross provides the link between servicemen and their families when regular communication facilities fail, helping to reestablish direct contact, and to provide counsel whenever it is needed. Red Cross furnishes specific information when requested by the military.

To carry out this responsibility Red Cross Home Service maintains 24-hour coverage, thus insuring prompt assistance with reports and requests for reports in urgent situations involving servicemen and their families.

It is pointed out that one of the most misunderstanding phases of the Red Cross is its inability to grant emergency leaves to servicemen. This prerogative rests solely with the military. When requested by a soldier's commanding officer to verify certain facts, the Red Cross can use its vast network of chapters and field directors to obtain necessary information, but the decision whether or not leave is to be granted must be made by the commanding officer.

Recent Army and Air Force leave to a serviceman whose wife rulings now allow emergency or minor child has died if the family requests leave. For deaths of other members of his family, however, it must be established that additional problems exist in the home which only his presence can alleviate.

As part of its Home Service program, the Red Cross can also help establish the facts when there is serious illness in a serviceman's family and an emergency exists requiring his presence at home. This reporting service also covers emergency family situations requiring the serviceman to be home for more than the normal 30-day leave period when he is requesting reassignment and deferment from overseas service, or discharge for dependency or hardship. On these latter situations, however, the serviceman himself normally must first apply.

In all these instances, however, actual disposition of the serviceman's request rests with military authorities. The Red Cross confines its activities to gathering, verifying and transmitting the necessary information.

Charlevoix IN UNIFORM

Pfc. Don Gill, in Korea with the 339th A. E. B. has written his mother, Mrs. Fred Gill, regarding his recent trip to visit Howard Campbell.

Enroute to visit Howard, a former classmate here, he stopped in Seoul. Sitting at a table in the dining room for a meal, he found himself along side Tuck Thomson of Ironton. After a good gabfest, Don continued on his way to visit Howard who was quite some distance from him. He reports a happy reunion with both Tuck and Howard.

Pvt. Gillispie enlisted in the army last October and went overseas early this year after basic training at Camp Atterbury, Ind.

U-M Leaflets Help High Schoolers Plan Careers

Forty six "career leaflets" to help high school students plan an education at the University of Michigan have been assigned to high school counselors and libraries throughout the state by the U-M Office of Adminissions.

The leaflets, which describe occupations and careers and the University courses of study which prepare students for them, are bound in loose-leaf notebooks. A number of the leaflets also give information about such general topics as housing, finances, ROTC and student life.

BLUE CROSS-BLUE SHIELD IDENTIFICATION CARD

Over 200 Michigan hospitals, over 4,800 Michigan doctors honor this membership card.

Here's the most powerful prescription

that Michigan doctors and hospitals can offer for ... PROTECTION OF YOUR FAMILY AGAINST HOSPITAL AND MEDICAL BILLS

THE CHANCES ARE 1 IN 3 THAT YOUR FAMILY FACES HOSPITAL BILLS THIS YEAR!

YOU NEVER KNOW when sickness or accident will strike you or someone in your family!

Unexpected hospital and medical bills may embarrass you financially for months . . . and even years ahead.

But you can avoid financial embarrassment, and gain peace of mind by protecting yourself and your family with BLUE CROSS - BLUE SHIELD Health-Care Plans, sponsored by Michigan hospitals and doctors.

These non-profit protection plans have provided benefits of 302 million dollars in the last 14 years. They are enjoyed by nearly 3 million members in Michigan—folks like you—who know that the chances are 1 in 3 that their families will face hospital bills in the year ahead.

What Blue Cross - Blue Shield Do:

BLUE CROSS COMPREHENSIVE GROUP HOSPITAL PLAN covers a broad range of benefits (up to 120 days of care) in any one of over 200 Michigan Blue Cross participating hospitals.

BLUE SHIELD MEDICAL-SURGICAL PLAN provides liberal amounts for stated surgical procedures. It pays toward your doctor's hospital visits in non-surgical cases.

How to get and keep Blue Cross - Blue Shield Protection:

If your firm employs 5 or more people it may be eligible for the Group Enrollment Plan. Agricultural workers can join through Farm Bureau Discussion Groups or Grange Groups.

Protection without Problems

There's no red tape with Blue Cross - Blue Shield. Simply show your Blue Cross - Blue Shield membership card to your doctor and hospital admitting clerk. Blue Cross - Blue Shield pay the hospital and doctor directly.

Protection that's priceless!

Blue Cross - Blue Shield are the hospitals' and doctors' own *non-profit* health-care plans for the welfare of the public.

Council Meets Today To Decide Price On Ferry Ave. Property

The Charlevoix City Council Monday night discussed the proposed sale of 300 ft. of Lake frontage on Lake Charlevoix to the South Bend Tool and Die Co. for almost two hours before the matter was tabled until a special meeting called for 11:45 a.m. today (Thursday).

At the June 1 meeting the Council voted by a 5-1 vote to vacate the property prior to selling it to the Indiana company which has asked to purchase the land located north of the Ferry ave. beach in order to have a right of way to the lake from land located above Ferry ave. which may propose to buy as a site for a new factory.

The sale price is the only thing holding up the sale.

The Council accepted a bid for $1,080 for fluoridation equipment submitted by Jesse H. Jones and Associates of St. Johns. The bid was one of five entered.

It was also decided to advertise for bids for the re-surfacing of Antrim st. from Bridge st. to the west city limits at Lake st. Specifications are available at the office of the city clerk. Bids will be accepted until 6 p.m. Monday, June 22.

An adjustment in the job classification pay scale for diesel operators at the city light plant was made, retro-active to June 1. Henceforth diesel operators at the local plant will receive $1.39½ per hour.

Lot 56 of the Mason Second addition located at 1008 Bridge st., was re-zone to Commercial district 2 from Residential district 2.

Bills amounting to $20,046.93 were approved and ordered paid. The sum included $2,000 for the final payment on the city's share of the right-of-way purchase price for Memorial Bridge and $7,250 as first payment on the city's share for the four-lane highway north of the city on US 31.

Constable Frank Oleksy was awarded his badge of office.

Mobile Blood Unit To Visit City June 29

Wanted: 110 registrants between the ages of 16 and 60 years for the annual Blood Procurement program to be held in Charlevoix Monday, June 29, is the plea issued this week by Mrs. George Wolf, local chairman for the clinic being conducted later this month through the cooperation of the Michigan Health Department, local members of the Northern Michigan Medical Society and the Charlevoix county Red Cross chapter.

The quota for the three-day clinic in Charlevoix county has been set at 260 pints of blood. State Health Department officials recommend that each participating community have at least 110 registrants in order to obtain the quota.

Local doctors will participate in the blood procurement program for the first time, assisted by Health Department nurses and technicians and local volunteer nurses.

The urgent need for plasma in emergencies was demonstrated last week following the devastating Flint tornado when hundreds of injured persons were given countless pints of blood plasma to supplement the supply of whole blood. This emergency plus the earlier tornado at Port Huron and those in other Michigan communities in recent weeks has done much to deplete the existing supply of plasma in the state.

Many persons have asked why the whole blood donated during these blood procurement clinics cannot be made available at hospitals frequented by Charlevoix county residents. The chief reason is that whole blood is perishable and can be stored for only a limited period while plasma an its deriviates processed from whole blood can be stored indefinitely.

Fifty per cent of the blood donated June 29-30 and July 1 in this county will be forwarded to the military by the State Health Department for use in hospitals in Korea and Japan, for though there is talk of peace the wounded still need the life saving whole blood.

The remaining 50 per cent of 130 pints will be processed into plasma; gamma globulin used to prevent or modify measles and polio; antohemophilic globulin used to save the lives of bleeders and normal serum albumin which is used to treat diseases of the kidney and liver.

All these products are processed, put into containers, packaged and tested by the State Health Department and then made available to all residents of this county through their attending physicians any place in the state.

Local doctors join with the Michigan Health Department in urging that residents of this community volunteer now so that sufficient plasma and fractions will be available to Charlevoix county during the next year.

In Charlevoix call Mrs. Wolf or Mrs. R. G. Bennett for further information regarding the program.

Cleaning Plant Grand Opening Is Most Successful

More than 450 people visited Hooker's Cleaners of Charlevoix during their grand opening on Saturday to meet the new owners, Burt and Vern Hooker and to inspect the completely remodeled and improved cleaning plant.

Mrs. Versal Seymour won the white wool blanket given as the grand prize to celebrate the event. Others who won dry cleaning certificates and who will be notified by mail of their prizes are Mrs. Laurence Foley, Mrs. Louis Orlowski Sr., R. L. Suratt, Fran Martin, Bert Warner, Getch Campfield, Kaye Ward, Mrs. Mable Gillispie, Mrs. A. E. Cook and Margaret Haggerty.

J. Clark Dolliver of the Charlevoix Courier presided at the drawing.

Following the grand opening the new owners entertained the personnel of dry cleaning departments of the Charlevoix, Petoskey and Harbor Springs plants and their respective husbands and wives at a buffet supper at the local plant located at 207 West Garfield ave.

New Dairy Queen Is Opened Here

Former residents of Petoskey, Mr. and Mrs. Charles Winnell, are the owners and managers of the new Dairy Queen stand which opened this week in Charlevoix at 1111 Bridge Street.

Mr. and Mrs. Winnell moved here a month ago with their two children, Diane and Douglas, and plan to make Charlevoix their permanent home. For the past three seasons they have been managing the Dairy Queen in Petoskey.

The now stand is equipped with the very latest in electrical freezing machinery and is housed in a new white cement block building with complete parking facilities for curb service. They feature cones, sundaes and malts.

The season of operation will be from April 1st to October 15.

Kiwanis Hears Of Work, Future Plans

William VanRaaphorst of the American Mold Engineering Co. was the guest speaker at the regular meeting of the Kiwanis club Monday evening.

He spoke of his company's work and the plans for the new factory to be constructed on M-66 this summer. He described the proposed building in detail and said the company planned to have it in operation by fall.

The Rev. W. D. Wood of Kalamazoo, a former local resident and a former member of the Charlevoix Kiwanis Club was a guest at the meeting.

Make Plans For Venetian Night Events July 26

Tentative plans for the annual Venetian Night celebration scheduled for July 26 were made at a meeting of local groups last Thursday, S. E. Coleman, secretary of the Board of Commerce has announced.

Meeting with representatives of the Board of Commerce were delegates from the Rod and Gun Club, Kiwanis Club, Marine Club and the Retail Merchants Association.

Committees were appointed to arrange the details of the celebration. They were to report at a meeting planed for Wednesday evening.

Christ Episcopal Church To Have Resident Vicar

Though the history of the Christ Episcopal church here goes back to 1887, it will welcome its first resident minister, the Rev. Richard Lintner, this week.

The congregation will welcome the Rev. Mr. Lintner at a reception in the church dining room this evening.

He will assume his duties as vicar of the Church on Sunday, as well as the responsiblity of St. Paul's church at Elk Rapids.

During the church's 66 year history, it has been served by the rector of Emmanuel church of Petoskey and by various clergy who have spent the summer here.

The Rev. Mr. Lintner was ordained to the order of deacon by the Rt. Rev. Lewis Bliss Whittmore, Bishop of western Michigan, at St. John's church in Ionia June 6.

The son of Mrs. Gladys Lintner and the late Dr. Roy Lintner, he was reared in Ionia where he attended the public schools. Later he attended Illinois college at Jacksonville, Ill., and completed his undergraduate work and also did his graduate work at Michigan State college. He was engaged in public school teaching for three years.

Early in June he was graduated from Seabury-Western Theological Seminary in Evanston, Ill.

As a seminarist he participated in the Chicago public school Released Time Religious Education at the Cathedral Shelter and the Church of the Epiphany.

The new vicar will reside at 105 State st. until a vicarage can be secured.

Announce Change In Bus Schedule

The new departure schedules for Detroit and Chicago bound Greyhound buses are announced this week by John Norton, local agent for the company.

Effective Thursday, June 25, the Detroit bus will leave here at 8:50 a.m. daily except Wednesday, when it will leave at 9:10 a.m.

Effective the same date, Chicago-bound buses will leave at 11:05 a.m. and 4:00 p.m.

Buses for Petoskey and points north will leave at 5:02 p.m. and 10:32 p.m.

It has also been announced that there will be no night bus to and from Detroit. However, it will be possible to make connections on Detroit by leaving here on the 4:00 p.m. bus to Chicago and changing buses south of here.

Girl Scouts Finish A Successful Year With Camp Program

The 1953 Girl Scout Camping program came to a close Friday with a record number of Girl Scouts and Brownie Scouts attending the two camps, Mrs. Charles Duerr, Girl Scout Council president has announced.

Sixty-nine Girl Scouts attended Established Camp at Camp Charlevoix from June 5 through June 10. Mrs. Herbert Irish of Harbor Springs was Camp director.

An additional 53 Brownie Scouts attended Day Camp at the Rod and Gun Club from June 8 through June 12. Joan Nelson was camp director assisted by Mrs. Ralph Hamilton, who as camp chairman, was responsible for all planning and preparation for both established and day camp.

The 69 Girl Scouts and their leaders returned from Camp Charlevoix last Wednesday where they had enjoyed five days jam-packed with variety of activities.

Cold weather limited the swimming and boating program but other activities filled the days with fun and learning.

Mrs. Irish supervised a program which included hand craft, swimming and boating, outdoor cooking, tap dancing, square dancing and group singing.

The girls were divided into cabin groups of seven with one leader and all girls had special duties assigned them to assist with meal serving and preparation, dish-washing and cleaning. Each cabin group was responsible for keeping its cabin neat.

Sunday evening was visitor's night. More than 100 parents and friends visited camp and enjoyed an entertaining program presented by Troop 6, followed by singing and square dancing.

During the five days, excellent meals were served under the direction of Mrs. Bernie Ward, camp cook.

The two Senior Girl Scout troops gave valuable assistance with boating, supervision of the camp library and planning a treasure hunt for the younger campers on the last evening at camp. A camp fire on the beach concluded the activities.

The operation of the camp required the help of many people who gave their time and talents. The Girl Scout council would like to express it's gratitude to the following people for their assistance: Troop leaders, Mrs. Lester Smith, Troop 4 Senior Scouts; Mrs. Jean Gallagher, Troop 3 Senior Scouts, Mrs. Gordon Bartlett and Mrs. James Woodward, Troop 7 Intermediate Scouts; Mrs. Robert Bergmann and Mrs. George Bergmann, Troop 6 Intermediate Scouts and Mrs. Orlin Cunningham, Troop 9 Intermediate Scouts.

Also to Mrs. Leonard Burns who assisted with music and hand craft, Mrs. Doerr who assisted with stunts and skits; Joan Nelson who assisted with swimming and boating; Mrs. Robert Bergmann who was also camp nurse; Mrs. H. E. Paddock, assisted by Mrs. John Knight, who were business managers.

Troop assistants, B. J. Cunningham, Amy Kipke, Mrs. Clarence Rabach, Shirley Cunningham, Mrs. Alden Ulrich and Mrs. Franklin Curtis.

Also those who assisted in the kitchen: Mrs. Clifford Riley, Mrs. Earl Harrington, Mrs. Robert Miller, Mrs. Harley Warner, Mrs. Ted Miller, Mrs. Wilsor Ward, Mrs. Kenneth Cellner, Mrs. Fay Davis, Mrs. Harold Kohn, Mrs. Ray Kipke, Mrs. Lee Mason, Mrs. Joe Williams Mrs. Arthur Heilig, Mrs. Grace Maxfield, Mrs. John Kroken and Mrs. Carl Towsley.

The Council would also like to express its appreciation to Schroeder and Hovey Drug and Joe Williams for food donated; to Edwards Food Mart and Maxbauer Creamery for delivery service and to Ken Smith for making Camp Charlevoix available again this season.

Frank Bird Leaves For Kiwanis Meet

Frank Bird plans to leave later this week for New York City to attend the annual International convention of Kiwanis International being held there June 21-25 as a delegate from the local club.

He plans to make the trip via and will be accompanied by Mrs. Bird.

Brownie Scouts Enjoy Day Camp At Rod And Gun

The 53 Brownies, under the direction of Miss Nelson, made the trip to the Day Camp site, the Rod and Gun Club, via bus daily. On Friday they went to camp at 3 p.m. and enjoyed a potluck supper followed by a program for visiting parents.

The Day Camp program was based on nature study.

Campers set up their own outdoor kitchens in or near the woods where they cooked their noon meals.

They also collected leaves, sketched trees and used their leaf books and sketches to learn to identify trees and plants.

In hand craft they learned to use blue graphic paper to etch leaf paterns. They also made 'bug cages' for collecting specimens, wooden belts and lapel ornaments.

Besides group singing, each troop learned two new songs, which represented the troop names chosen earlier. For example, one troop chose horses, another Indians and a third birds.

A fly-up ceremony was held for the members of Troop 10 who became Intermediate Scouts. They were received by representatives from Troop 9.

Camp personnel to whom the council is indebted include; Miss Nelson, camp director; Mrs. Hamilton, assistant director who also taught hand craft; Mrs. C. M. Bice and Barbara Crick, camp nurses.

Leaders of Brownie troops who attended were Mrs. Frank Trocchio, Mrs. Carlton Ikens, Kay Fitch and Mrs. Hebrert Campbell.

Mrs. E. D. Hawley taught singing and helped to plan the program for visitors night and Mrs. Versal Shearer had classes in sketching.

Others who assisted were Mrs. Bruce Henley, Mrs. Kenneth Cellner, Mrs. S. E. Coleman, Mrs. Edwin McCann, Mrs. Larry Tuomela, Mrs. George LaBiance, Jr., Mrs. Robert Withers and Mrs. Robert Neff.

Junior assistants were Kate Fessenden, Phyllis Williams, Karen Smith, Sue Beaudoin, Bennie Kipke and Donna Ikens.

In behalf of the Brownie Scouts the Council would like to express its thanks to the Rod and Gun club for the use of the Club House and grounds for Day Camp. It proved an excellent location, well adapted in every way to the camp

ODDS 'N ENDS

By Fren Martin

SUNDAY is Father's Day . . . the day that Pop reigns supreme in his home and family . . So don't forget and bring him some little gift . . . And why not surprise him and not charge it to him . . .

TWO OLD copies of the Courier turned up recently . . . in the walls of the Sam Campbell home in Norwood township . . . The house is being razed and they were found during this time . . Both were March, 1011, and belonged to Will Hull . . . The politicians were going strong at the time with both parties holding state conventions, Pres. Taft had called an extra session of the sixty-first Congress . . . Michigan led the nation in the production of sugar made from beets . . . women's custom-made suits cost $13.50 at Crane's, the Argo was advertising ground oats at $1.35, Ben Brown was selling bicycles at prices from $6 to $15 . . . At Cohen's store the price of men's and boy's clothing were unbelievable . . . And a Petoskey Rug Mfg. Carpet Co. Ltd. was managed by an A. T. Washburne . . . Could it be the one we know now as an attorney? . . . Scads of familiar names doted the news items . . . Don't know if you enjoy seeing them, but we love' em . . . Thanks to Lloyd and Lucilla Barnett for sharing them with us . . .

• • •

IN CASE you thought you heard Christmas carols or saw a lighted Christmas tree on East Upright ave. over the week-end, don't rush to the nearest psychiatrist . . . it was the Bud Gills celebrating a belated Christmas . . . Seems the former Bette Gill, now Mrs. Dick Donaldson was bemoaning the fact that she couldn't be home for the holiday so her mother just arranged a second one . . . In June . . . we're glad that she didn't insist on snow for the occasion . . .

• • •

WE'VE BEEN enjoying one of our favorite spring sights . . . the hawthorn tree in the Arthur Weiss yard on Michigan ave. which is now in full bloom . . . it's a lovely sight . . . which many are missing this spring because Michigan ave. is in a shambles . . .

• • •

IF YOU were one of those persons who was awakened by the fire siren early one morning recently and wondered what it was all about it's like this . . . Our new fire chief, Martin Eizinga, received a call to the Bruce Bartlett home in Hayes township . . . As he sped down Bridge st. to the site of the fire, he saw before him the blinker lights on the bridge start to blink, the siren blow and the gates drop in his path . . . He had to make a choice so he leaned on the siren and prayed that the bridge tender would hear him . . . He did, the gates went up, the fire truck got across and went on its way but caught by the bridge were Charlevoix's volunteer firemen . . who really had to tear to get to the fire . . .

• • •

KIDS ARE always good for a laugh and if you don't think so we'd like to tell you about the little boy who's been attending vacation Bible school . . . He got into a scrap, as little boys often do, and told a little friend off in no uncertain terms, throwing in a few cuss words for good measure . . . His teacher explained that that certainly wasn't the conduct of a gentleman and that if he continued to use such language he'd burn in you-know-where . . . He looked at her thoughtfully for a couple of seconds and popped out . . . I'd better tell dad about that . . . You can't win for losin' . . .

. And then there's the little girl, a six-year-old, who is visiting here . . . She'd only been to drive-in theatres so it was quite a treat when she attended the local cinema . . . which, according to her, is a 'walk-in' theatre.

• • •

THIS, according to a group of Sophomore girls . . . Sophomores, next fall, that is . . . is news . . . They won a softball game last week . . it was only a practice game but they won . . . when we saw them they were out celebrating the first 'win' they'd ever racked up . . .

• • •

WHETHER you know it or not . . . your paper boy is the unheralded guardian of your property . . . We have a big mail box which has some kind of a sticker in the cover stating that a reward or a fine or something (we never gave it much thought) for anyone removing mail unlawfully from said box . . . Our little nieces, Carol and Bennie Gill tried to take the paper out of the box to bring it in the house one day recently, only to have the paper boy read the entire notice to them and keep them from taking it . . . He didn't know they belonged at our house and they weren't getting anything out of a box with a sticker like that . . .

• • •

MANY LOCAL residents had a few bad hours last week, while awaiting news of relatives and friends in Flint . . . We talked with Mrs. Arnold Copeland, who with the Brad Fosters went to Flint Tuesday when they did not hear from relatives there . . . If they weren't honest people you'd be tempted not to believe the things they told . . . Such devastation one cannot imagine in such a short time . . . Mr. and Mrs. Dick Foster (Mrs. F. is the former Arletta Prevost, daughter of Mrs. Copeland) live on Gennesse road only a quarter of a mile from Coldwater road . . . Seems the area that was hit was occupied by little farms where people kept a few cows, chickens and had gardens . . . But everything practically disintegrated in the storm . . . Mr. Foster's sister lived on one of these small farms and among the buildings were a two-story house, a small barn, granary and a barn . . . The part of one wall of the house up to the second floor . . . A mattress was found almost a quarter of a mile away . . . And everything else is gone . . . If someone had wilfully destroyed the buildings they couldn't have done such a complete job . . . That was true of most of homes in the two streets hardest hit . . . The grief of the people added to their material losses were almost more than anyone should be expected to bear . . .

There are funds being started by various groups including the Red Cross so in gratitude that it wasn't your community or your friends, dig down and give a little . . . A lot of people, giving a little will help those people more than you can imagine so don't feel that your contribution is too small . . .

• • •

Ahhh . . . Haven't these past few days been heavenly . . . Not too warm but super for getting a tan . . . And if you don't think so take a look at the beautiful beet-red gals we've seen going down the street . . .

And we decided last week-end that summer's here . . . A true harbinger of the season, Sol Marcus, his wife and attractive daughter, Susie, arrived from the east last week.

Advice Offered On Safety From Lightning Bolts

Do you know what is the safest place during a thunderstorm?

These suggestions on what to do when a thunderstorm comes are from Harvey E. Kapphahn of Michigan State College's agricultural engineering department.

Don't go out of doors or stay out unless it is necessary. Stay inside a building where it's dry, preferably away from fireplaces, stoves and other objects made of metal. In all cases stay awny from open doors and windows.

If you're outside and have a choice of shelter, the best place to go is a large metal or metal frame building. In line of choice the next best is a house or other building that is protected against lightning. Next best is a large unprotected building and last, a small unprotected building.

If you have to stay out of doors, keep away from small sheds and shelters—if they are in an exposed location. Also, keep away from isolated trees, wire fences, hilltops and wide open spaces.

It's a good idea to seek a shelter in a cave, a depression in the ground, a deep valley or canyon, the foot of a steep overhanging cliff, dense woods or a grove of trees.

If you are in an automobile with an all-metal body, you're practically safe from lightning.

program.

They would also like to thank the Charlevoix Courier and the Charlevoix Abstract and Engineering Co. for special paper donated for use at camp.

A special thanks has been accorded Mrs. Hamilton who, as camp chairman, had the responsibility for planning both camp programs.

Her work started in January when she took office and will continue long after each camper has returned home. Finding camp sites, seeing that food and other supplies were on hand and that both camps were properly staffed were among her duties.

All Girl Scout camps must meet certain standards outlined by the National Girl Scout organization. In planning the camps, Mrs. Hamilton followed as closely as possible these established standards and did an excellent job of organizing camp personnel.

Johnson Says Telephones Still A Bargain At Two Cents More

The Michigan Bell Telephone Company has asked for a general rate increase throughout its territory which would boost charges for residence service an average of less than 2 cents a day in Charlevoix.

In its application with the Public Service Commission at Lansing, the company also asked that individual-line business service rates here be raised about 4 cents a day.

The company asked for no increase in long-distance rates.

Under the proposed schedules, monthly rates in Charlevoix would be increased aa follows:

(First figure after service will be present rate and second the proposed rate.)

RESIDENCE SERVICE

Individual line: $3.25, $3.90; Two-party line, $3.00, $3.45; Four-party line, $2.50, $3.00; Rural line $3.00, $3.25.

BUSINESS SERVICE

Individual line, $6.25, $7.50; Two party line, $5.25, $0.25; Rural line, $4.25, $4.75.

C. L. Johnson, Charlevoix manager for Michigan Bell, termed the proposed rate increase 'essential if we are to continue to maintain a high-quality service." He emphasized that "even with the proposed increase, telephone service still would be a bargain."

Pointing up the company's progress in expanding and improving telephone service here, Johnson said that Charlevoix customers can now call over 3,100 telephones on a local call basis, compared with 350 in 1946.

"This increase in the number of telephones subscribers can reach on a local basis has been due largely to the inauguaration of extended-area service—a service of particular benefit to rural users because it provides toll-free access to their trading centers.

"Between 1946 and 1952, Michigan Bell spent $20,000,000 to expand and improve service in rural areas. As a result of that huge expenditure we have added more than 07,000 rural telephones, reduced the number of lines with more than eight stations from 44 per cent to 7 percent, reduced the number of rings heard by rural users, converted 12,000 "crank-type" magneto instruments to dial or "lift-the-receiver" type operation, inaugurated extended - area service in about 200 exchanges, and are now serving about 76 telephones per 100 rural establishments compared with approximately 60 in 1940.

In addition, dial service has been inaugurated in scores of exchanges including Charlevoix.

Johnson cited an increase of 90 per cent in the overall cost of living since 1940 in contrast with an increase of only 27 per cent in revenues from Michigan Bell rate increases.

He said that "if the price of other products had gone up no more than that of Michigan Bell service, coffee today could be bought for only 27 cents a pound and the lowest-priced popular automobile for less than $1,000.

"One substantial element of our costs is our wage bill. General wage increases, alone, have amounted to $1.50 for every $1 of rate increases in the same period. During that period wage costs per telephone per month have jumped from $1.54 to $3.39. Further, taxes paid by the company per telephone have increased from 82 cents to $1.26 a month.

"In total, costs per telephone per month are now $6.45, as against $3.86 in 1940.

"As a result of this lag in the price of our service behind the increased costs of providing it, our earnings are about a third of the rate of earnings of outside industry during a period when business activity has been at an all- time high."

H. A. Feiereisels To Mark Golden Wedding Saturday

Mr. and Mrs. H. A. Feiereisel, parents of Mrs. Gerald Left who moved here from Chicago recently to make their home, will observe their golden wedding anniversary Saturday.

The couple plans to celebrate the occasion informally at their new home at 101½ Mason st.

Both Mr. and Mrs. Feiereisel were born in Chicago where they were married June 20, 1903. They continued to make their home there until last month. However, they have visited here often in the past few years. Mrs. Feiereisel is the former Anna Hardies.

Mr. Feiereisel retired last March after 27 years with the Kraft Cheese Co. Prior to that time he had been associated with the John H. Leslie Co. for many years. He has been active in fraternal orders and is a member of the Masonic lodge and a former member of the Knights of Pythias.

Besides Mrs. Left, the couple has one son, Elmer of Chicago and four grandchildren.

Boy Scouts Will Hold Picnic Next Thursday At Park

The boys of Explorer Post No. 211 and the Boy Scouts of Troop 11 as well as Cub Scouts their leaders and parents will join with others from the district at the annual Scout picnic at Melrose township park at Walloon Lake next Thursday, June 25.

The picnic will be a potluck affair with the boys of both Troop 11 and Post 211 bringing hot dishes such as potatoes, chile beef stew or what have you. The boys are asked to bring the large family size dishes of food. Everyone is to bring his own table service and sandwiches also. Beverage will be furnished.

An interesting program is being planned and everyone is urged to attend the event.

Further information may be obtained from local scout personnel.

Capt. Dorothy Dodd Stationed At Army Hospital In Japan

Capt. Dorothy Iris Dodd of the U. S. Army Nurses Corps, is now stationed at an Army Hospital in Tokyo, she has written her parents, M.r and Mrs. Harry Elzinga.

Prior to her present assignment she served in Korea for a year with the 8055th Mobile Army Surgical Hospital.

In a magazine, "View," published in Japan, Capt. Dodd was pictured administering whole blood to a wounded serviceman who had been brought to the mobile hospital from the front lines. The picture and the accompanying article told the value of whole blood to the wounded and the urgent need for more blood from the home front.

Another clipping showed former Illinois governor, Adlai E. Stevenson, visiting the army hospital in Tokyo and visiting with wounded serviceman from his state of Illinois. Many were patients of Capt. Dodd's.

In a letter which accompanied the magazine and clipping, she told of the men under her care at the 1,000-bed hospital in Japan to which the wounded are brought from Korea.

A veteran of three years service with the Army Nurses corps during World War II, Capt Dodd re-enlisted in Aug. 1951 and has been overseas since Jan. 1952. She expects to be returned to the U. S. on rotation in August.

Small Scale Spud Growing No Longer Pays In Michigan

Small scale commercial potato growing no longer is economical in Michigan since new techniques in production have become common, according to a Michigan State College potato specialist.

D. L. Clanahan says potato production has become concentrated in fewer hands and it has become a specialty with growers Now, less than 4 per cent of the growers are producing 60 per cent of the crop.

Acre costs have gone up, Clanahan points out, and present day producers can't hazard the lower yields of their forefathers. The efficient producer, he reminds, helps his crop along by doing these things:

He selects the best variety for quality and yield and seed stock that is free of disease and in good condition.

He uses as large an amount of the right analysis fertilizer as possible.

He prepares the right kind of seedbed with the use of green manures and early planting for maturity quality.

He protects his crop from disease and insect injury by frequent and careful spraying. This may mean spraying every few days instead of every week or 10 days.

He uses careful harvesting and storing methods so that, through grading and packaging, the consumer will receive a satisfactory product.

To make a sugar sirup for sweetening fruit you are canning, boil sugar and water or fruit juice for five minutes and remove the scum, advise Michigan State College home economists. A heavy sirup can be made by using a cup of sugar with one cup of water or juice. A medium sirup recipe calls for a cup of sugar with two cups of water or juice and a light sirup will come from three cups of fluid with one cup of sugar.

Vaccinating young pigs is much cheaper in the long run than taking a chance on hog cholera, the country's top hog killer.

Program Of Summer Music Instruction Will Start Monday

The annual summer instrumental music program, sponsored by the Charlevoix Board of Education, will get underway Monday June 22, C. A. Odmark, has announced.

Enrollment this year has reached a record number of 112 students, all members of various instrumental groups in the high school.

Instruction will consist of weekly lessons either individually or in small groups, Mr. Odmark said.

Those enrolled will be notified by postcard of their lesson assignment. Any conflicts will be ironed out after the program gets underway.

The most valuable dust in the world is pollen. Without pollen there would be no plant life and, therefore no animal life.

Area Grass Day To Be Held Wednesday

Farmers from Charlevoix county, Ed Rebman county agricultural agent said today, will attend the Grass Day on Wednesday, June 24th in Kalkaska county. It will start at 9:30 a.m. and will be at the Jenkins Brothers farm, located 2 miles south of Kalkaska on road 06 and two miles east.

Seeding, fertilizing and management practices will be stressed during morning tours and there also will be discussions and inspections of emergency pasture, special crops and silage. Insect and disease and weed control will be other features. A special feature wil be a demonstration on liquid nitrogen and also the erection of an up-right silo.

Farm equipment displays and machinery operation will be very worthwhile for farmers to see, points out Robert G. White Michigan State college extension specialist in agriculture engineering. Mr. White, member of the M.S.C. Grass Days committee, has been contacting the various farm equipment companies and expects a good turnout. An interesting feature he notes, will be a wagon complete with cross-conveyor unloader . . . "all automatic, just turn o. the power take-off and go sit under a tree".

White expects most machine units to make the tour of all seven Grass Day locations and lists those slated for field demonstration as balers, haycrushers, field choppers . . . both from the swath and direct, with cutter bar, wagon unloaders and blowers.

College Students Turn To New Activities During Summer Vacation Months

With colleges and universities concluding classes for regular school year, students are arriving almost daily to join their families and take up summer jobs.

Among the first to arrive were those from the University of Michigan including Jim Gibbons, Brad Foster, Alvin Ranger, Dale Suomela, Robert and Bruce Shanahan, Jim Bowman, Mike Bergeon, Charles Krahnke, Tom Bleha Beeky Badger and Vic Gibbons.

George VerWys has accepted a job in Detroit for the summer and will visit here only briefly. Frank Partridge, a graduate student, is spending two weeks here before returning for the summer session.

Central Michigan students arrived last week. They are Mary Roberts, Ron Cunningham, Bernie Zeitler, Donna Ball and Sara Coleman, who was given a limited teaching certificate and who will teach near Midland next fall. Neil Suomela will go to Saginaw for the summer.

Patsy Hamilton and Beverly Trimble are here from Albion College. Roger Sweet will remain in Albion for the summer.

Dick Donaldson and Cliff Lagerman who attended the University of Miami in Miami, Fla., returned to Charlevoix last week.

Barbara Bice was among the first arrivals. She came here from Nashville, Tenn., where she attends Vandervilt University. Marian Seymour, who graduated recently from the Elkhart, Ind., University, arrived Saturday for the summer.

Dorothy Allers, who has completed her first year at Western Michigan college, arrived Sunday from Kalamazoo.

Armand Peters, a student at the Michigan Veterans Vocational school near Doster, is expected home later this month.

Joyce Paul, a student at Emmanuel Missionary college will remain at Berrien Springs to be employed this summer, with a two weeks visit here in August.

Frederick deCastro and his sister, Mrs. Louise Krahn, have arrived from St. Olaf's College in Northfield, Minn., for the summer. The former was accompanied by a guest, Roger Knudsen, who will also spend the summer here. Mrs. Krahn graduated from S. Olaf's last week. Her parents Mr. and Mrs. Fred deCastro and daughter, Susan, made the trip to Minnesota for the occasion.

Michigan State college Students, in the midst of exams this week, will be among the late arrivals for the summer holiday. Gerald Gibbons, Marge Brow, Betty Orvis, Ruth Blanchard, Joan Hess, Marilyn Bulow, Dorie Nielsen Virginia Smith and Milford Saunders are among those expected home soon. Bob Carey, who graduated earlier this month, and his wife are expected here Sunday for a brief visit before leaving on a trip to Maine. Bob, who was commissioned a second lieutenant in the Army, will report for duty at Fort Benning, Ga., in August.

Tom Hamlin will remain in South Bend, Ind., to attend the summer session at Notre Dame and will come for a brief visit in September. Leona Scott who is attending Davenport Institute, will continue with her studies in August.

The student nurses from Charlevoix Delores Winnick, Sue Miles Lorna Lewis, hyllis Mason, Elaine Wojan as well as Lois Buddy, who is attending a practical nursing school, will be home for brief vacations during the summer.

Stewart Walker Is Attending Annual Red Cross School

Stewart Walker of this city and Kay Melin of Boyne City left Sunday for Whitehall, to attend the annual Red Cross Aquatic School for 10 days.

The pair will learn water safeyt and first aid along with lifesaving at the school sponsored by the Red Cross.

Their expenses for the school are paid by the Charlevoix county chapter of the American Red Cross.

Both will serve as life guards on beaches in their respective communities.

- Mrs. Elizabeth Johnson returned to Ishpeming last week after spending several days with her son-in-law and daughter, Mr. and Mrs. Dean Davenport and attending the graduation of her grandson, Dean Davenport.

Personal Items

- Mrs. Elmer Barber returned home Sunday from a visit with relatives in Saginaw. Mr. Barber joined her for the week-end and returned with her.
- John LaBlance left recently for Lorrain, Ohio, to go aboard the lake freighter, Fitzgerald, for the summer. His father, George LaBlance and son, Stephen, took him to the Ohio city.
- Mr. and Mrs. Don Carey and son, Timmy, arrived recently from Mason to spend the summer with his parents, Mr. and Mrs. Leo Carey. Mr. Carey who has coached at Mason for three years, will go to Marysville next fall.
- Mrs. Jessie Short returned home recently from a three weeks visit in Jeffersonville, Ind., with her son-in-law and daughter, Lt. and Mrs. William Garrison. While there they visited places of interest in Ohio, Kentucky and Indiana.

Robert Carey Is Graduate Of MSC

Among the 1,933 students who received degrees at Michigan State College graduation exercises Sunday, June 7, was Robert W. Carey, son of Mr. and Mrs. Leo Carey.

His twin brother, William Carey completed his studies at Michigan State in December and is now stationed at Fort Benning, Ga.

President Frederick Lawson Hovde of Purdue University gave the Commencement address.

On May 26 the Army Reserve Officer's Training Corps of Michigan presented 325 graduating men with Second Lieutenant commisions and the Air Force ROTC presented 120 men with Commissions.

The exercises were held in Macklin Field Stadium.

Ordnance Group Training At Camp

The 310th Ordinance Depot Co. U. S. Army Reserve unit with headquarters here, left Sunday for two weeks summer training at Camp McCoy, Wis.

Capt. John N. Barkdoll, commanding officer of the unit, accompanied the 50 enlisted men on the trip.

Among those from the Charlevoix area who made the trip with the unit were: Dale E. Boss, Ray Williams of Ironton, Wilfred Jarson, Allen Klooster and Peter Postmus of the Ellsworth district.

Other unit personnel are from Emmett and Antrim counties and from elsewhere in Charlevoix county.

Floyd Olney has returned to Cadillac after visiting his uncle and aunt, Mr. and Mrs. Harry Gebeau.

Local Swimmer Wins National Rating

Charlevoix's mermaid, Patsy Ratigar, has done it again . . . won her fair share of honors while swimming with the Lake Worth, Fla., high school swimming team.

In recent competition at the State Meet Championships, the freestyle relay combination of which she is a member captured third place in the state with five medals for freestyle relays, individual relays, individual medley, backstroke and freestyle events.

She is proudest however of her national record, a fifth place in the 300-meter individual medley AAU Junior National Championship, thereby earning a fifth place rating in the United States in all three racing strokes among girls or women who have not won national, intercollegiate, foreign or Olympic championships.

She also placed in an individual event in the Florida State Senior Women's AAU Championships and swam on a relay team that won gold-bronze medals in the 400-meter freestyle.

In regular high school competition, she qualified at the Miami district meet for the Class AA meet at Daytona. She brought home a silver medal and all-state rating and won medalist honors at state for the second year. Earlier in the Suncoast Conference high school swimming and diving championships she won both gold and silver medals.

Patsy has been swimming with Lake Worth teams for several years. She is a high school junior and spends part of the school year here, where she also serves as a cheerleader.

This year her young sister, Anne, decided to follow in her footsteps or rather, wake, and became the only seventh grader on the Junior high team. She also swims all three strokes is a regular member of the team and has been entered by her coach in several events in every meet at other schools in the Lake Worth and Palm Beach areas.

Both girls, daughters of Mr. and Mrs. William Ratigan, returned to Charlevoix last week. They plan to return to their 'gang,' the Charlevoix Shamrocks for the summer.

Heard About the Electric Weather Predictor?

Squint Smith built up quite a reputation last month by predicting the weather. What he said usually came true.

It got so that folks would sit around his little Antique Shop just to get his opinion.

Last Monday, though, he said he didn't know what the weather was going to be like next day. That surprised us and when we asked what happened, Squint said, "Slipped up on my electric bill and was turned off. I'll get to my radio again tomorrow though." Squint had been getting the weather over the radio—just like anyone else!

From where I sit, that's the way it goes with some "experts." They often don't have any more inside information than you can get for yourself. Like those who "know" cider is the only thirst-quencher after a day's work. Far as I'm concerned, I'll take a temperate glass of beer. But—I won't try to "predict" your choice for you.

Mrs. Livingston Is Honored With Family Reunion

A family reunion honoring the eighty-seventh birthday anniversary of Mrs. Carrie E. Livingston was held at Townsend Park near Rockford on Sunday.

Present for the event were her three children, two sons and a daughter, Archie L. Livingston of Charlevoix, Ivan Livingston of Grant's Pass, Ore., and Mrs. Hazel Sutton of Lorrain, Ohio.

The occasion also marked the first time that five generations of the family were together.

In all, 44 members of the family gathered for the memorable occasion.

Attending from Charlevoix were Mr. and Mrs. A. L. Livingston and daughter, Janet, Mr. and Mrs. Robert Livingston and family, Mrs. Livingston Sr., and Mr. and Mrs. Ivan Livingston of Grant's Pass who plan to apend the summer here.

• Arthur Ball, a former Barnard resident now living in Los Angeles, Calif., is visiting friends and relatives in northern Michigan. On Sunday he and his niece Mrs. Glenn Cummings attended a reunion of the Ball and Beech families at Levering.

Two Local Scouts To Represent Area At National Meet

Two Charlevoix Boy Scouts, Kit Carson of Troop 11 and Bob Pierce of Post 211 will be among the 50 Scouts and leaders from Northern Michigan who will represent this area at the Third National Jamboree at Irving Ranch near Santa Ana, Calif., July 17-23.

The pair spent two days at Camp Greilick earlier this month in special training under the leadership of their Jamboree leaders.

Tha Scenic Tralls Council, of which Charlavoix is a member, will hava a dolegation under the leadership of Scoutmaster Harold Weinrich of Reed City. Ray Schwarts of Cadillac, A. P. Boadray and George Schier of Petoskay. Tha contingent from this council is mada up of fiva patrols forming one full troop and ona patrol in a second troop in conjunction with Muskagon. Flint and Jackson.

The Scouts from this area will leave Traverse City on July 10 and return July 30. Enroute to and from the west they will visit the Grand Canyon, Catalina Island, San Francisco Bay harbor, Colorado Springs, the Mormon Temple in Salt Lake City and other points of interest.

The Jamboree will find 50,000 boys from all walks of life of all races and creeds living together, governed solely by their Scout Oath and Law.

On the four-mile square area at Irving Ranch will be a tent city, containing more persons than there are in half of the counties of the nation, where the campers will exchange skills, swap home-town products and learn about the customs and traditions of many sections of the nation. It will literally be democracy in action. All Scouts will share in the daily camp chores, cook their own meals, prepare their own camp and keep it in tiptop shape.

Most of tha Scouts attending the Jamborae have earned all or part of thair expenses. In some instances thay ara being helped by tha institutions that sponsor their troops. In Charlevoix tha Kiwanis club is tha sponsoring organization.

The Jamboree it self is self-sustaining. All 50,000 campers pay a fee covering the cost of food, use of equipment and building the camp. However, in recognition of what Scouting means in America, others have been quick to help. Congress has authorlzed the loan of some materials to the Jamboree camp at no cost to the taxpayers. The owners of Irving Ranch are the lending the Scouts their 30,000 acres and the railroads have granted special rates.

It is the opinion of all Scout leaders that those attending the Jamboree will be better Americans because of the greater appreciation of the nation

Welcome to Summer And To Our Summer Guests

The wonderful season starts this week. It surely is fun to see our friends back in Charlevoix to enjoy it with us.

Are you all set for summer? Do you hava a pretty naw swim suit? How about shirts—the cool sleeveless numbers—and shorts? We have tham in evary styla and sise—and priced so reasonably—from $3.95!

And mothers — tha children's swim suits are here—so perky and different. Your little girls will look like sea nymphs in them.

And summer dresses — Polly sent such lovely ones from New York last week! We have every thing you could possibly ask for Pat Moran emptied the Parcel Post truck at our front door yesterday just as Harold Byers came in tha back door with a load of Express. Now is the time to shop when our stock is so complete.

The "Welcome Mat" is out as soon as you get to town—we want to say "hallo" and "welcome back!"

New Hospital Is Assured If Pledges Paid

Mobile Blood Unit Will Be Here Monday

The one-day community blood procurement program designed to secure sufficient blood for plasma and fractions to help meet the needs of Charlevoix county will open here next Monday, June 29, Mrs. George Wolf, local chairman, announced Wednesday as a reminder to all prospective donors.

Similar clinics will be held in Boyne City Tuesday and in East Jordan Wednesday.

The blood procurement center will be set up at the high school building and will be open from 3 p.m. to 9 p.m.

It will be staffed by local physicians, Michigan Health Department nurses and technicians and local volunteer nurses. The Michigan Health Department mobile unit will arrive here earlier in the day to prepare for the clinic.

Fifty per cent of the blood collected will ba returned to this county as blood plasma and fractions including the all-important gamma globulin used to prevent or modify polio. Tbe remaining 50 per cent will go to the armed forces. Tha quota for the county has been set at 260 pints.

The amount of plasma and fractions the county will receive will depend entirely upon the number of donations for these products, plasma and fractions, cannot be manufactured from crude chemicals as the wonder drugs are but must be made from human blood.

It takes, for example, 1.4 pints of blood to make one dose of gamma globulin, according to State Health Department figures.

It is not too late to register for the clinic, Mrs. Wolf said Wednesday. If you are unable to register, you may still donate blood by signing up at the clinic.

However, those who have registered are asked to raturn thair registration cards to Mrs. Wolt, William Supernaw at the Charlevoix post office or to Mrs. R. G. Bennett so appointment cards can be prepared and mailed.

Local nurses who are volunteering their services for the clinic are: Mrs. C. M. Bice, Mrs. Dean Davenport, Mrs. Albert Cook, Mrs. Charles Sessions, Mrs. L. E. Grate and Mrs. Wolf.

Mrs. H. E. Bingham will serve as business secretary and outline the appointment program. Receptionists and clerical workers will be Mrs. John Mol, Mrs. Charles Bellinger, Mrs. G. B. Saltonstall and Mrs. E. D. Hawley.

Canteen workers will be Mrs. John Schroeder, Mrs. Louis Wallace, Mrs. Abe VerWys, Mrs. Clarence Wood, Mrs. Jeff Novotny, Mrs. Sims Baker, Mrs. Charles Pontius, Mrs. James Coleman, Mrs. Robert Richards, Mrs. Russell Curtis and Mrs. Herbert Campbell.

Resort Managers Anticipate Good Summer Season

Charlevoix, northern Michigan's oldest summer resort, will officially open the 1953 season as hotels, eating places, cabin resort operators and others announce plans for the summer.

A labor Day marks the close of the season, the last week-end in June has come to mark the opening of the season in the summer resort where countless tourists and resorters come to find relaxation and relief from the heat.

A suvey among those whose business is the resort and tourist trada reveals that all are anticipating a good season with one thing, weathar, holding the key to the success of the season.

All are of the opinion that if the weather remains hot and humid in the cities, people will come north to escape the heat.

The 1952 season was one of the best in recent years and all are hoping for a repeat performance.

The Belvedere and the Beach hotels will open tomorrow (Friday). The Lakeview, has been open for some time.

Other hotels, rooming houses, eating places and cabin resorts and motels are also preparing to welcome the anticipated influx of visitors.

E. J. Edwards, beginning his third season as manager of the Belvedere, reports a good season in view if the weather is good. Reservations are ahead of last season, he said, and with a break weather-wise the hotel should have one of its best seasons.

In preparation for the season, the hotel lobby and solarium have been completely re-decorated and re-furnished and other improvements made throughout the hotel.

The 87 cottages on the Club grounds are also filled. Tha club population will be highor than ever this season, he said, due to the fact that many children are coming this year.

In the hotel many former department heads are returning with several new faces to be found among the staff members.

Johnny DeCicco and his band of Detroit will again play at the hotel.

At the Beach Hotel, Mr. and Mrs. E. L. Kramer, owner-managers, have made many improvements including an exterior covering of asbestos shingles over the entire building which adds much to the appearance of the large hotel.

Several major changes were made in tbe room arrangements and the usual decorating and re-modeling has been completed.

Mr. Kramer reports reservations above last season. The hotel has booked eight conventions in addition to its regular guests.

The first convention will be the Michigan Association of Probate Judges which will open Monday, June 29 for a four-day session.

The cocktail lounge will also open this week and will again feature Herman Drake and his orchestra of St. Louis. Marie Arens, Hammond organist of

Floyd A. Supp, Probate judge of Charlevoix county will be convention host. Elmer Sherwood of Kalkaska county is convention chairman.

Give Schedule For Softball League Games

The inter-county softball league will complete the first half of its present schedule next week, Pete Burns, newly-appointed recreational director, has announced.

The second 'leg' of the schedule will get underway July 13 with two make-up games to be played before that date.

On Friday Freedman's will meet the Coast Guard at 7:30 here and at 9 p.m. the same date Cadillac-Olds will play E. J. Foundry on the latter's field.

Monday will find all six teams playing. Ellsworth will play the Coast Guard at 7:30 and Cadillac-Olds will meet Freedman's at 9 p.m. while the two East Jordan teams, the Canners and the Foundry will meet there at 9 p.m.

In the city league two games are scheduled between the girls teams on Thursday with Cross Fisheries meeting Schroeder and Hovey at 7:30 p.m. and N. & R. playing Neffs at 9 p.m.

On Friday the Scouts will meet Atwood at 9 p.m.

No local games will be played June 30-July 1 and 2 while the new backstop is being built.

Budget Approved By Scout Council

Leonard Burns of the local Boy Scout Committee was in Kalkaska recently to attend an executive board meeting and budget session of the Scenic Trails Council, Boy Scouts of America.

A budget of $48,350 was approved unanimously by the representatives present. It was not revealed what Charlevoix's share of the budget would be.

Reports on various Boy Scout activities throughout the area were made by committeemen and tentative plans made for the 1953-54 season.

Representatives from 12 communities were present for the dinner meeting.

Donna Ball To Participate In Queen Contest

Donna Ball, Charlevoix's 1952 Venetian Queen, will represent Charlevoix in the annual National Cherry Queen contest at Traverse City, S. E. Coleman, secretary of the board of commerce, has announced.

Miss Ball was asked this week to represent the city when efforts to find a sponsoring organization for the queen failed, Mr. Coleman said.

The 18-year old five feet seven inch brownette recently completed her freshman year at Central Michigan College in Mt. Pleasant.

She plans to appear at the Queen's activities in a navy tailored dress and white accessories.

Mrs. Florine Krahnke will accompany her as chaperone.

She will be among more than 20 candidates for the honor of Cherry Queen. The program during which the queen will be selected will be held at 8:30 p.m. at the Traverse City high school auditorium. It will be preceded by a dinner for the candidates and judges during which time the candidates will be interviewed.

William Collon Tells Kiwanis Of State Highways

Variety Show To Be Given Tonight, 8:15

Entertainment will be the order of the day Thursday as the Knight Memorial Fund Committee presents its Variety Show at the high school auditorium at 8:15 tonight.

The two-hour program will feature a variety of entertainers including vocalists Bernice Warner, Del Terrill and Ethel Staple, blues singer; pianist Zach Whyte and Ken Smith, of Camp Charlevoix; Claude Fairman and Thelma Roberts in a xylophone, drum and piano act; Francis Peters, trick violinist and mimic; Jessie Taylor of East Jordan, Whistler; Steve Paterka, soft-shoe dancer; a cowboy trio from Camp Charlevoix, composed of Dick Hessey, harmonica player, Tom Colbert, guitarist and Dave Netting vocalist and Barney Englehart, messenger.

The program will be woven together with stories and chatter by the master of ceremenies, Bob Neff with Steve Paterka adding a comedy touch as his man, Friday.

Music for the show will be played by the Windjammers, a local combo composed of Bob Shanahan, John Kroken, Wayne Belding, Nick Hamilton, Tip Riley and June Ross.

Mrs. Perry Smith Jr. and Mrs. Melvin Plum are co-chairmen of the event being given for the benefit of the Memorial Fund to light Kipke Field. All entertainers are donating their time and talent to the show.

The Fund, whose goal is $5,500, now has a total of $1,551, Tip Riley committee chairman reported Wednesday. This includes $110 raised last week at a buffet supper at the Airport Bar.

Northwest Development Council To Convene Here This Saturday

The Northwest Michigan Industrial Development Council will meet at the Belvedere Hotel Saturday for a general membership meeting and business session, Ward Stubbs of Frankfort, president of the Council, has announced.

The dinner meeting will open at 7 p.m. and will be preceded by a meeting of the board of directors at 3 p.m.

The program will include a full report on industrial development in the area during the past year. Representatives of several new industries that have located in the 10-county area served by the Council will describe their search for manufacturing space and factors that ware considered in choosing their respective sites.

Harris K. Miller of the Michigan Economic Development Commission will also address the group.

Ralph V. Hess, chairman of the Charlevoix Development Corporation, will welcome the Council members and representatives from Emmet, Antrim, Kalkaska, Grand Traverse, Leelanau, Benzie, Manistee, Wexford, Missaukee and Charlevoix counties.

Reservations for the dinner meeting may be made with S. E. Coleman secretary of the Charlevoix board of commarce.

All stockholders of the Charlevoix Development Corporation and the local Board of Commerce members are urged to attend the meeting and learn for themselves the workings of the Northwest Michigan Industrial Development Corporation and what it is doing for the area it serves.

M. A. Levinson's Condition "Fair"

The condiiton of M. A. Levinson, local businessman who was admitted to the Charlevoix Hospital for medical treatment last week, was reported to be "fairly good" Wednesday by hospital attendants.

His son, Charles, came from Milwaukee last weekend to spend sometime here.

Hold Leadership Training Program

Charles Pontius, representing the Charlevoix Community Chest committee, was in East Lansing Friday to attend the Campaign Leadership Training workshop sponsored by the United Health and Welfare Fund, Michigan State College, Michigan Welfare League and Michigan Community Chests and Councils.

He and Mrs. Pontius went on to Battle Creek to spend the week end with his parents, Mr. and Mrs. Wayne Millman and other relatives and friends before returning here late Sunday.

Unofficial Tabulation Of Construction Bids Shows Enough Funds

The dream of a new area hospital for Charlevoix moved one step nearer reality Wednesday afternoon as bids for the new $600,000 structure were opened before members of the Charlevoix Hospital board of directors, state and local officials.

The bids, however, cannot be awarded until they meet with the approval of Michigan Office of State Hospital Survey and Construction and federal hospital representatives, Fred W. Willis, chairman of the hospital said.

Nine bids were received for the general construction of the hospital which is to be built on the Trailer Park site overlooking Lake Michigan.

Other bids submitted include 11 for plumbing, heating and ventilation; 8 for electrical work; 1 for laundry equipment and 4 for food service equipment.

Unofficial tabulation of tha bids submitted indicates that there will be sufficient funds to build the hospital, providing all pledges are paid, Willis said. Official tabulation of the bids to determine final costs will require about ten days. The bids submitted will be released for publication at that time, according to Willis.

The construction of the area hospital will be financed by funds raised by public subscription and a federal grant obtained under the Hill Burton act.

The proposed new building will replace the present frame hospital building located on West Hurlbut ave. which has served the community since 1918.

The new area hospital will be built of concrete with steel reinforcements with brick facing from plans submitted by Gordon Cornwell and Associates, Traverse City architectural firm.

Services Held For Mrs. H. W. Widdifield Lifelong Resident

Mrs. Harry W. Widdifield, 75, lifelong resident of Charlevoix, died Saturday at the Charlevoix Hospital where she had been a patient for three days. She had been in failing health for some time.

Funeral services were held at the Pontius Chapel Monday with the Rev. Harold E. Kohn officiating. Burial was in Brookside cemetery.

Born in Charlevoix October 31, 1877, the former Margaret Mossington was married to Mr. Widdifield in 1894. He operated an ice and coal business here for many years prior to his death in 1940.

She was a member of the Congregational church and the Charlevoix chapter of the Order of the Eastern Star.

She is survived by two sons, B. Kenneth of Minneapolis, Minn., and Albert E. of Riverside, Ill., and two grandchildren.

City Band To Present First Concert July 1

The Charlevoix City Band, composed of adult and student musicians from Charlevoix and vicinity, will open another season of "Summer Concerts in the Park" next Wednesday, July 1.

The first concert will begin at 8:30 p.m. and will include a variety of band selections.

Directed by C. A. Odmark, of the local schools, the City Band is not a 'school band' as many community summer bands are. The Charlevoix City Band retains its identity by weekly rehearslas throughout the year and, while school students do play in the band, it has a nucleus of adult musicians many of whom have been playing for many years.

Ten, too, returning college students reinforce the group for the summer season.

The band can make the proud boast that it plays a different program each week for ten weeks without repetition. This is possible because the band has a repertoire of well over 100 compositions.

The band is sponsored by the city of Charlevoix which provides necessary funds to operate a band of this type.

All the musicians play in the band without compensation and are all true amateurs who play for the pleasure it gives them and their weekly audiences.

The weekly concert will continue through July and August with the final concert scheduled for Sept. 2.

Mrs. Leo Carey In Critical Condition At Local Hospital

The condition of Mrs. Leo Carey mother of the now famous Carey family, remained critical late Wednesday, attendants at the Charlevoix Hospital reported.

She was admitted for treatment late Friday following a heart attack. She had been in ill health for several weeks.

Lt. William Carey arrived Sunday from Fort Benning, Ga., to join Keith of Midland, Bob who recently graduated from Michigan State, Charles of Cheboygan who had arrived earlier to be with their father and other members of the family who reside here, including Mrs. S. E. Coleman, Thomas and Don Carey.

ODDS 'N ENDS

By Fran Martin

ACCORDING to the calendar, summer arrived Sunday but if you ask a few hundred thousand people when it appeared you'll find it was Friday . . . particularly in Charlevoix . . . There aren't any records available here but we'll bet good money there was a new one set for this time of year on Friday and Saturday . . . If that doesn't bring the people north nothing will, for it was quite general throughout the entire middle west . . .

• • •

WERE YOU one of those people who heard the storm warning on the radio Saturday afternoon . . . People in many areas became panicky when the warning went out that winds up to 80 miles an hour accompanied by electric storms would hit in an area from Battle Creek northeast to Alpena . . . We'd like to know where that report came from . . . We checked with the Coast Guard station which has available the weather report broadcast for the benefit of Great Lakes shipping and they knew nothing of such weather . . . Neither was the barometer going down at an alarming rate . . . And, as you know, the storm didn't hit . . . We realize that weather men can make mistakes . . . but gee, even an amateur should be able to do better than that . . . After the tornadoes in the eastern part of the state, people are alarmed by such things . . . and we can't blame them . . . so we hope somebody will double check such reports in the future . . .

• • •

ARE YOU a bat fancier . . . or are you like us . . . scared to death of the little black things that dart around in the night . . . and once in a while get in the house and cause a furor until it's out again . . . We picked up this bit of information the other day that we thought quite interesting, because we didn't know that there were really people interested in bats . . . Seems that these people who belong to the American Society of Mammalogists report that there are fewer bats than in the past . . . Don't know how they count the horrible little things but it seems they have an idea how many there are . . . Never knew either that they use them for experimental purposes . . . especially in atomic bomb tests . . . And even the poorest of bats will bring you 35 cents on the open market . . . but don't ask us where that is . . .

• • •

AND THEN there's the arctic rodent, the lemming, a furry-footed animal which periodically commits suicide by the thousands by swimming out to sea . . . According to authorities at Point Barrow, Alaska, this is the year for the mass suicide . . . the first since 1949 . . . Scientists say the reason for the act might be because the food supply is depleted . . . End of science lesson for this week.

• • •

A GREAT big "welcome home" to our summer residents who are daily arriving from points all over the country for the next two or three months . . . We've missed you and it's nice to have you back with us . . . even if we aren't always thoughtful enough to tell you so . . .

It's fun' going out for almost every time you meet some new arrival who wants to know all the news and how everyone has been . . . So in behalf of Charlevoix we'd like to repeat, welcome home . . . And to those who are coming here for the first time . . we hope you'll like us and in the future learn to call this your second home . . .

• • •

WISH YOU could share with us a lovely bouquet of pink lady slippers given us Sunday by Irene Walker . . . When we were kids we used to search for these lovely wild orchids but never seemed to know where to find them . . . Maybe that's why we love them so now . . And they're certainly lovely . . .

And so are all the spring flowers . . . which are all a little late this year . . .

• • •

IF YOU'RE looking for some entertainment don't pass up the Variety Show at the high school gym tonight . . . We never knew there was so much talent concentrated in our own little community . . . you're in for a full evening of fun so don't pass it up . . . Plenty of good music and scads of laughs . . . And all these people in the show are giving their time and talents to entertain you so that our football field will be lighted next fall . . So you can chip in and do your bit by coming to the show so that these fine peope can entertain you . . . if you know what we mean . . . So see you tonight . . at the Variety Show . . .

• • •

WE DON'T very often get on a soap box about anything . . . at least not in print . . . but here's something that we think is mighty important . . . Next Monday Charlevoix's having a blood clinic . . . 50 percent of the blood taken will be processed and sent directly overseas for use by the military . . . the remainder of it will be processed and returned to this county for use as plasma and fractions, which includes gamma globulin . . . To us those are pretty big things . . . What we would like to know is how anyone can read a newspaper or listen to the radio, hear of our casualities in Korea and not be begging to give a pint of blood . . . one very small pint of blood . . . to help save some guy's life . .. He's risking his neck for you and some of you who can, haven't even enough gratitude in your hearts to offer to give him a little insurance in case he is hurt . . .

We don't know much about gamma globulin but we do know that it is one of the few things that offer some help in cases of polio . . . no one claims it's a cure or even a preventative but doctors do know that it does help . . . Suppose there's a polio epidemic . . . God forbid but it's possible . .. you'd want your child to have this gamma globulin . . . you'd beg for it and rightfully so . . . But did you ever stop to think where it comes from . . . From only one source . . . human blood and it takes one and four tenth pints of blood to make one dose . . . repeat . . . one dose . . . Give that a little thought before you return your registration card unsigned . . . .

Doctors do not refuse you or your family plasma and these fractions if you are sick and need them . . . but if we were some people we'd be a little ashamed to accept them if that need should ever arise . . . especially if we thought back over all the excuses that had been made for not giving blood when we had the opportunity . . .

The people working on this blood clinic . . your own doctor, nurses who are your friends and neighbors and canteen workers whom you all know . . . they are all giving their services and time for free . . .

And for those of you who have a grudge against the Red Cross . . . the county chapter sets up the clinic, recruits donors, foots bills for the canteen, and makes plans for it but never sees the blood, which is taken over by the State Health Department . . .

Unless you've got a pretty good reason for saying no, you'd better think twice before returning your card unsigned . . . Who knows but what you or someone near to you may need something you are able to offer in one small pint of blood . . .

Tommy Ott To Be Argonne Organist For The Season

Tommy Ott, widely-known Hammond organist, will open this week at the Argonne for the summer season, Bill Matzinger of the popular entertainment spot announced this week.

Mr. Ott will come here from Hattem's in Grand Rapids where he has played at various times during the past 10 years.

With a background of 13 years in the radio and cocktail lounge fields, Mr. Ott has played over radio stations in Cincinnati, Chicago, Detroit and other stations in the middlewest as well as at popular cocktail lounges. Among these were the Phillips Hotel in Kansas City, the Hotel Dyckman in Minneapolis, Mickey's Theatre Lounge in Chicago and other equally well-known spots.

In addition to the organ, Mr. Ott plays the piano as part of his show which Mr. Matzinger promises is highly entertaining and different

Pay more? What for?

Fifty Years Forward on the American Road

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

Here are a few of the "Worth More" advantages you'll find in the '53 Ford:

1. A V-8 engine—powerful and smooth!
Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!

2. America's most economical Six engine!
If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker . . . the engine which, with optional Overdrive, won over all other cars in this year's Mobilgas Economy Run!

3. America's finest and most versatile automatic drive!
Fordomatic Drive is the "automatic" which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter

4. Automatic gas savings!
Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely.

5. America's newest and finest power steering!
Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Steering is up to 75% easier.

6. Largest choice of models in the low-price field!
Ford alone gives you a choice of 18 different models . . . a SIX or V-8 . . . Fordomatic, Conventional or Overdrive . . . the widest variety of body, color and upholstery combinations.

7. A body that's the style-setter!
Only Ford in its field gives you the advantages of a hull-tight Crestmark Body . . . the trendmaker in design and beauty. Ford's body is the longest and Ford's trunk, the largest.

8. New driving conveniences!
Ford's first in its field with "Worth More" features like . . . easier-acting, suspended pedals that eliminate floor holes . . . foam rubber cushions on front and rear seats in *all* models . . . and convenient Center-Fill Fueling.

9. An automatically controlled ride!
The wide front tread (widest in the low-price field) takes tilt out of turns . . . gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end *alone* is reduced up to 80%.

10. It's worth more when you sell it!
An impartial survey of used car prices proved that Fords return a greater proportion of their original cost than any other cars in America.

But don't take our word for it. Stop in and Test-Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year: you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT . . .
WORTH MORE WHEN YOU SELL IT . . . Ford

• Among the bass fishermen who spent the weekend fishing in the Beaver Island area were Ralph Hess, E. D. Hawley, William Supernaw, John Baker of Jackson nad W. C. Smith and Charles V. Park of Mt. Pleasant. They made the trip in the Hess boat and were stranded there by weather until Monday evening.

• Mr. and Mrs. Gus Walgreen have arrived from Highland Park for the summer months.

• Mr. and Mrs. Basil Kennedy and family have returned to their home in Traverse City after spending two weeks with Mrs. Kennedy's mother, Mrs. Lance Neff.

Betrothed

Mr. and Mrs. Fred Looze announce the engagement of their daughter, Beverly Helen, to private Jerry J. Archer, U. S. Army, son of Mr. and Mrs. Ross Archer of Sanford.

The bride-elect, a graduate of the Charlevoix high school, is a senior student at Central Michigan college where she is a member of the Zeta Tau Alpha sorority.

Pvt. Archer is a graduate of Midland high school and the Michigan College of Mining and Technology, where he was affiliated with the Kappa Delta Psi fraternity. He is now stationed in Germany with the U. S. Army.

Plans for the wedding have not been completed.

Mrs. A. Fochtman Entertains D. A. R. For Installation

Mrs. Angus Fochtman entertained the members of the D. A. R. at her home Friday.

Fifteen members from Petoskey, Charlevoix and Boyne City gathered for the one o'clock picnic lunch served on the lawn at the Fochtman home and for the business session and installation of officers which followed.

Mrs. Earl A Young was installed as vice regent and Mrs. Sarah McNeal of Boyne City and Charlevoix was installed as historian. Other officers were from Petoskey.

Plans for a regional meeting to be held in Petoskey in September and for the annual summer party of this chapter were discussed at the business session.

C. Bartlett Attends Maintenance Meet

Clarence Bartlett, head of the maintenance department at the Charlevoix public schools, will go to East Lansing this week to attend the twentieth annual Conference on Building Maintenance and School Transportation.

The three-day conference will be conducted by the Michigan Department of Public Instruction through the continuing education service of Michigan State college.

The event will be held at Kellogg Center June 24-25-26.

Catholic Women Attend Retreat

The annual Catholic Women's Retreat was held at Leland Lodge at Leland over the weekend with the Rev. Fr. Murphy as retreat director and the Rev. Joachim Daleiden as retreat master.

Attending from Charlevoix were Mrs. Frank Oleksy, Mrs. Ted Browe, Mrs. E. Josephine Madill and Mrs. Agnes Talmon.

New Fishing, Hunting Sites

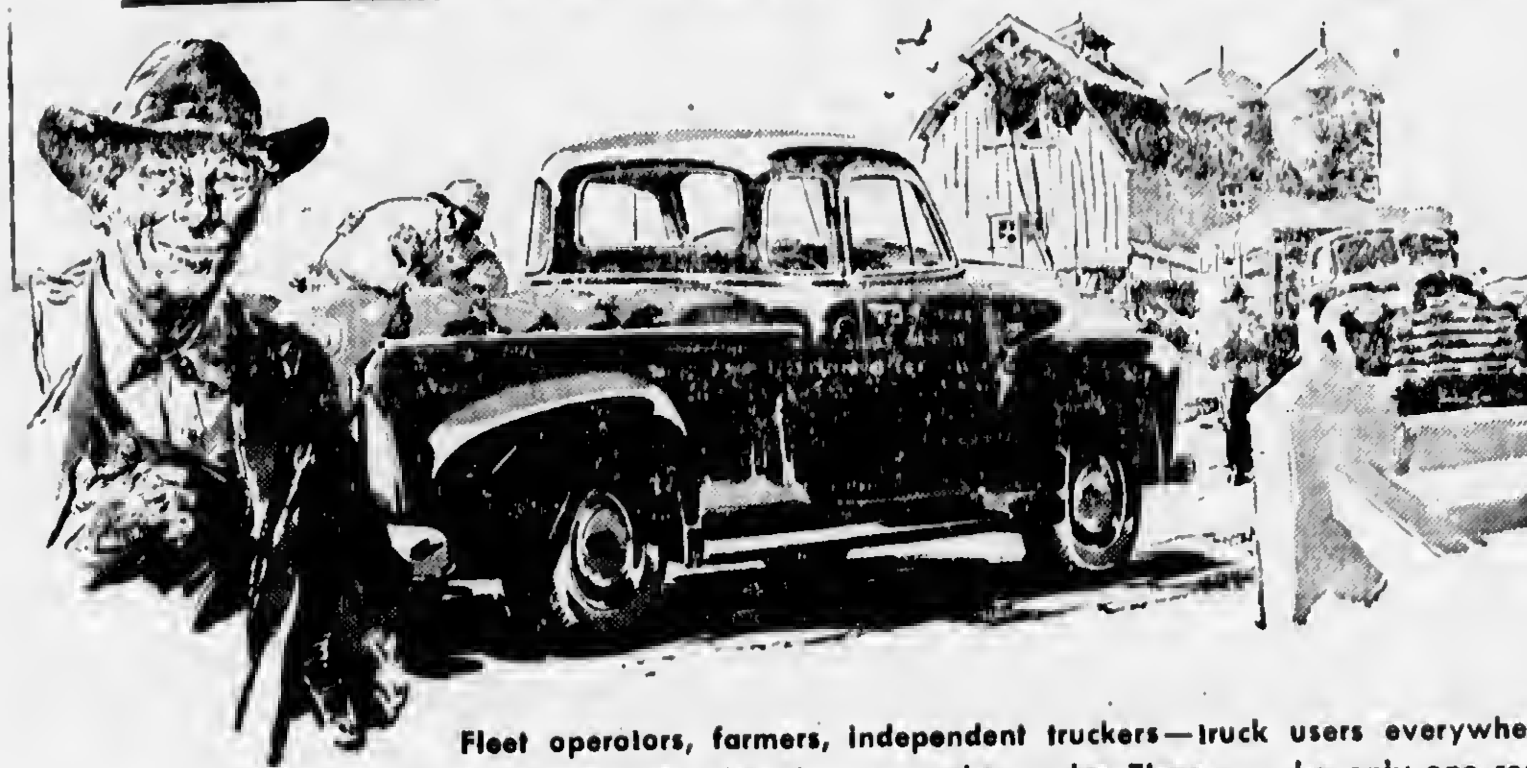
Lansing — Nine fishing sites, hunting lands in three state forests and 1,011 acres of land under the Pittman-Robertson program were authorized for purchase during the conservation commission's June meeting in East Lansing.

The fishing sites are located on Roland Lake in Baraga county, Shafer Lake in Van Buren county, Lake Ponemah in Genesee county, Rainbow Lake in Montcalm county, Lake George in Branch county, Lime Lake in Kent county and Pleasant Lake in St. Joseph county.

Also, timber sales, general land matters, oil and gas lease matters and incidental business was passed by the commission.

There's only one answer...

Chevrolet trucks must be the best buy!



Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

CHEVROLET

first in demand in value in sales

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the *twelfth* straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.

If you're a truck user, this fact is mighty important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they *must* do a better job at lower cost?

That's why it will pay you to stop in and see us before you buy your next truck.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

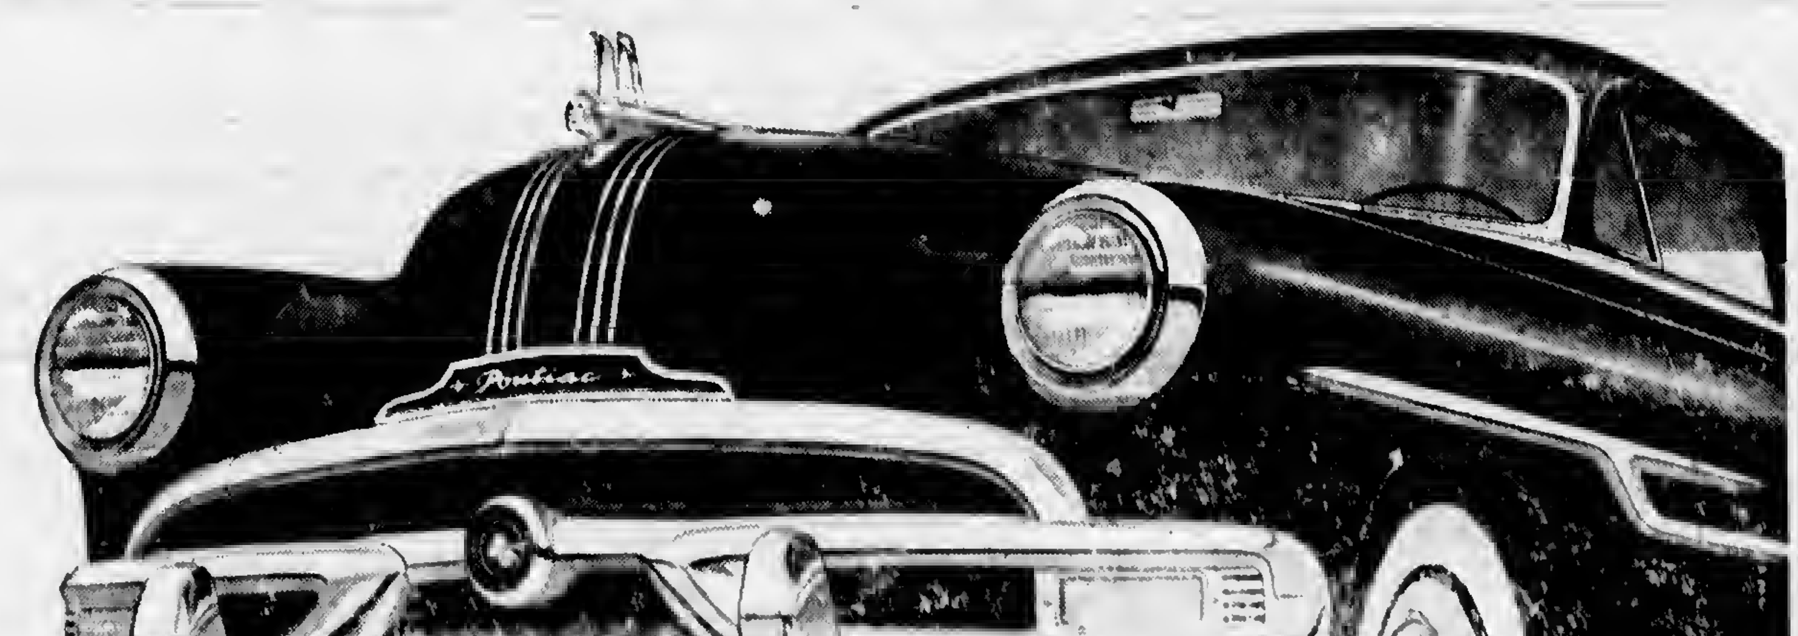
Drive it and Learn Why Dollar for Dollar You Can't Beat a Pontiac



GENERAL MOTORS LOWEST PRICED EIGHT

Pontiac

Once you're behind the wheel of a new Pontiac, it's hard to believe it's priced so low.

You thrill to outstanding performance that lets you slip through city traffic or cruise the open road with power to spare.

You relax in roomy, luxurious interiors, and enjoy the satisfaction of driving the most distinctive beauty on the road.

And because it's big and rugged, Pontiac gives you the feeling of road-hugging safety, yet maneuvers so easily that driving is almost effortless.

In fact, there's nothing to suggest that it's priced just a few dollars above the lowest.

Come in soon and prove to yourself that dollar for dollar you can't beat a Pontiac.

Anticipate Good Summer Season

(Continued from Page 1)

Larsing, will also play dinner music this season.

Several of the former staff members are returning with a number of newcomers completing the hotel personnel.

The Chicago Club will open tomorrow (Friday) for its seventy-first season, H. E. Rapp, Club manager, has announced.

Workmen have completed remodeling and redecorating in the clubhouse in preparation for the season, which at this time promises to be a good one.

Mr. Rapp, who is a faculty member at the University of Chicago, will have on his staff next year many who are associated with the University.

The 22 cottages owned by club members are also ready for the season with several members here for the season and many more expected wihtin the week.

A spot check of cabin and rooming house operators show that they, too, are expecting a good season. Reservations, as a rule, are ahead of last season and again weather is the important factor.

New highway construction on US 31 between Traverse City and Charlevoix and the new highway north of the city are expected to have some bearing on the number of transient visitors but most operators are expecting many visitors despite these handicaps.

Rooming houses and eating places where reservations must be made and where the patrons stay for savaral weeks report an average number of reservations.

Three new motels in the immediate area will be open for the first time. The Ship Shape motel on M-66 and Stover road has been open for some time while the new one at the intersection of US 31 and state st. is nearing completion. The newest one, the motel at Silver Birch Court being constructed by Mr. and Mrs. Franklin Boss will be ready for the July 4 weekend, Mr. Boss reports.

Several summer shops have been opened and other local business men have their stock on the shelves in preparation for the season.

The new Silver Birch Motel constructed of brickrete and completely fireproof, will have eight units and will bring to 20 the number of accomodations at the Silver Birch motor court and motel.

The rooms will be heated by a hot-water heating unit and will feature modernistic furnishings and wall-to-wall carpeting.

Thanks Received For Flood Help In Netherlands

Following the disasterous floods in the Netherlands in February, the people of Dutch descent in Michigan opened a campaign to raise funds for relief of the stricken people in their homeland.

Their efforts received the attention of Gov. G. Mennen Williams who wrote to the mayors of all Michigan cities asking them to form, a local committee to accept contributions to aid the people of Holland.

The late Mayor John Knight appointed the Rev. Joe Bekkering, pastor of the Barnard Reformed church to head the drive in this community. When the funds were collected the address of the organization to whom they were to be sent could not be found so the $211.16 was sent directly to Queen Juliana.

Recently the Rev. Bekkering received the following letter:

"Her majesty the Queen of the Netherlands instructed me to thank you most sincerely for your kind letter of April 23, 1953, as well as for the check for $211.16, which has been forwarded to the National Disaster Fund at the Hague.

"Her Majesty has been touched by your token of sympathy towards those who are suffering from the flood-disaster.

"Will you please convey to the City Council of Charlevoix, Michigan, Her Majesty's warm thanks for the generous gift, contributed by the citizens of Charlevoix.

Signed: The Private Secretary to H. M. the Queen of the Netherlands, Baron van Heeckeren van Molecaten.

Mr. and Mrs. Kenneth Gardner of Detroit spent the week-end at the William Ver Mullen home. Mr. Ver Mullen returned home with them after spending a week in Detroit. Mrs. Ver Mullen returned to Detroit with the Gardners for a few weeks visit.

Card of Thanks

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us a precious memory. Our sincere thanks and gratitude for all those comforting acts.

INTERPRETING THE NEWS

by Gene Allemen

"WEATHER co-operating, Michigan could be headed for the best tourist season ever," predicts Robert J. Furlong, executive secretary of Michigan Tourist Council. That's the office that shows people where and how to enjoy themselves in this "Water Wonderland" state.

More happy tourists in Michigan mean better livelihood for resort owners and louder jangles of vacation dimes and dollars. Most of this, sooner or later, finds it way into the hands of Michigan retailers, wholesalers and manufacturers.

People are surprised to learn that tourist trade ranks among the top three industries in Michigan. Manufacturing is first. Agriculture and resorting come next but most representatives of both fields are unwilling to state flatly which is second.

Surveys show that of 10 billion dollars spent yearly by Americans, well over $500 million (about 5%) will be spent in Michigan. More than half by residents from outside the state who learn of sunny sands, deep forests and blue waters. Surveys also show biggest attraction. Mr. Furlong says that 70% of people touring here include it in their program. "About 55% go fishing," he added, explaining that, "nearly all tourists enjoy several different activities during their visits."

* * *

MICHIGAN Tourist Council is a clearing house which attempts to co-ordinate all tourist promotion. The staff consists of only five hardworking people in Lansing, headed by Mr. Furlong, who has a conservation department background. Administrative assistant is John Gray, who for five years has been speaking, photographing and writing about the glories of our state. The council works closely with Michigan's four existing regional associations: East, West, Southeastern and Upper Peninsula.

A sum of money, appropriated each year by the Legislature, finances the Tourist Council. The state carefully designates how much of this shall be spent on promotion.

The remainder can be used for administration. In 1945 when the council was originated, $250,000 was appropriated. Recently it was increased to $296,000; this year it is $326,000.

Of this, $25,000 is credited to each regional office which must use it for advertising. Most of the balance is used for ads in national magazines and Michigan newspapers.

"A careful check is made of coupons returned from thesa ads," says Mr. Furlong, "so tha council will know which are worthy." Coupon senders are asked to check the part of Michigan they want to visit; their names are referred to one of the four regional associations.

* * *

THOUSANDS of beautifully printed booklets picturing advantages of Michigan vacations are distributed to interested people. Other publications about activities like canoeing, fishing and winter sports, are sent out daily.

Upon request art and information is available to writers or news commentators. Pictures of Michigan scenes are supplied for calendar or promotion pieces. Much material for a fine article in National Geographic was provided by the Tourist Council. It was called "Work Hard—Play Hard Michigan" and must have appealed to thousands of travel loving readers.

Long range tourist programs are also examined. At present several are under consideration. They include a plan to keep school open 12 months a year, giving classes and teachers vacations as long as at present, but staggered around the calendar. This will permit fuller use of schools and, incidentally, benefit the tourist trade.

Another idea is to encourage "off season" vacations in industry. This would permit the resort owner to use his facilities all year while more people could enjoy fall and winter sports or spring fishing.

The council supports Senator Don Vandenwerp's proposed law which would change all except religious holidays to Monday so that the public would have more play time every year.

* * *

MORE IMMEDIATE concern is the matter of estimating tourist increase resulting from the proposed Mackinaw bridge. Mr. Furlong believes the bridge will be a terrific boom to travel. "It will be an attraction in itself as an engineering sight," he predicts. "Its convenience will permit the passage of many, many more people across the straits than were willing to wait for the ferries."

A "Know Your Michigan" week is already under consideration by several state agencies and when it comes into existance about a year from now, you can be sure that the Michigan Tourist Council had a hand in its creation.

* * *

NINE MEN make up the Tourist Council. They are selected from various groups in the state's economy. First are the secretaries of Michigan's four regional tourist groups. The fields of transportation, press, agriculture, consumer sales and resorting are each represented. It's a job with no pay and no expense allowance but six of the original members are still serving.

Earl M. Johnson, Houghton Lake resort owner, is chairman. W. Webb McCall, former publisher of the Isabella County Times-News in Mt. Pleasant, is vice chairman. Other members are Lee Wilson Hutchins, Grand Rapids, president of the Hazeltine-Perkins Drug Co.; W. G. Armstrong, Niles, a member of the Board of Agriculture; George E. Bishop, Marquette, Upper Peninsula Development Bureau, Frank Davis, East Michigan Tourist Association; Chester C. Wells West Michigan Tourist Association; Robert W. Budd, president of Great Lakes Greyhound; J. Lee Barrett, Southeastern Michigan Tourist and Publicity Association.

Michigan's tourist trade did not develop by accident. It is the result of favorable treatment by Mother Nature and the hard work of many people. Among these are the members and the staff of the Michigan Tourist Council.

Police Are Aiding Safety Campaign

Police Chief Clarence Heise today announced that his department is cooperating with the State Safety Commission in a safety program aimed at reducing traffic accidents due to dangerous passing. This program is under the leadership of Charles M. Ziegler, State Highway Commissioner and Chairman of the Commission.

According to Chief Heise, head-on collisions caused by dangerous passing are one of the most fatal types of traffic accidents. "The next time you drive by a wrecked car junkyard, look for a car that has the whole front end caved in and the windshield smashed to bits. This should be sufficient evidence for anyone as to what happens when you hit another car head-on," he said.

"Keep in Lane—Don't be a Road Hog," the official slogan of the Campaign, is good advice for all motorists to follow.

"Cutting in on the driver you are passing is one of the dirtiest tricks one motorist can pull on another," the Chief added; "you may force him into the ditch or cause him to stop too suddenly and be hit by a surprised driver behind him.

"The professional driver never cuts in on the car he is passing. He waits until he can see this car in his rear vision mirror before he turns right to get back into the righthand lane. In this way, he knows he will not interfere with the car he is passing."

Chief Heise stated that he is instructing his men to pay particular attention to dangerous passing and to stop all violators. "After all of the information motorists receive through the educational campaign of newspapers, radio stations, and posters, there is no excuse for a motorist to pass dangerously," he concluded.

Mrs. C. Donaldson, 65 Dies In East Jordan

Proper Hay Handling Determines Feed Cost

How well dairy farmers handle their hay in the next few days will determine their feeding costs next winter, says Ed Rebman, Charlevoix county agricultural agent.

Experiments at Michigan State college, he points out, show there is little difference in quality between silage and mow cured hay if the feed is handled properly Field cured hay, if hanled right and the weather cooperates, is of equal quality, too, he says.

Roughage—good hay or silage—Extension Dairymen Donald L. Murray of MSC points out, is spoken of today as "a means to profit" instead of as "a means to more profits." He prefers to the farmer's need of cutting costs wherever possible in order to show a margin of profit in these days of the so-called squeese.

With good pasture and forage, he says, feed costs can be reduced to half the cost of feeding grain. It's the cheapest way of providing protein and other feed nutrients for dairy cows.

Mercury now brings you → POWER STEERING

3 times easier handling Whenever more than finger-tip pressure is needed on the wheel, new Mercury power steering goes to work . . . removes the strain from parking and turning, yet doesn't sacrifice that safe "feel of the road."

POWER BRAKES

50% easier stopping An ounce of toe pressure is multiplied hydraulically into pounds of braking power. Your foot pivots effortlessly from accelerator to the closer, lower suspended brake pedal, giving faster, smoother stops.

4-way POWER SEAT

MOVES up and down, too New first-in-class 4-way power seat gives you the position from which you can see the best, drive the easiest. Handy for raising you out of the sun's glare and shifting your position for more relaxation.

Co-op

Power steering, power brakes, 4-way power seat, white side-wall tires and full-disc hubcaps optional at extra cost.

Here are three big reasons for adding Mercury to your "must" list to see and try.

For Mercury's far-advanced power steering removes all the real work from driving and parking. Mercury's power brakes take little more toe pressure than the accelerator. And Mercury's power seat adjusts four ways to give you new driving comfort and safety.

Add Mercury's years-ahead styling, famous economy, *proven* V-8 engine backed by our *exclusively* V-8 history, and a reputation for the highest trade-in value in its field—and you get more for your money with Mercury.

Drop around and try a Mercury real soon. How about now?

Will there be a *Cherry Queen* in '53?

EVERYONE LIKES to see a pretty girl and we hope there'll always be a Cherry Queen in Michigan. We see no reason why there shouldn't, for thanks to trucks Michigan's cherry industry has grown into a tremendous business—and still continues to grow.

The cherry industry depends on trucks because trucks get the fruit to canneries and to market faster and in better condition. *All of Michigan's cherry crop moves from orchard to cannery by truck*—and from 50 to 75% of all the other fruit raised in Michigan likewise depends on motor transport to get to market.

We're sure there'll be a Cherry Queen in '53—and every year thereafter—for, with trucks on the job the cherry industry is bound to continue to grow and prosper.

If you've got it, a truck brought it!

Heat Wave Misses The Polly Kay Shop

Did you — like most people — just swelter or Saturday? We felt real cool at the Polly Kay shop. We just gazed on the wondarful array of bathing suits we hava here — and it was almost as good as a dip in Lake Michigan. (Wa have good imaginations.) Just the sama, our suits give you a good feeling, as well as the right look.

No matter what shape you ara in — we have the right shapa for you in a bathing suit. To mention one — there is a tarry-lika Lastex suit that comes in white or aqua — and in all sizes. It is only $10.95. Lots of others too. Do come in and ba prepared for the next hot day.

We know we don't have all the cool sleeveless dresses in Northern Michigan, but wa do have a well selected assortment. If the sleeveless models aren't for you, there are many with sleeves in lovely sheers and pure silks and linens.

It's been such a pleasure to have seen so many of our summer visitors around! You have no idea how pleased we are when you come in to say "hello". Wa are looking forward to this week and our chance to see more of you.

State Amateur Golf Tourney Opens July 8

Charlevoix will be host to the annual Michigan Amateur Golf tournament at the Belvedere Golf course July 8 through 12.

A. L. Livingston, who is in charge of registrations said that entries are being received every day and if early registrations mean anything this year's event will top the 1952 tournament when 195 amateurs took to the fairways.

Fred Turner, of Flint, the 1952 champion, is expected to be on hand to defend his title although his entry has not been received at this time. It is also rumored that the 1951 champ, Chuck Kocsis of Detroit who did not defend his title in 1952, may enter this year's tourney.

Entries will be received until noon on Tuesday, Mr. Livingston said. The $10 entry fee must accompany the entry blank, he continued.

The tournament will open at the Belvedere course next Wednesday when the first players tee off for the first 18 holes of qualifying round medal play. The second 18 holes of qualifying round medal play will be held Thursday with the top 32 scorers being paired for tournament play.

Matched play will begin Friday with the first and second rounds scheduled during the day. Friday's winners will advance to the quarter-final and semi-final rounds on Saturday.

The final 36 holes of match play for the 1953 title will be played off Sunday.

Congregational Church To Have "Flower Sunday"

The fragrance and beauty of summer flowers will permeate the atmosphere of Charlevoix's First Congregational Church on Sunday morning, July 5 at the 11 o'clock worship service. Expressing delight in God's creative goodness, floral offerings from individuals and from church organizations, will decorate the chancel furnishings and the altar.

In announcing Flower Sunday the Rev. Harold E. Kohn, pastor, said, "There should be larger place given in the Christian church to the celebration of beauty. Religion begins in awe and wonder, or it seldom begins at all. Therefore, we ought to have before us, frequently, symbols of the incomprehensible creative goodness of God. Flowers are part of the great mystery of God's handiwork. They remind us of the unlimited benevolence of God, since He has created all loveliness and scattered it all around in strange profusion, incompassing us on every hand with beauty, regardless of our unworthiness and lack of appreciation. Flowers bring to remembrance our limitations, since no man . . . however clever . . . can make a single live petal. Because they repeat, in so effective a way, the lesson of contrast between ourselves and our God they have a place in Christian worship."

Mrs. Erwin Belfy Dies Suddenly

Mrs. Dorothy M. Belfy, 35, wife of Erwin C. Belfy Jr. and mother of two young children, died unexpectedly late Tuesday at the Charlevoix Hospital following a brief illness.

Funeral services will be held at St. Mary's church at 9 a.m. Friday with the Rev. E. F. Denay officiating. Burial will be in St. Mary's cemetery. The body is at the Pontius Chapel where the Rosary will be recited at 8 p.m. Thursday.

Born in Chicago Feb. 19, 1918, the former Dorothy Mae Morcher was married to Mr. Belfy in Chicago in 1939. The following year they came to Charlevoix to make their home.

She was a member of St. Mary's church and a former operator with the Michigan Bell Telephone Co. here.

Besides her husband she is survived by two children, Michael and Patricia her mother, Mrs. Hugh Boyd of Chicago; and two sisters, Mrs. Patricia White of Grand Rapids and Mrs. Catherine Cook of Mt. Prospect, Ill.

Draft Board To Call Three From County July 14

Three Charlevoix men will leave July 14 for induction into the armed forces to fill the county's July draft quota, the local draft board has announced.

They are Robert G. Saxton and R. Lawrence Huckle of East Jordan and Gerald R. Bell of Boyne Falls.

Ten men will be called for preinduction physicals on July 23. Among them will be Wallace S. Napont and Richard A. Wells of Charlevoix.

Ronald C. West, Donald G. Kerr and Horst N. Prohaska and Robert L. Bradley of Boyne City.

Roman Klinkiewicz Jr., Sherman D. Thomas, Marlin B. Sweet and Max Semmerville of East Jordan.

The county's draft quota for August has been set at two men, the draft board has been notified.

Variety Show Pleases Large Audience Here

The Knight Memorial Fund to light Kipke field continued its climb this week as it reached the $1,750 mark following the Variety show last week.

The show which was highly successful netted the Fund $181.45. A check for $15.03 from the now disbanded Barbershop chapter No. 19 pushed the sum to the present total.

Appearing in the Variety show for the benefit of the Fund were Bob Neff, Steve Paterka, Barney Englohart, Claude Fairman, Thelma Roberts, Bernice Warner, Del Terrill, Francis Peters, Zach Whyte, Ethel Staple, Dick Hessey, Dave Netting, Tom Colbert, the Windjammers band composed of Nick Hamilton, Bob Shanahan, Tip Riley, June Ross and Wayne Belding and Mrs. Elmor Barber who accompanied the soloists.

The affair was in charge of Mrs. Perry Smith Jr. and Mrs. Melvin Plum assisted by William Lusk, C. A. Odmark, Grover Genett, Don Meggison, Dale Suomela, Mrs. Catherina Bergeon.

Contributions to the Fund may be left at either local bank or mailed to the Knight Memorial Fund in care of Fran Martin.

Plans are now underway for a benefit softball game next Tuesday night between Freedman's and a Petoskey All-Star team with the proceeds to go to the fund to light Kipke field, according to Tom Nielsen, manager of the Freedman nine.

Donna Ball Will Share In Cherry Queen's Program

Donna Ball, Charlevoix's candidate for the title of National Cherry Queen, was named to the court of the 1953 Queen, Everil Meloche of Sutton's Bay, at the annual Cherry Queen contest in Traverse City Friday night.

The selection of Queen Everil marked the first time her community has produced a queen in the 28 year history of the festival.

Donna will go to Traverse City next week to participate in the Queen's festivities during the National Cherry Festival July 8-10.

Last Tribute Paid Here To Mrs. Leo Carey

Relatives and friends gathered at the Christ Episcopal church here Monday to pay a last tribute to Mrs. Leo Carey, 59, lifelong resident of this community, who died Friday at the Charlevoix Hospital where she had been a patient for a week.

No eulogies were given at the service for she, as is not the custom of the church. It might be said, however, that in her own quiet way, Mrs. Carey, the mother of seven children, came to personify all that the word motherhood means. Like so many mothers of large families, her family was her career and though she had other interests, her husband and children always came first in her life.

She became known as the mother of the fabulous Carey family but her way of life never changed. She continued to make her house a home and to welcome friends, humble and great, in a gracious manner which endeared her to everyone.

She watched her family grow to adulthood and gain careers of their own. The watching was climaxed by the success of her twins, Bob and Bill, who played end positions on Michigan State college's greatest football team. She stood proudly by as honors were heaped on Bob as he became captain of the Spartan football squad in 1951, the same year he won All-American honors, and later as he went on to play professional football with the Los Angeles Rams.

A native of Charlevoix, the former Marion C. Emery was born Aug. 15, 1893. In 1013 she was married to Thomas Leo Carey at Traverse City.

She was a member of Christ Episcopal church and as a member of its parish devoted much

NW State Economic Development Group Meets At Belvedere

Approximately 50 members and guests of the Northwest Michigan Industrial Development Council met at the Belvedere Hotel Saturday evening for a membership dinner - meeting.

To open the business session which followed dinner, S. E. Coleman, secretary of the Board of Commerce, introduced Mayor Dean Davenport who gave a brief address of welcome.

During the discussion period conducted by Ward Stubbs, Frankfort, president of the Council, Cressy Campbell, secretary reported on the year's activities and progress.

The main theme of the discussion period why new industries locate in the north and what can be done to encourage it. This theme was discussed by William VanRaaphorst, American Mold Engineering Co.; Allan Hathaway, New Home Coach Co. and Ralph V Hess, president of the Charlevoix Development Corp.

Harris K. Miller of the Michigan Economic-Development commission outlined the program used recently to secure a new industry for Frankfort and recommended that other communities follow the same general procedure.

City Council Awards Street Repair Contract

The re-surfacing of Antrim st. from Bridge st. to the west city limits at Lake st. and State st. and Stover road from US 31 south to the city limits will begin at once following action taken by the city council at its regular meeting Monday night.

At the time the city entered into a contract with the Hicks Co., Alma, to do the streets with bituminous surfacing. The Antrim st. project will receive one leveling coat and one finished coat plus the hard coat and the State st. and Stover road will receive finish and hard coats. It will be laid at the cost of $6.80 per ton for the mix and .18 cents per gallon for the MC-O coat.

It was also voted to change the fiscal year of the sewage department from Dec. 31 to Feb. 28 to coincide with the city's fiscal year.

The council also decided to publish an announcement stating that clean-up week is officially closed and any garbage, rubbish or refuse found at the curb or in the street will be hauled away and cost of its removal charged to the property owner.

The payment of light and water bills was also discussed and hence forth, if a property owner rents his property and does not notify the office of the city clerk of the name of the tenant, the property owner will be billed for the services and held liable for its payment.

Bills amounting to $11,535.32 were approved by the finance committee and ordered paid.

Local Ministers To Present Film Sunday Evening

"Hidden Treasures," a religious science film delving into the wonders of creation as seen through the telescope and microscope will be shown at the high school auditorium at 8 p.m. Sunday evening under the sponsorship of the Charlevoix Ministerial Association.

A community hymn sing will precede the showing of the film, the latest produced by the Moody Institute of Science.

Produced by Dr. Irwin A. Moon "Hidden Treasures" represents 18 months of tedious camera work in out of the way places to find the small but perfect treasures of God's handiwork.

Among the many strangely beautiful scenes, the camera reveals minute flowers, a hundred times small than the smallest rose; strange microscopic denizens of the sea; glassed-house plants called diatoms; iridescent cave crystals; parmecia, minute animals with oars; and the clownish amoebae which look like animated ink blots forever changing shape.

Everyone is invited to view this latest of Moody Institute of Science films.

Mrs. Edward Allen who has been a patient at Grandvue Hospital near East Jordan has returned to her home here for the summer months.

Lifeguards Begin Season's Duties At City Beaches

Lifeguards took over on Charlevoix's three major beaches this week, Leonard Burns, recreational director has announced.

Stewart Walker who returned recently from Red Cross Aquatic school will be in charge of the Ferry ave. beach and later will teach swimming.

William Denemy has returned to the Lake Michigan beach south of the pier and Cliff Lagerman will be in charge of the north side or Depot beach.

The guards will be at the beach from 2 until 7 p.m. daily from now through Labor Day.

The schedule regarding swimming classes will be announced later.

Blood Donors Visit Mobile Unit Monday

Charlevoix blood donors contributed 97 pints of blood at the annual blood procurement program held here Monday, Mrs. George Wolf, general chairman of the event, has announced.

There were 16 rejections among the registrants and 35 persons who had signed up for the clinic failed to appear.

On Tuesday 44 pints of blood were donated in Boyne City. The Michigan Health Department mobile unit was in East Jordan Wednesday.

In 1952, 109 pints of blood were given during a two day clinic in East Jordan and Charlevoix.

Among the 97 donors were 11 from the 310th Ordnance Depot Co. which returned Sunday from a two weeks training period at Camp McCoy, Wis.

During the clinic here Monday, Dr. C. O. Whitten took motion pictures of the procedures for the Charlevoix county Red Cross chapter files.

The clinic here Monday was manned by local doctors for the first time. Among those working on the project were Drs. G. B. Sattonstall, L. E. Grate, Isaac Terr, Russell Palmer and A. F. Litzenburger of the district health department.

Local nurses who cooperated with Michigan Health Department personnel were Mrs. Albert Cook, Mrs. [illegible] M Bice, Mrs. Dean Davenport, Mrs. L. E. Grate and Mrs Wolf.

Mrs. H. F. Bingham was business secretary in charge of registrations prior to the clinic; Mrs. John Mo[illegible] Mrs. Charles Bellinger, Mrs. Saltonstall and Mrs. E. D. Hawley served as registrars at the clinic. Others who assisted as nurses aides, canteen workers and in other capacities were Mrs. Ralph Hess, Mrs. Arthur Heilig, Frances Milner, Mrs. John Schroeder, Mrs Louis Wallace, Mrs. Abe VerWys, Mrs. Robert Richards, Mrs. Russell Curtis, Mrs. Charles Pontius, Mrs. James Coleman, Mrs. Sims Baker, Mrs.

Mrs. Effie C. Ostrum, 71, lifelong resident of this community, died unexpectedly Tuesday at her home in Charlevoix township. She had been in ill health for some time.

Funeral services will be held at the Pontius Chapel at 2 p.m. Thursday with the Rev. Henry Hammond officiating. Burial will be in Brookside cemetery.

The former Effie C. Cochran was born in Charlevoix May 1, 1882 and was married to Delos Ostrom. The family resided in Hayes township for many years. Mr. Ostrom died in 1943. Mrs. Ostrom moved to her present home five years ago.

She is survived by three daughters, Mrs. Elliott Lewis of Flint, Mrs. Arthur Krulik and Mrs. Carl Mitchell of this city; three sons, Eldred of Charlevoix, Philo of Midland and Merlyn of Pinkney, 17 grandchildren; one great-grandchild; three sisters, Mrs. Ella Baldwin of Flint, Mrs. Bessie Oswald of Charlevoix and Mrs. Bertha Richter of Burlington, Wis. and one step-brother, Ora Brown of Flint

Prizes Listed For Venetian Night Parade

Tentative plans for the annual Venetian Night boat parade and week-end activities for July 26 were made at a meeting of the Charlevoix board of commerce, Retail Merchants Association, Rod and Gun Club and Marine Club last Wednesday evening.

Top news coming out of the meeting was the announcement that prizes totalling $1,000 in cash would be offered for the five best floats in this year's boat parade scheduled for the evening of July 26. A first prize of $500 would be followed by four others of $300, $100 and two $50.

Further information regarding the prizes may be obtained from S. E. Coleman, secretary of the board of commerce, or Robert Hamilton of the Charlevoix Marine Club.

Plans have also been completed to bring the Kiltie Band of the Canadian Son here for the day. The 20-piece band is actually the Pipes and Drums of the 49th Sault Ste Marie Heavy Anti-Aircraft Regiment, R.C.A., allied with the Royal Hampshire Regiment of Sault Ste. Marie, Ont. The band promises to be something new and different in the way of entertainment.

Horsemen in the area will also be invited to participate in a horse show with ribbons for conformation, gate and horsemanship.

The plans for the annual Venetian week-end will be further developed at a meeting called for this week.

Mrs. Anna Rayman Dies Following A Heart Attack

Mrs. Anna Rayman, 55, widow of James Rayman Sr. and mother of nine children, died unexpectedly at her home in Marion township early Tuesday following a heart attack.

The body is at the Pontius Chapel. Funeral arrangements will be made after the family arrives.

Born in Chicago Jan. 15, 1898, the former Anna Kaslia was married to Mr. Rayman in Jan. 1918 and came to Marion township 34 years ago to make their home. He died in 1945.

She was a member of the VFW Auxiliary.

Surviving are five sons, Master Sgt. Jerome at Camp Polk, [illegible] Sgt. Sidney stationed in Korea with the army, James of Pon[illegible], Leonard and Albert at home; four daughters, Mrs. Mildred Castonguay of Kalamazoo, Genevieve of Hartford, Conn., Anna and Annabell, at home and three grandchildren.

Woodrow C. Smith Kiwanis Speaker

Woodrow C. Smith of the division of field services at Central Michigan college was the speaker at the regular meeting of the Charlevoix Kiwanis club at the Nautical Monday evening.

In his brief talk he dwelt on the power of education and urged those present to take advantage of the educational facilities offered in the community.

A nominating committee was named to select candidates for the office of second vice president left vacant by the withdrawal of E. K. Shanahan from the club.

The next meeting will be held at the Beach Hotel on Monday, July 6.

Among the guests present were Andy Bloetscher of Detroit Northwest, M. D. Adair of Petoskey, O. J. Grossmann of Bellwood, Ill.; Robert Burns of River Rouge Jay Waalkes of Grand Rapids Western, former Kiwanis governor; G. E. Kelly of Grand Rapids Downtown; Max Bear of Royal Oak and Ivan Livingston of Grant's Pass and Judge Max Hamlin of Manistee, former District Governor.

ODDS 'N ENDS

By Fran Martin

WE WENT TO the movie Sunday night and saw "Titanic" . . . If you were like us, you grew up on the story of the great ship which was lost on its maiden voyage . . . There aren't too many homes of that day which did not have the book of the tragedy . . . We haven't seen one in years but we can remember seeing the picture of the Titanic standing on end beside the world's greatest skyscraper of that day . . . Except for the little story woven into the picture, we almost knew what we were going to see . . . And I might add, we weren't disappointed . . . And to those of the 'younger' generation who thought it was only another movie plot . . . It's an all too-true story . . .

* * *

AN ORCHID to the Knight Memorial Fund Committee for its fine Variety Show last week . . . What amazes us is the talent that is around that we never hear about . . . There was a lot of it on the stage at the gym last week for this show . . . It raised almost $200 to light Kipke Fund . . . That's a hard way to do it . . . to light the field, we mean but if hard work and persistence will do it, the field will be lighted this year . . . So, a big thank you for a fine performance . . . and a job well done . . .

* * *

TO THOSE of you who have had trees damaged by the removal of roots or limbs because of the new highway here's a bit of advice passed on to us by the DeWitt Peteres . . . Give the poor trees a drink and maybo you'll save them . . . Particularly the ones whose roots were cut off . . . Turn the hose on and let it run . . . the roots feed the entire tree, remember, so if you want to keep them put some fertilizer and water on the roots . . . it's bound to help . . .

* * *

LAST THURSDAY marked the third anniversary of the Korean War . . . We had hoped that it would also mark the end of the conflict but it didn't work out that way . . . When the war started we didn't know where Korea was . . . It was in Asia, sure, but who knew where . . . Now we've learned every hill and ridge by its first name and are willing to end the undeclared war right now . . . Will someone mind telling us what it's all about . . .

* * *

TURTLES HAVE been in the news around town recently . . . We understand Tommy Oleksy and some of his friends found a big snapping turtle and brought it home . . . The enormous thing frightened the life out of everyone so Mrs. Oleksy gave orders to let it go . . . The kids took her at her word and let it go in the yard so a search had to be made to make sure it wasn't around to snap someone . . . And Sunday a smaller one was found in our yard . . . Where it came from we have no idea but our young nephew came walking in the house with it after finding it on the lawn . . . We are not fanciers of the shelled . . . whatever-they-are so we were happy when it crawled away when he left it on the grass to search for a box . . .

* * *

HAVE YOU noticed the paint job on the jail-house . . . We asked Nels Tillotsen who was doing the job just what color you'd call the new trim on the red brick building and he told us it was a cream color . . . When someone else mentioned that they'd never seen cream quite that color he added that it was a Jersey cream color . . . not Holstein cream . . . which will not make much sense to you if you're not a farmer . . .

* * *

HOW ABOUT the girls softball teams? . . . We understand they are causing quite a furor in soft ball circles and drawing quite a crowd every nite they play . . . Wouldn't be a bit surprised if a G. R. Chick Scout wouldn't be found in the stands one of these days . . .

* * *

CONGRATULATIONS to our own Donna Ball who will participate again this year in the National Cherry Festival . . . She graciously came to the rescue last week as the deadline for entries in the festival drew near so we were glad to see her rewarded in some small way for her efforts in behalf of Charlevoix.

* * *

THE SYMPATHY of the entire community went out this week to the Leo Carey family following the untimely death of Mrs. Carey . . . Someone wrote that the captain of the Carey team was gone and probably truer words were never spoken . . . We remember many things about her but probably the thing foremost in our memory is Carey Day in March last year . . . when northern Michigan gathered to honor her sons . . . The pride and love both she and Mr. Carey showed as their friends and neighbors met to honor the twins was something we shall always remember . . . We felt privileged to have been even a small part of it . . . And now it's all over . . . The family will have only memories but they will all be happy memories of a home-life seen all too seldom today . . .

What a difference there is between a lively, spirited and free animal in the woods and one confined behind the bars of a zoo — sullen and peevish.

There is that much contrast between two religious experiences. Some folks' religion enslaves them, making them miserable. Other people have a faith that frees them. How can you acquire a joyous faith? The Christian Gospel has the answer.

"Has Religion Enslaved or Freed You?"

The annual convention of the Michigan Association of Police Chiefs opened Monday in Bay City for a three-day session.

Chief of Police Clarence Heise, accompanied by Mrs. Heise left Sunday to attend the conference.

George Meggisons To Mark 60th Wedding Date With Open House

Mr. and Mrs. George Meggison, pioneer residents of Charlevoix county, will observe their sixtieth wedding anniversary at their home at 215 Antrim st. tomorrow (Friday).

In observance of the occasion the couple will hold open house at their home here and will greet relatives and friends from 3 to 5 p.m. and from 7 to 9 p.m.

Mr. and Mrs. Meggison were married in Charlevoix July 3, 1893, and, except for winters spent in the south in recent years, have always made their home in the area.

For six years following their marriage, the couple resided in Charlevoix before moving to a farm in Marion township where they lived until 1942, when they retired and moved to their present home. When not farming, Mr. Meggison worked as a carpenter.

A native of Canada, Mr. Meggison came to Charlevoix county at the age of 18 years. He observed his eighty-sixth birthday anniversary Dec. 26.

Mrs. Meggison, the former Edith Phelps, was born in Norwood township and moved to Charlevoix with her family at the age of eight years.

The couple's activities have been limited for some time. Mr. Meggison suffers from arthritis and Mrs. Meggison has been in ill health since she was injured in a fall in her home last winter.

Despite this, however, they made a trip to Detroit in April to attend the wedding of their grandson, James Mudge.

They are charter members of the Methodist church and the Marion Center Grange.

The couple has one son, Clarence B. of this city and three daughters, Mrs. Grant Mudge of Detroit, Mrs. Lavern E. McGhan of this city and Mrs. Theodore Gravelin of Barstow, Calif. They also have eight grandchildren and 12 great-grandchildren.

H. A. Feiereisels Observe Golden Wedding Date

A family dinner and informal reception marked the recent golden wedding anniversary of Mr. and Mrs. H. A. Feiereisel, who came here recently from Chicago to make their home.

The dinner was held at the home of their daughter, Mrs. Gerald Left, and was attended by the honored couple, their son and daughter-in-law, Mr. and Mrs. E. J. Feiereisel and sons, Richard and Mr. and Mrs. Ronald Feiereisel, Mr. and Mrs. Ernest Rutzen and Mrs. Barbara Beck, all of Chicago; Mrs. Lillian Jerdon of Detroit; Mr. and Mrs. William Johnson of Leland and Mrs. Left and daughter, DeeAnna.

Later the couple held open houses at their apartments for friends and relatives. A large wedding cake decorated in a gold motif centered the refreshment table. Bouquets of seasonal flowers ecorated the table and were used about the room.

St. Mary's Church Announces Masses

Effective Sunday, July 5, thru September 6, four Masses will be celebrated every Sunday at St. Mary's Catholic church, the Rev. E. F. Denay announced this week.

The hours for the Masses will be 6, 8, 9:30 and 11 a.m. Daily Mass will be at 7:30 a.m.

55th Anniversary To Be Observed By Pioneer Residents

Mr. and Mrs. Benjamin Yettaw, pioneer residents of this community, will observe their fifty-fifth wedding anniversary Saturday.

No formal observance of the occasion is being planned by the couple who were married at Atwood when that village was a thriving community.

The Catholic church in which the couple was married has since been moved to Bellaire where it still serves as a parish church.

Mr. and Mrs. Yettaw resided at Atwood for several years following their marriage. Later they lived here where Mr. Yettaw was active in several small businesses before turning to farming in Norwood township. They returned to Charlevoix in 1921. Mr. Yettaw was a partner in the Charlevoix Coal and Ice Co. until retiring about 11 years ago.

Mr. Yettaw was born in Antrim county Dec. 31, 1878.

Mrs. Yettaw is the form Mary Supernaw. She was born at Ellensburgh, N Y., July 28, 1877 and came to northern Michigan as a child.

They have two children, a daughter, Mrs. Ada Golden of Charlevoix, and a son, Benjamin Jr. of Petoskey. They also have five grandchildren.

Bride-Elect Is Guest At Shower

Mary Alice Lagerman, whose marriage to Ronald Cunningham was an event of Saturday, was honored at a surprise bridal shower at the home of Patsy Rose Wednesday evening.

Guests gathered for a social evening and refreshments. The refreshment table was centered with an arrangement of seasonal flowers.

She was presented with a variety of lovely gifts from Mrs. Donald Hardy, Mrs. Russell Ross, Marion Seymour, Theresa Zeitler, Darlene Coatta, Ann Lagerman, Barbara Mullett of Traverse City, Shirley Cunningham, Shirley Clement of Detroit, Sara Coleman and Marilyn Blissett.

"Hidden Treasures"

Cave exploring is routine work for staff members of Moody Institute of Science. In this case they found their descent into the earth well rewarded by the discovery of indescribable natural formations. These mysteries of the universe were captured on film to form a feature sequence in "Hidden Treasures," the fifth in the Institute's "Sermons from Science" series. This unusual film, revealing the wonders of nature as seen through the microscope, will be shown in the High School Auditorium.

Sunday, July 5 at 8 p.m.

A community Hymn Sing will precede the film. The Charlevoix Ministerial Association extends a cordial welcome to all.

From where I sit ... *by* Joe Marsh

Bad Case of the "Ztutters"

Our copyboy is out sick. So the editor (ma) is taking over some of his chores—which include running the addressing machine on "mailing-out night."

Last week I didn't have the usual number of papers left over for sale at the office. Couldn't figure what had happened—until Chub Zimmer called to ask why he'd gotten 56 copies.

Then I realized—"Zimmer" is the last name the machine prints. Guess I forgot to turn it off . . . and it just kept grinding out Chub's name on all the remaining copies. That machine just didn't know when to stop.

From where I sit, people are like that sometimes. *They* often don't know when to stop. Like those who are prejudiced against someone with an accent, perhaps . . . or against someone who likes a cool bottle of beer with his supper. So, in these columns I try to persuade everyone to "throw the switch" on prejudice so it won't get repeated.

New Silver Birch Motel Unit Nears Its Opening Date

The new Burgundy brick ultra modern eight-apartment unit of the Silver Birch Motel will he open by July 4 for the summer season. The construction is completely fireproof and is equipped with a hot water heating system which is individually controlled in each unit.

The eight rooms and baths which will accommodate two or four persons have all modern furnishings with wall to wall carpenting, draperies and wall hangings in a conventional modern design.

Canary yellow doors and wrought iron railings, evergreens and floral planters make the exterior attractive.

The Silver Birch Motel is owned and managed by Frank and Betty Boss of Charlevoix, who plan to spend their winters here as well as their summers to operate the court.

time and effort to church work. She was also a past matron of the Charlevoix chapter of the Order of the Eastern Star, a member of the local Past Matrons Club and also the Tri-City Past Matrons club and the Shakespeare Study Club.

Besides her husband, she is survived by one daughter, Mrs. Stewart F. Coleman of this city; six sons, Charles of Cheboygan; Keith of Midland who made athletic history at Alma College in the early 1940's; Donald recently of Mason who is spending the summer here before going to Marysville; Thomas of this city; Robert who recently graduated from Michigan State college and who will enter the army in August as a reserve officer and Lieut. William who will be stationed at Presidio in San Francisco after completing training at Fort Benning, Ga.

She also leaves 13 grandchildren; two sisters, Mrs. Ruth Stevens of Mullikan and Mrs. Lillian Preston of Glendale, Calif.; a brother, Charles H. Emery of Glendale, Calif.; a half brother, Winfield Emery and step-mother, Mrs. Elizabeth Emery of Lowell, Mass.

The Rev. Carl A. Hoch of Emmanuel church of Petoskey and the Rev. Richard Lintner officiated at the funeral service at the Christ Episcopal church. Burial was in Brookside cemetery. The body was at the Pontius Chapel until the hour of the funeral.

4-H Campers Participate In New Soil Judging Contest

★ ★

The 4-H campers who were in attendance last week, June 23-26 at the 7th annual 4-H camp, held at the Church of God Camp Grounds received a valuable experience when they participated in a soil judging contest. This contest was sponsored and conducted by the Charlevoix Soil Conservation District. Every camper a total of 105, participated. The contest was similar to those now popular throughout the nation.

Members judged various characteristics of three soil areas and then placed the area in land capability classes and listed the proper land use program to help maintain the soil in the area involved.

The contest was organized by William Grimm and Doug Gilkerson of the Soil Conservation Service. They explained the contest and then accompanied the campers to each area. Papers were corrected and prizes awarded according to age groups. In the boys 10 to 12 year group, first place was won by Don Beaman, Charlevoix and second place by Thomas Eichler: In the girls ten to 12 year group, 1st went to Sally Graham, East Jordan and second place to Judith Annear of East Jordan. In the boys 13 and older class; first place was won by Bill Boyer, East Jordan and second by Erving Bullman, East Jordan. Among girls 13 and older; first went Ann Spencer, Boyne City and second to Janice Cunningham, Charlevoix.

At the evening program on Wednesday, June 24, Clayton Healey, Chairman of the CSCD made brief comments and presented prizes of beach balls, diving goggles and swimming masks. The judging contest, says Mr. Healey, is a part of the CSCD program of greater services.

This contest was the first of its kind in Charlevoix county and the first time it has ever been conducted with boys and girls as young as 10 years of age. Urban youngsters were just as enthusiastic as were the rural boys and girls.

Camp opened on Tuesday with registration between 2:00 and 5:00 p.m. Girls were housed in the dormitory while boys slept on bunk beds in the tabernacle. Meals were planned by Mrs. Emma Reinbold and cooked by Mrs. K. C. Festerling with help from campers and campers parents. Mrs. Joe Martinchek assisted the cook on Wednesday and Thursday.

Camp delegates were divided into four groups. Counselors were: Irving Bullman, Roger Stokes, Sandina Liskum and Margaret Lord all of East Jordan.

Sports at camp included: softball, horseshoe, ping pong, archery, and volley ball. Other recreation games of all kinds.

The camp was under the direction of K. C. Festerling, Ed Rebman and Mrs. Emma Reinbold. The facilities were made available again this year by the Church of God Camp committee.

Clayton Healey supplied a truck to take the members swimming at the Ferry Ave. Dock on Wednesday and Howard Stephens supplied a tractor and trailer to take the group on Thursday.

Community PMA Elections Announced

Community PMA elections will be held in each of Charlevoix county's nine farm communities July 6 through July 28, 1953, LeRoy Hardy chairman of the county PMA committee announced today.

At these elections, farmers in each community will vote for three farmers to serve on the community committee, for a delegate to the county convention to elect the county PMA committee for 1954, and for alternates. Voting will be by mail. In general a farmer is eligible to vote if he is owner, operator, tenant or sharecropper, is participating or is carrying out practices in accord with programs administered by the county PMA committee, is eligible for price support or has a crop insurance contract with the Federal Crop Insurance Corporation.

Chairman Hardy emphasizes that the effectiveness of Agricultural Conservation Program operations and of price support and marketing programs will depend a great deal on the community committeemen who are voted in at these elections.

The chairman urges farmers in each community in Charlevoix county to look over the field carefully and make sure farmers are elected who are best qualified and who will have the time to devote to the job.

Clarence Bartlett and Dale Soumela assisted in setting up the clinic.

Michiegn Heelth Department personnel included Kathleen Arndt, heed nurses, Anne Tromble, Mrs. Evelyn B. Welden, all registered nurses, end Herold Fogle, custodian.

The blood was sent directly to Lansing where it was processed by the Michigan Health Department. The whole blood was sent on to the military and the remainder processed into plasma and fractions for use by Charlevoix county residents.

Kane-Shaw Vows Are Exchanged In Quiet Ceremony

Helen Kane, deughter of Mr. and Mrs. Milo Kane, became the bride of William Shaw, son of Mr. and Mrs. Merritt Shaw of East Jordan, at a quiet ceremony solemnized at the Baptist parsonage Saturday evening.

The Rev. W. N. Carr officiated at the simple service.

For her wedding the bride selected a lavender organdy efternoon dress, white accessories and a corsage of yellow roses.

Her sister, Belma Kane, as her only attendant wore a light blue organdy dress, white accessories and a pink rose corsage.

Gail Newman of East Jordan assisted the hridegroom as best man.

A reception for 60 guests was held Sunday afternoon at the Tourist Park Clubhouse in East Jordan. The refreshment table which held the tiered wedding cake was decorated with summer flowers.

The couple plan to leave this week to make their home at Doster, Michigan, where the bridegroom attends the Michigan Veterans Vocational School.,

The bride is a 1953 graduate of the Charlevoix high school. The bridegroom graduated from the East Jordan high school in 1952.

J. W. Slothaak To Open New Motel By First of Next Week

Slothaak's year around motel will be open by the first of next week, according to: John W. Slothaak, owner of the new ten-unit building, located on south U. S. 31.

Each unit has individually controlled gas heat, showers, completely new and modern furnishings, featuring inner-spring mattresses for the comfort of the guests.

Mr and Mrs Slothaak and their daughter, Janice, moved to Charlevoix last April from Holland, Michigan, when the construction of the new motel was started. They plan to make Charlevoix their year around home. Their son Gordon Slothaak, is stationed with the navy at Port Angeles, Washington.

Mignonette Dodd Is Wed In Los Angeles

Mr. and Mrs. Harry Elzinga announce the marriage of their daughter, Mignonette Dodd, to Benjamin Moore of Beverly Hills, Calif., at Western Chapel in Los Angeles on June 1.

The couple plan to make their home in the west where the bridegroom is a commercial artist.

July 13 Date Of Battle Of Pine River

Eric Arvilla (left), Joan Brady (standing) and her sister, Carolyn, pay a visit to the memorial plaque at the site of the Battle of Pine River which was fought 100 years ago next Monday between Mormons from Beaver Island and fishermen of the village of Pine River.

* * *

A tarnished bronze plaque on a native rock overlooking Lake Michigan is the only reminder today of one of Charlevoix's most dramatic hours . . . the battle of Pine River.

Monday, July 13, will mark the one-hundredth anniversary of the event which might have meant the death of the small community then known as Pine River if it had not been for the sturdy stock of which the early pioneers were made.

Today countless persons enjoy the modern bathing beach and playground on Lake Michigan, unmindful of the fact that they are treading on ground rich with importance in the history of the community now known as Charlevoix.

As the story of the battle of Pine River is told in the book, "Grand Traverse Region," published in 1884, July 13, 1853 was a hot summer day. The few women of the small fishing village were gathered for a quilting party at the Morrison home overlooking the beach near what is now known as the Coast Guard hill near the mouth of Pine River.

The men-folk, all fishermen, were working among their nets and boats along Lake Michigan about a half mile south of the river.

About mid-afternoon, the town fathers sighted two boats approaching from the northwest and with the use of a spy-glass identified the occupants as men from the Mormon colony on Beaver Island.

At that time sections of northern Michigan, later to become Charlevoix and Emmet counties, were organized under the name of Emmet county with the county seat on Beaver Island where all the county offices were held by members of the flourishing Mormon colony. Among the 18 men in the boats were several law-enforcement officers.

Before the fishermen could come along the beach and through the woods to the Morrison home where the women were gathered, the Mormons had landed and were demanding that three men who had sought refuge earlier among the fishermen at Pine River be turned over to them. Two of the men, Hull and Savage, had deserted the Mormon colony and a third, named Moon, had fled Beaver Island after altercations with the Mormons.

In an effort to gain custody of the three men, the Mormons carried with them subpoenas for the trio to serve as jurors during the approaching term of circuit court.

Recognizing this as a ruse, the fishermen ordered the Mormons to leave at once, ignoring the latter's threat of violance if the men were not turned over to them for the return trip to Beaver Island.

The Mormons, realizing that the aroused fishermen were serious in their threats, retreated to their boats and were about to

At that time Mr. Kiser will file two petitions for naturalization, interview anyone wishing to apply for naturalization or answer any questions regarding the naturalization status of anyone in the county.

Mr. Bulow has asked that anyone wishing to discuss any of these matters with Mr. Kiser, call his office at the court house for an appointment.

Give Results In Red Cross Blood Program

A total of 173 pints of blood were procured in the annual Charlevoix county blood procurement program last week, Mrs. H. G. Bennett, Red Cross chapter blood chairman, has announced.

The Michigan Department of Health mobile unit and the Charlevoix county chapter of the American Red Cross cooperated in the annual clinic to procure blood for plasma and fractions and whole blood for the military.

Charlevoix topped the list with 97 pints of blood which included 11 doneted by members of the 310th Ordnance Depot Company. Thera wera 16 rejections in Charlevoix.

Boyne City contributed 44 pints with 22 rejections and East Jordan added 32 with eight rejections.

The total contribution, however, fell far short of the county's quota of 260 pints.

Fifty per cent of the blood will be processed and returned to this county for usa es plasma and fractions. Tha remaining 50 per cent will bo sent directly to the militery overseas.

Mrs. George Wolf, general chairman of the clinic in Charlevoix, would like to express her gratitude to the donors, local doctors and nurses and other workers who cooperated in making the clinic a success in Charlevoix.

City Council To Purchase Hangar For The Airport

The Charlevoix city council Monday authorized the purchase of a four-stall hanger with corner office to be installed at the municipal airport.

The bid submitted by U. S. Steel Fabricator Inc. for the amount of $6,167, F. O. B. Wooster, Ohio, was the one accepted by the council.

The council also authorized the purchase of a second 1,000 barrel fuel oil storage tank. The bid of the Robinson Cartage Co. of Grand Rapids for $2,150 for rough grading and transporting two tanks from Grand Rapids to Charlevoix was accepted.

Construction To Begin Soon; Plan Drive To Collect Pledges Due

The Charlevoix Hospital board of directors received official confirmation this week that a federal grant for the new Charlevoix area hospital will be forthcoming and that they may proceed with the official letting of contracts for the construction of the new building, Fred W. Willis, chairman of the board announced Wednesday.

The confirmation came this week in a letter from the Federal Security Agency and the Michigan Office of Hospital Survey and Construction.

Gordon Cornwell of Traverse City and Norman D. Ance, architect and attorney respectively are now preparing official hospital board resolutions accepting the contracters bids. Official letters to the contractors will be mailed following a special board meeting Wednesday night. Construction of the area hospital which will cost an estimated $600,000 when completed will begin as soon as the general contractor can bring his equipment to the city, Mr. Willis continued.

Furds to finance the construction of the new hospital were raised by public subscription and will be supplemented by the federal grant made aveilable through the Hill Burton Act.

The Rev. Harold Kohn has been appointed chairman of a committee to collect all pledges including those past due, now due and those payable during 1953.

In announcing the appointment Mr. Willis said we cannot emphasize too strongly how important it is that there is a 100 per cent collection of outstanding pledges. If all pledges are paid, there will be sufficient funds. However, if they are not it may become necessary to halt construction later on until the funds are collected.

Plans Progress For Venetian Night Program

Charlevoix's 1953 Venetian Night weekend activities including the popular boat parade scheduled for July 26 promise to be the most extravagant in recent years, S. E. Coleman, secretary of the board of commerce said this week in announcing further plans for the city's outstanding summer event.

The fireworks, for example, which with the boat parade climax the weekend activities, will be displayed this year by professional displayers and promise to be the best ever shown in the north.

The increased prizes for the decorated hoats in tho parade are also crealing a great deal of interest. Robert Hamilton reports that 12 boats have already entered and many others have made inquiries about the event.

For the first time prizes totaling $1,000 will be given for the best decorated boats. A first prize of $500 will be followed by a $300 second prize, a $100 third prize and two $50 prizes. Out of town villages will be asked to come to Charlevoix for the event.

Preceding the boat parade a variety program to be announced later will be presented in East Park beginning at 7 p.m.

An entire afternoon of entertainment will be offered to the visitors this year.

A program by the Kiltia Band of the Canadian Soo, a horse parade with ribbons for various events, and a program of water events including water skiing, canoe and portage races, canoe till and greased pole will be among the entertainment offered.

Many local organizations are also planning booths which will offer additional entertainment.

A meeting of the various committees planning the event will be held and a full report given next week, Mr. Coleman said.

Special Term Of Circuit Court To Be Held July 17

A special term of circuit court will be held here Friday, July 17, with Judge Charles L. Brown presiding.

At that time Jesse Hadix, 22 and his brother, Louis, 34, both of Boyne City will be arraigned on a charge of resisting an officer. The former will also be arraigned on an assault charge.

Two East Jordan youths will also be sentenced. They are Ray Gee and William Rogers, both 17, charged with breaking and entering.

Children Invited To Puppet Show

Mr. and Mrs. E. L. Kramer of the Beach Hotel have issued an invitation to the youngsters of Charlevoix to attend a puppet and pantomime show at the hotel at 2 p.m. Saturday.

The show will be presented by Stan Kramer nephew of Mr. Kramer, who will open at the Chez Paree in Chicago next week.

All children are invited. They are asked to be at the hotel promptly at 2 p.m.

Michigan Amateur Golf Tourney Has High Entry List

A record number of 252 amateur golfers from throughout Michigan teed off at the Belvedere Golf course Wednesday in the opening 18 holes of qualifying round medal play in the 1953 Michigan Amateur Golf tournament. The first golfers left the club house at 6:30 a.m.

The tournament is the largest ever staged here and has a far greater number of entries than the 1951 contest when 208 registered for the event.

Fred Turner of Flint, 1952 title-holder, was on hand to defend his title.

However, Dick Whiting of Detroit, runner-up to Turner in last year's tournament and Chuck Kocsis of Detroit, 1951 champion who did not defend his title last season did not enter the meet.

Tom Draper, Bob Babbish, Harold Brink, Ben Smith and Ed Ervasti all former champions, are among the 252 entries.

Former Methodist Pastor To Preach Here On Sunday

The Rev. John Lockyer, former pastor of the Methodist church here, will fill the pulpit of the church Sunday at the 11 a.m. service.

Following the worship service a reception for the Rev. Mr. Lockyer and Mrs. Lockyer will be held in the church parlors.

The Rev. Mr. Lockyer is retired and spends the summer months at his cottage on Lake Charlevoix and the winter months at Bradenton, Fla.

Fund Committee To Meet

The Knight Memorial Fund Committee will meet at the City hall at 8 p.m. Saturday for an important meeting.

All members are urged to attend as future plans will be discussed.

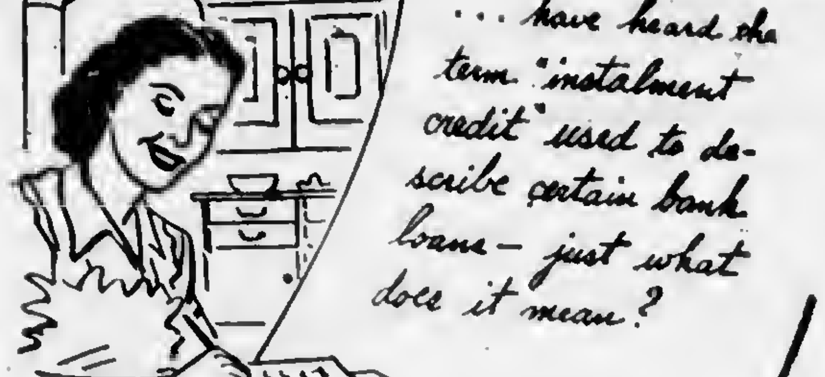
REMEMBER TO PRAY

By Rev. Walter N. Carr, Baptist Church

Text: II Chronicles 7:14 — "If my people, which are called by my rame, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

What is prayer to you? Why do you pray? What is the result of your praying? The hymn writer penned these words as his definition of prayer. "Prayer is the key that opens heaven's door. Prayer brings us joy we never knew before. "Lean how to pray life's troubles will depart; prayer will bring Jesus into your heart." In our consideration of prayer, we shall first of all consider: the privilege of prayer. It is personel contact with God. Psalms 65:2 says, "O Thou that hearest prayer, unto Thee shall all flesh come." Insignificant as we are and unworthy as we are, yet we as children of God can come to the Heavenly Father through His Son our Mediator, Jesus Christ. What a wonderful and holy privilege is ours. Yet we find prayer is discussed more and practiced less than any other thing in the church. The prayer meeting is often called the, "hour of power" and rightly so. Prayer is also a present help. Psalms 46:1 tells us that, "God is our refuge and strength, a very present help in trouble." How shameful that many of us pray only when in trouble. It is surely a consolation to know that He cannot fail for He is God. the clouds and storms arise. God honors no drafts where there are no deposits. Many people feel that they don't need God if they can find some other way. Jesus said, "I am the way" and Paul wrote, "How shall we escape if we neglect so great salvation"? Prayer gives us wonderful potential possibilities. James 5:16 informs us, "The effectual fervent prayer of a righteous man availeth much. We have an omnipotent God. With Him all things are possible. The more we as Christians pray the more God will use us, for prayer is the promoter of activity and it puts us at God's disposal. When the outlook is bad, you should try the uplook. Prayer truly changes things. It is indeed a privilege. Do you pray with a definite purpose? One purpose of prayer should be praise to God. Acts 3:9 says, "And all the people saw Him waling and praising God." Have people seen you doing this also? Does your walk and talk praise God before your unsaved friends and neighbors? Praise is the blossom of prayer. Hem your blessings with praise lest they unravel. A grateful Christian is a great Christian. Many pray, "God be merciful" who never pray, "God be praised." We as children of God should be first to give praise and first to deserve praise from God. Another purpose in praying is petition. Philippians 4:6 says, "Be careful for nothing but in everything by prayer and supplication with thanksgiving, let your request be made known unto God." You may have good grounds for asking of God but you must first be on praying ground. The religion of some people is mainly that the Lord will provide. I believe God helps those who help themselves, at least those who make an honest effort to do so. The only way to do much for God is to ask much of God. God doesn't always give us our desires, but he does supply our needs. Philippians 4:19 says, "But my God shall supply all your need according to his riches in glory by Christ Jesus." A wonderful reason to pray is that of intercession. I Thessalonians 5:25 makes this request, "Brethren, pray for us." The great apostle Paul prayed for others and asked that others pray for him. Paul realized that he needed prayer in His service for Christ. He prayed for utterance in Ephesians 6:19 and for prosperity in Romans 1:10. Paul prayed for the unsaved in Romans 10:1 and he prayed for the saved in Philippians 1:3,4. All Christians should do likewise in their praying. There is indeed great and marvelous power in prayer. It brings salvation. We are saved from the penality, power and presence of sin. What power in prayer! I'm saved now because I prayed and others prayed for me. Salvation can be had for the asking and receiving. God always hears a prayer for salvation. By the power of prayer we are also sanctified. 1 Peter 3:15 exhorts, "But sanctify the Lord God in your heart. "The most effectual way of becoming saintly is by prayer. Where prayer focuses, power falls. Our power with God comes through prayer and our power with God will gauge our power with men. What power in prayer! It gives real satisfaction. We read in Psalms 107:9, "For He satisfieth the longing soul." Prayer satisfies the need of our life and heart. We find peace and contentment in prayer. God alone can fill the emptiness that is often left by sorrow, sickness, and sin. If you go to God in prayer, you will find streams in the desert and springs in the valley. It is by power of prayer that we have our mountain top experiences. What a real privilege is our in prayer. If we as Christians pray with definite purpose in view, we can expect power as a result of our praying. May God help all of us to give proof of prayerful lives by Christ-like living. Won't you heed God's exhortation and claim His promise as found in this verse. "If my people which are called by my name shall humble themselves and pray, and seek my face and turn from their wicked ways, then will I hear from Heaven and will forgive their sin and heal their land."

WHAT DO **YOU** WANT TO KNOW ABOUT BANKING?



. . . have heard the term "instalment credit" used to describe certain bank loans — just what does it mean?

INSTALMENT credit is a form of personal bank loan, which we extend to individuals at low cost for a variety of worth-while purposes — to finance appliances, automobiles, or home repairs, for example — and which borrowers repay in monthly instalments.

If you need to borrow, for any sound reason, see us. We will try to arrange a low-cost bank loan — on terms suited to your income.

THE GEORGE MEGGISONS, as you know, celebrated their 60th wedding anniversary Friday at an open house . . . We stopped by as did many of their old friends and neighbors for we wouldn't have missed it for tha world . . . One could not help but look with admiration on a couple who had lived togathar for those years, shared every happiness and heart-ache and who at the end of 60 years still have fair health, a sense of humor and a million or so memories . . . People like the Meggisons, the Ben Yettaws who observed their 55th anniversary on Saturday and others who have spent many happy years together stand for something pretty special in our book . . . It's a pleasure and privilege to be counted among their friends . . .

• • •

PERHAPS YOU wonder why we mentioned 'a sense of Humor' in speaking of the Meggisons and others . . . To us that is a requisite if one is to go on living in this world that isn't always too gentle . . . But if you have a sense of humor, you've got it made . . .

CAN YOU remember way back when the Hollyhock, a Coast Guard lighthouse tender, used to make regular calls here . . . It was an old ship then and we thought, like a lot of people did that it had been retired to whatever happy hunting grounds old ships are retired to . . . But how wrong we were . . . When a ship came in the other night what did it turn out to be but tha old Hollyhock . . . still going strong by the looks of her . . . And still in the crew was none other but Casey Tylock, engineering officer who has been aboard since the ship was launched . . . almost . .

REMEMBER the two little squirrels who made their home at the Tower Hotel last year . . . We saw Mrs. Eva Smith the other day and asked about the pair . . Seems late last summer they took to the wide open spaces after tiring of the easy life . . . But this spring they re-visited their old haunts with two little ones in tow . . . They look for nuts and other food that's left out for them but are so wild they will no longer come around if there are people about . . .

And speaking of squirrels, we've got one in our neighborhood that isn't any bigger than a minute but he sure leads a dog's life . . . Curious like all young things he scampers from tree to tree and inevitably gets too close to the birds nests and do the mother birds chatter and chase him . . . Added to that his mother is forever scolding no matter where he goes . . . so the poor guy sure has our sympathy . . .

A FEW weeks ago we mentioned a copy of an old Courier dated 1911 which we saw . . . In it was an ad by an A. T. Washburne . . . and we wondered at the time, if it was the same family now living in Petoskey . . . We find that it is . . . the present A. T. Washburne, a Petoskey attorney, is the son of the one we mentioned . . . the latter once operated a clothing store here in the building now occupied by the Murdick Candy Kitchen . . .

THERE ARE certain things that one comes to recognize in most languages but we must admit that if it hadn't been for the familiar 'magic leaf' the trademark of the product distributed by Paul-Reed Inc., we'd never have recognized the advertisements from two Honolulu newspapers as those for the popular silver cleaner . . . Believe us, Magic Leaf, in Japanese doesn't look like anything we've ever seen before . . . Jack Reed of the company showed us the clippings from the Hawaii Times and the Hawaii Hochi which were inserted by the Mid-Pacific Traders, exclusive agents for the product . . . So the name of Charlevoix is sure getting around . . . We understand that a sales-promotion campaign will soon be opened in Japan . . . Wonder how Charlevoix, Michigan looks in Japanese . . .

• • •

AND speaking of Charlevoix, there are those among us who can't spell it either . . . A summer visitor stopped at the office Monday to tell us about a road sign on the Marion Center road which reads "Charlevoix Reduce Speed" . We'll bet that Charlevoixans haven't even noticed that it's misspelled . . . But we understand from the County Road Commission that the error was on the part of the sign company and that it is now being corrected . . .

• • •

SINCE THE Flint tornado last month, many persons have visited there and told us about it . . . But the other day Lawrence Supernaw who formerly lived there received a special edition of the Flint Journal which carried pictures and stories of the disaster and that was enough for us . . . After seeing it, one can understand why the people in southern Michigan are almost panic-stricken by a dark cloud or a high wiod . . . We'd be too . . .

Finnegan-Olach Wedding Vows Are Exchanged In Berlin Service

Sergeant first class Vincent R. Olach and Mrs. Olach have returned to Berlin Germany, to make their home following a wedding trip to San Remo and Rome, Italy. The couple was married at Andrews Barracks Chapel in Berlin June 6.

The bride is the former Helena T. Finnegan, daughter of Mrs. William H. Finnegan of Chicago, Ill. The bridegroom is the son of Mr. and Mrs. Edward Olach of this city.

Lt. Col. (Chaplain) John L. Hlopko, Catholic, officiated at the double ring ceremony before an altar decorated with white carnations. White lillies marked the pews in which the 180 guests were seated.

Pvt. Arthur DeLuc was soloist and Pfc. William Sharkey was organist and soloist at the nuptial Mass.

Given in marriage by Major J. R. Serena, Special Service Officer Berlin Command, the bride chose a gown of white taffeta and net styled with a taffeta bodice and full skirt and train of net appliqued with lace. Her veil was of white net and lace and she carried a bridal bouquet of white carnations and lillies of the valley.

Elizabeth A. Fallon of Boston, Mass., as maid of honor and Lois Marlon Clements of Indianapolis, Ind., as bridesmaid, wore identical gowns of net and taffeta in shades of pink and green respectively. Miss Fallon wore a headdress and carried a bouquet of pink roses. Miss Clements' flowers were yellow roses.

Sergeant First Class Paul L. Reid of Chicago Ill., assisted the bridegroom as best man. Ushers were Sgt. Michael Messarge, Sgt. Robert VonLorth and Cpl. Joseph Ciel!

Mrs. Finnegan chose a gown of grey Chantilly lace over pale green taffeta, a matching hat and accessories and a corsage of white orchids for her daughter's wedding.

Immediately following the ceremony a wedding breakfast was held at Club 48 for 22 guests. A reception followed at the home of bride at 19 Gelfert Str. for 400 guests.

The bride attended Northwestern University and graduated from DePauw University where she was a member of the Delta Zeta Sorority. She is in Berlin with the Special Activities Division.

The bridegroom, a 1946 graduate of the Charlevoix high school is a veteran of seven years in the army and has been stationed in Germany since 1949.

Gaunt Families Hold A Reunion

The Gaunt families gathered Sunday at Whiting Park to acknowledge their families once again. As there were so many other reunions in progress, the family fell short of attendance. There were only around twenty-five for a buffet dinner, but after dinner there were around 56 of the family to eat ice cream and cake.

Those present for the day were: Mr. and Mrs Ralph Gaunt and son of Bridgeport; Mrs. Leonora Telegenhof of Cadillac; Mrs. Anna Johnston of Cadillac; Walter Gaunt of Ellsworth; Mr. and Mrs. Frank Gaunt and three children of Darr; Mr. and Mrs. Sam Peters and Mr. and Mrs. James Earl of Charlevoix; Mr. and Mrs. Jim McInerney, Jimmie and Reggie Brooks and Carl Weaver of Saginaw.

Also Mr. and Mrs. Lyle Weaver and three children of Royal Oak; Mr. and Mrs. Edd Sunigal and two children of Wolf Lake; Albert Dallas of Nunica; Mr. and Mrs. Chester Ellison of Muskegon; Mr. and Mrs. Robert Myers and daughter; Mr. and Mrs. William Gaunt Jr.; Mr. and Mrs. William Gaunt Sr.; Mr. Clyde Simmerman and son of South Bend, and Mr. and Mrs. Willet Simmerman of Muskegon.

Granges To Meet

Charlevoix County Pomona Grange No. 40 will meet with Barnard Grange July 14. A big evening is being planned and a potluck supper will be served after the meeting.

Voice of Our Readers . . .

Dear Sir:

I am writing this letter to express my thanks for the many months I have received the Courier.

My wife and I wish to thank all the people of Charlevoix who make possible this valuable gift to all servicemen away from home. Getting the Courier seems to shorten the distance between us and home.

I took a discharge on June 7, and so therefore am not eligible any longer.

I want to say thanks once again. I know I speak for all servicemen when I say this special service by the people of Charlevoix is really appreciated. Keep it up.

Thankfully yours,
Don and Darlene Burke and son.

IT LOOKS PEACEFUL, DOESN'T IT?

All over Michigan's northland, in quiet recesses far from molestation by man, creatures are seeking their peace . . . by singing brooks and quiet pools, at long shadows of the forest floor.

Man, too, seeks peace but finds it elusive, sometimes almost impossible of achievement. But we all crave it.

Lagerman-Cunningham Vows Are Spoken In Double Ring Service

The Blessed Virgin altar of St. Mary's church was decorated with bouquets of red peonies for the wedding af Mary Alice Lagerman and Ronald Cunningham on June 20.

The Rev. E. F. Denay officiated at the double ring service in the presence of 150 guests.

The bride is the daughter of Edward Joseph Lagerman and Mr. and Mrs. Orlin V. Cunningham are the parents nf the bridegroom.

Given in marriage by her brother, Clifford Lagerman, the bride seleeted a waltz length gawn of white lace and nylon for her wedding. It was designed with a lace bodice and lang sleeves and a full nylon skirt. Her veil of nylan and lace was secured by an arrangement of lace and pearls. She carried a white prayer boak topped with a white orchid and a crystal rosary.

Ann Lagerman, as her sister's only attendant, wore a waltz length gown of blue nylan with a matching blue headdress and carried a colonial bouquet of sweet-peas.

George VerWys assisted the bridegroom as best man. Ushers were Frank Lagerman, Airman third class of Victorville, Calif., brother of the bride, Elwin Evans of East Jordan, Michael Bergeon and Dale Suomela.

Immediately fallowing the ceremony, a reception was held at St. Mary's hall, which was decorated with seasonal flowers for the occasion. Mrs. Charles Hansen of Chicago, sister of the bride, assisted by Sara Coleman, Marilyn Blissett and Patsy Rose, presided at the refreshment tables.

For traveling on their wedding trip to southern Michigan the bride wore a lavender dress with a matching duster and white accessories.

The couple will reside at 807 Bridge st.

Both are graduates of the Charlevoix high school. The bridegroom is a student at Central Michigan college in Mt. Pleasant where he is affiliated with the Alpha Beta Sigma fraternity.

Beth Wickersham, Gordon Klooster Wed In Maryland

Mr. and Mrs. Arlo Wickersham announce the marriage of their daughter, Beth Fannett, to Corporal Gordon J. Klooster, son of Mr. and Mrs. Elmer Klooster of Ellsworth, at Rockville, Md. June 28.

The Rev. Jacob H. Gamble performed the ceremony at the First Baptist church in Rockville at 8 p.m. Sunday.

The bride selected a dusty pink suit and navy accessories for her wedding.

The couple will make their home at 814 Northeast A St., Washington, D. C.

The bride is a graduate of the Charlevoix high school and attended the Gordon Keller School of Nursing at Tampa, Fla., and Michigan State college.

The bridegroom, a graduate of the Ellsworth high school, is stationed in Washington with the Army Security Agency. He is a veteran of 18 months service.

Play Club Notes

The Charlevoix Play Club supervised by Coach Del Terrill and his assistants, Bill Bennett and Tom LaBlance, opened June 15.

We have 25 boys in the club.

So far this year we have gone on three picnics at Young Stato Park, Whiting Park and Walloon Lake. We have been on one all-night camping trip at Young State Park.

At the beach we play such games as soccer, baseball, football, kickball, volley ball and have all sorts of races. On rainy days we play in the gymnasium.

George Meggisons Have Open House On Anniversary

Mr. and Mrs. George Meggison celebrated their sixtieth wedding anniversary Friday at an open house during the afternoon and evening.

Many friends and relatives called during the day ta offer their congratulations and best wishes to the couple who have resided in the community since their marriage on July 3, 1893.

Refreshments, including a large anniversary cake, were served from a table decorated with summer flowers.

Members of their family present for the happy occasion were their son and daughter-in-law, Mr. and Mrs. Clarence Meggison, their sons-in-law and daughters, Mr. and Mrs. Grant Mudge of Detroit and Mr. and Mrs. L. E. McGhan, Mr. and Mrs. Kenneth Wilson and two children of Birmingham, Mr. and Mrs. Clare McGahn and daughters of Paw Paw, Joyce McGahn af Bay City, Mr. and Mrs. James Mudge of Detroit and Mr. and Mrs. Don Meggison and family.

Another daughter, Mrs. Theadore Gravelin of Baratow, Calif., was unable to attend but sent greetings to the couple.

Others from away who called were the Rev. and Mrs. John Lockyer of Boyne City and Bradenton, Fla., Mr. and Mrs. Milan Greenman and Mrs. Lewis Brown of East Jordan.

The couple received many lovely gifts, card and other remembrances of the anniversary.

Mrs. Isaksen To Leave Friday For Trip To Norway

Thirty-eight years ago last March, Mrs. Henry Isaksen sailed from Oslo, Norway, on a honeymoon trip to the United States.

This week she will leave via plane for her first visit to her homeland since that March day in 1915.

Rather a long honeymoon? Perhaps. But a better explanation would be that she and her husband liked what they found here and decided to make it their home. In the years that followed they raised a family and until now there was never time for a trip back to visit relatives and friends who had remained behind.

Mr. Isaksen and the former Anna Roen were married in Oslo in February, 1915, and planned to sail shortly on their wedding trip. With World War I raging in Europe the Norwegian army however had other plans for the young bridegroom who was required to serve six months in the army before leaving the country. After serving the necessary time, he sailed in August to join his bride who was already settled here awaiting his arrival.

Mr. Isaksen, now an engineering officer for the Roen Steamship Co. of Sturgeon Bay, Wis., returned to Norway for a visit in 1930. Mrs. Isaksen, busy with rearing her four children, did not feel that she could leave them at that time and only now decided to make the trip. She plans to spend about two months in Oslo, Bergen and other Norwegian cities and may visit Denmark and Sweden before returning.

Mrs. Isaksen will leave Friday for Grand Rapids where she will be joined by her brother, Capt. John Roen of Sturgeon Bay, Wis. who will accompany her to New York There she will hoard the plane for Oslo, a trip which will take 21 hours, a sharpe contrast to the trip here in 1915 when she was aboard ship for eight days.

Kiwanis Hears Of Scout Jamboree

Kit Carson of Post 211 and Bob Pierce of Troop 11, who will leave Friday for the National Boy Scout Jamboree at Santa Ana, Calif., and their scoutmaster, Frank Case Jr., attended the weekly meeting of the Charlevoix Kiwanis club at the Beach Hotel Monday evening.

Mr. Case presented the Boy Scout troop charter to Capt. H. E. Paddock president of the local Kiwanis club, sponsors of the Boy Scout program in Charlevoix.

Bob Pierce spoke briefly on the Jamboree.

Frank Bird, delegate to the annual international Kiwanis convention in New York City, reported on the meeting.

Charles Pontius was elected second vice-president to succeed Cmdr. E. K. Shanahan who resigned prior to his withdrawl from the club.

Guests at the meeting were Ed Mitten and J. C. Tippey of Petoskey and Robert Burns of River Rouge.

Coronation Plum Conserve—A Spread To Win Order of Merit for Mothers

Courtesy of Ball Brothers Company

As "purveyor" of spreads to their majesties, Your Family, you're always on the lookout for recipes which will bring you new acclaim. Here's one to do the trick. It is named in honor of this year's great event in Britain, the Coronation of Queen Elizabeth. Naturally, it's a spread to a queen's taste. It's hard or impossible to buy, and it is economical when you make it yourself.

The spread is Coronation Plum Conserve and it's so easy to make you will want to put up the recipe more than once this summer, whenever choice, firm-fleshed plums are available. For quickest, easiest, and neatest sealing, use pint or half-pint fruit jars and seal them with Dome lids or zinc caps.

Here's the recipe:

Coronation Plum Conserve

2 quarts seeded plums
1 lemon
⅛ teaspoon salt
1 large stick cinnamon
6 cups sugar
1 cup raisins
1 cup nut meats

Cook plums until soft with pulp and grated rind of lemon, salt and cinnamon. Add sugar and raisins. Cook until thick. Remove cinnamon. Add nuts. Pour, boiling hot, into hot jars. Put on Dome Lid and screw band tight.

July 13th Date Of Battle Of Pine River

(Continued from Page 1)

leave when one of the local men named Louis Gebeau, a former Beaver Island resident recognized a friend among the Mormon party and stepped forward to greet him. As he did so, Gebeau raised his gun. This gesture brought a blast from the horse pistol of one of the Mormons later identified as Jonathan Pierce and Gebeau fell to the ground with a leg wound.

The shot was a signal for the fishermen to open fire on the Mormons who hurriedly took to their boats and rowed off in the direction of Beaver Island. The fishermen gave chase in their boats, firing continually on the fleeing Mormons. One of the latter's boats was so badly damaged that it was abandoned and the entire party proceeded in the one remaining boat. The Mormon party, with several of their number badly injured, were later taken aboard the bark, Morgan, and returned to Beaver Island.

As a result of the bettle, several residents of Pine River were indicted in circuit court at St. James but none were ever brought to trial.

The residents of Pine River, however, fearing reprisals from the Mormons, abandoned their homes along Pine River and made their way to Northport and other communities in the north.

Mormons from Beaver Island invaded the area, taking possession of the homes vacated by the settlers and by threats and hostile actions frightened newcomers from the community for the next three years.

Not until the assassination of their leader, "King" James Strang in 1856 was the Mormon stronghold on northern Michigan broken. It was then that many of the original settlers returned to Pine River to claim their homes and, joined by newcomers, built Pine River into a fishing and logging center which later was to become known as Charlevoix.

Though the battle of Pine River may be overshadowed by more important events in the history of this country, it remains one of the outstanding milestones in the struggle to develop northern Michigan.

• Mr. and Mrs. Willis Gregory and family of Detroit visited over the holiday weekend with the former's mother, Mrs. William Gregory, and other relatives and friends.

Soil Conservation District Entered In National Contest

The Charlevoix soil conservation district has entered the national Soil Conservation Awards program sponsored by the Goodyear Tire & Rubber Co. of Akron, Ohio, it was announced today by District Chairman Clayton Healey, of East Jordan.

Members of the Charlevoix District will compete against other soil conservation districts in the state. Non-partisan judging committees, selected from Michigan's outstanding exponents of the soil conservation movement, will determine the state's outstanding district for the period July 1, 1953 and April 30, 1954 on a basis of total points scored in performance of regular district duties.

Grand award for one member of each winning district governing body and the top cooperating farmer or rancher named by the district will be a one-week, expense-free, vacation trip to Goodyear's fabulous winter resort, the Wigwam Guest ranch on Goodyear Farms, Litchfield Park, Ariz., in December, 1954.

Members of the Charlevoix district governing body who will compete for the Goodyear award are: Robert Straw, Charlevoix; Clyde Warner, Charlevoix; Harold Goebel, East Jordan; Clayton Healey, East Jordan, and Robert Riedel, Boyne City.

National winners of the Goodyear Soil Conservation Awards will be announced at the seven regular area meetings of the National Association of Soil Conservation districts. Plaques will be awarded at these conservations to the hundred first and second place winning districts.

Raccoon Burglar Upsets Camp Life

Traverse City — A camper at Interlochen state park southwest of here awoke one night recently to find a raccoon burglarizing his tent.

He banged Mr. Coon on the head with a pop bottle, there was considerable commotion in the tent and then, soon enough, peace again settled over the camp.

Plaque Dedicated At M.S.C. Honoring Dr. William J. Beal

Homage was paid recently in East Lansing to the worker who laid foundations for a 20th century miracle . . hybrid corn.

Dedication of a plaque honoring Dr. William James Beal for his corn cross-fertilization work reported in 1879 was the first official act of the Michigan State College Corn Foundation.

Unveiling the bronze inscription in the Beal-Garfield garden on the MSC campus was the climax of a brief program with eulogies by former Beal students.

Among those present to pay tribute to Dr. Beal was Dr. Perry G. Holden, former local resident now living in East Lansing, noted 'corn prophet' and graduate in 1889 of MSC's forerunner, Michigan Agriculture college.

The MSC Corn Foundation was formed to collect information, preserve the history and tell the important story of corn that has been unfolding for 5,000 years.

Dr. Holdens' collection of writings, talks and specimens were the first major additions to the foundation's library on corn.

IT HAPPENED ON BEAVER ISLAND

By Loyola Malloy

Last Thursday the monthly meeting of Beaver Island Civic Association was held in the Parish Hall with games and refreshments for the children to celebrate the fourth of July.

Mr. and Mrs. M. Collins and family spent the weekend at their cottage.

Dr. and Mrs. Nels Sorensen enjoyed a relaxing weekend at their home here.

Those from here who attended the funeral of Dorothy Belfy were Mr. and Mrs. V. H. LaFreniere, William Belfy and J. H. Gallagher.

Patricia Kinney left Sunday for Detroit where she plans to seek employment. She went with Glen McDonough and Perry Gatliff who spent the weekend with their parents.

Mrs. Roland McCann is spending some time on the Island visiting relatives and friends.

Visiting their mother, Mrs. Mary Greene, were Dan from Detroit and Tony from Grand Rapids. Mrs. Gene Connaghan has accompanied Tony as far as Grand Rapids from there she will go to Chicago for a visit.

Mr. and Mrs. Lester Connaghan and family arrived Friday to spend their vacation on the Island.

Mr. and Mrs. James Ellns of Ludington are visiting relatives and friends on the Island.

Mrs. David Pike and family are spending some time at the home of Mrs. Pike's brother-in-law and sister, Mr. and Mrs. Lawrence McDonough. Lawrence returned home from sailing on the lakes for about three months. He plans to stay at home now.

Home for the weekend visiting their parents were Bernadette Malloy, Mr. and Mrs. Art Ryan and family, Mary Malloy and Percy Hallen. The Ryan children plan to stay for about a month.

Pfc. Bruce McDonough is spending his furlough with his parents, Mr and Mrs. Lloyd McDonough.

Vacationing at Beaver Lodge are Mr. and Mrs. Bob Tigh and family from Jackson.

Bob Delaney from Grand Rapids spent the weekend at the home of Mr. and Mrs. James H. Gallagher.

Mr. and Mrs. Hugh Ray of Chicago arrived Thursday to spend the summer at Raycroft.

Susan Johnston must be very happy now that her pet skunk, missing since last fall, has been found again. One night last week as Archie LaFreniere was backing his station wagon out of the drive way he happened to see a tail with a white streak on it and got out to examine it more closely and sure enough it was Susan's skunk, it had to be because there are no more on the Island, he chased it into his garage and closed the doors. So next day I imagine Susan was very thrilled to have her pet again From here on keep him under cover Susan.

Chester Belfy and Melvin Plum spent the night on the Island. They are aboard a small Conservation boat.

DEPENDABILITY
is the other name for DODGE!

Dependable Economy In the 1953 Mobilgas Economy Run, the Dodge V-8 beat all other cars in its class . . . outperformed all 8's in *every* price class.

Dependable Power-for-Safety Ten days later, the same Dodge V-8 set 2 new official AAA performance records for standard American cars. Proof of reserve power-for-safety.

Dependable Comfort Dodge Modern Design does away with "meaningless metal" and waste space outside—provides more comfort space than ever inside.

Dependable Handling Ease Dodge for '53 brings you new mastery of the road, new maneuverability in traffic, new parking ease. It snugs down on curves like a true sports car.

Dependable Extra-Value Features Safegoard hydraulic brakes with two brake cylinders in each front wheel . . . Oriflow ride control . . . Safety-Rim wheels . . . electric windshield wipers . . . foam rubber seat cushions . . . and many others.

Here is our invitation! Come in for a "Road Test Ride." Find out all that Dodge Dependability means in terms of economical power, safety power, riding comfort and handling ease. There is no obligation. You will discover a new kind of car, a new kind of driving enjoyment . . . at prices that start below many models in the "lowest-priced" field.

Chevrolet's
farther ahead
than ever!

The thrilling new "Two-Ten" 2-door sedan. With 3 great new series, Chevrolet offers the widest choice of models in its field.

. . . IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

. . . IN HIGH-POWERED PERFORMANCE—*The most powerful engine in the low-price field!* The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrift-King" engine.

. . . IN SMOOTH, SIMPLE AUTOMATIC DRIVING—Expect faster getaway with Powerglide's new automatic starting and passing range . . . and new economy, too. Chevrolet's new Power Steering* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

. . . IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains *the lowest-priced line in the low-price field.*

. . . IN AMERICA'S FAVOR—Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

Doting Grandmas Find A Haven

Maybe grandma would say "heaven" rather than "haven". She finds such adorable things for her little darlings at Polly Kay.

For the brand new grand-tots there are tiny nylon suits—so sensibly lined with waterproof fabrics in the places where waterproofing is most desirable. And dainty hand made sweaters, too, in fact just everything for baby.

Are your babies growing up now? Come to Polly Kay and see our playcloths and bathing suits. Did you see the beach outfifs in our window—navy with signal flags? That's for Junior.

For the "almost-grown-up" girls Polly Kay has a new Preteen department. You should see the new bathing suits and play clothes in the pre-teen range.

Of course, you don't have to be a grandmother to enjoy shopping in the Polly Kay Junior shop. Mother can have a lot of fun, too, and the children will love the play house and the toy shop. Daddies, granddaddies, Uncles, aunts all who love some little tyke, come in and look around.

WHY Blue Cross-Blue Shield protection is now more important than ever before!

Sickness or accidents now cost more . . . almost triple the cost of 10 years ago!

And you get more protection today with Michigan hospitals' and doctors' own *non-profit* health-care plans . . . BLUE CROSS - BLUE SHIELD. The average hospital bill covered by Blue Cross for instance, has gone up from $51 to $150 in ten year's time. Also, the number of hospital bills totalling $1,000 or more has increased yearly!

In 14 years Blue Cross - Blue Shield have paid out over 302 million dollars for members in Michigan. With nearly 3,000,000 Michigan members, Blue Cross - Blue Shield is this state's most widely used health-care protection.

1 in 3 Michigan families will face a hospital bill this year!

If you or someone in your family had to go to the hospital tomorrow, how would you pay the bill?

Blue Cross Comprehensive Group Hospital Plan covers a broad range of benefits . . . up to 120 days of care . . . in any of over 200 participating Michigan hospitals. There are also special provisions for benefits in participating hospitals of other Blue Cross Plans or other hospitals anywhere in the world!

Area Camps Buzz With Activities As Guests Arrive For Vacation Season

Chartered buses, special railroad cars and family autos brought more than 200 youngsters to northern Michigan last weekend as the area's three major summer camps opened for the 1953 season.

Camp Charlevoix, the oldest camp which is beginning its twenty-eighth season, absorbed 126 of the summertime visitors in the seven through 15 age group.

Camp Q-Gull which is starting its tenth season, has 50 boys and girls in the five to 13 year age group.

The youngest of the camps, Camp Ta-Wa-Ma-No, has 45 girls in the 6½ to 15½ year age group enrolled for its sixth season.

Camp Charlevoix, since it has the largest enrollment has the largest staff and most varied program. They have campers from 11 different states who enjoy a program of horsemanship, rifle and archery, sailing and canoeing, swimming, crafts, athletics and over-night trips.

A staff of 42 is on hand to assist the director-owners, Mr. and Mrs. Kenneth Smith of Grosse Pointe, who are spending the eighteenth year at the camp and fifth year as owner-directors.

Seventeen different colleges are represented among the 25 counsellors and six assistant counsellors.

Don Dohoney, 1953 Michigan State college football captain and Billy Wells, Spartan halfback will be in charge of athletics. Jim Ball of Florida State will be in charge of the rifle range. The staff also boasts three cowboys; a nurse, a tutor, and a kitchen staff of nine.

Harry E. Bingham is returning for his seventeenth year as business manager and Barney Englehart will begin his seventh summer as camp superintendent.

The Smiths are anticipating one of their best seasons.

Mrs. Edith Cugull, who during the winter months operates a private day school in Detroit, will be assisted by a staff of 15 in caring for the camps 50 boys and girls at Camp Q-Gull. A full-time nurse plus others all college students, will assist in the operation of the camp.

The youngsters receive a varied program which includes dramatics, riding, swimming, sailing and other water sports and an athletic program for the various age groups.

The campers come from southern Michigan and Ohio and enjoy a complete program planned for their training and entertainment.

The girls camp, Camp To-Wo-Ma-Na located on Pine Point, has as its campers girls from the Birmingham-Grosse Pointe districts of the state.

Wilbur Gunnerson is camp director, he is assisted by a staff of seven counsellors headed by Fay Dimas who has been at the camp since it was started; two lifeguards; a cook-dietician, Grace Bushart of San Bernadino, Calif; a camp nurse and a kitchen staff of four.

Mr. Gunnerson, who has been active in this type of work for 20 years, is athletic director at Western high school in Detroit during the school year.

The camp features rifle and archery, nature study, tennis, crafts, water sports including swimming, canoeing and boating, horsemanship and overnight trips for the older group.

Each Saturday night the entire camp participates in an Indian pow-pow and award ceremony. Known as the week in review, the accomplishments of the week are announced and awards offered. Other nights in the week special features are planned with each group arranging the activities for the program.

All the camps are located on the north side of Lake Charlevoix and are ideally situated for the programs they offer their campers during the eight week period which opened last weekend.

• Mr. and Mrs. Don Dilbone and son have returned to VonWert, Ohio, following a recent visit with Mr. and Mrs. Alfred Gill.

What's Doing at Camp Charlevoix

"Once Again We Come Together" has been a song ringing throughout Camp Charlevoix this past week, as campers and staff gathered together for a summer of fun at this camp which is owned and directed by Mr. and Mrs. Kenneth W. Smith, of Grosse Pointe. This is the twenty-seventh season for the camp, and campers came by car, plane, train and boat, 126 boys coming from twelve different states. The camp is filled to capacity, with boys from all parts of the country.

The first Saturday night in camp, after the boys were located in their cabins, and a good dinner was had by all, the traditional pillow-fights were held in the club house.

On Sunday morning, Ken Smith, director-owner of the camp, gave the chapel talk, speaking on "Building a Reputation". In the afternoon the boys were given physical exams by the nurse and waterfront swimming tests by the waterfront staff. In the evening, vespers were held with Bill Forsythe in charge.

The staff this summer numbers 48 men and women representing eighteen different colleges and universities. Some of those on the staff are; Harry Bingham, of Charlevoix, returning for his seventeenth year as business manager; Joe and Helen Shaw, of Cornell University, as cooks for their fourth year; Tom Witte, University of Iowa, director of Activities, Ruby Songer, of Pontiac, as the nurse; Jane Goulette, of Grosse Pointe, as the tutor; Dick Hesse, University of Missouri, Head Cowboy, assisted by Tom Corbett, Williams college, and Dave Netting, University of Michigan. Others on the staff are: Chuck Birdsall, Bill Forsythe, John Ingold, George Cam-Prescott all from the University of Michigan. Michigan State is represented by Bud Giddings, Terry Tyksinski, and Kevan Goaper, who is from Australia. Coyle Moore, comes from Florida State University, Don Pelegino from Wilson college in Chicago; John Periolat from the University of Illinois; Eric Thoreson from Michigan Normal and Bud Morse from Grosse Pointe. The Assistant Counsellors are: Jay Newberry, and Jim Mueller from Grosse Pointe, Chuck Kearney of Flossmoor, Illinois, Barry Haas of Dayton, Ohio, and John Hudson, also of Dayton. The Counsellors-In-Training are Dick Smith of Dayton Tom Kearney of Flossmoor, Ill., Bill Fors of Dearborn and Bill Hardie of Jackson. Mr. and Mrs. Smith, owners-directors of the camp, cordially invite Charlevoix people out to visit the camp in this its twenty-seventh season.

The week progressed according to plan with activities getting under way and boys chosing thier own specialities. Green and Grey sides were chosen, and in the elections held in each section the following men were elected to lead their sides for this summer: The Green Captains and Lieutenants are: Kent Gibbs, Mike Huntington, Dick Kearney, Jack Scott, Dallas Dort and George Davis. The Captains and Lieutenants of the Grey team are: John McBride, John Watson, Jim Smith, Gary Murfin, Jib Bailey, and Jim Holden.

The Fourth of July was the day of the Annual Track Meet which the Greys won. Two of the boys won three events each. They were Mike Huntington of Grosse Pointe and Jim Potter of Ann Arbor. Other event winners were: Jamy Holden, Durfee Day, Dallas Dort, Jim Smith, Warren Zediker, and John McBride. In the evening the opening Council Fire was held in the Sacred Council Ring, where the new campers were led blindfolded by the old campers, and put on probation for the summer. Several of the staff gave short talks to the boys, these being, Jerry Prescott, speaking on "Sportsmanship", John Periolat on "Friendliness"; Coyle Moore on "Reverence"; Terry Tyksinski on "Unity", and Tom Witte on "Cleanliness". The council fire was lit by a lighted arrow shot by John Periolat from the woods. "Chief" Smith gave a talk and the spirits of the 1952 season were dug up and several of the messages read. The ceremony closed with taps.

On Sunday morning, the regular chapel service was held with Terry Tyksinski as the speaker. He gave a very helpful talk, one which the boys understood and one which gave one much to think about. Robert Helwig, of Youngstown, Ohio, read the scripture. In the afternoon, the first all-camp waterfront afternoon was held with swim races, canoe races, and a watermelon splash. In the evening, vespers were held in all sections.

The only convertible that outsells Ford!

WHAT IS IT that makes Ford's Sunliner America's best seller? Is it its high-compression V-8 power? (No other convertible in Ford's field has this kind of engine.) Is it the fine craftsmanship of its Crestmark Body? (No body in its field can match Ford's choice of exterior and interior color combinations.) Is it its new spring and shock absorber action which makes even roughest roads feel smooth? (The Sunliner's springs are tailored to its weight.) Is it the choice of Fordomatic, Overdrive or Conventional you get? (You won't find such a choice in any other car in Ford's field.)

No, it's not just any *one* of these things that make Ford America's largest-selling convertible. It's all 41 of Ford's "Worth More" features . . . features which folks *know* make Ford worth more when they buy it, worth more when they sell it.

ALONE IN THE DARK I GASPED "I'VE GOT TO GET HELP"
HOW MY TELEPHONE HELPED IN AN EMERGENCY
MRS. SARA B. RIEGLER
KALAMAZOO, MICHIGAN
AS MIDNIGHT STRUCK...
OPERATOR...
WE'LL HELP YOU...
OPERATOR PANSY LEE HENSLEY ANSWERED...
"FOR THE LAST FIVE YEARS I'VE HAD SERIOUS HEART TROUBLE. AN ATTACK CAME LATE ONE NIGHT. I COULD HARDLY MOVE."
"TO INCH MY WAY TO THE TELEPHONE WAS MY ONLY CHANCE TO GET HELP... I TOLD THE OPERATOR WHAT HAPPENED, GAVE HER MY SON LEON'S NUMBER TO CALL."
MISS HENSLEY PUT THE CALL THROUGH, ASSISTED BY SENIOR OPERATOR ELEANOR FRY...
MRS. FRY CALLED MRS. RIEGLER BACK FROM THE TELEPHONE OFFICE.
...MOTHER? I'LL CALL THE DOCTOR...AND I'LL BE RIGHT OVER
ARE YOU ALL RIGHT?
YES, I FEEL A LITTLE BETTER...
BUT MRS. RIEGLER COLLAPSED AGAIN JUST BEFORE HER SON ARRIVED...
MOTHER!
"AFTER I SPOKE TO LEON, HE CALLED THE DOCTOR, LEFT FOR MY HOUSE AT ONCE."
"THAT SWEET OPERATOR CALLED BACK, ASKED IF I NEEDED ANYTHING, KEPT TALKING TO COMFORT ME."
"LEON CAME VERY QUICKLY AND THE DOCTOR CAME A FEW MINUTES LATER."
I'LL NEVER FORGET MISS HENSLEY AND MRS. FRY... OR BE WITHOUT MY TELEPHONE... IT CAN MEAN LIFE ITSELF IN AN EMERGENCY!

WHEN YOU THINK OF ALL THE CALLS YOU MAKE AND RECEIVE...AND HOW LITTLE EACH CALL COSTS...YOU REALIZE THAT YOUR TELEPHONE IS ONE OF YOUR BIGGEST BARGAINS...WORTH A LOT MORE THAN IT COSTS.

Commission Will Review Lake And Stream Improvements

Lansing — Michigan's lake and stream improvement program will be reveiwed at the next conservation commission meeting or whenever the full commission meets in regular session, the conservation department reports.

"Checkerboarding," one of the regulatory policies under which gas and oil lands are leased, will also be reviewed at the next full commission meeting.

Both were placed over to later agendas from the June meeting, when three commissioners could not attend the session.

RESOLUTION

Whereas, by resolution adopted by the Common Council of the City of Charlevoix at a meeting held on the 27th day of April 1953, it was deemed expedient and advisable and in the public interest to discontinue and vacate the North 300 feet of the public park or grounds known as the "Ferry Avenue Bathing Beach" being that part of the same more particularly described as that parcel of land situate and being in the City of Charlevoix, County of Charlevoix, Michigan, described as follows:

"Commencing at a point which may be found by measuring along the center line of the highway known as the Stover Road in Section 35, Township 34 North, Range 8 West, 14.11 Chains East from the intersection of the West eighth line of said Section 35 with said center line of said highway; thence running North 7.50 chains to the Northwest corner of a parcel of land heretofore deeded by the Township of Charlevoix to the Cram Whitford & Sons Company (now owned by the City of Charlevoix); thence East along the North line of said Cram, Whitford & Sons Company parcel to the shore of Lake Charlevoix; thence North 7.10 chains to the Southeast corner of land formerly owned by George G. Williams (now owned by Theisen-Clemens), which is the point of beginning of this description; thence West along the South line of said Williams parcel to its intersection with the Easterly line of Ferry Avenue; thence in a Southerly direction along the Easterly line of said Avenue 300 feet to an iron stake; thence East to the shore of Lake Charlevoix thence in a Northerly direction along said shore to the point of beginning, being a part of Government Lot 1, Section 35, Town 34 North, Range 8 West; said parcel to include all lands to the waters edge."

AND WHEREAS said resolution sets this time and place for a public hearing upon the question of vacating the same and due notice of said hearing having been published for four (4) consecutive weeks in the Charlevoix Courier, a newspaper printed and circulated in the City of Charlevoix, commencing with the issue of April 30, 1953;

AND WHERE the Council deems that the said North 300 feet of said property is not required for bathing beach or public grounds purposes and that said "Ferry Avenue Bathing Beach" is adequate to serve the needs of the City without that part thereof;

AND WHEREAS, after hearing all objections and expressions of interested parties for and against said procedure, it is deemed expedient and advisable in the public interest, an necessary for promoting the general welfare of the City of Charlevoix that said part of said public park or grounds be discontinued and vacated so that said property can be sold for the purposes outlined in said resolution of this Council adopted on the 27th day of April 1953;

THEREFORE BE IT RESOLVED by the Common Council of the City of Charlevoix, Michigan, that the above described part of the aforesaid public park or grounds known as the "Ferry Avenue Bathing Beach" be, and the same is hereby discontinued, vacated, and abolished and that the title to the land embraced in that part of said park is to remain in the City of Charlevoix with full power in the Common Council of said City to lease or convey the same;

BE IT FURTHER RESOLVED that a copy of this resolution be recorded in the Office of the Register of Deeds for the County of Charlevoix, Michigan and that thereafter the copy so recorded be filed in the Office of the Auditor General for the State of Michigan.

Resolution adopted by the following Yea and Nay vote. YEAS: Carey, Hamilton, Hiller, Kipke Zeitler. NAYS: Bellinger, ABSENT: None.

Alderman Hamilton offered the following resolution and moved its adoption, supported by Alderman Carey.

RESOLUTION

Three Girl Scout Leaders Attend Training School At Pleasantville, N.Y.

Three Charlevoix Girl Scout leaders, Mrs. O. V. Cuningham, Mrs. James Woodward and Mrs. Gordon Bartlett, left last week for Pleasantville, N. Y., to take a two weeks training course at the Edith Macy Training School, a summer camp operated by the National Girl Scout organization to train leaders and other Girl Scout personnel, Mrs. Charles Duerr, president of the local Council has announced.

Mrs. Conningham has registered for a Voluteer Trainer of Leaders course which will enable her to give basic leadership training to other Girl Scout leaders here. Mrs. Bartlett and Mrs. Woodward will devote their time to Outdoor Skills in Troops and Camps.

The trio was sent to the training school in the hope of overcoming one of the greatest handicaps in carrying out the Girl Scout program in Charlevoix, a lack of qualified leaders, Mrs. Duerr said. Many persons have shown an interest in the program but have hesitated to assume the responsibility of troop leadership because of inexperience and lack of training.

With special training available here through Mrs. Cunningham, the Council feels that those who have shown an interest will feel more confident, be better qualified and receive a greater enjoyment out of working with a troop. Present leaders will also be offered basic training in troop management.

The Council plans to give a few leaders each year the opportunity to take special training either at Camp Macy or at one of the short term sessions which are given throughout the year at various places in the Great Lakes Region.

The Girl Scout Council and the Charlevoix Community Chest are financing the camp expenses of the three Charlevoix leaders now at Camp Macy and also paying a portion of their traveling expenses. Tuition for the training course is paid by the National Girl Scout Council.

It is the Council's aim to give the girls of Charlevoix who are already registered Scouts a program of activities that will appeal to their interests from the time they are eligible to become Brownie Scouts at the age of seven years until their graduation from high school as Senior Scouts. Mrs. Duerr continued. The Council also would like to enlarge its present program so that no girl would be denied the opportunity of becoming a Scout because of lack of adult leadership.

A course in basic training will be offered by Mrs. Cunningham early this fall at a date to be announced later. Anyone interested in taking the course or assisting with a Girl Scout troop in any capacity is urged to contact Mrs. Cunningham or Mrs. Fay Davis.

Council Names New City Superintendent

The city of Charlevoix has hired a city superintendent who will arrive here about August 1 to assume his duties, Mayor Dean Davenport announced this week.

He is Roy R. Robinson who has served as manager of the Board of Public Works and purchasing agent for the city of Niles for the past 10 years. Prior to that time he was with the Indiana-Michigan Electrical Co. of South Bend, Ind., for 20 years.

Mr. Robinson was selected for the position from among 22 applicants, Mr. Davenport said.

A registered electrical engineer in the state of Michigan, he began his career as an electrican in the Navy during World War I. Following his discharge he continued in the work, while attending night classes at the University of Notre Dame for four years.

He has a membership in the American Institute of Electrical Engineers, the National Society of Professional Engineers, the American Water Work Association and a military membership in the Society of American Military Engineers.

He is also a past chairman of the Michigan Municipal Utilities Association and also served on the board of directors for three years and is a member of the Michigan Commission for Economic Development, representing the power supply division of all Michigan utilities.

He is a member of the American Legion and a 32nd degree Mason. Mrs. Robinson is a member of the Eastern Star and a past priestess of the White Shrine of Jerusalem.

The couple has two grown children, a son and a daughter and several grandchildren.

In his new position, Mr. Robinson will act as a general city manager under the direction of the mayor and city council.

Charlevoix has not had a city superintendent since 1950 when [illegible] who had served the city for several years, resigned.

Announce Total Raised In County Cancer Campaign

Approximately $1,700 was raised in Charlevoix county during the annual Cancer drive, Basil Cummins of East Jordan, fund campaign chairman, has announced.

The goal for the 1953 campaign was $1,400.

In Charlevoix a corps of workers headed by Maurice Foster, as city chairman, solicited a total of $539.92.

Mr. Cummins as fund chairman and Mrs. Ronald Scott as Charlevoix county unit chairman wish to express their gratitude to Mr. Foster and his workers for their fine work in behalf of the Cancer fund.

Mrs. Scott also said that the county unit is urgently in need of thoroughly clean old sheets and blankets for dressings. Anyone having such materials is asked to leave them with Mrs. Scott in East Jordan or call her at LE-6-2974.

City Asks Bids For Re-Valuing Local Property

The Charlevoix city council Monday night voted to advertise for bids on the re-valuing of real and personal property in the city of Charlevoix for the purpose of tax equalization.

Bids for the work will be accepted until 8 p.m. August 10.

It was also agreed to sell approximately two acres of land located between M-66 and the railroad track south of the John [illegible] property to I. T. Quarnstrom, who is constructing a new industrial plant on M-66 near the above mentioned property.

After some discussion it was decided to remove the parking meters from parking spaces on the west side of Bridge st. in the intersections from Park ave. to Antrim st. to eliminate a traffic hazard. The meters will be removed and the space marked as no parking zones, thus clearing the view for motorists leaving or approaching Bridge st. from the west.

Bills totaling $20,388.36 were examined and ordered paid. The bills include $2,095 for the new street sweeper, $2,606 for payment on State st. sewer project, $1,000 for social security payment, $1,000 for fuel oil and $1,500 for three new transformers.

Charles Murrell Is Wounded In Action In Korea

Private first class Charles Murrell, 18, was wounded in action in Korea on July 8 while serving with the First Marine Division, his mother, Mrs. Mildred Kling, was notified by the Defense Department.

The telegram, which gave no details of the young serviceman's injuries, stated that he had been transferred to a Naval Hospital Ship for treatment.

Pfc. Murrell, who made his home here with his grandparents, Mr. and Mrs. Charles Wiles, left his studies at the Charlevoix high school to enlist in the U. S. Marine Corps in November, 1951. He went overseas with his unit, the Seventh Marine Regiment, in January, 1953 and was known to have been in the front lines.

The Pipe Band of the Canadian Soo which will appear here Sunday afternoon, July 26, during the Venetian night activities.

The band is officially known as the Pipes and Drums of the 49th Heavy Anti-Aircraft Regiment, Royal Canadian Army, attached to the Reserve Army.

The band is composed mostly of Canadians of Scottish descent and has in its membership four members who were born in Scotland, two of whom have been in Canada less than a year.

Music of the band is under the direction of Pipe Major Lewis Graham and Pipe Sergeant Bill Ross. Drums are in charge of Drum Sergeant James McComb.

Complete Plans For Festival Here July 21

The Knight Memorial Fund Committee this week completed plans for the Knight Memorial Festival featuring the World of Pleasure Shows, Michigan's finest midway, Tip Riley, chairman of the committee has announced.

The show sponsored by the committee, will open at Kipke Field at the corner of May st. and Carpenter ave. Tuesday, July 21 and run through Sunday, Mr. Riley said.

The committee, which is raising funds to light Kipke field, will receive a percentage of the profits from the show toward their project, Mr. Riley continued.

To date the fund has a total of $1,360 raised through contributions and fund-raising projects. The most recent additions to the treasury include a check for $52.-31 from the Kipke fund which was raised in 1949 at the time Kipke Field was dedicated; $6.56 from a benefit softball game Tuesday between Freedman's and a Petoskey All-Star team and $62.75 netted in the Michigan State All-Stars-Charlevoix softball game Thursday night in which Chuck Davey, welterweight contender, Bob Carey, All-American football player and Pete Newell, Michigan State basketball coach were the featured players.

Friend Of Court Group To Meet At Beach Hotel

The Friend of the Court Association of Michigan will open its twentieth annual conference at the Beach Hotel Thursday afternoon.

Clarence B. Meggison, Friend of the Court for the 13th Judicial district, will be host to the three-day meeting which will open with registration at 4 p.m. this afternoon.

William H. Taylor, assistant attorney general, will address the opening business session at 10 a.m. Friday when he speaks on the uniform reciprocal support act.

Judge Charles L. Brown, circuit judge of the 13th Judicial circuit will speak briefly at the luncheon meeting on Friday. Mayor Dean Davenport will welcome the members of the organization at the luncheon.

Judge Earl C. Pugsley, circuit judge of the 27th Judicial circuit, will be the speaker at the annual banquet at 6:30 p.m. Friday. The Rev. Harold Kohn will give the invocation. S. E. Coleman, secretary of the Charlevoix Board of Commerce will be toastmaster.

A business meeting and round table discussion Saturday morning will conclude the conference. During the afternoon the group will enjoy boat rides and other entertainment arranged for their enjoyment by the Charlevoix board of commerce.

Officers of the Association are Mrs. Carruth Cook of Ann Arbor president, John R. Verdonk of Bangor, first vice president; Eren Learman of Bay City, second vice president and Lloyd Service of Lansing, secretary-treasurer.

Complete Plans For Venetian Activities

Entertainment, a full day of it, is promised by the Charlevoix board of commerce and cooperating organizations completing plans this week for the annual Venetian Night boat parade and related activities Sunday, July 26, S. E. Coleman, secretary of the board of commerce said Wednesday.

The day's activities will be highlighted by a visit from the Kiltie Band of the Canadian Soo (pictured above) who will march in a parade through the business section shortly after 1 p.m. and will be climaxed by the Venetian boat parade on Round Lake late Sunday evening.

The Kiltie Band known as the Pipes and Drums of the 49th H.A.A. Regiment, R.C.A., will lead the parade. A parade of saddle horses from throughout the north will follow the band and gather at the area near the municipal dock where judges will view the entries and award prize ribbons.

The activities will then move to East Park where spectators will watch a water carnival planned for their entertainment.

Water skiing, canoe race and portage, canoe tilt, greased pole and other water events will be presented during the afternoon.

As the water show ends, the entertainment will continue in East Park. Appearing in the Charlevoix Boys chorus singing sea chanties, the Charle- program will be the Camp voix Marine band presenting a concert under the direction of C. A. Odmark and Danya Bryan of Boyne City, who has received state-wide recognition as a baton twirler, presenting a twirling act.

Other specialities will include the presentation of piano stylists, [illegible] Roberts, Ken Smith of Camp Charlevoix and Zach [illegible], popular entertainer and other acts to be announced later.

As darkness falls, lights will be dimmed along Round Lake and the annual boat parade will begin. Two strings of boats of [illegible], decorated in various themes, will be towed about the lake while overhead a fireworks display will add myriad colors to the presentation.

This year's fireworks display promises to be the greatest ever seen in northern Michigan. In charge of the event will be professional displayers who carry out a special theme during the parade.

To date, 20 local boats have announced their intentions of entering the Venetian parade and trying for the $1,000 in prizes being offered this year.

Announce List Of Teachers For This Year

All vacancies on the faculty of the Charlevoix public schools have been filled in readiness for the 1953-54 school year, Supt. R. G. Bennett announced this week following the signing of Robert Cook of Harbor Springs as manual arts instructor.

Other new teachers are William L. Aldridge, who comes here from Harbor Springs to teach the seventh grade and assist with the coaching duties; Mrs. Blanche Paul, who will teach the fourth grade; Jeanne Miller who comes from Onaway to assist with the kindergarten and D. C. Maltby, a former teacher in the local school system who is returning as commercial instructor.

Mr. Cook, who will succeed Uno Suomela as head of the manual arts department, is a graduate of Western Michigan College of Education. A native of Harbor Springs, he has taught at Pellston for several years and served as a shop superintendent at a Harbor Springs plant for two years. Prior to that, he taught at Copemish.

Mr. Aldridge, who will teach one of the two seventh grade classes, comes here from two years at Harbor Springs. He is a 1951 graduate of Central Michigan College and before entering college attended Utica high school.

Mrs. Paul, who will succeed Mrs. Geraldine Goss as fourth

Charlevoix Nine Defeats Petoskey Bruins 4-0 Sunday

The Charlevoix hardball team defeated the Petoskey Bruins Sunday behind the pitching of Howard Pearl who shut out the visitors 4-0.

Pearl allowed five hits by the Petoskey nine who had six errors.

Charlevoix got seven hits with Chuck Krahnke scoring in the third, Red Evans in the fourth, Norm Ketchman and Rod Cunningham in the seventh.

Aprico caught for Charlevoix Pennell for the visitors with Hewitt behind the plate.

Charlevoix will travel to Walloon Lake to play at 2:15 Sunday.

Three County Men Leave For Detroit Induction Station

Three Charlevoix county draft registrants, Robert G. Saxton and R. Lawrence Huckle of East Jordan and Gerald R. Bell of Boyne Falls, left Tuesday via bus for induction into the armed services at the Detroit Induction Station.

On Thursday, July 23, another ten men will go to Detroit via bus for pre-induction physical examination.

Two draft registrants will be called for induction into the armed forces August, 5. An additional 15 will report for pre-induction physicals on August 17.

Plan Ceremony For Ground-Breaking Of Hospital On Friday

The official ground-breaking ceremony for the new Charlevoix area hospital will be held at 3 p.m. Friday, Fred W. Willis, chairman of the Charlevoix Hospital board of directors, announced this week following the awarding of contracts for the $600,000 44-bed structure.

At 3 p.m., hospital directors, members of the hospital staff, representatives of the various groups who cooperated in the fund-raising campaign, city officials, religious leaders, campaign workers and residents of the area will meet at the Trailer Park site for the long-awaited ceremony. Music will be furnished by the Charlevoix high school band under the direction of C. A. Odmark.

RETRACTION

The staff of the Charlevoix Courier deeply regrets a statement printed on the front page of last week's paper. It read as follows:

"The Reverend Harold Kohn has been appointed chairman of a committee to collect all pledges including those past due, now due and those payable during 1953."

This report was made through a series of misunderstandings for which Reverend Kohn was in no way responsible. Mr. Kohn states that, while he is in complete sympathy with the need of a new hospital in Charlevoix, he was not asked by the Hospital Board to be chairman of a committee to collect pledges, nor would he have been able to comply with such a request had it been made.

The ceremony was planned following the awarding of contracts by the Charlevoix Hospital board of directors.

The Strom Construction Co. of Grand Rapids was awarded the major contract for general construction of the hospital. The company's bid, the lowest of eight submitted for the work, was for $296,350.

Other contractors whose bids for specialized work were accept-

Incumbents Win In School Vote Here Monday

Two incumbent directors, Fred W. Willis and Bonnie Nickerson, were re-elected to the Charlevoix board of education for three year terms at the annual school election Monday.

One hundred and thirty-two voters visited the polls and cast 111 ballots for Mr. Willis; 109 for Mr. Nickerson and 39 for Mrs. Mildred Pardock.

At the annual school meeting which followed reports were presented by Supt. R. G. Bennett; Florenz Milner, librarian; Mrs. Margaret Davenport, school nurse and E. D. Hawley, treasurer.

The financial report revealed that the fiscal year ended with a balance of $13,167.26 which will be applied to the 1953-54 budget.

Among the school issues discussed were the new addition to the school which will be accepted from the contractors in the near future; the financial status of the school district and other issues.

Several major proposals including annexation additional millage and the election of board members were brought to a vote in [illegible] districts in the [illegible] area.

The [illegible] school district which [illegible] transports its children [illegible] voted to annex to the Charlevoix school district [illegible] 19-2 vote.

Annexation was discussed at the meeting at the Norwood district and when brought to a vote was defeated by a unanimous vote of 19-0. Following this the members voted to levy an extra mill for the purpose of carrying out an improvement program which includes redecorating the school and the installation of a new water system.

[illegible] was elected treasurer of the school board to succeed Mrs. Rosemary Holecheck who was not seeking re-election.

[illegible] extra [illegible] additional [illegible] was adopted. Also Maude Wilson was re-elected as a director.

ODDS 'N ENDS

By Fran Martin

THERE ARE those who'd have you believe that there aren't any bass around but after the catch Gene Bergmann made recently we'll swear that there are quite a few . . . Biggest of the lot was a whopper (for a bass) weighing four and three quarter pounds . . . a [illegible] catch in any man's league . . . And the smaller ones were [illegible] good to eat, that . . .

WE HAD quite a treat one day recently . . . Allen Arnold, a former resident who is now a super photographer in Birmingham, stopped by with some colors pix while visiting here . . . Many were northern Michigan scenes which were simply beautiful . . . One forgets how pretty the different seasons are until seeing them in colored transparencies . . Made us almost wish it were autumn again . . .

* * *

IT WAS good to see Meyer Lewinson out again after his recent illness. It just wasn't the same without him at the store . . he's almost a legend in Charlevoix for he's been in business for years and years and this is the first time we ever knew him to be sick . . . Let's hope he'll be back at his old post before too long . . .

* * *

WE JOINED the youngsters . . about 200 in all . . . who accepted the invitation issued by the E. L. Kramers to see the puppet show presented by their nephew Stan Kramer and his dad and mother . . . It is the most terriffic thing we've ever had the privilege of seeing . . . It's amazing what the puppets can do . . . you almost forget that they're only puppets . . . We've always admired anyone who can do things with his hands and believe us, you use a million muscles to work the little strings . . . It's definitely an art . . . a difficult one too . . But most entertaining . . Like the kids, we could watch it forever . . . And like most artists, Stan makes it sound so simple . . .

* * *

WE DON'T know who ordered the weather last week for the Michigan Amateur Golf tournament but it sure was perfect . . . And what a tournament . . . the most entries ever . . . And from what we hear it was most successful . . . Maybe we're a little biased in our opinion but we can't imagine a more beautiful place to stage the event than our own Belvedere course . . . If you're one of those people who've never noticed the view from the course, you'd better do something about it . . . You're missin' something . . .

* * *

AND WHILE on the tournament we might say a million thanks to Marshall Dan for his swell story about Charlevoix and the Tournament in the Detroit Free Press and to a lot of other reporters who said equally nice things about the course, the tournament and the town . . . Charlevoix appreciates your kindness and we hope you'll come back . . .

* * *

ANOTHER big thank you to Ben Gittleman for the Michigan State All-Stars — Charlevoix All-Star softball game which raised some much-needed cash for the Knight Memorial Fund . . . Many of the players were Mr. Gittleman's guests . . . but they gave their time and efforts toward the game to help light Kipke Field . . . The Memorial Fund committee appreciates their generosity . . .

* * *

BEING IRISH, we're sentimental . . . And being sentimental, we like to see other people be the same way . . . Which is our way of saying we liked what we saw at a wedding Saturday . . . Because Ann Gill's family has a rosebush which bears the most heavenly pink roses, she decided to use them in her wedding bouquet. . . . combined with lillies of the valley they were beautiful . . . A simple gesture but one with a great deal of sentiment . .

* * *

THIS BEING the season for weddings in northern Michigan, one thing has come to our attention and we'd like to know the answer . . . What is there about brides that makes each one a little lovelier than the last . . . We suppose it could be love . . . And we'll probably accept that as the answer until something better shows up . . .

Chief Heise Warns All Motorists To Check Their Speed

Police Chief Clarence Heise today warned all motorists to slow down at all intersections. "Cars parked at the curb make many blind corners where 25 miles per hour may be too fast," he said. "The driver approaching such intersection can't see another car coming until the very last minute. This gives him only a few feet in which to stop after he sees the other vehicle. He simply can't stop in such a short distance unless he has already slowed way down," he continued.

Failure of drivers to slow down at intersections is the chief reason why there are so many right angle crashes at corners. Many of these result in serious personal injuries and death. A passenger thrown from the car and striking his head against the pavement may not survive the mishap.

Chief Heise pointed out that today's cars are so smooth and quiet that the motorist doesn't realize he is going over 25 miles per hour unless he looks at his speedometer frequently. "Watch your speedometer and slow down for intersections is good advice for all motorists," the Chief concluded.

The warning to motorists to slow down at intersections is part of the statewide program of CHECK YOUR SPEED sponsored by the Michigan State Safety Commission in which the city of Charlevoix is cooperating.

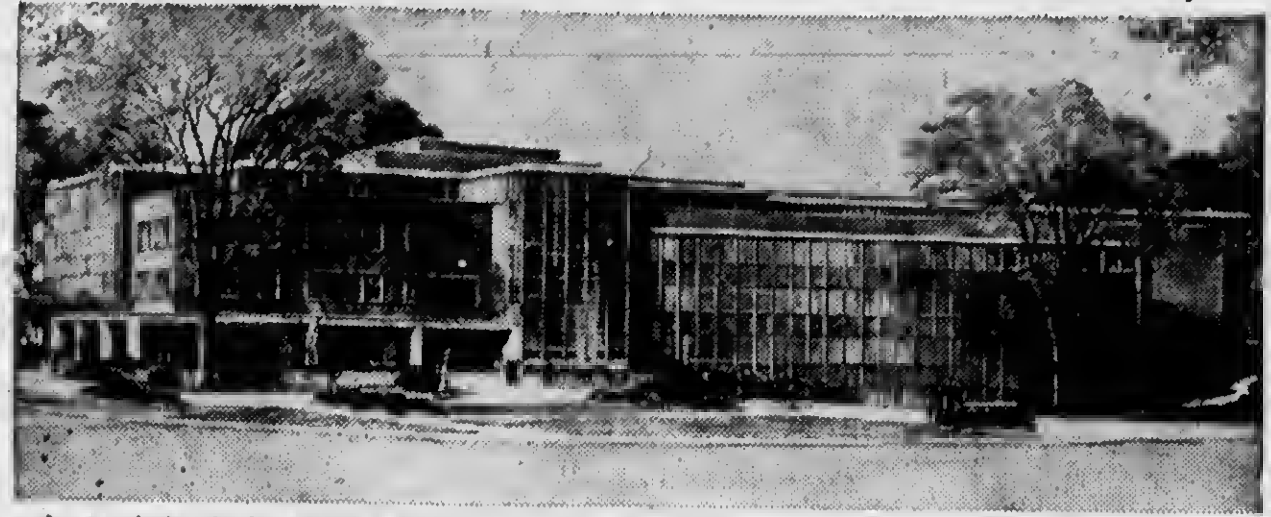
Michigan State to Build New Library



A new design in library construction, which permits thousands of students to be served at all times without standing in line at main desks, will be a feature of Michigan State College's new library building, shown in this architect's drawing. An initial appropriation of $1 million has been earmarked for the library by the Michigan Legislature, with construction to begin when the money is officially made available. The library will be the largest in America yet built on the "divisional reading room" principle, according to M.S.C. Librarian Jackson Towne. This means the breaking up of the "conventional" library into large subject reading rooms with thousands of volumes on open shelves. Under this plan, 15,000 M.S.C. students can be served without the "bottleneck" problem in present library facilities. M.S.C.'s present library was built in 1925 when enrollment was 2,500. The new $4 million building is to contain space for one million volumes, more than 100 faculty rooms for research, 200 cubicles for graduate students and a specially-equipped reading room for blind students. Containing four floors and a basement, the structure will be constructed of steel and concrete with a red brick veneer.

What's Eating You?

Throughout nature conflict is present, almost every creature being at odds with some other creature. Civilization hasn't changed matters as much as we would like. Human relationships are charged with discord, family squabbles, friction between employer and employee, neighborhood wrangling, race riots and wars.

Even religion doesn't seem to be a cure. Religious people often don't get along well with each other. They snub each other, divorce each other, fire each other, fight with each other, sue each other, and Christian churches have split because their members could not worship and work together in harmony . . . What is the answer to the problem of achieving happy human relationships?

Dand-Carey Wedding Vows Are Exchanged In Lansing Chapel

In a simple ceremony solemnized in the chapel of St. Paul's Episcopal church in Lansing July 8, Claire Irene Dand of Ann Arbor and William R. Carey, Second Lieutenent, U. S. Army, exchanged their wedding vows.

The bride is the daughter of Mrs. Barbara Dand and Jeffery M. Dand of Ann Arbor and the bridegroom is the son of Thomas Leo Carey of this city and the late Mrs. Carey.

The Rev. George Selway officiated at the service in the presence of their immediate families. Baskets of garden flowers decorated the chapel for the occasion.

The bride chose a powder blue summer suit, matching blue hat, white accessories and a corsage of pink roses for her wedding.

Her only attendant, Mrs. James Marshall of Ann Arbor, wore a navy and white suit, white accessories and a corsage of red roses and white carnations.

Robert W. Carey assisted his twin brother as best man.

A reception in the church parlors followed the ceremony.

The couple left immediately after the reception on a western trip which will take them to San Francisco, Calif., where the bridegroom will be stationed at the Presidio.

Among those from Charlevoix who were in Lansing for the wedding were T Leo Carey, Mr. and Mrs. Robert Carey, Mr. and Mrs. Don Carey, Mr. and Mrs. S. E. Coleman and children, Charles and Martha, Mrs. Charles Papineau and Charles Emery of Glendale, Calif., who has been visiting here.

City Recreation

In a benefit game at Kipke Field Thursday night, the Charlevoix softball nine defeated the Michigan State All-Stars 8-4.

In the line-up for the All-Stars were Chuck Davey, welterweight contender who played first base; Pete Newell, Michigan State basketball coach, who played shortstop; Bob Carey, All-American football end now playing with the Los Angeles Rams, who was behind the plate; Stewart at second; Chuck Carey of Cheboygan at third; Gilman, Mifflin, Yanz and Brown who played the outfield. Bob Potter was on the mound for the downstate team.

The fifth inning was the big frame for the local nine who scored five runs following several errors by the All-Stars. Apprieo, Davenport, Fox, Denemy and Ted Potter scored for Charlevoix. Ketchman added one run in the first and Davenport and Fox came home in the second for two more runs.

The visitors' scoring was confined to two runs in the second by Gilman and Potter; one by Bob Carey in the sixth and another by Stewart in the seventh.

Other local players were Bill Bennett, Ron Cunningham, Jim Bowman and Johnny Swanson.

The game netted $62.75 for the Knight Memorial Fund.

Gill-Puffpaff Vows Exchanged In Double Ring Ceremony Here

Wedding vows were spoken Saturday by Ann Gill, daughter of Mr. and Mrs. Alfred Gill and Fritz A. Puffpaff of Grand Rapids, son of Mrs. Fritz A. Puffpaff Sr. of Greenville and the late Mr. Puffpaff, Saturday afternoon at the First Congregational church.

The Rev. Harold E. Kohn officiated at the double ring ceremony before an altar decorated with arrangements of blue delphinium and Madonna lillies.

Mrs. E. D. Hawley was the soloist and sang "At Dawning," "I Love You Truly", "Through the Years" and, as the couple knelt for benediction, "The Lord's Prayer". Accompanying her at the organ was Mrs. Charles Bellinger, who also played a program of traditional music.

Escorted to the altar by her father, the bride selected a waltz length gown of white nylon lace and tulle over satin designed with a nylon lace bodice, high neckline outlined with pearls and long pointed sleeves. The full tulle skirt was appliqued with lace medallions. A close-fitted headdress of lillies of the valley held her fingertip tulle veil. She carried a colonial bouquet of pastel pink rosebuds and lillies of the valley.

Mrs. Richard E. Donaldson, sister of the bride, attended as matron of honor wearing a waltz-length gown of yellow nylon sheer styled with cap sleeves, low rounded neckline and circular skirt. She wore a matching yellow ribbon headdress and carried a colonial bouquet of white carnations and blue delphinium.

Mary Sue Gill, sister of the bride, as junior bridesmaid wore a gown of aqua nylon sheer and headdress styled identical to the honor attendant's. She carried a colonial bouquet of blue delphinium and white carnations.

Mr. Donaldson assisted the bridegroom as best man and seating the guests were Robert L. Gill, uncle of the bride, and Kennard H. Gerrie of Boyne City, cousin of the bride.

For her daughter's wedding Mrs. Gill chose a turquoise crepe afternoon dress and white accessories. Mrs. Puffpaff selected a gray and rose summer print and white accessories. They both had corsages of pink rosebuds.

Following the ceremony a garden reception was held at the home of Dr. and Mrs. L. E. Grate. A three-tiered wedding cake topped with a spray of lilies of the valley in a wedding bell graced the refreshment table which was decorated with low bowls of pink roses.

After July 26 the couple will be at home at 637 Windsor Terrace S. E., Grand Rapids. For traveling on their wedding trip to northern Michigan the bride wore a dressmaker suit of light blue orlon, white accessories and a corsage of pink rosebuds.

The bride is a graduate of the Charlevoix high school and attended Davenport Institute in Grand Rapids. The bridegroom graduated from Remus high school and is a U. S. Air Force veteran of World War II.

Among those from away who attended the wedding were Mrs. Fritz Puffpaff Sr., Keith Puffpaff and Mr. and Mrs. Leo Leach of Greenville; Mr. and Mrs. Richard Dillon and son, Jerry of Richmond, Ind.; Mr. and Mrs. Richard Steffenson, Jack Funk, Mr. and Mrs. Sidrey Mossaman of Grand Rapids; Mr. and Mrs. Ralph Muller of Chicago; Mrs. Hannah Thayer of Two Rivers, Wis.; Mr. and Mrs. Louis Noantay and Mrs. William Noantay of Grand Haven; Mr. and Mrs. Franklin Olmstead and son, Gary, of Ypsilanti and Mrs. Robert Gerrie and son, Kennard, of Boyne City.

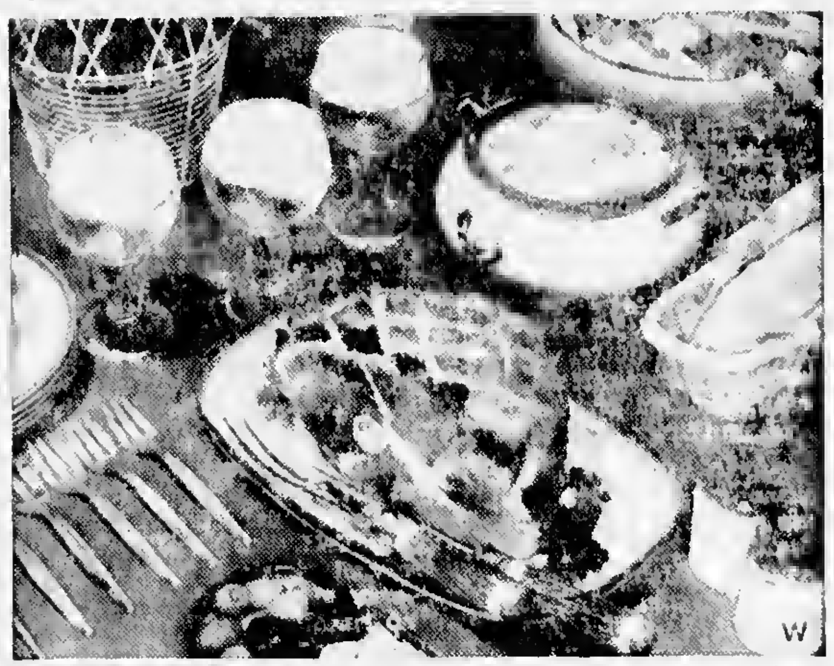
SERVE HAM FOR SMART SUMMER SUPPER



This informal supper featuring ham baked with a tangy glaze is one of the practical, praise-winning menus from the new leaflet—"10 Smart Suppers for Family or Friends."

If you hesitate to extend invitations during the summer months, one reason may be that you fuss too much with party preparations. To the rescue comes this helpful guide for quick and easy suppers which are ideal for everyday meals and easy, informal entertaining.

In addition to ten wonderful menu suggestions, the leaflet contains helpful illustrations, hostess hints and unusual recipes.

One illustrated supper, recommended for special celebrations and extra-important events, stars a glazed half ham with a hot casserole of scalloped potatoes or macaroni and cheese with assorted relishes and a tossed green salad. To add drama to the menu, a hostess hint suggests pouring sparkling beer into hollow-stemmed goblets right at the table from a handsome glass or silver pitcher.

For a copy of the free leaflet containing all this information, send your name and address to Hospitality Service, 10th Floor, 420 Lexington Avenue, New York 17, New York.

Fiery Wildlife Youngster

While only a few weeks old, this downy red-tailed hawk already exhibits the mean disposition of his parents. But, though he appears unlikeable, conservation department game men say that like most hawk species, the redtail is largely beneficial to man. It's food is mostly small rodents—field mice, barn rats and other nuisance animals. He may make off with an occasional rabbit or squirrel, but such wildlife species do [illegible] provide fare for this big chestnut-colored bird.

Complete Plans For Venetian Activities

(Continued from Page 1)

Top prize for the event will be $500 with four other prizes, $300, $100, and two $50 prizes available to contestants.

This challenge is expected to bring out many unusual and elaborate decorations, Mr. Coleman said.

During the week-end visit to the city, visitors will also have occasion to visit Charlevoix's many beaches, picnic spots and enjoy other entertainment offered by local places.

In East Park for the convenience of the visitors will be a variety of booths which will offer diversion for those awaiting the boat parade.

Also here for their entertainment will be the World of Pleasure Show playing at Kipke Field under the sponsorship of the Knight Memorial Fund.

Cooperating with the Charlevoix board of commerce in the Venetian Night celebration are the Charlevoix Marine Club, Rod and Gun Club, Retail Merchants Association and other local organizations.

Announce List of Teachers For Year

(Continued from Page 1)

grade teacher, taught at North Bay school last year and before that was at the Murray school in Hayes township. She is attending the summer session at Central Michigan college this summer.

Miss Miller, whose home is at Levering, will succeed Mrs. Marjorie Ayres as assistant kindergarten teacher. She attended Central Michigan college where she is enrolled for the summer term and has been teaching at Onaway.

Mr. Maltby, who will teach commercial subjects, is no newcomer to the Charlevoix school system. He came here from Newberry in 1945 and taught here for three years before leaving the teaching profession to operate a summer resort at Bellaire. He is a graduate of Central Michigan college and has done graduate work at the University of Michigan.

Other teachers who are returning to their former duties in the senior and junior high schools are H. E. Bingham, high school principal, S. E. Coleman, Ray L. Kipke, Delbert R. Terrill, Robert Renards, C. A. Odmark, Donna Cavenaugh, Mrs. Helen O'Neill, Mrs. Laura Courtade, Max Novak, Florenz Milner and Leonard Burns.

In the elementary school Frances Milner will continue as principal. Others on her staff will be Mrs. Dorothy McRee, Mrs. Bertha Shetterly, Mrs. Elizabeth Trimble, Mrs. Bessie Coleman, Mrs. Jeenette Novotny, Mrs. Dorothee Bedger, Mrs. Florence Moeller, Mrs. Helen Richards, Mrs. Ethel Courier, Glenn Snider and Larry Tuomele.

Mrs. Marjorie Cook will return as art instructor.

Mrs. Hazel Reed and Mrs. Monica Baugham will return as members of the clerical staff.

Plan Cermony For Ground - Breaking

(Continued from Page 1)

ed follow: plumbing, heating and ventilating: Dart and Cady Plumbing and Heating Contractors of Mason, $112,352; electrical work, Grand Traverse Electrical Co. of Traverse City, $31,750; kitchen equipment, Rhoades Refrigerator and Store Equipment Co. of Fort Wayne, Ind., $10,783.15; Laundry equipment, Troy Laundry Machinery Division of Moline, Ill., $9,783.

A concerted drive will begin soon to collect all pledges past due and those which will become due this year so the construction of the new hospital can continue uninterrupted.

Funds for the project were raised by public subscription and through a federal grant made available by the Hill Burton Act.

CARD OF THANKS

We wish to extend our heartfelt thanks to all who so kindly assisted at the funeral of our husband and father. Special thanks to Rev. J. Bekkering for his message of comfort, Mr. Way and Mrs. J. L. Boss for the beautiful music, Mr. and Mrs. Hastings for their kind and courteous service, also all those who sent flowers and cards.

Mrs. Albert Klooster and family. 29c

Card of Thanks

We would like to express our deep appreciation and heartfelt thanks to the medical and nursing staff of the Charlevoix hospital, relatives, friends and neighbors for the many deeds of kindness, expressions of sympathy and beautiful floral tributes tendered in the loss of our dear wife and mother.

1953 Michigan Amateur golf champion, Reggie Myles Jr. (right) of Lansing, displays with pride the trophy he won during the annual amateur golf tournament at the Belvedere course here last week.

With him is runner-up and 1947 state champ, Ed Ervasti of Royal Oak.

Reggie Myles Jr. Victor In State Amateur Tourney

Reggie Myles Jr., 22 year old Michigan State Senior won the Michigan Amateur golf tournament here Sunday with a decisive 5 and 4 victory over 1947 titleholder, Ed Ervasti of Royal Oak.

The victory by Myles, a resident of Lansing, climaxed six days of play which started Wednesday with a field of 271 amateur golfers, the largest entry in the history of the tournament, teed off at the Belvedere golf course.

Fred Turner of Flint, 1952 winner, was eliminated by Ervastl in the quarter-finals on Saturday. Ervasti went into the finals after defeating John Short of Jackson.

Myles won over Glenn Johnson of Grosse Ile one up in 25 holes on Saturday afternoon after winning over Ben Smith in the quarter-finals.

Gives Pointers On Good Concrete Mix

Making a good concrete that will give topnotch performance is more than just mixing sand, gravel, water and cement together, reminds Ed Rebman, Charlevoix county agricultural agent.

T. J. Brevik, an agricultural engineer at Michigan State college, says the ratio between the amount of mixing water and the quantity of cement determines the strength of the concrete. The water-cement ratio, he asserts, also has a lot to do with the wearing qualities and the concrete's water-tightness.

The smaller the amount of water used for each sack of cement, the stronger the concrete will be, advises Brevik. After you determine the water-cement ratio, he suggests, these should be measured carefully for each batch. The aggregates are added until the mix is as stiff as you can handle conveniently. The more sand and gravel you can get in and still have a workable mix, Brevik says, the more economical the concrete will be.

Here are the number of gallons of water per sack of cement he recommends for various structures: fence posts, five; thin shelled stock tank, five; floor topping where a smoth hard surface is wanted, five; sidewalk, floors, water-tight concrete walls, septic tanks and driveways, six; foundation walls, footings and concrete in thick sections, seven gallons of water.

Other pointers from Brevik: Don't use old lumpy cement; be sure your sand and gravel are clean . . . the best ratio is 60 per cent gravel and 40 per cent sand; allow at least one minute mixing time after all the material is in the mixer; don't over-finish concrete . . . working it too much makes the particles separate; keep concrete damp for five to seven days after pouring so it will cure to maximum strength.

What's Doing at Camp Charlevoix

The second week of the season started off with a bang, good weather and all activities going full force with boys eager to pass the tests that make each activity have its own accomplishments.

The Intermediate Section went into town on Tuesday night to the movies. I guess it was a thriller and they did enjoy it. Jerry Sullivan the roving reporter of the Detroit News, came into camp, and was so impressed with things, that he stayed over night and spent Wednesday morning taking pictures.

On Thursday night, the Annual Capture the Counsellor was held and much excitement was evident as the 126 boys took off at a gallop to comb the woods and the entire camp property to find a counsellor. Mike Drossell, of Woodville, Ohio, was the star catcher as he brought in both the first and the last man caught. Other boys to capture counsellors were Dick Kearney, Hugh Campbell, John McBride, Jim Smith, Matt Butler. The Greens won the event and gained a point in the Green-Grey competition, which the Greys are leading 6-5.

On Saturday, each cabin elected a cabin representative to the Camper Council. The boys elected from their cabins were: Eddie Guest, Phil Holliday, Lloyd Lawson, Bert Parker, Tom Wells, Mike Millis, Jack Scott Clem Gill, Larry Bolam, Jan Gibboney, John Naylor, Tom Baither, Ron Eiferle, George Davis, Rob Gib-Armbruster, Joe Whinery, Larry Gibboney and Billy McClave. The first meeting of the Council was held on Saturday noon, and Eddie Guest, was elected president, Phil Holliday, vice president, and Clem Gill. The first matter of business was held, and they decided to divide up the chapel collections, the Carnival income, and the Rodeo income into three separate charities. First, to go to a Charlevoix individual, second to go to the Foster Parents of America, to support a war orphan and third to go to the Michigan Society for Epileptic Children to send a boy to camp.

On Saturday afternoon, the cowboys held their first rodeo of the season which was a practice for the last and large rodeo with which we close the season each year. Winners during the afternoon, were Tom Manley, Jack Scott, Mike Drossell, Dave Keller, "Tops" McKay. Other boys placed in events were: Jim Smith, Perry McKay, John Jacobs, David Matthews, and Mike Millis. It was a very well staged show, and the parents present enjoyed it a great deal.

Saturday evening, was skit night and Cabins, 1, 7 and 13 presented skits.

Sunday morning we had our chapel service in the woods, with Cecil Moor a counsellor from Florida State University, as the speaker. It was a most inspiring talk and one which merits much reflection. Sunday afternoon, another swimming meet was held, with Chuck Schank, Tom Mast, Doug Cajacobs, Jim Cotton, Kent Grobe, Jack Scott Rick Gilbert, Eddie Guest, and Mike Millis as the leading point winners. Vespers were held in all sections on Sunday evening.

This is the first week of trips, and already five cabins are on their way. Wednesday, fifty boys go to Mackinac Island.

Charlevoix County Farm News

Thursday, July 16, 1953 — CHARLEVOIX COURIER, CHARLEVOIX, MICHIGAN

Advise On-Farm-Storage To Handle '53 Winter Wheat Crop

With the June 1 crop report of the Michigan Cooperative Crop Reporting Service indicating a production of 39,379,000 bushels of 1953 winter wheat, the need for additional on-farm storage is greater than ever this year according to LeRoy Hardy, Chairman of the Charlevoix County PMA Committee.

Mr. Hardy stated that considerable concern is being shown by warehousemen and officials of the department of Agriculture in regard to the storage and handling of the large 1953 wheat crop.

According to Mr. Hardy, commercial storage warehousemen in many localities say that they never have been able to store all the grain which producers wish to deliver at harvest time.

Producers having 1953 crop wheat and oats which will be harvested within the next few weeks were reminded by Mr. Hardy that in order to avail themselves of the Price Support Program, it may be necessary for them to store their grain on the farm.

Producers were also reminded that in the event immediate funds are not available for the purchase of granaries or grain bins, that acceptable storage structures may be financed up to 80% of the total cost of the structure through a Government loan program. These loans may be financed for a period of four years repayable in annual installments with interest at 4%. Producers interested in this program for increasing on farm storage should contact the Charlevoix County PMA Committee in the Bank Bldg., Boyne City without further delay, Mr. Hardy said.

According to Mr. Hardy over 500,000 bushels of additional on-farm storage has been procured by producers since the beginning of the farm storage facility program in 1949. Both permanent type and movable bins may be financed under the program.

Mr. Hardy cautioned producers to study the current market price as compared with the current support price of $2.16 per bushel for the 1953 crop wheat. The current spread between market price and support price will nearly pay for the cost of a storage structure. Producers were urged by Mr. Hardy to arrange for storage facilities well in advance of their harvest in order that they may avoid a last minute rush to obtain storage space.

Says Dairy Expert Good Breeding Pays

"I have a cow in my herd with a 700-pound butterfat average. Where can I get the services of a bull which is good enough to transmit that much production ability to the cow's daughters?

Ed Rebman, Charlevoix county agricultural agent, reported this answer to a farmer's query from George Parsons, extension dairyman at Michigan State college.

Parsons says that a bull that consistently has sired daughters which produce 500 pounds of butterfat is adequate to mate with the 700-pound butterfat producer. Very likely, the dairyman opines, all of the cows in the farmer's herd are not of the 700-pound butterfat caliber. And it's likely too, suggests Parsons, that the outstanding cow doesn't have the ability to transmit that much production to her daughters.

He believes a fair idea of her transmitting ability can be obtained by comparing the production records of her paternal half sisters on a 305 day record of milking twice daily. The daughter of the 700-pound probably will be in the middle of the group on production ability . . .

Cherry Growers Fear Shortage Of Harvesting Help

The prospects of a big crop of red tart cherries and the possibility of a shortage of pickers have begun to worry Charlevoix County cherry growers, Ed Rebman, Charlevoix County Agricultural Agent, reports today. While the 1953 crop of red tart cherries may not be the biggest in the history of Charlevoix county, it will still be a record crop.

The cherry growers met last week at East Jordan to discuss the crop prospects and also the prospects of cherry pickers. All the growers prefer to have local pickers rather than the contract pickers. Only one grower present at this meeting stated that he will have enough pickers.

With the good yield of cherries in all the orchards in the county and barring weather damage between now and harvest, picking conditions are ideal. Rebman urges anyone in the area who is interested in picking cherries to contact either a fruit grower, East Jordan Canning Co., or call at the County Extension Office at Boyne City.

Farmers Urged To Heed Safety Week

One out of every four farms in Charlevoix county is likely to be the scene of a disabling accident during the next 12 months, says Ed Rebman, county agricultural agent.

Rebman made this prediction in reminding rural people that Farm Safety Week is July 19-25. Although farmers in the county will be eliminating safety hazards on their farms during that week, he adds, safety must be a 365 day-a-year job in order to cut accidents down.

Not only are farm injuries bad in terms of pain and sometimes death . . . they're costly, declares Rebman.

David G. Steinicke, farm safety specialist at Michigan State college, points out that the average cost of a farm accident involving a fall is nearly $50. And the average fall costs the farmer 24 days lost from farm work. On the other hand, reports Steinicke, the average farm machine accident costs $60 in medical expenses and 20 days lost from work.

One of the biggest sources of farm accidents, says the safety specialist, is the farm tractor. He cautions farmers to keep shields in place . . . especially around the power take-off and the machine to which it is attached. Also, he advises, know the correct hook-up to avoid turning over the tractor with a heavy load.

And above all, he cautions, don't let children ride on the tractor. It's dangerous.

Time To Start Fall Build-Up Of Alfalfa Fields

Start your August - September build-up of alfalfa fields now, as soon as your first cutting is harvested, advises Edward D. Longnecker, extension soil scientist at Michigan State College.

One principal cause of unsatisfactory alfalfa yields in Michigan is lack of readily-available plant food in the soil, he claims. The 1950 agricultural census showed the average Michigan Alfalfa acre yielded only a ton and a half of hay. Yields of twice and three times that amount are not uncommon—where plant food is available.

This necessary plant food can be added to the soil any time during the growing season, Longnecker explains, but there is no better time than shortly after the first cutting. This provides for the important August - September build-up.

This fertilizer application right after first cutting should increase next year's yields more than nutrients put on in late summer, fall or early next spring, he notes.

Farmers should not try to place fertilizer in the soil on established stands, the MSC soil scientist warns, because discs of the drill will injure plane crowns; this might be a factor in spreading bacterial wilt. He advises broadcasting the fertilizer over the surface.

On heavy clay soils, use 0-20-10 analysis fertilizer, Longnecker suggests. For light or sandy loams, he prefers 0-20-20, and 0-10-20 or 0-10-30 are better adapted to light sands. Don't skimp on quantity, he adds. Plan on at least 200 pounds per acre per year of this fertilizer.

For Recommendation Made To U. S. Fish And Wildlife Group

Lansing — Michigan has made four recommendations to the U. S. Fish and Wildlife Service for waterfowl regulations during the coming hunting season, the conservation department announces.

Season and bag limits on waterfowl are set in Washington, D. C. but flyway states make recommendations before final regulations are drawn up.

Approved by the conservation commission at its June meeting in East Lansing, the recommendations:

1. Ask the baiting of waterfowl again be prohibited but that present wording of the rule be changed.

2. Requests when waterfowl populations permit, that an extension in the number of shooting days be made, up to 60 days.

3. [illegible] choices of season dates, from October 15-November 13 for a 30-day season up to October 1-November 29 for a 60-day season.

4. Ask that season dates on woodcock coincide with those for the grouse season.

Proper lubrication of machinery protects every farmers investment.

From where I sit... by Joe Marsh
An Honest Night's Sleep

Slim Johnson, just back from a business trip, tells about a hotel he stayed at one night.

"I hit town late and went right to the hotel. There was no clerk at the desk, but there was a sign that said: 'Gone to bed. Rooms $3. Take a key. Pay when you leave. Sleep Well.'

"Upstairs, the room was real clean, the bed comfortable, and I slept like a log. Came down in the morning—still no clerk. So I left three dollars at the desk and went on. Can you imagine folks that trustful?"

From where I sit, running a hotel on the honor system shows a real trust in people. And people always appreciate being trusted. Letting your neighbor follow his personal preference is a kind of trust too—trusting in his good judgment. I like a temperate glass of beer occasionally, you may prefer buttermilk, but let's hope neither of us "registers" a complaint against the other.

"WHO NEEDS MUSCLES?"

NOW!
Ford Master-Guide
the last word in
Power Steering!

Master-Guide applies hydraulic steering power automatically . . . and in varying degrees as required . . . right at the steering linkage, close to the wheels. At the same time the system serves as a hydraulic shock absorber to keep road jars and jolts from your hands. As a result all you do is . . . guide the car . . . Master-Guide supplies the muscles.

It's the newest in a long list of Ford advancements that make this Ford the outstanding car for '53!

No other car near Ford's price has ever offered you so much! Ford was the first in its field to bring you V-8 power. Today, Ford alone of all the low-priced cars offers you the smooth, unsurpassed performance of a V-8 engine. And Ford's Six with Overdrive, won the Sweepstakes in this year's Mobilgas Economy Run.

Ford first brought to the low-price field a completely automatic transmission that combines the smoothness of a torque converter and the gas-saving "go" of automatic gears. In all, Ford offers 41 "Worth More" features.

And now, in addition, Ford brings you the newest and finest in power steering . . . Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More" car . . . worth more when you buy it . . . worth more when you sell it.

HELPS YOU OUT OF "TIGHT SPOTS!" The tougher the going the more Master-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to hold a steady course. Master-Guide also absorbs the shock that might otherwise be transmitted to the steering wheel. All handling is easier with Master-Guide and parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard steering mechanism will operate just as usual. Thus, Master-Guide provides new ease with full security, wherever you drive.
Optional on all V-8 models at extra cost.

Test Drive Ford with Master-Guide Power Steering!

Scholten- Postmus Exchange Vows In Church Wedding

Ellsworth — A lovely double wedding was solemnized last Friday [illegible] in the Rehoboth Reformed church in Lucas when A 2c Gerald Postmus of Ellsworth was married to Elaine Scholten of McBain and Elaine's brother, Harold, took as his bride, Jeannette Guinther of Ashland, Pa. Gerald is the son of Mr. and Mrs. Gerrit Postmus of Ellsworth.

Also of interest to the friends and relatives here, the officiating minister was Rev. Donald Ross, a former resident of Charlevoix and son-in-law of Rev. Henry Fikse and Mrs. Fikse of the Atwood Reformed church. Too, this was Rev. Ross' first wedding in his new charge.

Miss Lillian Weeber, organist played traditional wedding music and accompanied Ted Guinther, who sang "The Lords Prayer" and Edward Smits who sang "I'll Promise Me" and "Hold Thou My Hand."

The double ring ceremonies were performed in a candlelight setting with Palms and arrangements of glads providing a beautiful background.

The bride's gowns were fashioned with fitted bodices, nylon Buccone yokes, long sleeves and full skirts with circular trans. Their nylon veils were held in place by seed pearl tiaras. Each bride carried a white Bible topped with red roses.

Bridesmaids were Mrs. Charles Puceta, who wore a yellow formal and Lillian Scholten, who chose an orchid formal. They carried matching arm bouquets of yellow and orchid pompons. Brenda Guinther in orchid dress and Connie Sluiter, in a yellow dress, as flower girls, carried matching baskets of orchid and yellow pompons.

Ring bearers were Gene Scholten and Gregory Scholten, who wore navy trousers and white jackets.

Sharon VanderHeide, miniature bride wore a gown styled as the brides and carried red roses.

Mrs. George Scholten wore a pastel blue linen and Mrs. Theo Guinther wore mauve taffetized cotton for their daughters' wedding. Mrs. Gerald Postmus, Gerald's mother, chose navy blue [illegible] and Mrs. Steve Brunink grandmother of Elaine, chose a [illegible] dress with white accessories. Their corsages were of red roses.

Wayne Scholten and Wilfred Jipping [illegible] guests and Mr. [illegible] Postmus attended as [illegible].

A reception followed in the [illegible] a program following. [illegible] northern Michigan on their wedding trips. Those attending from Ellsworth [illegible] included Mr. and Mrs. Gerrit Postmus and son, Art; Mr. and Mrs. Marvin Postmus and children, Mr. and Mrs. Albert Fiedstra and daughters, Gladys and Mrs. Al Kruska; Mr. and Mrs. Jake DeGroot and children; Mr. and Mrs. Henry Heeres; Martha Postmus, Mr. and Mrs. Harm Tornga and Rev. E. Boeve and Mrs. Boeve.

Cool grain may be stored more safely at a "borderline" moisture content, notes H. M. Brown of the Michigan State college farm crops department, than hot grain with the same moisture content.

Under ordinary field conditions, a tractor should have its air cleaner serviced daily, advises Walter Carleton, an agricultural engineer at Michigan State college. He says an efficient oil bath cleaner can remove 98 to 99 per cent of the dust from the air before it gets into the tractor engine.

John Veenstra, 71 Atwood Resident Dies Suddenly

Ellsworth — The community was saddened Sunday by the unexpected passing of John Veenstra, 71, of Atwood. Mr. Veenstra had been taken to Charlevoix Hospital Thursday night for an emergency operation and was thought to be recovering.

Funeral services were held Tuesday afternoon at the Atwood Christian Reformed church with Rev. H. Goodyke in charge.

Mr. Veenstra was born in the Netherlands February 23, 1882 and came to the U. S. in 1906 with his parents and settled in Banks township. In 1900 he was married to Mrs. Minnie VanderHeide, who preceeded him in death about 31 years ago.

Surviving Mr. Veenstra are four children, Minert Veenstra, Mrs. John Tornga, Mrs. Arthur DeVries, all of Ellsworth and Mrs. Jerry Aardema of Central Lake; three brothers and five sisters, Sebo Veenstra of Zeeland, Casey of Central Lake R 1 and Bert of Ellsworth R 1; Mrs. John Tornga Sr. Mrs. Herman Heeres, Mrs. Gertie Elzinga, Mrs. Hattie Brown and Mrs. Emma Brock. Also 20 grandchildren.

Man-Made Fabrics Have Eased Tasks At Ironing Board

Ironing day is not what it was since the advent of man-made fiber. It's easier and quicker.

Florence Rann, extension clothing specialist at Michigan State college, says ironing is easier now. Homemakers merely need to smooth the new man-made fabrics. Almost no pressure on the iron is needed and a slow, deliberate motion with a low-temperature iron. The weight of the iron will smooth out any wrinkles.

Acetate always requires ironing but nylon, dacron and orlon may need no ironing. If they do, the new method of slow, easy, [illegible] pressing is all that is needed.

Some man-made fibers dry very quickly you may sprinkle garments so they are evenly damp. Or you may prefer to iron the garment before it is completely dry.

Ironing on the wrong side protects the surface and keeps the fabric looking new for longer time. But when you want to touch up pockets, collars on the right side, Miss Rann suggests you use a dry press cloth about the weight of muslin. This will prevent any glaze or shine on these new man-made fibers.

Long sleeved blouses of acetate are less worry for the modern homemaker. For the final touch she hangs the blouse on a hanger in the air . . . and presto! . . the steam left in the faric will take out the wrinkles as the fabric dries. No more concern about that shine caused by over-ironing the gathers at the cuff.

Forrest Strong of Michigan State college botany and plant pathology department advises where you cut down oak trees that are infected with wilt as soon as they are [illegible] in a woodlot. The logs should be removed at once and piled in a sunny location or taken to the [illegible] lumber [illegible].

Farmers going into the broiler business now should be prepared to handle a large volume of birds and accept a small margin of profit, according to Michigan State college poultrymen.

List Cost Of Snow Removal Last Winter

[illegible] county [illegible] 1952-53 [illegible] Reynolds, road [illegible]

[illegible] the [illegible] per cent of the total cost.

The [illegible] average of [illegible] per mile for the 218.05 miles of the 5619 miles roads in this category which are plowed during the winter.

During the 1951-52 fiscal year snow removal on these same roads cost $110.84 per mile. The increase, however, was partially due to the fact that there was more snow last winter and that it fell on week-ends when workmen were paid for overtime, Mr. Reynolds explained.

In the five years prior to 1951-52, the average cost per mile was as follows: '50-'51, $159.27; '49-'50, $105.75; '48-'49, $109.35; '47-'48, $137.25; '46-'47, $173.29.

In addition to the 218.05 miles of county local roads mentioned above, the county road commission cares for 67.7 miles of state highways at the cost of $590.70 per mile. The state highway department reimburses the county road commission for this service. Another 160.97 miles of county or primary roads, which link major highways are plowed at the cost of $223.07 per mile. This work is financed by the road commission from funds received from the motor vehicle fund.

A breakdown of the figures on the county local road snow removal costs show that $24,785.48 was spent on snow removal, $5,365.19 for snow fence and $262.07 for sanding.

Clean Granaries Before Storing Crop

Be sure to clean granaries thoroughly and spray with methoxychlor or DDT before putting in this year's grain, cautions Ed Rebman, Charlevoix county agricultural agent.

Use methoxychlor where possible, he suggests, because there is less danger from poisonous residues on the grain. And, he advises, store all old grain in separate buildings or sell it. Storing new grain with old grain is one of the surest ways of helping granary insects increase in number and damage the grain.

Extension Entomologist Ray Janes of Michigan State college says this is the recommended application: Use methoxychlor 50 per cent wettable powder or DDT 50 per cent wettable powder. Use two pounds of either material in five gallons of water when a broom is used to apply; one and a fourth pounds in three gallons of water when knapsack sprayers are used; 40 pounds to 100 gallons of water for power equipment. He maintains that thorough treatment of the floors, ceilings and walls of the bins is important.

Under no circumstances, he warns, should chlordane or lindane be used to treat granaries or grain bins.

As always, Charlevoix offers you snug harbor and a hearty greeting.

Polly Kay is the harbor for fashions. It's always smooth sailing when you shop with us. We can "rig" you out for any occasion in Ship-Shape style.

Replenish your wardrobe with a new summer dress. The "dog days" are here again — and a new dress makes you feel so cool and look so fresh. There is one that looks like sea foam — made of glorified cotton and dressy enough for dinner if you like. And there is a yellow crepe sheath with a seafoam cashmere cardigan decorated with sea shells. You sailors should like a white pique number with a navy and red sailor collar. We have the dress for you for any occasion.

Of course you know the water is warm in both lakes — so, of course you need a new bathing suit. There is a new nylon number we call a "girdle" suit. It molds your figure to perfect lines and is comfortable too.

In the toy shop we have boats, sail boats, motor boats, fishing boats, fire boats, ore boats canoes and even a good replica of the Ironton ferry boats. All the toys are fun. Do come in and play with them awhile.

Doctor Advises Care With Food During Summer

Eat it hot, keep it cold ... [illegible] keep it warm, advises Doctor A. F. Litzenburger, Director District Department of Health No. 3.

[illegible] advice in handling foods for picnics and [illegible] simple safe[illegible] most food-borne [illegible] infections.

[illegible] belief that [illegible] will keep for [illegible] in a warm place, is responsible for a number of food [illegible] outbreaks each summer.

So when preparing the picnic menu, be sure to keep hot foods [illegible] hot and keep cold foods chilled ... but don't keep them at a warm, in-between temperature. The warm temperature is ideal for the growth of bacteria which can make you sick.

Especially subject to hazardous spoilage if kept in a warm place are such foods as soft custards, [illegible] filled pastries and cakes, [illegible] salad dressings, stuffed [illegible] salads and all cooked meats, poultry and fish. These foods can't wait in picnic baskets or out on the table.

Predict Large Crowd For Venetian Night

Tells Progress Of Highway 31 Construction

Work on the new highway north of Charlevoix on U.S. 31 is now progressing after many delays, William P. Collon, representative of the Michigan Highway Department said Wednesday.

The first 1,200 feet of the new highway located in Charlevoix township at the north end of the project was opened to traffic late Saturday, thus eliminating a two mile detour over township roads.

Traffic is now routed out Dixon ave. and across Mercer Blvd. to the junction of US 31 and Mercer Blvd.

The contractors, P. Vanderveen and Sons of Grand Repids, are continuing to pour the north lane of the highway to the intersection of Dixon and Michigan avenues before laying the south lane. On Wednesday morning the work on the north lane had been completed to the corners of Petoskey and Prospect avenuos.

In the township the roadway is 22 feet wide while inside the city limit it is widened to 44 feet.

It is expected the work on the north lane to Michigan and Dixon avenues will take another week and the south lane will take an additional two weeks, Mr. Collon said.

Completion date on the project has been set for Aug. 31.

All intersections will be open for the convenience of the local residents as they are completed, Mr. Collon added.

A series of delays including a strike at the P[illegible] Co., difficulty in securing approved gravel and the process of producing crushed stone for the fill have slowed the project, Mr. Collon explained.

State Register Of Deeds Group Is Meeting Here

The thirty-ninth annual convention of the Michigan Association of Register of Deeds opened Wednesday noon with a luncheon meeting at the Beach Hotel.

Mayor Dean Davenport welcomed the visiting county officials at the luncheon at which Lorence O. Isaman of Bellaire, president of the association presided.

Grover C. Garrett, Charlevoix county register of deeds and Rex E. Davis who resigned from the office recently are hosts at the convention.

Several state officials including John B. Martin, auditor general, Frank Millard, attorney general and D. Hale Brake, state treasurer are expected to attend the conference and report on their respective offices.

An election of officers will conclude the business sessions Friday morning.

The convention banquet will be held at the hotel at 7 p.m. tonight

Saks Fifth Avenue To Present Annual Show In Petoskey

Saks Fifth Avenue, Petoskey, will hold their annual fashion show of Sophie Original designs at their summer shop Monday and Tuesday, July 27 and 28 from 9:30 a.m. to 6:00 p.m.

Also included in the showing will be designs from the famous Sakstweeds line which have never before been previewed in this area, and a collection of new Fall and Winter fur fashions.

The style preview will be open to the public

Previously an exclusive showing will be held July 25 at the Little Harbor Club, Harbor Springs, during the Saturday [illegible] dinner and dance held by the club members.

Capt. J. F. Howard Returns To Duties

Capt. Joseph F. Howard, harbor master, returned to his office at the Municipal Dock Wednesday after an absence of 10 days during which he was hospitalized at the Charlevoix Hospital.

Break Ground For New Area Hospital

Miss Anne Baumgartner, superintendent of the Charlevoix Hospital, turns a shovel of dirt at the official ground-breaking ceremony for the new $600,000 area hospitel Friday.

Others participating in the informal ceremony were (l to r) Mayor Dean Davenport, Fred Willis, chairman of the Charlevoix Hospital board of directors and Kit Carson, chairman of the building committee.

★ ★ ★

"Accept our thanks for bringing us to this day when new ground is broken and a great adventure undertaken for the healing of the sick, the strengthening of the weak, and the mending of those broken in body. Grant unto this building, just now to be begun, Thy generous blessing. Let all who labor here on its construction do so with a sense of mission and pride. May the finished hospital be a fitting symbol of our mutual concern for each other's welfare."

Thus spoke the Rev Harold Kohn as he offered the invocation at the impressive ground breaking ceremony for the new Charlevoix area hospital Friday afternoon at the former Trailer Park site overlooking Lake Michigan.

As he spoke he voiced the gratitude of many people who have, through various means, assisted in bringing about the construction of the new hospital.

"To most people the ground-breaking ceremony marks the realization of a dream which started many years ago and through the efforts of countless people is now becoming a reality" Herbert B. Schofield, master of ceremonies, said as he introduced in turn Mayor Dean Davenport, Kit Carson, chairman of the building committee, Miss Anne Baumgartner, superintendent of the Charlevoix Hospital and Fred W. Willis, chairman of the Charlevoix Hospital board of directors.

Each, as he was introduced, [illegible] voicing his or her gratitude and mentioning what the new hospital will mean to the Charlevoix area.

Before turning the first shovel of earth, Mr. Willis said that "this is indeed a day of thanksgiving . . . first to God, the source of all good, and then to the good people of Charlevoix, residents and summer visitors alike, who have been so generous in the support of the hospital building program and finally to the federal government, without whose aid it would not have been possible to have as fine a hospital."

Following Mr. Willis, each speaker then turned a shovel of earth to conclude the ground

Two Local Boys Attending Annual Scout Jamboree

Kit Carson of Post 211 and Bob Pierce of Troop 11 left recently for Santa Ana, Calif., to attend the annual Boy Scout Jamboree.

In a letter this week Kit Carson has written briefly of their travels since leaving here Friday, July 10 for the trip west with other Scouts and leaders of the [illegible] Council.

"We left from Traverse City at 6 p.m. and got into Grand Rapids at 9:40. We had an hour to ourselves and then slept for four hours before having breakfast at 3 a.m.

"We left Grand Rapids at 5:30 a.m. and arrived in Chicago at 10 a.m. We rode until we got to Kansas City, Mo., where we went into the depot which we were told is the largest in the world.

"We left there at 1 a.m. and rode through Kansas, Oklahoma and part of Texas. We were going through Colorado but couldn't because the track was washed out and we had to go through Kansas instead. We passed through Arizona to the Grand Canyon where we spent six hours.

"We left there at 5:30 rode all night and got into Santa Ana at 11 a.m. There was a band and a lot of people there to meet us.

"Busses took us to the ranch where we set up camp near some [illegible] trees, the only ones on the 30,000 acre ranch. That's how much land it takes to hold this many boys.

"We went on a tour around the ranch and saw a lot of interesting things.

"While at the Jamboree the boys will eat 10 tons of meat in one week. They are going to use 40 carloads of charcoal and more than 30 miles of frankfurts stretched out.

"We're having fun. Bob is going to write the other letters."

Make Changes In City Hall Office Space

With Charlevoix's new city superintendent, Roy R. Robinson, due to arrive from Niles August 1 to assume his duties, Mayor Dean Davenport has made several changes in the arrangement of the city hall offices in preparation for his arrival.

Mr. Robinson will occupy the offices located on the south side of the second floor of the building originally designed for use by the city superintendent. This includes a private office, a chart or map room and a secretary's office.

The office of the chief of police, now located on the second floor, will be moved to the first floor directly opposite the front door in the room now occupied by the deputy clerk and auditor.

The Selective Service office will move across the hall to the space formerly used by the Police Chief.

The Department of Welfare will move to the first floor and will share the former Community Room on the north side of the city hall with the Michigan District Health Department, which until now has occupied the entire space. The large room will be partitioned into two offices.

All agencies other than city offices will go on a rental basis on August 1. In the past the Selective Service office occupied the building rent free and the Health Department paid a share of the fuel bill. The third agency, the Department of Social Aid, has always paid a rental fee.

Rod And Gun Club Makes Plans For Annual Festival

Initial plans for the seventh annual Sportsman's Festival of the Rod and Gun Club were announced this week by E. B. 'Bo' Bowman, festival chairman.

The event will be held Saturday and Sunday, August 8 and 9.

Highlights of the event will be the annual races of the Michigan Outboard Motorboat Association scheduled for Saturday and a log rolling exhibition by the nationally known birlers, Billy Girard and his son of Gladstone, who who came here from Vermont where they participated in log-burling contests.

Further details of the program will be announced next week.

Cherry Growers Attend Hearings

A group of cherry growers, including members of the Leelanau, Charlevoix, Antrim and Oceana counties Farmer's Union, attended a hearing July 22 in Ingham county circuit court regarding Cherry Grading Regulation 527.

The group, with their attorney Jay Sikkenga of Shelby, met with Judge Layton of the Ingham county circuit court July 13, at which time he issued a summons on the state Department of Agriculture asking the department to show cause why a permanent injunction should not be issued against regulation 527.

Mrs. Robert Edinburn and children and Mrs. Al Taylor and baby all of Traverse City spent Tuesday to Thursday with Mr. and Mrs. Ed Klooster.

Fun-Packed Program Planned To Entertain Week-End Visitors

The annual Venetian Night Boat parade and program, Charlevoix's major summer attraction, will be presented this weekend for the enjoyment of the city's summer residents and the countless weekend visitors who will travel to Charlevoix for the event.

The Venetian Night Boat parade, first presented in 1934 by the Charlevoix Marine Club, is the only parade of its kind in the state and yearly draws thousands of visitors to the city on the last weekend in July.

This year the show is expected to equal any staged in the past. The $1,000 offered in prizes for the five best decorated boats is expected to bring out many unusual themes, which until the boats appear on Round Lake at Sundown Sunday evening, will remain a secret.

At a meeting of the Charlevoix Board of Commerce and cooperating organizations Tuesday evening, it was announced that 21 boats had signed to enter the parade. Others are expected to enter before the weekend.

In addition to the Venetian Boat parade on Round Lake late Sunday evening, a full program of entertainment has been planned for the visitors.

Beginning at 1:30 p.m. Sunday the Pipes and Drums of the 49th Heavy Anti Aircraft Regiment, Royal Canadian Army, more familiarly known as the Kiltie Band of the Canadian Soo, will march through the business district to open the day's festivities. The will appear later in East Park.

Immediately after the parade, Knight's Dancing Horses of Hilltop Camp, known as the horses with a college education, will present a show featuring several trained horses. Youngsters from the camp will also ride the horses in the show.

About [illegible] a water festival featuring water skiing, canoe race and [illegible] canoe tilt, greased pole and other water events will be presented in Round Lake near East Park. Also a [illegible] admission for [illegible]

Sermonnette

By The Rev. George L. Majors, Community Church of God

In Luke's Gospel 11:1 we read, "And it came to pass, that, as he was praying in a certain place when he cease, one of his disciples said unto him, Lord, teach us to pray, as John also taught his disciples". John the Baptist, here referred to, was unaware, no doubt, that others were looking on as he gathered his group of followers around him and taught them to pray. Unconsciously he was influencing others, and some of those who later became the disciples of Jesus were looking on, and were lastingly impressed by what they saw.

Likewise, today there are those looking on, and watching our lives, and many times unknown to us others are being influenced by our conduct, especially little children following close behind.

Several years ago while working on a new church building a small lad came by one afternoon and offered his services. There were several little things that he could do, and he helped enthusiastically. After a while it was necessary for me to go up on the roof of the building. Climbing up one end, I stood and walked along the ridge as I had been accustomed to doing. As I walked I turned and looked back over my shoulder, and then I was shocked. There was the little fellow walking along right behind me.

Many parents do not realize how closely their little children are following in their footsteps. Many would be more careful of what they did, of how they acted, and of what they said if they were conscious of how greatly they were influencing their little ones. Where are you leading your children? Are you leading them in the paths of righteousness? Do they see in your life a sincere faith, a genuine piety, love, kindness, patience and truthfulness? Sad to say many are daily leading their children in the opposite direction, and perhaps doing it unconsciously by their influence. Their very attitude toward sacred things and their looseness when it comes to honesty and truthfulness are making their impression. Little children are often sent to bed with the saying, "Mommie will be right here," when they know that they are planning to go out for the evening and have a baby sitter in the other room, which the child later discovers. How many times have you heard parents promise that they will be gone for just a few minutes when they intend to stay for hours, or say I'll bring you a nice present if you be good while I am gone, and return without it to the great disappointment teach honesty, and truthfulness over and above this type of influence. It pays to be a good example in all things of what we want our children to be.

The time of parental influence, however, is relatively short. T. DeWitt Talmage once said, "I wonder if all the heads of families realize that the opportunity of influencing their homes for Christ and heaven is very brief and will soon be gone? For a while the house is full of voices and footsteps of children. Sometimes you feel that you can hardly stand the racket; it is a rushing this way and a rushing that way until Father and Mother are well nigh beside themselves.

But the years glide away, after a while the voices are not so many and those that stay are more sedate. First this room becomes quiet and then that room. Death takes some and marriage takes others until after a while the house is awfully quiet. That man would give all he is worth to have that boy who has gone away forever, rush into the room once more with a shout that was once thought too boisterous. That mother who was once tried because her little girl, now gone forever, with careless scissors cut up something really valuable, would like to have the child back, willing to put in her hands the most valuable wardrobe to cut as she pleased.

Oh the alarming brevity of infancy and childhood! The opp[illegible] but it soon passes. Parents may say at the clos[illegible] we did not do more for the Christian training of our ch[illegible] we had them with us." But lamentation will [illegible] opportunity had wings and vanished."

ODDS 'N ENDS

By Fran Martin

AS THIS is being written the weather . . what weather . . . continues to be the main topic of conversation . . . We must he living right in Charlevoix for this is the stuff that summer resorts pray for . . . Let's hope it lasts for at least another month . . .

• • •

AREN'T you happy that the Jim Flynns plant their roses down on the corner of Bridge and Antrim streets so we can all enjoy them . . . Never have we seen more beautiful and colorful blossoms . . .

• • •

WASN'T it quite a thrill last week when Billy Pierce, Chicago White Sox pitcher, started for the American league in the All-Star game at Cincinnati . . . We'll bet his uncle and aunt, the Glenn Williamses at Ironton were poppin' with pride . . . And we can't blame them for we were pretty happy about it and we just met the fella once when he was here for our football banquet last fall . . . He's doing a hit of more than alright for himself . . . Didn't the Tigars once own him??/?

• • •

IF BILL OCHS, a former resident now living in Detroit, doesn't hold an honorary membership in the local board of commerce, somebody better get on the ball . . . He's done such a good job at talking up northern Michigan in general and Charlevoix in particular that for the second time this year he's been directly responsible for a bus load of weekenders spending some time here . . .We understand that over the July Fourth weekend 21 of his fellow-workers at Parke-Davis came via chartered bus for a Friday 'til Sunday night visit . . . And earlier in the year an even larger crowd came north for a week-end at Boyne Mountain.

• • •

CHARLEVOIX'S going to have two new residents shortly, Mr. and Mrs. Roy Robinson who will come here next week when Mr. R. takes over as our new city superintendent . . . We had the pleasure of meeting them recently and we'd like to tell you that we know you're going to like them both . . . very much. We think they're people who will 'wear well', if you know what we mean . . . they're easy to know and we think you'll agree with us when you meet them that they'll be an asset to our town.

• • •

THIS IS Charlevoix's big weekend . . . the Venetian night weekend . . . just how big it's going to be remains to he seen . . . A few people, as they always do, have gone to bat and have what looks like a lot of entertainment arranged for the enjoyment of our visitors as well as our own residents . . . The Kiltie band sounds wonderful, the horse parade something new . . . the water festival entertaining . . . the program in East Park excellent and the boal parade lovely as per usual . . . The fireworks display promises to be most unusual . . . and who can imagine fireworks any place but over the water . . . Now if the weatherman continues to cooperate . . . we'll be all set . . . so won't you keep your fingers crossed and hope for the best . . . And we hope you'll like what you see.

• • •

A WORD of warning regarding picnics comes from one of our towns people . . . Mrs. W. H. Wallace . . . When you sit down to a picnic table, she warns, make sure everyone stays put for some frightful things can result if you don't . . While enjoying a picnic at the Ferry ave. beach one night last week Mrs. Wallace and Mr. and Mrs. Carl Korth found themselves alone on one side of the table but not for long for they, with their combined weights, upset the picnic supper and themselves all over the picnic grounds . . . In fact they could have been served up with mustard, catsup, pickle, olives, watermelon and whatever else you might want without any more effort on anyone's part . . . Luckily they weren't hurt and everyone who saw it had a good laugh, but it could be dangerous . . . you'll admit.

• • •

OUR TOWN has some mighty nice parks and in an effort to make one of our parks a little different, several good-sized trout of various kinds were placed in the big pond in East Park . . . But not for long for someone drained the pond late at night, took several of the choicer fish and left the remainder to die . . . A dirty trick, we'd say . . . But then, it seems as tho' there's always a few to spoil things for the majority . . .

• • •

WERE YOU at the groundbreaking for the new hospital last week? . . . If you weren't you missed a memorable occasion . . . It's hard to believe that after all the years of hearing about it as we have it's about to become a reality . . . It's wonderful . . . We pinched ourself to make sure it wasn't a dream . . . And all we can do is bow our head in gratitude for all the forces to bring it about . . . It's wonderful people who joined things like this that make us think Charlevoix is just about the most wonderful place in the world . . .

On The Run

Throughout nature wherever a creature finds it impossible to cope with a situation it runs away. It runs away from loud noises, from fires, from natural enemies, from man.

People, too, often run away from hard circumstances. They try to flee from their problems rather than to master them. They take flight into irresponsibility, chronic invalidism, even into insanity and suicide. If we are not masters of life we are bound to flee from it.

Christianity has an answer to our problems and our frailties. We need not be cowards. We can be conquerors.

It's a 6-passenger sedan that "doubles" as a hefty hauler, too. Available with either Ford's high-compression Six or V-8.

Look again

There are 6 cars on this page!

Each of Ford's 3 great station wagons is actually 2 cars in 1!

No matter which Ford station wagon you choose, you get a roomy passenger car that converts to a cargo carrier in a jiffy! Take Ford's 2-door Ranch Wagon, for instance. There's room aplenty for six big people inside its hull-tight Crestmark body. Or, by merely folding the "stowaway" seat into the floor, you have over 6½ feet of level load area. Ford offers two 8-passenger "quick change artists", too. And no matter which of the three you choose, you get foam rubber cushions and new spring and shock absorber action, easier-working suspended pedals, a choice of Fordomatic, Overdrive or Conventional and a host of other famous Ford "Worth More" features.

Ford Country Sedan
This all-metal counterpart of the Country Squire is equally at home on the farm or "on the town". It's 8-passenger big, has nearly 8½ feet of usable load space when needed.

Ford Country Squire
This double-duty beauty has room for eight or a half-ton of freight. All-metal body is handsomely trimmed with Genuine Maple or Birch.

Dr. G. E. Whittens Observe Golden Wedding Date

Dr. and Mrs. George E. Whitten of New Albany, Ind., celebrated their golden wedding anniversary last week while visiting here with their son and daughter-in-law, Dr. and Mrs. C. O. Whitten.

A dinner for 19 guests at the summer home of Mr. and Mrs Frank Bird on Lake Charlevoix marked the memorable occasion for Dr. Whitten, minister of the First Methodist church here, and Mrs. Whitten.

Dr. and Mrs. Whitten were married July 13, 1903, at New Albany, Ind., where they have chosen to make their home since his retirement.

Though they were married on [illegible] the thirteenth, they have [illegible] 'handicap' for any [illegible] or any good [illegible] thing has always come to them on the thirteenth of the month.

Until his retirement a few years ago, Dr. Whitten was a transfer minister of the Methodist church and filled pulpits in all 48 states at some time during his long career as an active minister. Prior to entering the ministry he worked with his father as an interior decorater in Chicago.

In 1938 he realized a lifelong dream when he spent three months in the Holy Land.

Since his retirement they have returned to their former church at New Albany which in honor of the couple's anniversary sent them a bouquet of 50 golden yellow roses.

Play Club Notes

Last week we went on a picnic to Young State Park. We also played a baseball game with the Belvedere gang but we lost 3-2.

Another member of our baseball team is Dick VanRaaphorst. The other boys in our gang are Tom Haley, John Bleha, Larry Edwards, Billy Wyler, Jimmy Withers, Randy Coleman, Skippy Duerr, Steven Engleman, John Engleman, Dick Louiselle, Fred S[illegible], Martin Rosenthal, Phil Halloran, Steve Rothchild, Jack Stewart, Joe Smith, Bobby Odmark, Peter Ance, Lewis Terr, Chipp Ransom and Joe Guilbault.

Girligigs

Sophie sent us a few scoops this week on her sensational collection of Fall and Winter Original fashions . . .

* * *

Accents are on color, silhouette and fabrics, and a flattering well-bred look from the simplest woolen day dress to the most exquisite evening gown.

* * *

Her colors are jewel tones, bright but soft . . . they are ruby and coral reds, blues in star sapphire, lapis lazuli and Sophie blue, greens, greys and russets. For evening . . . pearl white, shell pink and sky blue.

* * *

She endorses the full-skirted silhouette that stems smoothly from a small waist pulled to a minimum, but especially favors the slim silhouette which is never [illegible] because of the ease introduced ingeniously in modified [illegible] fulness, cleverly arranged [illegible] or wrapped effects.

* * *

[illegible] rounded . . . sleeves [illegible] pulled up to the neck [illegible] give smooth shoulders. And [illegible] shoulder straps replaced for some evening dresses, [illegible] most decolletes are softened [illegible] folds or draping.

* * *

Sophie's woolens are more fanciful than ever before . . . many are incredibly soft and light-whether for suits or dresses Among the lovely evening fabrics are peau de soie, satin, taffeta, faille, chiffon and lace.

* * *

Black velvet accents in boleros, collar and cuff inlays, belts, buttons and cut-outs are important.

* * *

So now you know . . . thanks, Sophie!

We've Gone Fishing

……Some folks fish for relaxation, some to get out in the fresh air and to have the exercise of rowing a boat or wading a stream, and others simply because they like to eat fish.

We are fishing because we must! The New Charlevoix Area Hospital Fund must be fed. We are angling for the cash and the pledges which will keep alive the fund necessary for the building of this area's new hospital.

Now is a great and good time to pay up your pledge, or to make a cash contribution to the New Charlevoix Area Hospital Fund. The ground has been broken for the erection of the hospital buildings. Charlevoix County's hopes and prayers and plans are nearing reality. You want to be a part of this community effort to provide for the care of the sick and the hurt. Then pay your pledge or make your cash contribution to Herbert Schofield, Secretary of the Fund Raising Committee, or at either of Charlevoix's banks or at the State Bank of East Jordan.

Predict Large Crowd For Venetian Night

(Continued from page 1)

the dinner hour, the evening entertainment will open in East Park at 6:45 p.m. with Zach Whyte, popular entertainer, at the piano.

Danya Bryan of Boyne City, queen of northern Michigan's baton twirlers will present an unusual exhibition. Thelma Roberts, piano stylist, will follow with a program of unusual piano selections and accompany Ethel Staple, blues singer, who will sing several popular numbers.

Camp Charlevoix's Boys chorus under the direction of Ken Smith will present their ever popular sea chanties followed by a concert by the Charlevoix Marine Band directed by C. A. Odmark.

Dr. Walter F. Hoffman will be master of ceremonies for the entire show.

As darkness falls, the fireworks display over Round Lake will officially open the Venetian Night Boat parade. Two lines of boats decorated in a variety of themes with colored lights and lanterns will enter from Lake Charlevoix and circle Round Lake. A canopy of fireworks in a rainbow of colors will add to the beauty of the brilliant scene.

Spectators will view the parade and fireworks from the natural amphitheater formed by the terraces overlooking Round Lake.

The fireworks display will originate on the L. E. Grate property on the northeast section of Round Lake and will be fired by professional displayers. It is expected to be the most outstanding fireworks display ever exhibited in the north.

During the day and evening a number of booths will be operated by local organizations in East Park.

R. E. Dickenson returned to Chicago Sunday night after spending the weekend with Mrs. Dickenson and daughter here.

Jackie Wright returned to Chicago Sunday after spending the past three weeks with Joe Guilbault Jr.

Surging Power with a Single Purpose

SAFETY!

Turning into traffic, you call on the surging reserve of acceleration that set new official AAA performance records for the Red Ram V-8.

When you choose a car for your family, you call on your good judgment to obtain every measure of safety.

One safety factor you should certainly consider is the magnificent reserve of power that Dodge provides in the 140-h.p. Red Ram V-8 engine.

This power is there when you need it: For passing, for turning into highway traffic, for crossing intersections.

The cost of safety is very low: Dodge prices start below many models in the "lowest-priced" field.

Passing a truck on the highway, a touch of your toe brings instant, eager response. Dodge power reserve is a great safety factor.

Powerful brakes, capable of developing more than 700-h.p. in stopping power, team up with the Red Ram V-Eight engine to bring you new mastery of every driving situation.

Charlevoix Wheat Support Price Set At $2.16

★ ★ ★

Growers May Apply For Loans 30 Days After Storing Crop

Price support at a national average of $2.21 a bushel to farmers for 1953 crop wheat has been announced by the U. S. Department of Agriculture. Last year's average was $2.20 a bushel.

Wheat parity price as of July 1, 1953 is $2.42 a bushel, as compared with August 15, 1952 wheat parity of $2.46, which was used as the basis for establishing the minimum support for 1953 crop wheat. Since 90 percent of parity as of July 1, 1953 is lower than $2.21, the minimum price support of $2.21 announced last September applies.

Only wheat grading No. 3 or better, or No. 4 or No. 5 because of test weight or because it contains wheat of the classea Durum and-or Red Curum, will be eligible for loan or purchase agreement. The loans will be available through January, 1954, and will mature April 30, 1954 or earlier on demand. Purchase agreements may be entered into and mature on these same dates. Loans and purchase Agreements covering 1953-crop wheat are available from Production and Marketing Administration County Committees.

Charlevoix County support rate is $2.16 per bushel as compared with $2.15 per bushel in 1952. Only seven of all of Charlevoix county's wheat growers took advantage of the price support program in 1952 by taking out loans and purchase agreements.

Before applying for either a loan or purchase agreement on 1953-crop wheat the crop must be stored for 30 days in a safe storage. A good bin has a tight roof, screened windows, protection from rats, mice and animals, a damp proofed floor and good ventilation.

Any farmer who does not have such a bin or building may obtain a Farm Facility Storage loan up to 80 percent of the total cost and in the meantime use a temporary storage until this is constructed. Inquire about this Farm Facility Storage loan at the Charlevoix County PMA Committee office in Boyne City.

Wheat Growers To Vote On Parity Rule

Wheat growers of Charlevoix county will help decide whether the Commodity Credit Corporation loan on the 1954 wheat crop will be 90 percent or 50 percent of parity. According to LeRoy Hardy, chairman of the Charlevoix County Production and Marketing Administration Committee, this is one of the questions which will be answered in the coming wheat marketing quota referendum.

As the chairman explains, if two-thirds or more of the wheat growers voting in the referendum are in favor of it, the wheat marketing quota proclamation made July 1 by Secretary of Agriculture Ezra Taft Benson will be in effect. The present 90 percent of parity Commodity Credit Corporation wheat loan then will continue for the 1954 crop.

These support rates will be available, however, only to farmers who do not exceed their wheat acreage allotment, the chairman points out. If marketing quotas are approved in the referendum, growers who plant more than their acreage allotment will be subject to a penalty on their excess wheat unless it is stored or disposed of as directed by the Secretary of Agriculture. If quotas are disapproved there is no assurance of any price support for growers who overplant.

Michigan Farmers Urged To Furnish Feed For Drought Areas

Michigan farmers are being called upon to come to the aid of their drought-suffering Southwest neighbors needing hay or pasture.

Work is starting immediately in every Michigan county to find how much surplus hay there is that could be shipped, under government orders, to the Southwest, where cattle are thining and failing for lack of grazing moisture.

"We need action right now," stresses D. B "Woody" Varner, director of the Cooperative Extension Service at Michigan State college. "Action in a couple weeks will be too late. The cattle will be too far gone to help", says the former Texan, well-acquainted with the inroads of drought.

Aid of the M.S.C. extension staff, including the county agricultural agents, has been asked by the federal extension director, C. M. Ferguson, an ex-official member of the emergency U. S. Department of Agricultural Committee. Director

Farmers Reminded To Cast Ballots For PMA Committeemen

Farmers of Charlevoix county were reminded today that PMA farmer-committee elections will close July 28, 1953. LeRoy Hardy, Chairman of the county PMA committee, in issuing this final election call, urges all eligible farmers to vote. Community committeemen, a delegate to the county convention to name the 1954 county committee, and alternates will be elected at this time.

Hardy reminds farmers that farming in Charlevoix county has come a long way in the past 15 years and that the work of these committeemen and the programs they administer have played an important part in the program. He cites the soil and water conservation work that has been done under the Agricultural Conservation Program as an indication of the progress.

As the chairman sees it, because the work of these committeemen means so much to farming in Charlevoix County and because the programs they administer are so essential to the welfare of all the people, no farmer who is eligible to vote should allow this election to pass without casting his ballot for the committeemen he thinks will do the best job.

"Send 'em by Truck . . . We Need 'em Fast!"

The scene is the traffic department of any of the hundreds of manufacturing plants in Michigan. The time is 4:00 P.M. on any day of the week. The traffic manager is talking long distance to a supplier in another state about some parts needed for production.

"Send 'em by truck," he says, as he prepares to hang up, "we need 'em fast!"

He knows from experience that motor transport is the fastest link between shipping and receiving. He knows he can depend on it. In fact, he and thousands of his fellow traffic managers have been the men most responsible for the rapid growth of motor transport. Once they experienced the efficiency and speed of trucks, there was no satisfying them with anything less — and today their companies could not operate successfully without truck transport!

That's something for every wage earner in Michigan to think about.

Farmers Asked To Aid Drought Areas

(Continued from Page 7)

Varner immediately commissioned E. A. Wenner, district extension supervisor for north Michigan, to head the special project.

"Farmers should contact their county agricultural agents . . . not wait for him to contact them . . . if they have surplus hay or pasture," notes Wenner. "The agents will want to know how many tons of hay, what kind and quality it is, and the price. We're primarily interested in hay that it baled and ready to move out now . . . but also will want figures on hay that will be ready later."

Farmers with excess pasture also should contact agents with the number of acres, kind of pasture and its livestock-carrying capacity. Cattle can be shipped north for grazing on this excess pasture under two plans: (1) Outright rental, (2) Sharing in the calf sale proceeds on a cow and calf grazing arrangement. Hay sale and pasture contracts will be made between Michigan farmers and individuals in the Southwest who need the aid.

ORDER FOR PUBLICATION
STATE OF MICHIGAN

The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office, in the City of Charlevoix in said County, on the 10th day of July, 1953.

Present, Honorable Floyd A. Supp, Judge of Probate.

In the Matter of the Estate of Ann Dunlevy, Deceased.

James E. McCann, having filed in said Court his petition praying that said Court adjudicate and determine who were at the time of her death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized, he, the said James E. McCann, being the owner of certain lands formerly appearing to have been owned by said deceased, or in which she held an interest;

It is Ordered, That the 4th day of August, 1953 at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, once in each week for three weeks consecutively, previous to said day of hearing, in the Charlevoix Courier, a newspaper printed and circulated in said County.

Floyd A. Supp,
29-30-31c Judge of Probate

RESOLUTION

July 13, 1953

Commissioner Erber offered the following resolution and moved that it be adopted. Commissioner Wangeman seconded the motion.

BE IT RESOLVED, by the Board of County Road Commissioners of Charlevoix County that the following described part of a county road be abandoned or discontinued as of July 15, 1953 as a County Road and cease to be a part of the County Road System, and that we believe it to be to the best interest of the public that said highway so abandoned or discontinued should be and the same is hereby absolutely abandoned and discontinued; said part of said county road so abandoned being that part of the County Road highway boardering on the South of the property known as the Charlevoix Auto Camp which part of said highway is described as follows:

"In the Township of Charlevoix, Charlevoix County, Michigan Commencing at a point which is 483.3 feet west of the North and South quarter line and 481 feet North of the North line of Upright Avenue extended from the City of Charlevoix, Michigan thence North 20 degrees West 66 feet; thence Southwesterly on a 10 degree 46 minute curve whose tangent bears South 70 degrees West to its intersection with the Southwesterly line of the existing 2 Mile Point Road to the point of beginning of this description; thence continuing on said curve to a point which is 256 feet from the point of beginning measured along said curve; thence to the right on a 12 degree 18 minute curve to its intersection with a line which is South 70 degrees West from the point of commencement; thence South 70 degrees West to its intersection with the West eighth line of said Section 27; thence North on said eighth line 70.25 feet to a point which is 66 feet from the last described course measured perpendicularly thereto; thence North 70 degrees East to its intersection with the said Southwesterly line of the existing 2 Mile Point Road to the point of beginning; being a part of Government Lot 2, Section 27, Town 34 North, Range 8 West".

BE IT FURTHER RESOLVED That this notice of determination be given by the Clerk of the Commission to the proper highway authorities, and that notice be published in the Charlevoix Courier, a newspaper published and circulated in said County once each week for three (3) consecutive weeks.

Adopted by the following Yea and Nay vote.

Yeas: Commissioner Erber, Wangeman and Rogers.

Nays: None. Absent: None.

I, the undersigned Deputy County Clerk and Clerk of the Board of County Road Commissioners of Charlevoix County do hereby certify that the foregoing is a true copy of the part of the proceedings of the Board of County Road Commissioners of Charlevoix County on the 13th day of July, 1953. In testimony whereof I have hereunto set my hand and seal this 14th day of July A. D., 1953.

Ralph S. Hamilton,
Deputy County Clerk.

It stands to reason...

Chevrolet trucks must be the best buy!

Big truck users, small truck users, all truck users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want.

When you stop to think about it, the best proof of outstanding value in *any* product is continued public preference. That's the way it is with Chevrolet trucks. They're the top selling trucks in America today . . . for the twelfth straight production year.

This is a mighty important fact to consider before you buy your next truck. You'll also want to consider that, while Chevrolet trucks give you more features you want, *it's the lowest-priced truck line of all!* Come in and *talk* it over with us.

What's Doing at Camp Charlevoix

The third week of camp is always the start of the trips, and once these get started, boys are coming and going all the time. This year was no exception, as Monday morning our first 1953 trip left camp. John Periolat, took his cabin group on a fishing trip to Graves Crossing on the Jordan River. The fishing is excellent here and the boys enjoyed themselves very much. The boys on this trip were: Warren Zediker, Chuck Schank, James Faulkner, Tim Lowrey, Bill McKee, Lloyd Lawson, and Tim Mast. The first horse trip of the year also left camp, Dave Netting taking his group and Bill Forsythe taking his group, too. Two of the cowboys accompanied this trip. The boys going were: John Jacobs, Clem Gill, Bruce Gustine, Hugh Campbell, Ben Douglas, Dave Ferguson, Bert Parker, John Watson, John Hansen, Danny Ross, Mike McGill, Jim Buderer and Harry Carpenter.

On Tuesday night the barbers came out to camp and as it was the first "barber-night", there was much to-do about who was to get a haircut. The first boating evening was held and all sailboats, canoes, and rowboats were in use and it made quite a sight to see all this activity.

Wednesday, the Annual Mackinac Island trip was held, breakfast at six fifteen, boarded the boat at nine and all fifty boys had a very memorable time visiting this historic island. This trip is giving to the first fifty boys enrolled each year. The men who supervised this trip were Bill Forsythe, Dave Netting, George Cameron, John Ingold, Chuck Birdsall and Ken Smith. Here in camp, a boxing show was held with all boys very evenly matched. Jim Cotton won over Ronny Armbruster, Steve Robinson beat John O'Mara, Rick Gibboney beat Andy Carrick, Dave Matthews won from Martin Sharp and Jamie Mueller won from Mike Browning. John Love and Jim Davison boxed to a draw.

On Thursday, Kevan Gosper and Terry Tyksinski took their cabins on horse overnights. These boys were: Ricki Gilbert, Mike Harrah, Bob Massman, Tommy Tinsley, Mike Millis, Dave Keller, Bill Koehler, John Basher, Gordon Peterson, Tom and Peter Wells, Randy Carlson, Nick Cameron and Jay Wannamacker.

On Friday, we had a baseball game with a neighboring camp, and though we lost 8-0, it was a very fine game. The boys who made the team are: Kent Gibbs, who got the only hit, Chris Lietwiler, John McBride, Mike McGill, Jim Faulkner, Tex Huntington, Tom Wells, Doug Graham, Jim Potter, Bill McKee, and Bob Tutag.

Saturday evening we had the Annual Camper Hunt in which campers are given a five minute start to hide in the woods, and then the counsellors hunt for them. Sixty-four campers were caught, with the Greys having less men caught than the Greens so they received two points in the Green-Grey competition.

At Chapel on Sunday morning, Kevan Gosper, our counsellor from Australia gave the talk, and it was a splendid challenge to the boys. In the afternoon, swimming and boating events were held, and in the evening the three sections had vesper services. At the Intermediate-Senior Vesper a talk was given on "Table Manners". This was illustrated with both incorrect and correct ways of eating.

Here we are at the fourth week and a busy week it will be. Once again, the camp would like to request parents NOT to send candy, gum, etc. as it will be returned. Several boxes were returned to senders this week, and the camp does not condon candy coming into camp. This is just a reminder.

The camp chorus is busy preparing for its appearance at the Venetian night celebration in Charlevoix on Sunday night. Forty boys are in the chorus this year.

Indian Pageant To Be Presented Friday, Saturday

Scenes and events from Longfellow's beloved peom, The Song of Hiawatha, will be depicted this year at the annual Michigan Indian Foundation Pageant at Harbor Springs Friday and Saturday at 8 p.m.

Representatives of the Ottawa Indians will be included in the cast along with members of the Heoka-Waeipi Society.

Scenes to be presented are in five episodes beginning with the Peace Pipe Gitche Manito; the Mighty One in Council, Hiawatha's Childhood, the Wooing Scene, the Wedding Feast and Hiawatha's Departure will follow in order. The Naming Ceremony honoring incoming white men into the Ottawas is highlight of the pageant which presents original costumes, the dress of the Indians, their legend and story.

Midsummer's Small Heaven

Balmy nights and clear days. Cooling lake breezes and water delightful for swimming. A Venetian day in the offering with a boat parade finale. Charlevoix in mid-summer — a veritable paradise!

Come to Polly Kay and give your wardrobe a mid-summer pick-up.. Right now is the time to make sure you have enough to last thru' this nice warm season. A new dress or two, a few more blouses and a new swim suit will give the clothes situation just the lift it needs.

And the children are running low on cool clothes too. A few more shorts and play suits — a party dress and they will be all set until school starts.

Now this is a top secret — but between you and Polly Kay — the fall clothes are coming in. If you want a preview come in every day or two and we will show you the new things as they arrive.

Do you know the lowly fly-swatter has been be-jeweled and glamorized? What a change can be wrought by a bit of dressing up! Maybe Tiffany fly-swatters wear rubies and diamonds. At Polly Kay the jewels are strictly synthetic, but what they do to fly swatters. Come in and see.

Complete Plans For Sportsmen's Festival

The seventh annual Charlevoix Rod and Gun Club sportsman's festival scheduled for Saturday and Sunday, August 8 and 9, promises to be the biggest and best to date, E. B. Bowman, chairman of the event said this week in announcing further plans for the popular weekend activities.

More than 60 outboard motorboats will appear in the races on Round Lake sponsored by the Michigan Outboard Motorboat Association which will open the weekend celebration at 2 p.m. Saturday. Glenn Rose and Bernie Ward Sr. are in charge of local arrangements.

At the same time a midway featuring food and entertainment booths will open, giving the event a carnival atmosphere.

Early Saturday evening a program of entertainment will be held in East Park and will be followed by a dance at the clubhouse located north of Charlevoix off US 31. Music for the dance will be played by the Arthur Godfrey Talent Scout winners, the Intercollegiate Stompers, who will also appear in the park early in the evening.

Theworld champion log birlers, Billy Girard and company, will maka two appearances during tha fastival on both Saturday and Sunday. The hours will be announcad latar.

Sunday's activities will begin at the club grounds at 10 a.m. Sunday with a skeet and rifle shoot. Prizes will be offered for all events.

On Sunday afternoon the program will move to East Park where a continuous program will be presented from the band stand. The Intercollegiate Stompers and Amastar winners will be featured. A concert by the Charlevoix Marine Band Sunday evening will conclude the program.

A wildlife exhibit by the Michigan Conservation Department, pony rides and other entertainment will be offered during the two-day event.

George Haggard Dies Suddenly At Home Here

George O. Haggard, 46, first ward supervisor for the past eight years, died unexpectedly early Friday at his home here. He had been in failing health for some time.

Funeral services were held at the Pontius Chapel Monday with the Rev. Fr. E. F. Denay officiating. Burial was in St. Mary's cemetery.

Born at Selma, Ala., July 27, 1906, Mr. Haggard had lived in Charlevoix for 22 years. He had been active in local and county Republican circles and besides serving his ward as supervisor since Jan. 1, 1945, he was also a past vice-chairman of the Charlevoix county Republican committee. He was interested in civic affairs and had served as chairman of mary local fund-raising committees and as a member of the Charlevoix Hospital board of directors. Though he was not a member of St. Mary's church, he had devoted much time to parish activities For many years he was associated with a well-known insurance company as an agent.

He had also been active in fraternal affairs and was a member of the Knights of Pythias, the B.P.O.E. and the F.O.E.

He is survived by his wife, the former Pauline Kolar, co-owner of Polly-Kay Inc., whom he married at Coral Gables, Fla., in 1931; four sons, Pvt. George O. Jr. stationed at West Point, N. Y., with the U. S. Army, William J., James J., and John E. at home; a sister, Arber Haggard of Gadsden, Ala., and two brothers, Carson of Gadsden and Richard of Auburn, Ala.

Kiwanians Hear Talk On Coins

The Charlevoix Kiwanis Club members met Monday evening at the home of Robert Burns, on Oyster Bay for a steak supper.

Later they heard the Rev. Carl A. Hoch of Petoskey speak on old coins.

Guests at the meeting were M. D. Adair of Petoskey, John C. Wenner of Cincinnati, Dick Rhea of Findlay, Ohio, F. H. Akins of Dearborn, Frank W. Peters, lieutenant governor of the 15th district and Leonard Lasley of Gaylord

Announce Sale Of The County Herald To Marshall Sayles

The sale of the pioneer East Jordan weekly newspaper, The Charlevoix County Herald, to Marshall Sayles, owner of the East Jordan News, was announced this week by Paul E. Lisk, whose family published the newspaper for many years.

The two papers will be merged under the name of the East Jordan News-Herald. The first issue of the newspaper will be published in East Jordan this week.

The East Jordan News has been printed weekly at the Charlevoix Courier office since late in September, 1952.

Farmers Union To Hold Picnic At Park On Sunday

Members of the Farmers Union will gather at Whiting Park Sunday for their annual picnic and program, it has been announced.

S. P. Martin of Stanton, state president of the organization, will attend the outing and during the program will address the group.

All members, their families and friends are invited to attend and enjoy the basket lunch at noon, the program and the entertainment which will include a ball game and races.

All young people who are planning to attend camp this year are urged to be present.

Church Women To Present Bazaar

The women of the Congregational church will present their annual church bazaar on the church lawn beginning at 10 a.m. today (Thursday), Mrs. Karl Erbe, general chairman of the event has announced.

Many home-made goodies including jams, jellies and baked goods, hand-made fancy work plus white elephants and used books will be offered for sale throughout the day.

Coffee will also be served in the church lounge during the day.

Roy Brill Trio To Play At Argonne

The popular Roy Brill Trio is returning Friday, July 31 to The Argonne after successful engagement at The Cowboy Bar in Jackson Hole, Wyoming.

The trio is composed of Roy Brill, organist, Bob Miller, vocal and guitar and Wells Hathaway, drummer.

They will continue at the Argonne through the season with two shows nightly of musical pantomine and special features.

Fires Burn 50 Acres Of Michigan Land

Lansing — Seventeen fires burned about 50 acres of Michigan forest and grasslands during the last week, the conservation department reports.

That takes the total of acres damaged to 5,060 for the year, somewhat below the damage total to the same date last year.

Baseball Games Will Aid Fund To Light Field

Northern Michigan baseball fans will have an opportunity to see an outstanding Detroit team in action this weekend when the Charlevoix baseball team entertains the Blatz Beer nine in a benefit game at Kipke field at 2:30 Sunday afternoon.

The southern Michigan team, with an impressive record for the season in the Detroit city league, will play the local nine for the benefit of the Knight Memorial Fund to light Kipke field.

A second benefit game will be played Sunday evening at the softball diamond at 8 p.m.

This game will find the Cadillac-Olds team playing the Petoskey Elks at Kipko field Sunday evening.

Large Group To Be Examined For Draft In August

The names of the two Charlevoix county draft registrants who will answer the call for induction into the armed forces Aug. 5 were announced this week by the draft board.

They are Robert M. McDonnell of St. James and Norman R. Clements of East Jordan. McDonnell was called up in June but was given a postponement at that time because of a hand injury.

Later in the month 15 county men will be called for pre-induction physicals.

The call scheduled for Aug. 17 will include the following Charlevoix men: Ronald J. Cunningham, Bruce K. Shanahan, Frederick W. Jolliffe, Nathan J. Boss, Clyde F. Flower and Stewart A. Bost.

Also Donald R. McCafferty and William G. McDonough of St. James; Edward W. Moyer and Kennard H. Gerrie of Boyne City; Frank J. Wasylewski of Boyne Falls; Gary W. Farmer, Patrick D. Brennan, Leonard L. Lick and Ernest F. Kopkau of East Jordan.

The draft board was also notified Monday that the county draft quota for September had been set at two men. The induction date was not included in the notification.

Highway US 31 Construction Is Nearing Halfway

Satisfactory progress has been made on the new highway on the north side of the city on US 31 in the past week, William P. Collon of the Michigan Highway Department said Wednesday.

The north 22-ft. lane of the highway from the city limits to the Dixon and Michigan ave. intersection was nearing completion late Wednesday. The second lane will be started at once and the entire roadbed should be completed by mid-August, he added.

Barring any unexpected delays, the two block long stretch from the Dixon-Michigan ave. intersection to the Michigan-Petoskey ave. intersection should be opened by next Thursday, Mr. Collon said. This is expected to do much to relieve the inconvenience suffered by those residents living on Michigan ave. and on other streets north of the highway who have had to travel several blocks to cross the highway.

The section of the new highway located in Charlevoix township has been open for the past 10 days.

Council To Name New Supervisor

The appointment of a first ward supervisor to succeed the late George O. Haggard who had served the ward for eight years was the major issue discussed at the regular meeting of the city council Monday evening.

The matter was tabled until a later date when the mayor will recommend and the council appoint a successor to Mr. Haggard.

Bills totaling $21,409.87 were approved and ordered paid. The amount included $12,000 for the re-surfacing of Antrim st. recently.

Fund Growing For Lights At Kipke Field

The Knight Memorial Fund to light Kipke Field passed the $2,400 mark this week as $600 was added to the fund during the week to bring the present total to $2,440.

The World of Pleasure Shows sponsored by the Fund Committee at Kipke Field last week netted $452 despite the weather which was cold or rainy for three of the six days the carnival was in town. A food booth operated in East Park during the Venetian boat parade activities Sunday netted an additional $133. The sale of the remaining Knight Owl uniforms to Cadillac-Olds added another $15 to the fund treasury.

Two local ball teams will taka to the diamond this week-and in benefit games for the fund. Tha Charlevoix baseball team will host the Blatz Beer team of Detroit at 2:30 Sunday at Kipka field and at 8:00 Sunday evening tha Cadillac-Olds softball team will play the Petoskey Elks on tha local softball diamond in a second benafit game.

A concerted drive will be made in the next few weeks to swell the Knight Memorial Fund to the necessary $4,500 to purchase the lights for Kipke field this fall. The new figure of [illegible] does not include the purchase of transformers which was included in an earlier estimate. Transformers now used at the softball diamond can be transferred to the football field during the fall.

Persons who have pledged to support the fund are asked to make their contribution at the earliest possible date so plans for the installation of the lights can be made.

All contributions may be deposited at either local bank or mailed to Fran Martin, secretary-treasurer of the fund.

Norwood-Banks Hunting Group To Meet Monday

Annual meeting and election of officers of the Norwood-Banks Hunting association will be held at the Norwood town hall Monday evening at 8:30. The annual meeting is being called earlier than usual this year to allow more time to make arrangements with the Department of Conservation to operate under the Willinmston Plan, according to Archie Brown, secretary of the association.

The association purchased and released a flock of ringnecked pheasants in the area last spring as one of its projects to improve hunting. While it is too soon to determine the success of the venture, Brown says a number of the hens have been seen with their broods.

During the last two years the organization has operated without an assessment for dues and any property owner within the prescribed area was eligible for membership. Future policy regarding dues will be discussed at the Monday meeting. There has been some sentiment to charge dues and use the money for projects similar to the one started last spring.

Charles Weisler of Norwood is president of the association.

County Treasurers Will Convene Here

The Michigan Association of County Treasurers will meet at the Beach Hotel here next week for its annual meeting.

Miss Lillis M. Flanders, Charlevoix county treasurer, will be host to the three day conference which will open Tuesday, Aug. 4.

Annual Hospital Meeting Will Be Held August 12

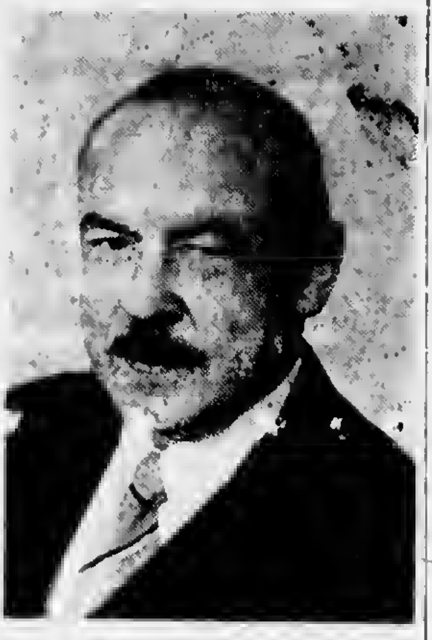
The annual Hospital meeting will be held Wednesday, August 12, Fred Willis, chairman of the Charlevoix hospital board of directors announced this week.

At that time three directors will be named to the board, Mr. Willis said. The terms of H. A. Craig, P. D. Campbell and Charles Hampton will expire at this time.

At the general business meeting which will follow, a vote will be taken to change the name of the new hospital to the Charlevoix Area Hospital. The present hospital is known as the Charlevoix hospital.

Dr. Louis Mann Will Be Guest Preacher Here

Dr. Louis L. Mann, Rabbi of Chicago's Sinai Temple and one of America's leading ministers, will be the guest preacher at Charlevoix's First Congregational Church on Sunday morning, August 2, at the 11 o'clock worship service. His sermon subject will be "The Bigness of Little Things".



Dr. Louis L. Mann

Dr Mann's leadership in spiritual, humanitarian and intellectual matters has been widely recognized and acclaimed. He was one of the founders, with Charles Evans Hughes and Newton D. Baker, of the Round Table of Christians and Jews, and with Charles Dawes and A. D. Lasker he founded the Chicago Round Table of Christian and Jews. He helped establish the Hillel Foundation in American Universities. His wide and intense interest in human welfare is witnessed to by his vice-presidency of the Big Brothers Movement of America,

Large Crowd Enjoys Venetian Boat Parade, Other Weekend Events

Clear skies, a full moon rising over Round Lake and balmy weather formed the setting for one of Charlevoix's most successful Venetian Night boat parades Sunday.

An estimated ten thousand visitors joined the city's summer population of eight thousand in the natural amphitheater about Round Lake for the colorful event.

Brilliant fireworks in a myriad of colors added to the beauty of the spectacle.

Winners of the top prize of $500 in the parade of 21 cleverly and gaily decorated boats was the Rogue, with a circus theme featuring a clown at the tiller with a large trained seal with a ball on his nose at mid-ship and a monkey on the bow.

The priza winning decoration was designed by Jack Dollanmaier of Bay City and Charlevoix. The Rogue is owned by Robert Bridge, E. D. Hawley and Dr. G. B. Saltonstall, who plan to contribute tha prize money minus expenses to tha Charlevoix area hospital building fund.

Other prize winners and their themes follow: second prize, $300, Joseph Hickey of the Belvedere club with a Peter Pan theme; third and fourth prizes, $100 each, Woodbury Ransom of the Belvedere with a butterfly theme and Charles Hampton and Dr. W. F. Hoffman, an Indian maiden. The Bernie Ward entry, Lil Abner and a Dogpatch theme, was given honorable mention.

Judges for the event were Les Biedermann of the Paul Bunyan network, Pete Rennie and Ray Herren, all of Traverse City.

The two lines of boats which entered from Lake Charlevoix were towed about the lake by the Boss owned by Alvin D. Goldman and the Ranger owned by Jack Goldman.

Winners in the water festival event were Charles Dennis and Levi Walker Jr. who placed first and second in the greased pole event: Bernie Ward and Carl Totzke, the canoe tilt with Joe Etienne and Quinton Walker as runners-up: Don Smith and Ivan Whitley, canoe raco and portage with Bill Tunk and Chuck Smith placing second and Jim Geisey and Peggy Armstrong, third. There was also water skiing.

The crowd gathered in East Park also enjoyed Knight's trained horses.

The Charlevoix County Republican Women's Club will meet at Whiting Park, Monday, August 3. There will be a family potluck supper at 6:30 p.m. Bring a dish to pass and table service for your family. Beverage will be furnished.

Dave Kendall will be the speaker for the evening and K. C. Festerling will call for the square dancing.

Anthony Stamm President Of County Clerks

The Michigan Association of County Clerks closed their forty-fifth annual three-day convention at the Beach Hotel Wednesday morning.

New officers named at the final business session were Anthony Stamm of Kalamazoo who was elected president to succeed George G. Dunn of Genesee county; Jocab Randa of Ironwood, vice president; Mrs. Luella M. Smith of Washtenaw county, secretary and John A. Hagman of Livingston county, treasuer.

At the convention banquat Tuesday evening, the assembled members and their guests, numbering more than 100, heard Judge Charles L. Brown of the 13th Judicial district speak on security and Americanism. He said that economical, spiritual, political and personal security were tho basic necessities in our lives and that if the United States was to continue as a great country, it was imperative that overyono realize these basic securities.

S. E. Coleman, secretary of the Charlevoix board of commerce, was toastmaster and introduced John B. Martin, auditor general, George Foster, deputy highway commissioner and Mayor Dean Davenport who spoke briefly. Association officers and other guests were also introduced. The Rev. Harold E. Kuhn gave the invocation. Fenton R. Bulow, Charlevoix county clerk and convention host, welcomed the members and guests and spoke briefly to open the program

Sermonnette

Having A Good Time

By The Rev. Lloyd M. Schloop. The Methodist Church

We live in nature's summer playground. The beauty of the landscape, the moderation of the climate, the absence of great cities, the opportunities for fishing, swimming, and hundreds of other outdoor sports make the region around Charlevoix a summer wonderland. No wonder thousands come to have a good time.

And of course, fun, sheer joy, is one of the most wonderful things in the world. One summer, I worked with "Old Boo" Hanna who mowed and kept a golf course in the Adirondack Mountains. His warm smile and perfectly spontaneous laughter were a wonder to behold. Many a person went out of his way to bask a moment in the joy of of his smile and "take the cure" of hearing him laugh.

Not that he seemed to be pursuing happiness at all. But he was relaxed and natural, he liked people, and he trusted his God. Some people are trying to find what he had through constant excitement, drink, and the ardent pursuit of thrills. They fail because life's purpose for us is to become real persons. And joy is largely the by-product of the good life. The most unhappy people I know are those of thirty and above who have been trying to have a big time all their lives.

Life is a school for character. But, as in any good school, we are not only getting ready to live somewhere else, but we are to start living well right here. That means a home life in which we seek the happiness and growth of those we love. It means work that uses our best efforts of mind, body, and spirit in tasks that serve others, please God, and thus fill our own need. It means commitment to the highest, Christ, who cleanses our minds, and provides for our deepest thirst through worship. It means recreation, fun. Not the kind that tries to make up for failure in the rest of life. But the healthy kind which gives us physical exercise, mental relaxation, and expresses the sheer joy of living.

Whether we are on vacation or at home, let us make this summer a time of RE-creation of the best in us in harmony with the beauty of this place, and not the WRECK-creation of our best habits and our highest faith.

ODDS 'N ENDS

By Fran Martin

SOME 37 months ago we were sent scurrying for maps to find a country called Korea . . . It was some place in Asia . . . near a 38th paralell . . . But we soon learned a lot about the country . . . too much about it . . . For the police action which had brought the country to our attention got out of hand and a full-fledged war was on . . . with more and more of our countrymen finding out first hand what it was all about . . .

And now it's over and the elation we should feel is not forthcoming . . . To us, the end is an anti-climax and mingled with the gratitude is the feeling that it's not over at all . . .

We well remember V-E Day and V-J Day back in '45 . . . Everyone was overcome with joy that the war had ended . . . That feeling is nowhere to be found today . . . In fact, we don't think we're alone when we say, after more than three years, what's it all about . . . We just pray that we will have peace . . . even if it has to be a peace with an ear cocked for trouble.

• • •

TWO Charlevoix lads, Joel and Eric Arvilla, came to the aid of three damsels in distress Monday on the Lake Michigan beach when the afore-mentioned damsels were frightened by a wild animal . . . For some reason the 'animal' came out of the water and started running in circles around the beach . . . with everyone in sight practically terrified by the sight of it . . . The confusion only frightened him more until the two boys chased it into the water and speared it . . . The 'it' turned out to be a baby muskrat . . . which must have looked pretty vicious with its teeth bared, ready to attack . . .

• • •

INCIDENTLY, did you see that 1931 Buick that's been making its way around Charlevoix . . . It's owned by Tony Lagamenco of Detroit who is visiting Dale Suomela . . . The car is wonderful, according to Tony, it doesn't take too much gas but oooh . . . the oil it burns . . . It took almost as much oil as gasoline to get the thing here . . . And our apologies to Tony for calling it a 'jalopy' . . .

KIDS ARE the most amazing people . . . Four of them were heard discussing the merits of their respective communities recently on a street corner . . . One youngster came from Detroit where his dad owned a cab company . . . the best in the country . . . Another came from another southern Michigan city which boasted the oldest Episcopal church west of the Alleghenys . . . Two Charlevoix youngsters . . . not to be outdone . . . said Charlevoix had the best golf course in the whole country . . . It was the longest and finest and its grass was greenest . . . And in addition to that we had the shortest river in the world . . . Pine river . . . you could even swim the length of it . . . Guess we won't have to worry about the future of our town with youngsters such as that around.

• • •

DOG'S . . . listed by most people as man's best friends, can also be pests . . . Now we're very fond of dogs . . . we speak to all dogs on the street and make a fuss over those of our family and friends so you see we've nothing against them . . . But we do agree with some people who have complained to us recently about dogs who are allowed to run loose . . . When they travel in packs they can do a lot of damage . . . we don't have to list those things for you've all had them happen to you . . . And when they travel in packs and are allowed to run everywhere, they cease to be pets and become town tramps . . . You're not doing your dog a favor by letting him be a tramp . . . you're losing him really, so how about keeping him home where you will enjoy him and he'll know he's wanted.

• • •

BY THE WAY, those of you who like to start your Christmas shopping early . . . the big day will be around before you know it . . just five months from last Saturday . . . And right now you can sure find lots of ideas for gifts . . . what with all the stores stocked with so many lovely things . . . But who can think of Christmas in this weather . . .

• • •

VENETIAN NIGHT 1953 is no more . . . After working on it for weeks and hearing the plans discussed for ages it's hard to believe that it's over so quickly . . A lot of credit is due a lot of people this year for a job well done . . . a big job that a certain few people did and did well . . . We thought the whole thing very successful . . . What we liked best was the Kiltie band . . . Those fellows could sure play those pipes and drums . . . and those uniforms . . woo . . wooo or words to that effect . . . Didn't you just love 'em . . .

New invisible hair net!

Helena Rubinstein's
HAIR SPRAY!

How wonderful to have every hair in place on the beach—instead of in your eyes. To be able to wear it any way you want because it suddenly has body. To stay "set" through wind, damp weather and a dunk in the ocean. To wind up the summer with a soft, silky head of hair instead of a hank of seaweed!

Helena Rubinstein, who answers every hair problem with marvelously effective products, has invented a brand new Hair Spray that does all this for you...and more. It's fine... non-sticky...better than a hair net because it's invisible. Keeps every wave and curl in apple-pie order ... guards the health and silkiness of your hair with a built-in conditioner. Spray on damp hair for a perfect, longer-lasting setting. Spray on when you comb—and you'll cut down the number of times you have to set your hair between washings. Spray on flyaway, "thin" hair and it becomes manageable. Hair Spray costs 1.50 plus tax...lasts ages...we predict you'll never be without it!

Cancer Society Commends Former Island Resident

A former Beaver Island resident, Donald Cole, now of Detroit has received recognition from the Southeastern Michigan Division of the American Cancer Society for his outstanding work in behalf of the organization.

A letter addressed to Mr Cole and a Detroit sign company which employs him follows in part: "It gives me great pleasure to tell you how much your help benefitted the Southeastern Michigan Division of the American Cancer Society in its 1953 Cancer Crusade.

"The invaluable support rendered by your company, in framing and erecting the ACS flag on the Detroit City Hall and your own fine cooperation are really appreciated.

"We are confident that our cancer education program during Cancer Control Month this year reached many thousands of our fellow citizens with vital information and advice that may save many lives.

"This is a splendid accomplishment and could not have been done without your participation."

Interlochen To Dedicate Two New Scholarship Lodges

Interlochen — Dedication of two new scolarship lodges on the 550 acre forest campus of northern Michigan's National Music Camp, Interlochen, will be attended Thursday, August 6, by officers of the National Federation of Music Clubs and officers and members of its affiliate, the Michigan Federation of Music Clubs.

The cedar log cabins, made available to Interlochen guests during the eight week summer arts session, will provide a continuous fund for scholarship awards from the two organizations to outstanding young music students.

Mrs. Frank W. Coolidge, Grosse Pointe, Michigan, president of the Michigan clubs, will speak at the dedication of the lodge presented by her group.

Mrs. Ada Holding Miller, Providence, R. I., president of the National Federation of Music Clubs, will represent the national clubs group at the double dedication. The lodges will be turned over to Dr. Joseph E. Maddy, camp president, following a special luncheon and entertainment program on Thursday afternoon.

Charlevoix Hits Travel Section Of Detroit Paper

Charlevoix hit the Travel Section of the Detroit Free Press in a big way last week.

The Free Press travel editor, Arthur Jimtuocu, in his travel column had a grand story entitled "Charlevoix Is Ready" . . . a lengthy yarn on the city as a summer resort with a bit of background and concluding with the Venetian Night Boat parade and program.

On the same page is an unusual and complimentary story on "Tourists Demand Fish, But Atmosphere Also" . . . a story about Mrs. John Cross and the Nautical, where people who like character and atmosphere also get plenty to eat.

Local Church Again Shows Increase In Sunday Attendance

It was another banner Sunday. Had an usher been able to make his way through the crowd to the bell rope, the "victory bell" would have rung again at the close of last Sunday's worship service at Charlevoix's First Congregational church. For the fifth successive Sunday the attendance at morning worship was more than double that of a year ago. In fact, with two hundred and twenty folks present last Sunday, the crowd was four times that of the fourth Sunday of July in 1952 when fifty-five people attended the morning worship service.

For the summer months, providing one of the ushers can get through the throngs at the church exit, the church bell is rung after the benediction whenever the attendance doubles that of the comparable Sunday of a year ago.

When asked how he accounts for this phenomenal rise in attendance, the minister, the Reverend Harold E. Kohn, said recently, "My people are some of the world's best salesmen. They advertise their church." He added, "There is a profound spiritual hunger in people everywhere. If you fill the people, you will fill the church."

Girligigs

We're only in the middle of [illegible] days, but new Fall fashions are giving us some woolish ideas.

* * *

Can't find a single feature to debunk about the '53 silhouette . . . it's so slim . . . so sleek . . . and so sophisticated.

* * *

Even the co-eds are going all-out for the smooth look and passing up the boisterous skirts for the whistle-slim sheath.

* * *

I'm all excited over some of the new Fall styles I found in town for you this week . . .

* * *

Excited over the light-as-a-feather nubby novelty knits . . . and a particular black crepe sheath with one of the most fascinating draped decolletes, accented with a single rhinestone cluster.

* * *

. . . . And a beige jersey under a watermelon pink greatcoat lined with sandy lapin. And the completed outfit topped by a melon colored bowler pinned with a dab of lapin.

* * *

College gals get a break this year with their favorite plaids done up in tissue weight wool ensembles consisting of a box-top jacket, slim skirts and really tapered slacks.

* * *

And plaid costume suits in authentic Scotch plaids. Again, the slim, short-sleeved dress with a lapin-lined reversible jacket . . and one of those matching John Frederick's Charmer baby caps.

* * *

Someone is forever trying to make us wimmin purtier than we really are. Now it comes in a packet called Stix'n Stones and it's a box of brilliant beauty spots to be stuck on your face somewhere . . . or your fingernails, ear lobes, toenails . . . or wherever . . .

* * *

There are some awfully silly faced iron figure ash trays and holders down town, too . . . and schools of blue chubbies, pink bass and yellow perch to hang on your wall.

* * *

Why I ended up talking about that, I don't know.

OTTO HAZARD
YOUR LIFE HANGS ON A THREAD OF CHANCE WHEN YOU MAKE A TURN WITHOUT A GLANCE !
© 1953 by Automobile Insurers' Safety Association

Let's face it! You are always taking a chance when you drive your car whether on the highway or just around town.

Why not stop in today and talk over a plan for protecting yourself in the event of any such misfortune — And you'll drive with complete insurance safety.

OUR PRESCRIPTION DEPARTMENT IS HERE . . . TO HELP YOUR DOCTOR GUARD YOUR HEALTH

Just as this pintail duck is searching for floating duckweed and aquatic insects in order to keep alive, all living things must have an intake of food if they are to have an output of energy.

That principle applies to institutions as well as to pintail ducks and people. An institution can live only so long as it is supplied with food, capital. Its intake of funds must compare with its output in services.

We people of the Charlevoix Area have long felt the need of a new hospital. The old one has served us well, but it has become infirm with age, worn and altogether inadequate. At last our hopes, dreams and prayers for a new hospital have come to life. Ground has been broken. Construction is beginning. The New Charlevoix Area Hospital is becoming a living reality.

But the hospital must be KEPT alive. Like all living things it is hungry . . . hungry for funds. And it must have adequate funds if its life is to be sustained. Necessary money for building and equipping the hospital will come from —

★ Pledges still outstanding.

★ Those who have paid their pledges, but now would like to do more.

★ Cash contributions from those who have not yet given to the hospital fund.

You can help keep the New Charlevoix Area Hospital alive by making a pledge or cash contribution through either of Charlevoix's banks, the State Bank of East Jordan or to Herbert Schofield, Secretary of the Fund Raising Committee.

Announce Sale Of State Owned Timber

A single public sale of state-owned timber, standing in the Pigeon River state forest, has been slated for August, the conservation department announces.

The sale will be held August 7 at 10 a.m. at the department's Gaylord district headquarters.

About 800 cords of pulpwood and 76,000 board feet of timber will be auctioned.

Card of Thanks

I wish to express my sincere thanks to the doctors, nurses, friends and neighbors for the kindness shown me during my stay at the hospital.

FOR ATHLETE'S FOOT A KERATOLYTIC IS A MUST.
What is a keratolytic? An agent that deadens the infected skin. It then peels off, exposing more germs to its killing action. Get T-4-L, a keratolytic, at any drug store. If not pleased IN ONE HOUR, your 40c back. Today at JOE WILLIAMS CIGAR STORE

Card of Thanks

We wish to extend our heartfelt thanks to all who so kindly assisted at the funeral of our father and grandfather, John Veenstra. Special thanks to Rev. H. Goodyke for his message of comfort. Rev. and Mrs. H. Diller for the beautiful singing and John Elzinga for the music, also Mr. and Mrs. Grant Hastings for their kind and courteous service, also all those who sent flowers and cards. The children and grandchildren. 31x

Card of Thanks

I wish to express my deep appreciation to Dr's. Saltonstall and Grate and especially to the nurses and aids for their wonderful care during my long stay in the Charlevoix Hospital. Also the many friends, who sent cards and letters, the Barnard Grange and the Norwood W.S.C.S. for their gifts. It was all a great help.

Juliana Elzinga, Robert L. Martin Wed In Detroit

In a quiet ceremony solemnized at St. Mark's Methodist church Detroit July 18, Juliana Elzinga became the bride of Robert Lee Martin, also of Detroit.

The double ring service was performed by the church rector in the presence of the couple's immediate families and friends. A reception followed at the Shores Cafe. The couple will reside in Pontiac following a wedding trip to Port Austin.

The bride is the daughter of Julius Elzinga of this city who, accompanied by Mrs. Elzinga and daughters, Penny and Jeanie, attended the wedding.

Dr. Louis Mann Will Be Guest Preacher

(Continued from page 1)

his membership in the White House Conference on Child Welfare, his position as arbitrator of the United States Government Labor Board, and his membership on the executive boards of the Carnegie Foundation Church and of Peace Union. With Margaret Sanger and others he was one of the founders of the American Birth Control League.

Well recognized and highly esteemed in academic circles for his scholarship, Dr. Mann has succeeded notably in spreading his contagious enthusiasm for learning. After studying at Johns Hopkins University, the University of Cincinatti, Hebrew Union College and receiving his Doctor of Philosophy degree at Yale University, Dr. Mann became lecturer in Comparative Ethics at Yale and now serves as Professor of Oriental Languages at the University of Chicago, in addition to his duties of Rabbi of Sinai Temple. Among his degrees, besides Doctor of Philosophy, this noted minister holds the A. B. M. A.; BHL; D.D.; S.T.D.; and Litt D. degrees. Some years ago the French Government made him a member of the French Academy, a very rare honor. Dr. Mann is president of the scholastic honorary society, Phi Betta Kappa, in the Chicago area.

Dr. Mann's writings are too extensive to mention, but among them might be cited the New Thorndike Dictionary of which he was a collaberator, the Dictionary of American Biography and the World's Best Sermons on Peace to which he contributed. He is Editor of the Department of Ethics of the New Universal Jewish Encyclopedia and the author of "In Quest of the Bluebird."

Charlevoix will welcome Dr. Louis Mann's tenth appearance in the First Congregational church Pulpit next Sunday morning. Like "Venetian Night", he has become an "annual event" to our community.

Cottontails Again Protected On Island

Cottontail rabbits will again be protected on Beaver Island this fall, but conservation department game men are not optimistic about their future there.

Though protected from hunting during the last three years, cottontails on the island have failed to increase.

A colony of 57 rabbits, live-trapped in southern Michigan was released on the island in 1950 to see if the animals could take hold.

Biologists say that food and cover conditions on the island, considerably different from those cottontail rabbits are accustomed to, probably have served to limit growth of the bunny colony.

Conservation Dept. Plans Meet With Tourist Council

Groundwork has been laid for a meeting of the conservation commission with the Michigan Tourist Council, the conservation department reports.

Common problems will be discussed at the meeting, tentatively slated next month.

"BOO!"

Though still a youngster, about the size of a short turnip, this baby screech owl already exhibits the courage of his breed, standing up to the conservation department photographer without apparent fear. Screech owls are the most common type in Michigan and when this little fellow grows up, he'll give farmers in his home area considerable help by eating rats, mice, insects, and ground lizards. His call is not really a screech, being more a plaintive wail. Don't look at him too long; those eyes have a hypnotic effect.

IT HAPPENED ON . . . .
BEAVER ISLAND

By Loyola Malloy

Mr. and Mrs. Ray Hooker are visiting at the home of Mrs. Hookers parents, Mr. and Mrs. James O'Donnell.

Mr. and Mrs. Heinie Polerdyke and daughter of Grand Rapids visited a few days last week at the home of the J. W. Gallagher's Mrs. Beeket of Grand Rapids was also a guest there.

Mr. and Mrs. Isbel and family are vacationing at their cottage on Lake Genesereth.

Visiting Mrs. Nonie Gallagher for a few days was Paddy Gallagher from Whiting, Ind.

Mrs. Mary V. McDonough left last week for Lake Forest, Ill., where she was to enter the hospital for Surgery. Mrs. McDonough had her operation and a last report was good as to be expected after the ordeal.

Mrs. Agnes Smith from Lombard, Ill., is a guest at the Beaver Lodge.

Mrs. Mona Gallagher and Mrs. Lawrence Malloy Sr. were in Charlevoix last Monday on business.

Mr. and Mrs. Frank Hall have announced the purchase of the former Gus Mielke home.

The House of David buildings on High Island are now being torn down and construction on new buildings is getting under way for the Townsend Cattle Ranch.

Mr. and Mrs. Robert Lindsay of Grand Rapids were guests of Mr. and Mrs. Dale Berger. Mrs. Lindsay formerly of Salt Lake City, Utah found the Morman relics of the Island very interesting as she is a member of the Morman church founded by Brigham Young.

Mr. Preston Turker and mother of Detroit are vacationing at the King Strang Hotel.

Mr. and Mrs. Delamater of Grand Rapids are spending this week on the Island.

The Coast Guards were called upon Saturday afternoon to rescue Raymond Lewis off High Island. Due to the storm at the time Owen Chapman was unable to get Raymond safely aboard Townsend's supply boat.

Greg Smith of Boyne City spent the weekend with his family here.

Guests at the home of Cecil Kinny were her niece Corky Pankawicez and her girl friend from Detroit.

Mr. and Mrs. Buster Licanoli and family of Detroit arrived Saturday. Buster had to return to Detroit Sunday but his wife and family are spending some time with her parents, Mr. and Mrs. Tom Gatliff.

Mr. and Mrs. John Hannan of Lombard, Ill. are vacationing at the Allen's cabins.

Mrs. Irene LaFreniere arrived Saturday from Washington to spend the remainder of the summer at her home here.

Mr. and Mrs. Jack Connaghan are the proud parents of a son Sunday, July 26.

Grace Gallagher of Green Bay arrived Sunday to spend her vacation with her sister, Mrs. Mayme Gallagher.

Mike Mooney of Iron Mountain is here visiting his brothers, Francis and Barney Mooney.

Bill Lowry Sr. of Milwaukee, former owners and builders of the North Shore spent a few days here last week.

Ed Gillispie of Charlevoix spent a night here visiting relatives and friends.

Charley Yanconic owner of the Copperhead Yacht that won the Port Huron-Mackinaw race spent a few days here last week.

Mr. and Mrs. Dale Thomas are spending some time at their cottage.

"Deer Dope Sheet" Prepared For Public

Lansing — Another "Deer Dope Sheet" is in preparation at the game division here, and will be available upon request about October 1, the conservation department reports.

Unlike past years, however, the four pages will this year be packed with information regarding only the 1952 seasons. In past years, the dope sheets carried information of several years. The change this year is based on 1952 being the first year to see a large-scale use of the "any deer" management principle in Michigan.

Post card poll data from the archery, firearm and special seasons will be included in the sheet.

Experimental Farm Machinery To Be Displayed At Field Day

Machinery used in a quarter century of research work at Michigan State college's Lake City Experimental Station will be shown to visitors at the 25th Anniversary Field Day there on August 12, reports Ed Rebman, Charlevoix county agricultural agent.

A program of special interest to women also is planned in the forenoon, notes Emma Reinbold district home demonstration agent. This will cover preparation of meats, potatoes and fish.

The experimental area, set up for potato work, has become a treasure house of research farm lore not only for the Northland, but for the entire state, Rebman points out.

Potato crop practices, calf cutting, turkey runs over rocks, fish ponds, brush control with chemicals and a beef herd and pen-type barn are among the attractions. Speakers will include Dr. Clifford M. Hardin, new dean of agriculture at Michigan State college.

Demontrations on best use of meats and potatoes will be put on by Jennie Day, foods and nutrition specialist in home economics, and L. J. Bratler, meat specialist in the animal husbandry department. They will cut a quarter of beef, outline beef grading standards and show the use, preparation and carving of various cuts. Potato recipes will be included, says Beatrice Frangquist, assistant state home demonstration leader. Assigned to the northern area, she will head the home economics program.

Peter I. Tack, head of the M.S.C. department of fisheries and wildlife, will present a demonstration on cleaning, filleting, boiling, brining and smoking of fish. He will show various fish smoking methods, from an inexpensive way . . . using a smokehouse constructed from a box . . . to professional techniques.

Families will be able to picnic in a grove at noon.

Seedings In Corn Fields Are Valuable

If you want to use that soil between your corn rows, seed rye or sweet clover, suggests a farm crops specialist at Michigan State College.

Herbert R. Pettigrove says the seedings will help cut down on winter soil erosion and can be plowed under for green manure or used for hay or pasture.

Seedings between corn rows can be made in several different ways. Some farmers use a seeder on the front of a weeder. One farmer, recalls Pettigrove, attached a seeder to the front of his tractor so he could seed and cultivate in one operation. Other farmers have adjusted grain drills or different types of hand seeders for the operation.

You get the best stand of a seeding, reminds Pettigrove, if the seed is covered only slightly. This is where a weeder or cultivator comes in handy. But if you use a cultivator, make sure that it runs very shallow.

Recommended rates of seeding include a bushel to a bushel and a quarter of rye per acre, eight pounds of alfalfa, 12 to 15 pounds of sweet clover, or a mixture of 10 pounds of sweet clover and three to four pounds of domestic rye grass.

Before seeding, however, he cautions, make sure the seed will germinate by running a germination test.

Jordan FFA Team Places Third In Judging Contest

Thursday, July 16, at the Antrim County Pastures day the East Jordan FFA scored 619 points to place third in the Soil Judging Contest sponsored by the Antrim Soil Conservation District.

About 10 teams participated including any individual who wished to participate. The three highest scorers of each team made up the team score. Jim Shepard of East Jorden scored 211 points out of a possible 300 to lead the team and his score was 5th of all the teams contestants. Steve Hayden and Lester Howard, both of East Jordan, scored 208 and 200 respectively to place 6th and 8th individually.

Dick Schroeder was outscored again by his pupils. Dick scored a 178, this making it the second time the coach was outscored by his pupils.

Levering FFA scored a 654 to take first and Harbor Springs a score of 625 for second place on the three soil judging stops on the J. H. Kencald farm.

Farmers Inspect Test Plot In Fertilizer Application Project On Frank Polus Farm

Farmers from several northwestern Michigan counties visited the fertilizer applications on the alfalfa plots at the Frank Polus farm near Alba recently Ed Rebman, County Agent stated. The purpose of these fertilizer treatments was to bring the alfalfa product back up to the average they were 25 to 30 years ago. Michigan State college farm crop and soil departments will cooperate in the project.

The soil on the Polus farm is a light loam with a pH of about 5.8 to 6. To begin with 1½ tons of lime per acre were added. Four basic treatments were used. One was barn yard manure, 10 tons per acre. Another was green manure of buckwheat and rye fertilizer. The next treatment was the same fertilizer as the green manure used on the green manure, a crop being raised. The fourth plot was a check plot with no treatment. It is very interesting to note that the stable manure gave the best yield an average of ½ ton of hay more per acre for the series three cuttings. This indicates farmers should do a better job of handling their farm manure in order to increase their alfalfa production.

In addition to the four basic treatments minor elements were used. These included: magnesium, manganese, boron, calcium, copper, zinc, and sulfur. None of these minor element treatments seem to show much results however, there was one spot in the farm where it looked like there was boron deficiency and an application of 30 pounds of borax produced good results.

Different rates of fertilizer application of 0-20-20 were used in the amounts of 300 pounds, 500 pounds, and 700 pounds per acre. The 500 pounds appplication gave the most economical increase in yield of five different rates application of lime were also used. A one ton and two ton application showed the greatest increase while the 3 ton and 5 ton application showed a small decrease in yield.

Another experiment being carried on in this area for northern Michigan farm series of 13 different rotations at the Strieffert farm. These rotation plots will show the value of different rotation and different fertilizer applications with a crop of potatoes being used to measure the effectiveness of the rotation. Farmers in Charlevoix County are welcome any time to visit either the Polus farm or the Strieffert farm to observe these demonstrations.

It's Fine To Be Fooled —Sometimes

Handy Peters entertained for the ladies of the Auxiliary the other night—and had the ladies believing for a while that he's the best marksman ever.

Handy put on a great act. He set up a whole bunch of balloons on a muslin backdrop and then took out his pea-shooter. He shot blindfolded, standing on his head, every which way—and broke a balloon every time!

No wonder Handy impressed the ladies. What they didn't know—till the show's end—was that Buck Mulligan was hiding behind the backdrop improving on Handy's aim with a hatpin.

From where I sit, we all get things "put over" on us now and again. When it's good-natured—fine! But, some folks would like to fool the rest of us into believing it's wrong to enjoy an occasional glass of beer—just because they prefer something else. For real American tolerance and neighborliness these people are simply "off target."

ONE GREASE FOR ALL Lubrication Jobs!

Yes, SINCLAIR LITHOLINE® means faster, better lubrication!

With just one grease, Sinclair Litholine, you can lubricate chassis, wheel bearings, water pumps, universal joints . . . of your car, truck or tractor . . . winter or summer. Farmers find it does a better job at each lubrication point than the "specialized" greases they formerly used.

FARM ADVANTAGES at-a-glance:

1. A finer grease at every point.
2. Less danger of applying the wrong grease.
3. Quicker greasing operations.
4. Smaller grease stocks — one instead of 3 or 4.
5. Fewer grease guns.
6. Less waste.

What's Doing at Camp Charlevoix

The Fourth week of camp started with more trips leaving camp. Boys enjoy trips, sailboat trips, horse-back trips, canoe trips, and truck trips, and much is learned on how to spend the night in the open comfortably. On Monday, Reic Thoreson and Tom Corbett took their boys on a horse back trip. The boys on this trip were: John Mueller, Larry Bolam, Jim Potter, Chuck Barlow, Doug Ca-Jacob, Robbie Helwig, Tom Manley, John Osburn, Jim Cotton, Bill Depperman, Dick Lawler, Jack Scott, Dick Weiler, and Ronny Armbruster.

On Tuesday, Jerry Prescott and Tom Varhedian took their boys down to Grave's Crossing on the Jordan River for an overnight trip. These boys were: Tom Baither, Vic Graf, Peter Nathan, Al Hillanbrand, Mark Fischer, Devy Barres, John Naylor, Gary Praeg, Jim Smith, Bill Stoll, Bob Tutag, Matt Buder, and Marty Burke. Along about one o'clock that night, we had quite a storm here at camp, and being the worry-warts that we are, we took three cars to go get the boys. This was quite an undertaking as they were camped thirty-five miles from camp. Getting there, we found that their rain was very mild, and they were all well-bedded down and happy. O, for the life of a camp director. They were quite embarrassed that we brought them back to camp.

Wednesday saw our two cabins of oldest boys take off on a canoe trip down the Jordan River. George Cameron and John Ingold took the following boys: Kent Gibbs, Pat Bryar, Eddie Guest, "Tex" Huntington, Chris Lietwiler, John McBride, Dan Shealy, Phil Holliday, Scott Beaman, Mike Drossel, Doug Graham, Tops McKay and Bill Parker.

Friday, Paul Gach, of Grosse Pointe, was here to take the camp pictures, so everyone was dressed in formal camp clothes and some very fine pictures were taken of activities.

Saturday dawned dark and cloudy, and with the Carnival scheduled for the afternoon, we all kept our fingers crossed, until we finally had to give in to the weather, and after much telephoning, we secured a real Western movie with Gene Autry to show to the boys. They loved it, as did the many parents who were in camp that day.

Coyle Moore was the speaker at chapel on Sunday morning, and all of the visiting parents remarked on the fine talk he gave. In the afternoon, the Carnival was held and it was really a gala occassion. From the fish pond, the hit the nail, the buggy ride, the hit the monkey, the fun house the snake race, the duck pond, one could hear the boys and their parents having a lot of fun. The proceeds from the carnival go in the fund that the Camper's Council sends to charities, especially to Foster Parent's, through which we have supported two war orphans for the last several years, and we are one of four camps in the entire country to do this.

Sunday evening was the annual Venetian Night in Charlevoix, and once again, as we have done for years, we took a forty-voice chorus in to give a program of Sea Chanties. The boys and men did a very fine job, and Camp Charlevoix's reputation for mighty fine boys was furthered a great deal. Dave Netting led the chorus and did a very splendid job. The entire camp, of 175 persons went in to the event, parents lending cars, and our using every camp vehicle, gave the boys a very fine evening of seeing the fireworks and the beautiful boat parade.

"Courtesy is every day"

writes Mrs. J. B. Dellinger
formerly of Ann Arbor, Michigan

WE WERE very pleased to receive a letter from Mrs. J. B. Dellinger shortly before she moved to Maryland. Her [illegible] service included the following comments:

"A few years ago when an employee of your company [illegible] showed us what we thought was an unusual courtesy we remarked upon it to Mr. Prakken, your manager in Ann Arbor.

"Since then, however, we have discovered [illegible] that Michigan Bell courtesy is 'every day' and not at all unusual. Your slogan of 'The Voice with a Smile' is most appropriate. We thank you for a most pleasant association."

And we thank you, Mrs. Dellinger, for putting into words sentiments which we hope are shared by Michigan Bell customers everywhere.

MAKE UP YOUR MIND ON THE ROAD!

You'll find a fresh new design note in Mercury's beauty—inside and out. But the real thrill comes when you get behind the wheel and head her for the open road. Here's surging V-8 power combined with a handling ease that makes other cars seem stodgy. Here's V-8 performance you can count on—for Mercury is no newcomer V-8, no old-fashioned straight eight. V-8 engines are the only kind that have ever been good enough for Mercury—and this is the greatest yet.

After you've driven a Mercury, come back and get the facts about its *proven* high trade-in value. Year after year, Mercury is consistently tops in its field! Now—more than ever—it pays to drive a Mercury!

Michigan's 4-H Champions Fly To London

ONDON BOUND

Off on a flying trip to Europe to compete for international honors at the Royal Livestock Show in London, England is Michigan's championship 4-H Club dairy judging team which recently won the U. S. title at Waterloo, Iowa. From left to right are Marilyn Tyge, 16, of Traverse City; Donald Proctor, 17, of Chelsea; Robert Meyer, 18, of Ypsilanti and David VanDenHeuvel, 18, of Hart. Seeing them off was Don Gardner, assistant to the president of Michigan Racing Association. The Association gave $2,000 to make the trip possible.

Two Local Women Attend Meetings For Homemakers

Two Charlevoix women were among the more than 1,300 Michigan homemakers who were in East Lansing last week for the twenty-sixth annual Michigan Homemakers Conference at Michigan State college.

They were Mrs. Sims Baker, chairman of the Gaylord district which includes Charlevoix county and Mrs. Ralph S. Hamilton.

Theme of the four-day conference was "Better Homes for a Better World."

Among the outstanding speakers at the meeting were Marion Martin, commissioner of labor and industry, State of Maine, whose topic was "The Influence of Women in Government"; Mrs. Edith Sampson, attorney of Chicago, "The United Nations and You"; Mary L. Morr, assistant professor of Foods and Nutrition, Michigan State college, "Know What Your Food Dollar Buys"; Mrs. Fern G. White, Kansas City, Mo., "Philosophy Through Your [illegible]"; Dr. Elaine Knowles Weaver, assistant professor in Home Economics, Ohio State University, "New Styles in Laundering."

As special entertainment the group heard the Don Large Youth Chorus, W J R, Detroit; "Make Way for Youth" and "Accent On Youth," presented by 4-H club members.

While there delegates could enroll in any of 18 classes in a variety of subjects.

The delegates lived in Shaw Hall while on the campus and enjoyed a tour of the Michigan State campus and many classes [illegible] by the college.

Find Old Tree Blaze Made By Father

Lansing — While surveying near Charles Lake in Baraga county recently, Louis F. Smith, conservation department lands examiner in the upper peninsula, found a tree blaze mark made by his father half a century ago.

Smith said the blaze mark, located on the corner of a section he was checking, read "F. Smith, August 11, 1903." He said the last numeral was very faint and may have been a '2,' but that the remainder of the blaze was readable.

The elder Smith had been a timber cruiser for an early logging company.

I. T. Quarnstroms Visiting Harbor

The I. T. Quarnstrom family arrived last week from Detroit aboard their yacht, My Dream, to spend a week in the Charlevoix harbor.

Included in the party are Mr. Quarnstrom who has business interests here including the American Mold Engineering Co. and a new plant being constructed on M-66; Mrs. Quarnstrom and their son and daughter, Bob and Katie.

Large Crowd Enjoys Venetian Parade

(Continued from Page 1)

The Pipes and Drums of the [illegible] Heavy Anti-Aircraft Regiment, R.C.A. with their colorful kilts and versatile maneuvers were well received as they played and marched several times during the afternoon and evening.

A variety program including selections by Zach Whyte, Pianist; Bernice Warner, vocalist; Thelma Roberts, piano stylist; Danya Bryan of Boyne City, baton twirler; Ethel Staples, blues singer; the Camp Charlevoix boys chorus and the Charlevoix Marine band directed by C. A. Odmark.

Dr. W. F. Hoffman was master of ceremonies for the evening program. Clifford Riley was the announcer during the water festival.

During the afternoon and evening many booths were operated by various local organizations in East Park, adding much to the carnival spirit of the occasion.

The Venetian Night parade and program were sponsored by the Charlevoix board of Commerce, the Marine Club, the Rod and Gun Club, the Retail Merchants Association and the Kiwanis club. Many other local organization assisted the major groups.

Harvey O'Brien Dies Following A Long Illness

Harvey O'Brien, 65, retired Michigan Highway Department bridge tender, died suddenly at his summer cottage at Pine Point late Friday. He had been in ill health for the past year.

Funeral services were held Monday at the Pontius Chapel with the Rev. W. D. Wood of Kalamazoo officiating. Burial was in Brookside cemetery.

Born in St. Ignace, Jan. 20, 1888, Mr. O'Brien had been a resident of Charlevoix for 60 years. In 1927 he was married to the former Mrs. Anna Willis Mayhew. He was a bridge tender on the highway bridge over Pine River here for 25 years before retiring in 1949.

Besides his wife, Anna, he is survived by a son, Donald, at home; two step-sons, Harold Mayhew of Lakeville and Clifford Mayhew of East Jordan; one sister, Mrs. Hazel Raby of this city and a brother, Milton of California.

Roy R. Robinson Arrives To Assume New Duties Here

Roy R. Robinson arrived August 1 from Niles to assume his duties as city superintendent.

Mr. Robinson was introduced to the city council, the planning commission, representatives of the Charlevoix Development Corporation, the board of commerce and city department heads at an informal meeting at the city hall Tuesday evening.

Mr. Robinson will be joined later by Mrs. Robinson.

Local Musicians Attend Interlochen

★ ★

Three Charlevoix musicians who are attending the National Music Camp at Interlochen for two weeks will be among the 200 members of the All State Band which will present its final concert at 3 p.m. Sunday, August 9.

They are (pictured l to r) Henry Pontious, Jim Bearss and Barbara Smith.

The trio is attending the National Music Camp on Scholarships awarded by the Interlochen Scholarship committee headed by Mrs. E. D. Hawley. Funds for the scholarships are contributed by various local organizations.

The All State Band is one of three Michigan groups sponsored by the University of Michigan. The others are the All State Orchestra and the All State Chorus. Each group spends two weeks at Interlochen with a schedule of study, rehearsals and concerts running concurrently with the program of the regular eight-weeks National Music campers.

Services Held For Joseph A. Left On Beaver Island

St. James — Joseph A. Left, 52, of Chicago, died unexpectedly July 28 while visiting at Noonan, Ga., with his son-in-law and daughter, Mr. and Mrs. Desmond Currier.

The body was brought to St. James, Beaver Island, where funeral services were held at Holy Cross Church Saturday morning with the Rev. Joseph Herp O.F.M. officiating. Burial was in Holy Cross cemetery.

Born at St. James July 18, 1901, Mr. Left was married to the former Veronica Gallagher in 1924. In 1933 they went to Chicago to make their home. He had gone south alone to visit his son-in-law and daughter only a few days before his untimely death.

He was a member of St. Mary's of-the-Lake church in Chicago.

Surviving are his wife, Veronica; a daughter, Mrs. Currier and one son, William John of Chicago; three grandchildren; two brothers, Gerald of Charlevoix and Franklin of Jacksonville Beach, Fla., who accompanied the body here from the south and two sisters, Mrs. Russell Rink of Chicago and Mrs. Thomas Diehl of Milwaukee, Wis.

Beaver Island Will Observe Homecoming

It will be a great day for the Irish this Sunday as sons and daughters of America's Emerald Isle, Beaver Island, return to their island home in northern Lake Michigan for the annual homecoming and August dinner.

A committee composed of Walter McCauley, James W. Gallagher, Frank O'Donnell, Willie Smith, Mrs. Lawrence McDonough, Mrs. John A. Gallagher, Loyola Malloy and Mrs. Walter Wojan has been planning for weeks for the event which will welcome home native islanders who have gone elsewhere to make their homes.

All this week the island ferry, North Shore, of the Beaver Island Transit Co., has had many passengers, all returning for the homecoming. The McPhillips Flying Service operated by Joe McPhillips also has many reservations for those whose time is limited or who are in a hurry to join the festivities.

On Sunday the majority of the visitors will attend Mass at Holy Cross church after a night of visiting and reminiscing. Later they will return to the parish hall along the King's Highway for the August dinner where tables will be filled with lots of good food prepared in island kitchens.

A parade, as only the people of the island can present, will furnish the entertainment during the afternoon.

By evening the tables and chairs will be cleared from the parish hall for the dancing par-

Draft Board To Call Two From County In Sept.

Two Charlevoix county draft registrants will be called for induction into the armed services and an additional 15 men will be called for pre-induction physical examinations in September, the county draft board has been notified.

On Wednesday, Aug. 5, Robert W. O'Donnell of St. James and Norman R. Clements of East Jordan left here for Detroit to be inducted into the armed forces [illegible] the August draft quota.

Another 15 men including six Charlevoix registrants will leave Aug. 17 for pre-induction physicals in Detroit. The local men making the trip will be Ronald J. Cunningham, Bruce K. Shanahan, Frederick W. Jolliffe, Nathan J. Boss, Clyde F. Flower and Stewart A. Bost.

The list also includes two Beaver Island men, Donald R. McCafferty and William G. McDonough.

Also Edward W. Moyer and Kennard H. Gerrie of Boyne City; Frank J. Wasylewski of Boyne Falls, Gary W. Farmer, Patrick D. [illegible]nnan, Leonard L. Lick and [illegible] F. Kookau of East Jordan.

Farmers Hunt Group Would Ban Pheasant Kill For Three Years

Protection of ringnecked pheasant in Charlevoix county for the next three years was requested in a resolution approved by the Norwood-Banks Hunting association at its annual meeting Monday evening.

Birds purchased and released by the association last spring apparently survived the first summer satisfactorily and a number of young broods have been reported. Club members feel a three year protection period will materially help in re-establishing the bird population in the area.

The hunting acreage operated by the association will be posted again this year and hunting of all legal game (except pheasant) will be permitted under the Williamston Plan. Hunters desiring to hunt in the posted areas may obtain permit tickets from any member of the association. There is no charge for the ticket. The only restriction is that hunters abide by the game laws and the rules of the association.

Tentative plans have been made for a social meeting of the group to be held the second week in September. Members will be notified of the date when the program has been completed.

Officers elected for the ensuing year are: president, Floyd Wagner; vice president, Art DeVries; secretary, John DeYoung; treasurer, Norman Empey.

Joseph J. Irwin Kiwanis Speaker

Joseph J. Irwin, dean of liberal arts at Bay View summer college, was the speaker at the regular dinner meeting of the Charlevoix Kiwanis club at the Beach Hotel Monday evening. He spoke on Bay View, its broader educational program and its relationship to northern Michigan.

Guests at the meeting were Harold Lang of Gaylord, M. D. Adair of Petoskey and Andy Bloetscher of Detroit northwest, all Kiwanis members. Also Mayor Dean Davenport, Roy R. Robinson, Charlevoix city superintendent, Floyd Akens of Dearborn, Elmer Johnson of White Cloud, Alfred Zimmerman of Reed City and [illegible] Livingston of Grant's Pass, Ore.

[illegible] Mrs. Gerald Chambers and family arrived last weekend [illegible] for a 10-day visit with [illegible] Chambers' parents, Mr. and [illegible] Keith Wagner and other [illegible].

Two Blocks Of New Highway To Open Today

The first two blocks of the new highway located on Michigan ave. between Dixon and Petoskey avenues will be opened to local traffic some time after noon today (Thursday,) William P. Collon of the Michigan Highway Department staff said Wednesday.

The 44-ft. roadway was completed earlier this week. The curb and gutter along the street, however, remain to be completed.

The opening of these two blocks will allow persons living on Michigan ave. and those residing north of Petoskey ave. easier access to their homes.

It is hoped that the intersection at Burns st. and Petoskey ave. will also be opened late this week to allow traffic to cross the trunkline at this point.

The regular detour for US 31 traffic will remain in force until the entire roadbed is laid, Mr. Collon said.

A breakdown of the paving equipment Wednesday morning halted operations for a time midway in the block between Nettleton and Burns st. However, Mr. Collon said repairs were being made and it was expected the work to the Petoskey ave. Burns st. intersection would be completed by Wednesday evening.

Report Progress In Fund Drive To Light Field

The Knight Memorial Fund Committee will operate a booth at the annual Rod and Gun festival this weekend it was decided at a meeting of the Committee at the city hall Saturday evening.

Proceeds from the project will go to the fund to light Kipke field.

A total of $31.85 was added to the fund this week from benefit hardball and softball games played here Sunday. The baseball game between the Charlevoix team and Detroit Blatz Beer brought in $17.35 and the softball game between Cadillac Olds and Petoskey Elks netted $14.50.

The Fund now has a total of $2,471 or more than 50 per cent of the amount needed to light the field. Efforts are being made to raise the remainder of the amount so the field can be lighted this year

Winners of the bicycles given away during the recent carnival sponsored by the Fund Committee were Billy Supernaw, son of Mr. and Mrs. Henry Supernaw and Peggy Carter of Petoskey, daughter of Mr. and Mrs. Carlton Carter.

Fenton R. Bulow Is Re-Appointed Branch Manager

Fenton R. Bulow, Charlevoix county clerk, was re-appointed last week as branch manager of the local office of the Secretary of State at the court house here.

In making the appointment, Owen J. Cleary, secretary of state, commended Mr. Bulow for his work in the office which he has held since 1924 and stated in a personal letter that "I am taking this action because your past service in this capacity is personally known to me and I have full confidence that you will perform your duties in a manner to reflect credit upon this office."

The appointment was supported by Guy C. Conkle Jr., chairman of the Charlevoix county Republican committee, State Senator Frank Andrews and State Representative Louis E. Anderson.

Sports Carnival Is Expected To Please Large Crowds Here

A variety of entertainment planned to please everyone will be offered here this weekend when the Charlevoix Rod and Gun club presents its seventh annual Sportsmen's festival.

Beginning at 1 p.m. Saturday and closing late Sunday evening there will be outboard motorboat races sponsored by the Michigan Outboard Motorboat Association, log birling by world-famous Billy Girard and Co. of Gladstone, a water festival, a rifle and skeet shoot, a dance, concerts by the Intercollegaite Stompers and the Charlevoix Marine Band, a wildlife exhibit, a variety show featuring local and state entertainers plus a midway jam-packed **with concessions and booths.**

The program will open at 1 p.m. Saturday with the appearance of Billy Girard and company of Gladstone, world famous log-birlers. They will make three other appearances over the weekend at 6:30 Saturday evening and at 3 and 6:30 p.m. Sunday.

Saturday afternoon, beginning at 2 p.m., will be devoted to the Michigan Outboard Motorboat Association races on Round Lake with more than 60 boats from throughout the state participating in the exciting event.

The Billy Girard company will open the evening program at 6:30 and will be followed by the Arthur Godfrey Talent Scout winners, the Intercollegiate Stompers who will appear at 8 p.m. Nancy Forbes of Kalkaska. Amastar acrobatic performer will appear with the group. At 9 p.m. Zach Whyle and company, a group of entertainers with a variety show will present a program.

A dance at the Rod and Gun clubhouse with music by the Intercollegiate Stompers will conclude the evening's program.

All during the afternoon and evening of both days a midway on the edge of East Park will be operated by local and outside groups.

On Sunday, the activities for the day will begin at the clubhouse at 10 a.m. with a rifle and skeet shoot with prizes for the winners.

A water festival in Round Lake off East Park at 2 p.m. will open the afternoon program. At 3 p.m. Girard and company will make another appearance followed by a concert by the Intercollegiate

Seven From Area Get Life-Saving Badges For Work

Because seven Senior Girl Scouts expressed a desire to learn more about life-saving to the waterfront director, Joan Nelson, while attending Girl Scout camp in June, seven northern Michigan youngsters are now wearing junior or senior life-saving badges.

After hearing of their wishes, Miss Nelson, a physical education teacher, who serves as waterfront director at the Belvedere Club during the summer, offered to train the girls.

When the class, which requires a minimum of 17 hours, was started June 10, Keith Evans of East Jordan joined the group which last week completed all requirements to become eligible for the badges. All seven attended approximately 28 classes of 40 minutes each during the six weeks period.

Because the group showed such interest, Miss Nelson donated her time and talents to the project.

Those who completed the tests for Senior Life-saving badges are Joyne Cunningham, Bennie Kipke, Darlene Mason, Connie Oleksy, Janet Todd and Keith Evans of East Jordan. Madelyn Rabach, only 14 years old, passed all the tests but received only a junior Life-saving badge because of her age.

WAC Recruiter To Be In Petoskey

A WAC-WAF recruiter is to be at the recruiting station located at 303 Howard St., Petoskey on the 13th of August, 1953. Office hours are from 8 a.m. to 5 p.m.

Any girls interested in either the WAC or WAF are urged to step in at the recruiting station for full particulars on qualifications for enlistment or call Petoskey 4492 for full information

Annual Hospital Meeting Will Be Held Wednesday

Three directors will be elected to the Charlevoix Hospital board at the annual hospital meeting to be held at the city hall at 8 p.m. Wednesday, Aug. 12, Mrs. E.K. Shanahan, secretary of the board has announced.

The terms of P. D. Campbell, Charles Hampton and H. A. Craig will expire this month. The three directors to be named at this meeting will serve three year terms. It is understood that the incumbents will be candidates for re-election.

Those assembled for the meeting will also vote to change the name of the hospital to the Charlevoix Area Hospital.

Reports will be given by Anne Baumgartner, superintendent of the hospital as well as by the officers of the board of directors.

Everyone is urged by Fred Willis to attend this important meeting. Any resident of the area served by the local hospital is invited to attend.

Announce Plans For Biblical Play Sunday, August 16

Plans for the presentation of the Biblical play, 'Heaven Bound', by an all-Negro cast under the direction of Horatio Jackson, were announced this week.

The play, which tells of the trials and tribulations of those trying to make their way into the heavenly Kingdom, will be presented at the high schol auditorium at 8 p.m. Sunday, August 16.

A cast of more than 30, featuring a choir of 20 mixed voices, will appear in the play. In the stellar roles will be Allan Whyte, Fern Wilk, Mozell Butler, John Wilk, Osey McNeal, Mrs. Webb, Mr. Rogers and Mr. Jackson.

There will be no charge made for the play but a free will offering will be accepted.

Mrs. Dan Boyle To Observe Birthday

Mrs. Dan P. Boyle, Beaver Island oldest native-born resident, will observe her eighty-ninth birthday anniversary today (Thursday).

Known as Aunt Maggie to all island residents, she was queen of the 1952 homecoming.

Sermonette

You Can Count On Him

By The Rev. Harold E. Kohn, The Congregational Church

You can depend upon God. Really you can! It may sometimes seem that God is unpredictable when we observe the apparently wild forces of nature, hurricanes, tornadoes, volcanic eruptions. But even these have their causes, say the scientists, and definite rules which they must rigidly obey. Like the foreseeable rising of the sun, the coming of the rain which can be forecast by weather bureaus, the second of the beginning of an eclipse of the moon which can be foretold months and even years in advance, so even the wildest natural upheavals obey the laws that God has written into Creation. All the forces of this earth testify to the dependability of God. And what is true on this earth is true also of the heavenly bodies out in distant space . . . all of them are witnesses to the faith that God can be counted upon. He is not controlled by moods and capricious whims. He is not changeable, holding one opinion one moment and another the next, doing a thing one day and the next behaving in the opposite manner. But day after day, century after century, age after age, God is always the same; in all his dealings with his entire Creation God is dependable.

Do you know how far it is to the nearest star? Well, here is a way to grasp the tremendous distances that separate the heavenly bodies from us. Supposing you had a horse that could run at the speed of light . . . 186 thousand miles per second. (On such a horse you could travel seven and a half times around the world in a second.) If you would jump on that horse this instant and ride him at full speed . . . 186 thousand miles per second . . . you would pass the moon in about one and two-thirds seconds. In eight and four-tenths minutes you would leave the sun behind you. After four years steady galloping at this tremendous rate you would see the first of the neighboring stars looming up ahead, and after 100 thousand years you would reach the outer limits of the Milky Way. Then would begin a trip lasting a million years at the rate of 186 thousand miles per second to get to the next star cluster. And beyond that next star cluster lie 500 thousand more clusters that astronomers know of now, with their rather limited telescopes. Yet, in all this vast known universe all stars are governed by the same laws. Each one emits its light at exactly the same speed, none faster or slower than the others, and not one ever gets out of hand . . . God's hand.

You will eat today because someone has trusted that this universe is run by a dependable Power . . . a Power that can be counted upon. You will have bread because farmers have sown wheat seeds knowing that from wheat seeds they will get wheat, not sunflowers, milkweed or poppies. You can eat beef today because some rancher bred cattle, knowing that from a cow he would get a calf, not a fox or a giraffe, but a calf. From such a faith in a dependable Power have arisen agriculture and animal husbandry, and all of us have benefited by them. All sciences, as well, are founded upon this faith [illegible] the natural world all about us gives eloquent witness.

In the conduct of your own life you will have peace of mind, [illegible] you will trust in God . . . the dependable Power [illegible] Discover his laws . . . the Bible and any of the [illegible] . . . and live by them, and you will [illegible] Christian [illegible] called "the peace that [illegible]

— The Prayer —

Almighty and everlasting God, our Heavenly Father, who hast [illegible] all Creation to testify to the power and thy goodness, [illegible] trust in Thee [illegible] the spirit of fretfulness and [illegible] give [illegible] quiet confidence that our lives are in more capable hands than our own.

"Drop Thy still dews of quietness

And let our ordered lives confess
The beauty of Thy peace." Amen.

ODDS 'N ENDS

By Fren Martin

WE WERE present at a memorable occasion late Wednesday . . . the joining of the highways at the intersection of Michigan and Dixon aves. . . . The event marked the completion of the north lane of the new highway north to the city limits . . . We'd waited so long for this moment that we wanted to break a bottle of champagne or something in honor of the occasion but Judge Floyd Supp, who is self-appointed assistant to the highway department, thought we'd better wait 'til the whole project is completed . . . We've joined with a few hundred other people in watching the construction of the highway and it's mighty interesting. Some day when you haven't anything better to do stop by and start asking questions . . . It's quite an education . . . And the highway inspectors and contractors have been asked the same questions so many times you receive a quick answer . . . It's lots of fun . . .

• • •

A WARNING to the youngsters in town . . . there's only a few more weeks of vacation left . . . Come Sept. 14 you'll all be traipsing off to school for nine long months of study so have fun while you can . . . It's going to have to do you for a long time.

• • •

IS THERE anything in the world prettier than a boat skimming over the blue water . . . We've watched our fair share of boats through the years and still get a thrill out of a trim boat . . and we're not fussy what it is . . . plowing through the water . . . And those beautiful boats of every description tied up in our harbor . . . That's just one more reason why Charlevoix and northern Michigan is God's country in our book . . .

• • •

AS YOU know, the Knight Memorial Fund committee went into the carnival business recently to raise funds to light the football field . . . We had to furnish either ticket sellers or takers during their week here so got to know the carnival people quite well during their brief stay . . . The few days they were here [illegible] us on just one thing . . . If we ever come back to this earth for another life, it's going to be as a carnival worker . . . A happier, more thoughtful and generous bunch of people we've never met . . . They live the life of Riley with never a worry or care . . . Life is never dull for it doesn't have a chance to get that way . . . So if we turn up missing one of these fine days . . . don't start looking for us at the nearest Carnival . . . Chances are you'll find us in a midway booth hawking our wares or taking tickets some place on the lot . . .

• • •

WE HAVE a request to make . . . please, everyone, will you cross your fingers and hope for good weather this week-end for the annual Sportsman's carnival . . . The boys have a grand program planned for the visitors and we don't want anything to spoil it . . . We have all too few big week-ends as it is . . .

• • •

DON'T YOU wish you could leave all your work behind and go to Beaver Island this weekend for the homecoming? . . . There's nothing we'd like better . . . It will really be a gathering of the clan as all those Irishmen get together . . . We know many who have planned their vacations so they could make it . . . May we wish to all our friends on Beaver Island the happiest time ever . .

• • •

DID YOU go to the movie over the weekend to see Houdini? . . . You missed an entertaining movie if you didn't make it . . . Since then our neighbors, the Drew Youngs, have told us that at one time some 25 years or more ago, Houdini spent a summer in Charlevoix and while here presented a show for the people of the town and also was thrown into Pine River in a truck . . . We can't remember that but perhaps someone can give us a few of the details . . . How about it?

• • •

A BELATED birthday greeting to Grandpa Albert Novotny who celebrated his 82nd birthday anniversary last Thursday . . . His family gathered at his home for the occasion . . . a memorable one . . . He's a grand person and we hope he enjoys many many more birthdays . . .

• • •

WE'RE HAPPY to hear our friend, Bert Ingalls, is home from the hospital . . . We know we speak for a lot of people when we say we missed seeing him around . . .

• • •

OUR BOY Scouts, Kit Carson and Bob Pierce, who attended the National Jamboree in California last month are home and full of stories about the grand time they had . . . It must have been quite an experience for the boys . . . Among the surprises they had was a visit from the scoutmaster, Ted Miller and his family who are on a tour of the western states . . : Guess the kids were plenty surprised when he showed up . . . bringing with him gifts and a hello from home . . . It was a pretty thoughtful gesture, too, on the part of the Millers . . . A card from them recently brought the news that they were following the old Donner trail through the west and had done a bit of mountain climbing to see the original trail in places . . . They concluded by saying that if they hadn't found traces of old roads they never would have believed that wagons had been taken over the mountains in some spots . . .

• • •

AND speaking of Millers, Mrs. Ruth Miller is due home from a perfectly wonderful trip through the Rockies . . . both the American and Canadian . . . Visited Mt. Ranier, Grand Coulee Dam, Petrified Forest, Dry Falls of the Old Columbia River, the Kootenai Lakes of British Columbia where the old estate of the Wedgewood family of pottery fame is located, Lake Louise, Yellowstone Park . . to name a few of the places . . . Doesn't it make you drool? . . . Can't imagine a more wonderful way to spend the summer . . . As Mrs. Miller describes it . . . a dream trip . . .

Warning Is Given Along Shoreline To Get Licenses

A special detail of Michigan State Police has spent the last week visiting shoreline areas in the state to give a friendly warning to boat owners to comply with the license tax law before a check-up on delinquents begins Monday, August 10.

It is estimated there are 20,000 boats subject to the tax, but up until July 24 only 5,249 licenses had been issued.

The tax applies to boats 16 or more feet in length. Exempt are boats propelled solely by muscular power or detachable outboard motors and those operated on inland lakes having neither a navigable inlet or outlet.

The check-up is being made by the State Police at the request of the state waterways commission, which receives all of the revenue from the tax for the improvement of navigation facilities.

Failure to have a license is a misdemeanor punishable in Justice court by a fine up to $100 or 30 days in jail.

The licenses are issued in marine areas by branch offices of the secretary of state and some marine dealers.

Play Club Notes

The Charlevoix Play Club lost another softball game by one run as they were edged 6-5 by the Belvedere gang.

During the last two weeks we have enjoyed picnics at Walloon Lake and Whiting Park, an overnight camping trip to Harbor Springs and the movie, "Peter Pan," in Petoskey.

We have 33 boys this week. The new boys in the club are Barry Hilligan, Bob Million, Ted Lewis, Carky and Ricky Steiner, Steve Rothchild, Michael and Bussie Mendel.

Announce Informal Style Show Aug. 10

Shades of pink and browns, sandy beiges and rich, winey tones blend into the exquisite imported and domestic woolen fabrics of the new and exclusive line of Sakstweeds being introduced at an informal showing August 10th, 11th and 12th at Saks Fifth Avenue, Petoskey.

This is a new and exciting line of casual coats and suits which will be publicly shown in this area for the first time in any part of the country.

The distinctive Sakstweeds special contribution to fashion is a new, elegant styling of tweeds . . . in a straight, simple silhouette softened to fall right from the shoulder in coats, and loosened gently in suit jackets . . . with often a low flare in the skirt.

The soft-as-a-cloud fabrics are both domestic and imported woolens, extraordinary in their feather weight and subtle texture . . . with mixed and layered colors that give the effect of a fine mosaic.

The coat costume is by far the most important . . . being the pivot of an ensemble either with coordinated skirts and blouses or with a slim dress of matching flannel.

Sport coats have been re-vamped into softened casuals with a straight-cut fulness mastered by deep tucks from a smooth shoulder. Suits range from loose limbed, nubby tweeds to smooth suits slightly fitted with a self-belt.

Particularly outstanding is a deep country suit of brown and tan tweed, it's boyish jacket loose and bulky over a slim skirt.

And for sophisticated contrast, a smooth town suit in black jersey marked with herringbone . . the jacket accented with a long and narrow shawl collar and a small attached vestee.

The public is invited to see these and the complete line of Sakstweeds

Something To Sing About

The songs of wild birds, say the naturalists, are not only songs of joy. They are songs of triumph. The rich, full-throated call of the bob-white and warble of the robin signify they are possessors of territory they have won. All other birds of their species must not trespass. Wild bird songs are shouts of possession and of victory as well as songs of happiness.

What keeps your heart from singing? Your frustrations? Disappointments, discouragements, troubles, failures to get what you are after? But supposing it were possible to make assets out of those liabilities and triumphs out of your troubles! Then YOU would have something to sing about.

This Sunday's gospel message will teach you how to handle life triumphantly.

Sterns-Roberts Marriage Vows Are Exchanged In Alpena Church

St. Paul's American Lutheran church of Alpena was the scene Saturday of the wedding of Ila Marie Sterns, daughter of Mr. and Mrs. George A. Sterns of Alpena, and James N. Roberts, son of Mrs. Bertha Roberts of this city.

The Rev. B. Belk officiated at the single ring service before an altar decorated with vases of white gladioli in the presence of 150 guests.

Preceding the ceremony, Royal Bertram sang "At Dawning" and "The Lord's Prayer", accompanied by Laura Behnke, organist.

Given in marriage by her father, the bride selected a waltz length gown of white Chantilly lace styled with long sleeves and a mandarin collar. Her shoulder length veil of nylon net fell from a fitted lace cap. A string of pearls, a gift of the bridegroom, completed her costume. She carried a bouquet of Amazon lilies and stephanotis.

Marian Sterns of Alpena, sister of the bride, as maid of honor wore a waltz length gown of aqua net and taffeta designed with a mandarin collar. Mary Roberts, sister of the bridegroom as bridesmaid, wore a yellow net gown identical to the honor attendant's. Each carried a bouquet of yellow, peach and white gladioli.

Merlin D. Roberts assisted his brother as best man. Another brother, Junior Roberts, and George Cronin of Saginaw were ushers.

Mrs. Sterns selected a pink taffeta dress and white and pink accessories for her daughter's wedding. Mrs. Roberts wore a pink linen dress and pink and white accessories. Both mothers had corsages of cream gladioli.

Immediately following the ceremony a wedding dinner was served at the church dining room. Thelma Krebs, Carol Werner, Carol Lee, Marilyn Berg and Arlene Lee assisted.

For traveling on their wedding trip through the eastern states, the bride chose a blue linen suit and white accessories. They will make their home in New York City until the bridegroom leaves for overseas duty next month.

The bride is a graduate of the Alpena high school and Central Michigan College of Education where she was a member of Phi Delta Eta and Gamma Delta sororities. The bridegroom is a graduate of the Charlevoix high school, Central Michigan college and Wayne University. He was affiliated with the Sigma Tau Gamma fraternity. A private first class in the army, he is now stationed at Camp Totten, N. Y.

Among those who were in Alpena for the wedding were Mr. and Mrs. Carlton Smith and daughter, Jeanne, Mr. and Mrs. Clayton Smith, Mr. and Mrs. Homer Warner, Mrs. Jasper Warner, Mrs. Harley Warner, Arlyle and Joan Roberts.

Girligigs

This is a story about the sweetest skunk . . . and any similarity to a person or skunk now living is purely on purpose.

* * *

Well, once upon a day or so ago the 'sweetest' skunk was waddling leisurely home from church . . . he always went to church since he found out no one paid any attention to him if he concentrated himself underneath a certain pew . . . and behaved.

* * *

. . . He loved to hear the music, and what was said about angels and heaven . . . and the Lord. And he prayed that someday he, too, might be allowed to go to heaven.

* * *

Well, anyway, this certain day or so ago he was thinking just that when he happened upon a treasure lying across his path! Now the 'sweetest' skunk just loved grape juice . . . and here was an abandoned grape juice can with possibly a few delectable drops left . . . so, without thinking, he lapped his head right down to the very bottom of the can . . . until he discovered he couldn't turn his head one way or the other . . . or even back up!

* * *

He felt silly . . . and started calling himself all kinds of names like "stinker" . . . "canhead". And then he began to get worried . . . just how on earth does a sweet little skunk get himself uncanned?!

* * *

So he wandered round and 'round in circles for what seemed to him the rest of his sweetest life . . . which was really only sixty minutes or so. And he kept praying all this time that he would keep his head and not get fri[illegible] and skunky about the w[illegible] . . . because he was sure he was dying and must be pre[illegible] close to heaven's pearly gates by now . . . and he couldn't stand the thought of those lovely angels having to hold their noses because of him!

* * *

Then he heard voices . . . "heavenly voices I'll bet," he thought . . . saying nice things like "poor thing" . . . and 'shall I hold him while you take his picture, George?" No one had ever wanted to hold him before.

* * *

Then all at once when he thought he was just too frightened to behave himself any longer, he felt the can being gently drawn away from his head and he came face to face . . . which is the only way to come to with a skunk . . . with a Smith named George! They, the Smith and the skunk, blinked back and forth at each other for awhile wondering what would be the nicest thing to do next.

* * *

But the 'sweetest' skunk knew he'd found his heaven on earth and smiled sweetly . . . and softly walked away!

* * *

Thus he vowed, so help him . . never to raise a stink about anything so long as he lived . . . because he wanted George Smith to think he had rescued the sweetest skunk in the world.

And he did!!!

Detroit's Mayor On Visit Here

Mayor and Mrs. Albert E. Cobo of Detroit will be house guests of Mr. and Mrs. Harry H. Weinbaum at their home at 303 Mercier Blvd.

The mayor and his wife will arrive Thursday evening and will remain in Charlevoix until the following Friday.

Mayor Cobo has been a summer visitor at the Weinbaums for several years, but illness prevented him from vacationing in Charlevoix last year.

City Recreation

Three Charlevoix softball teams will participate in the district softball tournament at Petoskey beginning Friday.

Cadillac Olds will meet Harbor Tackle at 8:30 p.m. Friday with the winner playing again at 7 p.m. Sunday; Charlevoix Scouts will play the East Jordan Foundry at 7 p.m. Saturday with the winner playing a second game at 9 p.m. Monday. Browe Electric will take on Kan's of Petoskey at 4 p.m. Sunday with the victor meeting another opponent at 7:30 Monday.

The finals will be played at 8 p.m. Wednesday with the winner representing the district in Class A in the regional tournament and the runner-up will be the district entry in Class C.

* * *

Mayor Dean Davenport and [illegible] Burns, city recreation director, have been named to the district board of the Michigan Softball Association. Perry Smith, local umpire, has been named an official umpire in the forthcoming district tournament at Petoskey.

In a benefit baseball game played Sunday afternoon at Kipke field the Charlevoix nine defeated the visiting Detroit Blatz Beer team 6-1.

Charles Krahnke led the hitting for Charlevoix with three [illegible] the afternoon, a triple, a double and a single.

Charlevoix had six runs on 10 hits and racked up only two errors while the visitors had one run, five hits and eight errors.

The game netted $17.35 for the Knight Memorial Fund to light Kipke Field.

The Petoskey Elks edged out Cadillac-Olds by a 6-5 score in a benefit softball game Sunday evening at the local field.

Dean Davenport, pitching for Cadillac Olds allowed only three hits but Petoskey capitalized on a series of Charlevoix errors to take the game. Ellis Bailey pitched for the visitors.

A total of $14.50 was realized from the game for the benefit of the Knight Memorial Fund.

WHAT DO YOU "BUY" In A PRESCRIPTION?

First and foremost, you buy relief from pain and discomfort. You also purchase medication that may help to avert potentially serious consequences of your illness. These purchases alone are priceless. No scale can evaluate their worth. But should you wish to determine what makes up the cost of a prescription, please be advised that at Central Drug Store, your money buys the finest pharmaceutical ingredients available PLUS skillful compounding by an experienced pharmacist — at a price that includes the cost of the ingredients and a nominal fee for professional service. It is a low price indeed to pay for the restoration and maintenance of priceless good health.

This Is a True Case History

I SAVED $116.86 ON THE CAR I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me $257.60 to insure the car and finance the balance of $700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only $140.74. I saved $116.86." *(One of many actual cases.)*

Many People Assume Finance Rates Are Standard

THEY ARE NOT!

The Bank Plan offers you two proven money-saving methods. *Low-cost* financing through a nearby bank and *low-cost preferred-risk insurance* rates. Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.

Charles Pierce Tells Of Scout Jamboree Trip

Two Charlevoix Boy Scouts, Kit Carson and Charles Pierce, of Troop 211, returned home last Thursday from the annual National Boy Scout Jamboree at Irvine Raoch ocar Santa Ana, Calif.

Since his return Charles has written his version of the Jamboree and the return trip to Michigan. Earlier, Kit had sent an account of the trip west.

Charles' story of the Jamboree follows:

The Jamboree officially opened Friday, July 17 and ended July 23.

During this time we saw and met many movie stars and famous people. At the Cavalcade of Stars we saw Vice President Nixon, Will Rogers Jr., Dorothy Lamour, Mitzi Gaynor, Bob Hope, Roy Rogers, Jana Powell, the Bell Sisters, Dick Powell, Lash LaRuse, Johnny Mack Brown and many others.

We cooked our own meals at the Jamboree. Kit was in a different patrol than I so his version of the food might be different. At the beginning of each day, patrols were issued food and a menu. The food included chicken, steak, fish, stew, hamburg and much more.

On Suoday, July 17, we went to church services in the arena which was two miles away and we marched.

On Tuesday and Thursday we went swimming in the ocean. Busses took us to a special area on Long Beach north of Newport harbor.

Friday we went to Catalina Island for the day. Saturday we tore down camp and packed up.

Busses took us to the station where we boarded the train at six in the evening. Most of us slept that night.

At 5 a.m. we boarded a ferry for San Francisco. We had church services on the ferry. Upon docking the busses took us to a naval base where we did what we pleased until noon. After that we went on a bus tour of the surrounding area.

We went over the Golden Gate bridge to Muir Forest. We also saw Alcatraz prison and Oakland Bay bridge. We returned to our train and left for home. While sleeping that night we crussed the state of Nevada.

Monday we crossed the Great Salt Lake and went on a tour of Salt Lake City, Utah. Tuesday we toured Colorado Springs and ate supper at Seven Falls. That night and the next day we traveled across Nebraska, Iowa and Illinois, arriving at Chicago after midnight Wednesday.

We pulled into Grand Rapids at 5:30 a.m. Thursday and left there for Traverse City two hours later. Our mothers, Mrs. Kit Carson and Mrs Doris Pierce, met us at Traverse City and brought us to Charlevoix. We arrived home at 2 p.m.

On Tuesday, July 21, our scoutmaster, Ted Miller, visited us at camp. He is on vacation, touring the west.

He brought our troop two watermelons and a bushel of oranges. The watermelons had painted on the side "Compliments of Post 211 Charlevoix". The pictures of these melons have appeared in several newspapers throughout the country.

Coyote Bounty $1,085 For Month of June

The conservation department paid out $1,085 in bounties for 62 coyotes killed during June, the monthly predatory animal report shows.

No wolves or bobcats were taken during the month, and fox bounty totals have not yet been completely returned from the field.

All but five of the coyotes were taken in the upper peninsula. Nine were taken in Marquette county, eight in Schoolcraft county and seven in Baraga county. The remainder were bountied throughout the UP, with exception of Iron county, where none was taken.

In the northern lower peninsula, four were killed in Crawford county and one in Emmet county.

CAR STRIKES FAWN

EAST TAWAS — A wildlife tragedy occurred in the state park here recently.

A month old fawn wandered into the park one day, apparently having lost the security of nearby forest lands. Campers and children chased the young deer, hoping to return it to the wilds. But during the chase, the animal was struck by a car and one leg was broken.

The local conservation officers was called to dispose of the fawn.

Tom Oleksy Given A Birthday Party

Tom Oleksy celebrated his ninth birthday anniversary at a beach party given by his parents, Mr. and Mrs. Frank Oleksy, at the Lake Michigan beach Wednesday.

Fifteen friends gathered for the festivities.

Beaver Island Will Hold Homecoming

(Continued from page 1)

ty with Wayne Belding's orchestra of Charlevoix furnishing the music for the event, which will bring out the old and young alike to dance everything from an Irish jig to the most modern steps.

The homecoming this year will take on a serious note, too, as the visitors stop by to inspect the island's new medical center now under construction on a plot of land overlooking the harbor, for most of the visitors have joined with the 400 island residents to raise funds to finance the building of the sorely need structure.

All island residents, past and present, are aware of the urgent need of a doctor on the isolated island. When the people of the island found themselves without a resident doctor last October following the retirement of Dr. Russell Palmer who had served in that capacity for 28 years, they added action to their prayers by making a search for a doctor. After many consultations with the Michigan Department of Health and interviews with possible candidates, the aggressive island representatives found the answer to their problems in Dr. Harry Vail, then practicing in Bay City.

With the promise of a new medical center and the prospect of serving a people in desperate need of medical aid, Dr. Vail, accompanied by his wife, a registered nurse, and their son, went to Beaver Island in March to open a practice.

The island people, as good as their word and grateful for the services of their new doctor, broke ground for the new medical center last spring. Financed entirely by contributions and built by volunteer labor, the concrete work has been completed and the frame erected. The roof was being added this week. Plans for the completion of the medical center which will house the doctor's offices, X-ray and flouroscope equipment and rooms for minor surgery, numbering seven in all, have been tentatively set for October.

After an inspection of the building the visitors will join in the activities which can be compared to the Mardi Gras and St. Patrick's Day rolled into one.

On Monday many of the visitors, weary but full of plans for next year's homecoming, will leave for their respective homes in a good share of the 48 states.

Sports Carnival To Attract Crowd

(Continued from Page 1)

Stompers at 4 p.m. Francis Peters, local entertainer, will appear with the group.

Billy Girard and company will make their last appearance at 8.30 p.m. followed by a concert at 8 p.m. by the Charlevoix Marine Band directed by C. A Odmark; Terry Michaud, professor of pantomime and Edgar Steffins, magician, will appear at 9 p.m. and at 9:30 the Intercollegiate Stompers will make their final appearance.

A wildlife exhibit by the Michigan Conservation Department featuring Michigan wildlife, pony rides and other entertainment will be offered for the youngsters enjoyment.

E. H. Bowman is general chairman of the festival and has arranged a varied and complete program for the entertainment of all visitors.

We mean that *literally*.

Because that's all the money it takes to buy this great new 1953 Buick SPECIAL.

That's all it takes to boss its high-compression Fireball 8 Engine—now stepped up to the highest horsepower in Buick SPECIAL history.

That's all it takes to enjoy its still finer Million Dollar Ride—its full six-passenger roominess — its light-as-a-flyrod handling ease.

But if you're surprised at this news, we can't blame you a bit.

Most people are—when they learn that you *can* get Buick styling, Buick structure, Buick room and power and comfort and steadiness, all for just a few dollars more than the cost of the so-called "low-priced three."

Add another happy surprise.

In this Buick you get a long list of "extras" at no extra cost—things like direction signals, dual map lights, twin sunshades, lighter, trip-mileage indicator, automatic glove-box light, oil-bath air cleaner, full-flow oil filter, bumper guards front and rear — *things most other cars of similar price charge as extras.*

So there you are—definitely able to move right into this big, broad, robust-powered Buick for a price you'd expect to pay for a lesser car.

Why not drop in on us to see and drive this honey of a buy? The rest we'll leave up to you.

Charlevoix County Farm News

County Agent Urges Farmers To Study Wheat Quota Referendum

Wheat growers should weigh both sides in the wheat marketing quota situation end then vote on August 14, stresses Ed Rebman, Oharlevoix county agricultural agent.

A two-thirds "yes" vote will provide 00 per cent of parity support under penalty controls. A one-third "no" vote will give free marketing but cut support to 50 per cent and that only on allotted wheat. Here's the situation in capsule form from agent Rebman.

"Yes" will put quotas on all farms with mora than 15 acres producing mora than 200 bushals of whaat. It will penalisa excesses, give 90 per cant support for farmars planning within allotmants, end hold down production . . . bringing tha supply closar to effactive merket damand.

"No" will throw out quotas and penalties, but not ellotments. Price support will drop to 50 per cent for "aereage cooperators" and nothing for non-cooperators, and production probably will continue high-possibly increasing the surplus that forces allotments by law,

The netional 62-million-acre 20 per cent less allotment is divided by counties on a 10-year history and on farms by past production, tillable aereage, rotation practices and other factors.

Excess production under allotments takes eway price support for the producer: excess production under quotas is subject to a 45 per cent of parity panalty.

Adopt Program For Poultry To Meet Weather Conditions

Hot weather means better management of poultry with a few extra efforts thrown in, advises Ed Rebman, Charlevoix county agricultural agent.

If you don't use the right management for hot weather, he explains, your hens may die. At least they will lose body weight and egg production will drop off along with egg quality end weight.

Rebmen pesses elong this advice from Howard C. Zindal, extension poultryman at Michigan State college.

Keep up the mineral supply. Provide plenty of cool, clean drinking water. Keep the flock vermin-free. Keep egg laying quarters cool. Encourage the hens to eat more mash . . . use wet mash; but feed only an amount the hens will clean up in 15 minutes or you may have a fly problem. Eliminate broody hens. Cull constantly and keep record.

Zindel edvises good insulation for tha leying house and painting the roof with eluminum or othar reflecting peint. When the weather is very hot, you can sprinkle the roof, wells end floor of the house. Sometimes it aven halps to sprinkle the birds with e fina sprey.

To maintain high quality eggs from the flock, Zindel suggests, gather them trequently . . . three times in the morning and two times in the afternoon. Put them in a cool room, below 60 degrees, and sell them often.

Farmers Field Day To Be Held At Lake City Aug. 12

Every farmer in Michigan eould pick up at least one helpful hint at the 25 anniversary Field Day on August 12 at the Lake City experiment Station, notes Ed Rebman, Charlevoix county agricultural agent.

The station started on potato research, but has gone through dairy pioneering and into beef cattle research, into disease, weed and brush control, turkey raising, irrigation, soil conservation, fish ponds, forage research and Christmas tree raising.

General tours will be conducted from 9 a.m. until noon picnic time, Rebman reports, and there will be a morning home economics "treat" for housewives. Uses of machinery and detailed tours of specific areas are on the afternoon program at the 825-acre station in Missaukee county.

County Fair Premium Books Now Available

The fair premium books for the Charlevoix County feir are now available, Ed Rebman, county agricultural agent announced today. Anyone interested may have a copy of this fair book by either calling at the County Extension Office at Boyne City, or by dropping e card to the same office.

The Charlevoix county fair will be held at East Jordan on September 8-9-10-11. Tuesday, September 8 will be entry day and the fair will operate for 3 days. There will be no Saturday fair this year.

Time Ripe For Weed Control And Seeding

It takes good timing to gain "summer control" of weeds and sow alfalfa seed early enough for good "over-wintering", points out Ed Rebman, Charlevoix county agricultural agent. Now's the time for action.

Seedings in Central Michigan in early August, and even later in southern Michigan, help many farmers get alfalfa off to a good start over weeds. Many prefer this late summer planting to sowing alfalfa in the spring with small grains, notes Stephen T. Dexter, Michigan State college farm crops research specialist.

But smell seedlings mey heeva out in Michigen winters or not pull through with enough strength to compete with spring weeds, Dexter ceutions. He offers some tips on getting alfelfa seedlings off to e healthy start:

Since the soil often is dry at this seeding season, a very firm seedbed is desirable. Even if the seedbed is dusty, the first rain wil help get a good catch if the seedbed is firm. In a very dry seedbed, Dexter advised putting most of the fertilizer on early, and only part of it with seed. He reports that successful seedings were obtained by the Michigan Agricultural Experiment Station when a culti-packer was used both before and after drilling and the seed was broadcast on the surface.

Drop seed on the soil surface, behind the fertilizer drill and in front of the cultipacker, advises Rebman. In bank seeding, also use a cultipacker, he adds. With broadcast seeding, put fertilizer on before hand and cultipack it in; then cultipack after the seeding. A peck or two of oats helps spread bromegrass seeded with alfalfa . . . this is valuable if a farmer has wind trouble.

Tells Easy Method To Pasteurize Milk In Home Kitchen

Easy methods of home pasteurization of milk have been worked out by the dairy and bacteriology department at Michigan State college.

Emma Reinbold, district home demonstration agent, reports thet methods were devised in enswer to queries from rural families. Many epidemics of milk-borne diseases have their souree on farms, Mrs. Reinbold says, so pasteurization of the farm home milk supply is a wise safeguard. Here are the directions for one method.

1. Pour 4 to 6 guarts of clean, fresh milk into a kettle. Do not use tin, iron, or chipped enamel utensils.

2. Place a floating dairy thermometer in the milk. A candy thermometer, often partly made of copper, should not be used because it may change the milk's flavor.

3. Heet the milk rapidly, stirring constantly, until a temperature of 160 degrees F. is reached. You may get a cooked or boiled taste if the milk is heated above that temperature.

4. Place the kettle immediately into a large pan of cold water. Keep the kettle covered to prevent scum from forming.

5. Cool the milk quickly to 60 degrees F. or lower. Change the water in the pan often. Store the milk, well covered, in a cold, clean place.

The other method is suitable for pasteurizing one or two quarts of milk and no thermometer is necessary. 1. Place one to two quarts of milk in the top of a double boiler. 2. Put one quart of water in the bottom part of cooker and boil vigorously for 10 minutes.

Bidding Slow At State Land Sales

Public auctions of state-owned lands were held at Gladwin, Tawas City, Bellaire and Beldwin recently, but conservation department officials say the bidding was slow.

Only 165 parcels were sold; 585 had been offered. The remainder are now available, at the appraised price, through the Lansing office of the department's lands division.

About $24,500 accumulated from the sales. Money from such sales is always returned to the county where the land is located for distribution to local taxing units. The department merely keeps records and conducts the sales.

The sales covered a few acreage parcels, but mostly pletted lots in most counties of the northern lower peninsula.

Mr. and Mrs. George Dan Peterson, of [illegible], were guests of the Townsends last week.

We are all looking for a busy and exciting week and weekend here. It seems like every day [illegible] more people are arriving.

What's Doing at Camp Charlevoix

After the entire camp had been in to Venetian Night, we had a long sleep the next morning so that everyone could get rested up after that long Sunday. The fifth week of camp started out with John Periolat taking some of our more ardent fishermen on a fishing trip and they had wonderful luck. This is one sport in which most boys show a great deal of interest.

[illegible] former staff arrived over the weekend, to add [illegible] presence to the staff. Don Dannecker, who has [illegible] camp for four years, [illegible] week. Jim Ball, [illegible] from Florida [illegible], and Dan [illegible] State's foot[illegible] came to add [illegible] Both of these [illegible] before. Need[illegible] football practice [illegible] started, and with [illegible] Michigan State's [illegible] arriving today, [illegible] some fine football [illegible]

On [illegible] cabin 6 and 9 took a horse trip. Jim Ball and Coyle Moore, plus one of the cowboys, Tom [illegible], took the following boys: Steve Holden, Ronny Armbruster, John Bahl, Steve Robinson, Dave Smallwood, John O'Mara, Gary Murfin, Peter Barnes, Jan Gibboney, Jonathan Schmidt, Francis Scheuer, and Perry McKay.

On Wednesday, three men took their boys to Whiting State Park for an overnight. The counsellors were: Dave Netting, Terry [illegible], and Bill Forsythe. The boys on this trip were John Jacobs, Hugh Campbell, David Ferguson, [illegible] Bill, Bruce Gu[illegible], [illegible] Tinsley, Bert [illegible], Mare Millis, Bill Koehler, [illegible], Dan Ro[illegible], John [illegible], Bert Parker, John Wat[illegible] [illegible]

[illegible] the entire [illegible] over [illegible] the camp [illegible] in preparation for other [illegible] to follow. They had a real time, even going so far as [illegible] saw a bear in the woods.

On Friday about forty of our boys went over to Camp Algonquin and engaged in a full day of sports. We were very fortunate in winning every sport except swimming, and this score was very close. In baseball, Don Shea[illegible] and Bill McKee pitched our team to a 11-4 victory. In softball [illegible] O'[illegible] pitched us to a 7-3 victory. Jim Faulkner was high man on our winning archery team, as were both Phil Holiday and Johnny Watson on the riflery team. Our tennis winners were John Potter, Mike Millis, Warren Zeatker, Tim Lowrey, Jim Faulkner and Bill McKee. John Jensen skippered our sailing team to victory. It was a great day and will go down in Charlevoix annals as one of the best.

On Sunday, Don Dannecker, who was Director of Activities here in 1950 and 1951 gave the talk, and it was one which will provoke much thought among the campers. In the afternoon there was a counsellor-camper swimming meet, which the boys enjoyed very much.

Sunday evening was the Annual Birthday Dinner for everyone in camp who has or will have a birthday during the camp season. There were 28 at the birthday table, and a present was given each boy. A hugh birthday cake, with candles and all, was baked by our congenial cook, Joe Shaw. As Tom Wittee, our director of activities this summer [illegible] getting married soon, the staff gave him a mock wedding. Kevan Gosper was the lovely (??) bride, with Jerry Prescott as the groom. Our cowboy, Dick Hesse, was the minister, using cowboy terms for the ceremony. Bridesmaids, flower girls, mothers of the bride [illegible] groom, all were present at [illegible] very elegant wedding. Needless to say the campers enjoyed [illegible] Erik Thoresen's cabin of boys [illegible] which was "their [illegible] to be [illegible] Heart".

We would like to remind the parents of the closing events at camp. The Rodeo and the Final Indian Ceremony are on Friday, August 21. Boys may leave camp either after the Council Fire on Friday night or on Saturday morning, August 22nd.

There's No Trick To It!

There is no magic, no hocus pocus, to building a hospital. A community project like ours succeeds only through the hard work and the generous contributions of many people.

Hundreds of folks have made pledges and cash donations for the New Charlevoix Area Hospital because they knew such a building and such equipment are sorely needed. But more funds are necessary before the building can be brought to completion.

$70,000 must still be collected.

How will these funds be acquired?

★ FROM PLEDGES STILL OUTSTANDING. Some people are far behind in their payments. They don't mean to be. They were sincere when making the commitment. All they need is to be reminded. If you are one of those people, this is your reminder.

★ FROM PEOPLE WHO FIND THEMSELVES CAPABLE OF DOING MORE THAN THEY ONCE THOUGHT THEY COULD. Some made their pledges low enough so they could easily pay. Others gave as much cash as they could at the time of the fund drive. Now many discover they could have done more. Well, then, do it now. There is still time.

★ FROM PEOPLE WHO AS YET HAVE GIVEN NOTHING TO THE HOSPITAL FUND. Some folks have moved to our community since the initial drive for funds. They are now part of the community and want to be part of the community project. Others were but waiting for ground to be broken before they would contribute.

Now Is The Time For All To Help

No sleight-of-hand magic will do the trick. A hospital cannot be lifted from a hat . . . . but from the hearts of those who love our community and are concerned for the welfare of the sick and the hurt.

You can give to the New Charlevoix Area Hospital by making a pledge or cash contribution through either of Charlevoix's banks, the State Bank of East Jordan or to Herbert Schofield, Secretary of the Fund Raising Committee.

Ford brings you fine-car Power Steering at a new low price!

Now you can have America's newest, most improved power steering—Ford Master-Guide—for $40 less than any other power steering in the low-price field.

Yes, you're reading right! Ford has added a brand new "Worth More" to its long list of fine-car features . . . Ford Master-Guide—the newest and finest in power steering . . . a system exclusive in Ford's field.

You're going to love this new kind of steering! A finger turns the wheel even when the car's standing still. Imagine how helpful this can be whenever you're tightly parked! Yet on the road Ford Master-Guide, unlike some systems, gives you the same natural "feel" you'd have *without* power steering . . . and it's safer, too . . . takes hold only when you *need* it. Come in and try it!

Handling and parking's a pushover! With the car standing still, you can "dial" the steering wheel with one finger . . . Master-Guide supplies the "muscle" for you! Of course, Fords have always been easy to handle, steer and park. But Master-Guide does up to 75% of the work!

See it...Value Check it...Test Drive it today!

F.D.A.F.

NO RADICAL CHANGE IN DRIVING HABITS

There's no need to learn how to drive all over again with Ford Master-Guide. This [illegible] from having the force applied close to the wheels. Steering ratio is the same, so you really have complete control at all times!

SO SIMPLE . . . SO SAFE! . . .

Master-Guide lets you turn with ease, steer as you're used to! Driving on rutted roads is even safer. And should the hydraulic system ever lose its power (which is highly unlikely) the conventional steering system remains operative as usual.

Receives Purple Heart

Private First Class Charles Murrell, 18, was awarded the Purple Heart medal for wounds received in action while serving with the U. S. Marines in Korea July 8.

General Tate made the presentation recently aboard a hospital ship where he has been hospitalized since he was wounded in the right hand and arm.

Pfc. Murrell is the son of Mrs. John Kling and the grandson of Mr. and Mrs. Charles Wiles. He enlisted in the Marine Corps in November 1951 and has been overseas with the Seventh Marine Regiment of the First Marine Division since January, 1953.

Mrs. J. Reed Is In England For Happy Reunion

Mrs. J. K. Reed who left Sunday via air from Pellston held a happy reunion in London, England, Tuesday with her daughter, Mrs. Byron Wright, the former Colleen Reed, and her husband, Airman first Class Wright who met her at Croydon Field outside the English capitol.

Mrs. Reed spent Sunday night in New York and left on the overseas flight Monday.

Mrs. Reed plans to spend six weeks in England with the couple, whom she has not seen since last year when the airman went overseas in April and her daughter left to join him last August.

Airman Wright, who is stationed near Oxford, England, with the U. S. Air Force, has arranged to have a furlough while Mrs. Reed is there. The trio plans to spend several weeks on the continent visiting points of interest in Belgium, France, Switzerland and Italy and as many other places as time will allow.

Mrs. Reed plans to make the return flight home next month, arriving here Sept. 13.

Mobile Epileptic Laboratory Will Visit Petoskey

Epileptic Patients in northwestern Michigan will receive additional diagnostic aid through their physicians using the new mobile services of the Michigan Epilepsy Center.

The Mobil Electroencephalograph Unit of the Michigan Epilepsy Center is stopping at Little Traverse Hospital in Petoskey, August 4 through August 14, to offer physicians laboratory measurement of epileptic patients, according to L. E. Grate, M. D., president of the Northern Michigan Medical Society.

H. B. Zemmer, M. D. of Lapeer, president of the Michigan Epilepsy Center Board of Directors, has pointed out that the electroencephalograph is an instrument for testing brain waves and is commonly called an EEG.

Doctor Grate said that following the EEG tests, neurological examinations and medical conferences will be conducted in late August by Z. Stephen Bohn, M.D., Medical Director of the Michigan Epilepsy Center at Lockwood Hospital in Petoskey.

The Mobils EEG Unit, serving northern Michigan communities, has recently visited Reed City, Ludington, Manistee and Cadillac, Doctor Zimmer reported. The Michigan Epilepsy Center, located in Detroit, which sponsors the Traveling Unit, is a United Health and Welfare Fund member agency.

Treasurers End Meeting Here This Morning

The Michigan Association of County Treasurers closed its twentieth annual convention at the Beach Hotel this morning (Thursday) with a business conference and election of officers.

On Wednesday evening, Dr. Louis L. Mann, minister of Sinai Congregation in Chicago and faculty member at the University of Chicago, addressed the assembled county officials and their guests at the annual convention banquet. He selected as his topic "Conversion of Liabilities Into Assets."

Harold E. Morrison of Ogemaw county, president of the association, presided at the banquet. Guy C. Conkle Jr. of Boyne City, chairman of the Charlevoix county Republican committee was toastmaster; the Rev. Harold E. Kohn gave the invocation and Clarence Paddock: Commissioner of the State Tax Commission, made the presentation of by-laws.

Among those who addressed the convention and their topics were: Owen J. Cleary, state treasurer, Michigan Institute of Local Government; Lynn Monroe, supervisor tax division, Auditor General's department and Charles E. Miller, Chief, lands division, Conservation Department, New Legislation affecting county treasurer's office; William F. Wittenburg, chief auditor, Auditor general's department, County Auditing; Mr. Poddock, Assessment and equalization; Mr. Millar, and R. C. Clark, Conservation discussion; Dr. Earl E. Beck of the University of Michigan.

Officers who presided at the 1953 convention were Mr. Morrison, president; John A. Buts of Mason county, first vice president; William Federspiel of Gratiot county, second vice president; Kathleen Maloney of Ionia county, secretary-treasurer.

While here the county treasurers and their guests enjoyed special entertainment provided by the Charlevoix board of commerce.

Lucile Green Is Engaged To Wed

Mrs. C. F. Messinger of Ironton has received word of the announcement of the engagement of her grand-daughter, Lucile Green, daughter of Mr. and Mrs. Charles J. Green of Oak Park, Ill., to Paul B. Hicks of Evanston, Ill.

Miss Green, a member of Kappa Kappa Gamma sorotity, received her degree from Northwestern University in June.

Mr. Hicks, who served three years in the U. S. Marine Corps, is the son of Mr. and Mrs. Hicks of Sarasota, Fla., and a graduate of the University of Virginia, where he was affiliated with Zeta Psi fraternity.

A winter wedding is planned by the couple.

Fishing License Sales Slump

LANSING — Fishing license sales have slumped in Michigan this year compared to sales of last year, the conservation department notes.

At present, sales of resident licenses are about nine per cent below last year; as of June 30 this year, 435,000 had been sold. Last year at that date, 480,000 had been sold.

Three Local Girls To Graduate Monday

Suzanne Miles Sweet

Phyllis Mason

Lorna Lewis

★ ★

Three Charlevoix nurses will be among the 20 members of the 1953 graduating class of the Grace Hospital school of nursing who will receive their diplomas at commencement exercises at the Horace H Rackham building in Detroit Monday.

They are Lorna Lewis, daughter of Mrs. Lola Lewis; Phyllis Mason, daughter of Mr. and Mrs. Lee Mason and Mrs. Suzanne Miles Sweet, daughter of Mr. and Mrs. Walker Miles and wife of Roger Sweet.

William T. Barbour, president of the board of trustees of Grace Hospital, will present the diplomas to the graduates in the presence of the hospital's staff doctors, trustees and committee members as well as members of the graduates' families.

A. Douglas Jamieson, member of the Detroit board of education and also a Grace hospital trustee, will be the principal speaker at the exercises which will mark the completion of a three-year course.

A reception for the graduates will follow at the nurses' residence.

Preliminary festivities honoring the graduates will be the Junior-Senior Prom at Detroit's Hotel Statler Friday evening and a Mother-Daughter tea given Sunday by the school's faculty members.

Council To Revise System For Fire Protection In Townships

The Charlevoix city council Monday night voted to terminate all existing agreements for fire protection with surrounding townships and to negotiate new contracts with the townships at the earliest possible date.

The townships, in the meantime, will be protected as in the past.

The action was taken after some discussion when it was found that many contracts were not valid. It was also agreed that some more business-like arrangement should be made to protect the residents of the townships.

This was only one of several problems discussed at the regular meeting of the council Monday.

The Michigan Highway Department plan for the resurfacing of South Bridge st. hill with bituminous concrete was presented. After some discussion, the council voted to participate in the project by paying 23.8 percent or approximately $1,050 of the total cost of $4,400 The Hodgekiss and Dumas Co. of Petoskey will do the work.

The council also voted to advertise for bids on the construction of a foundation for a new four-unit hangar at the municipal airport. Bids will be accepted until 8 p.m. Monday, Aug. 24, when a special meeting of the council will be held. Plans and specifications for the job may be seen at the city hall.

Local Youth Is Held On Breaking Entering Charge

A local crime wave during which several local establishments were entered and small amounts of money and other valuables taken was halted this week with the arrest of 17-year-old Walter Wabanunkee by local police on Monday night.

Wabanunkee was being questioned on a charge of stealing an automobile when it was found he was also involved in the breaking and entering of the Charlevoix Lumber Co., the Charlevoix Courier office, St. Mary's church and the concession stand at the softball park.

He appeared before Justice H. E. Paddock in Justice Court Wednesday morning and was bound over to the August-term of Circuit Court which opens Monday. He is being held in the county jail until that time.

He has involved two juveniles in the crimes They will be questioned and taken to juvenile court.

Home Talent Show To Help Light Field

Plans for the presentation of a big home talent musical comedy, "It's a Date", were announced this week by the Knight Memorial Fund Committee.

The show, featuring a cast of more than 100, will be presented at the Charlevoix high school auditorium Friday and Saturday Sept. 4 and 5.

Mrs. Mable Twiford of Norfolk, Va., who is now visiting at the home of Miss Elizabeth Love in Petoskey, will come here next week to select the cast and to put the show in production. Mrs. Twiford and Miss Love are associated with the Empire Production Co. of Kansas City, which stages home talent shows throughout the country for civic and service organizations which use their funds for worthwhile

August Term Of Circuit Court To Open Here Monday

The regular August term of circuit court will open Monday with Judge Charles L. Brown presiding.

Included on the court calendar are two criminal cases, six civil cases and seven chancery cases including five divorces.

Floyd D. Rice, 62, of Ferndale who was given a life sentence in April for the first degree murder of Clyde Hughes, 47, in Boyne City Nov. 30, will file a motion for a new trial.

Jess Haddix Jr. of Boyne City and his brother Louis, who are charged with resisting an officer will appear in court for sentence.

Hold Services For Albert Durham In Boyne City

Albert Durham, 80, father of Mrs. Melvin Niswander, died Aug. 3 at Grandvue Hospital near East Jordan where he had been a patient for a month. He had been in failing health for some time.

Funeral services were held at the Stackus Funeral Home in Boyne City Wednesday with burial in Maplelawn cemetery.

Born in Summit township, Mason county, Mr. Durham had resided in the Flint area for many years before coming to Charlevoix in 1942. Since then he had spent most of his time with his son-in-law and daughter, Mr. and Mrs. Niswander, until his marriage in Feb. 1952 to the former Mrs. Marjorie Middleton of Boyne City. He was a carpenter by trade.

Besides his wife and daughter, he is survived by two sons, Albert of Detroit and Floyd of Flint, five grandchildren and six great-grandchildren.

Expect To Open New Highway By Next Week

The roadbed for the 1.315 miles of new highway north from the intersection of Dixon ave. and Michigan ave. is expected to be completed by Friday night, William P Fodon of the Michigan Highway Department said Wednesday.

Following the necessary curing period which will be early next week, the entire length of the new road will be opened to traffic while the remainder of the work including intersections, curb and gutter and sidewalks is completed.

The Mercier Blvd. intersection will be laid first with the Michigan ave. project second on the list. All others will be constructed later.

The construction of curb and gutter to the corporation limits will follow with the sidewalk construction completing the entire project.

Barring any major delays, it is expected the project will be completed on or shortly after Sept. 1.

Will Present Biblical Play Sunday Night

Final rehearsals for the Biblical play, "Heaven Bound", to be presented by an all-negro cast at the high school auditorium at 8 p.m. Sunday were held this week under the direction of Horatio Jackson of Cincinnati.

"Heaven Bound" features a cast of more than 30 voices and is a musical production which tells the story of those good souls who are trying to make their way to heaven and the temptations and hazards placed in their paths by the Devil.

Appearing in the production will be Helen Moore, Cecil Wiley, Fern Wilkes, Woody Smith, Milton Wiley, Osey McNeal, Celrun Johnson, Frances Jones, Maggie Jones, Pricilla Smith, Luther Webb, Cecil Goodlow, Engley Wilson, Helen Mitchell, Jessie Woodlee, John Wilkes, Gertrude Jackson.

Also Pernola Wright, Pearl Green, Ethel Staple, Mary Hall, Ruth Webb, Dorothy Drake, Gertrude Brooks, Emily Peoples, Rose Graves, Davie Bowen, Francis Lewis, Morelle Butler, Tacey Whitfield, Nannie Lewis, Pattime Nelson, Elizabeth Rucker, Jannie LaBlanc and Mr. Jackson who is the director.

Mrs. Leonard Burns is the accompanist for the play.

No admission will be charged for the presentation at the high school auditorium at 8 p.m. Sunday. However, a free-will offering will be accepted and presented to the Charlevoix Hospital.

Name Drew Young New Supervisor For First Ward

The appointment of Drew Young as first ward supervisor to succeed the late George O. Haggard was approved Monday at the regular meeting of the city council. Mayor Dean Davenport presented the appointment for approval.

Mr. Young served as first ward alderman for three terms before resigning last spring to accept an appointment as city assessor. He will assume his duties as supervisor at once.

The late Mr. Haggard served as first ward supervisor for eight years.

To Observe 60th Anniversary

Mr. and Mrs. Plenny Genett, pioneer residents of northern Michigan, will celebrate their sixtieth wedding anniversary at their home at 301 May St. Sunday.

A family dinner at 1 o'clock will be followed by open house for relatives and friends from 6 to 9 Sunday evening.

Mr. and Mrs. Genett were married at Holy Childhood church in Harbor Springs on Aug. 16, 1893. They made the trip via train from Ellsworth to Harbor Springs for the ceremony.

After their wedding they returned to Ellsworth where they resided for a short time before moving to a farm in Norwood township. In 1937, Mr. Genett retired and they moved to their present home.

A native of northern Michigan, Mr. Genett was born Sept. 15, 1870, in Norwood township which was then a thriving logging center.

Mrs. Genett, the former Jennie Sumenaw, was born in Ellenburgh, N. Y., July 1, 1872, and came to Atwood in Antrim county at the age of seven years. Her father was the first of four brothers to migrate from New York to northern Michigan.

The couple has two children, a daughter, Mrs. Irving Hallett sr. of Detroit and a son, Ward Genett of Flint. They have two grandchildren and two great-grandchildren.

They also have a niece and a nephew whom they consider as their own for they reared them from the time they were two and five years old respectively. They are Ted Sheldon of Flint and Mrs. Clarence Whitney of Wyandotte, children of Mrs. Genett's sister, who died when they were small.

Mr. Genett, who is now 82 years old, remains active despite his age and each year plants and tends his own garden. He lists hunting and fishing as his hobbies. Every fall he goes deer hunting near Roscommon with a group of relatives and friends.

Besides doing her own house work, Mrs. Genett sews, crochets, makes rugs and quilts. Each of her grandchildren and great-grandchildren have quilts of intricate designs which she has made for them.

Rod, Gun Club Presents Fine Program Here

One of the finest programs of entertainment ever presented at the annual Charlevoix Rod and Gun Club Festival was seen here over the weekend.

From the time the program started at 1 p.m. Saturday with the world-famous log birlers, Billy Girard and company, until the closing act Sunday evening, a continuous program of entertainment was offered for the enjoyment of the visitors.

The Michigan Outboard Motorboat Association races Saturday attracted a fairly large crowd. The other programs including the rifle and skeet shoot at the club grounds were equally well attended.

Financially, however, the festival was not too successful, E. B. Bowman, chairman of the event said.

Winners of the awards offered by the club were Sam King who was presented with the Foster rowboat, Jimmy Strauss of Nettleton st., the outboard motor; Mrs. Lawrence Korth of Ironton, the fishing rod.

Stanley Sweet of East Jordan was given the rifle offered by the Charlevoix county road commission and Ann Duly the tablecloth given by the Knight Memorial Fund.

Cultural Lecture On The Holy Land To Be Given Here

A cultural lecture on the Holy Land, accompanied by colored slides, will be presented at the high school auditorium at 8:00 p.m. Tuesday, Aug. 25, by the Rev. Fr. E. F. Denay, pastor of St Mary's church.

The lecture will be a sequel to the earlier program, A Journey through the Holy Land in 1950, which Father Denay presented last May.

The public is invited to the lecture.

Services Are Held On Saturday For Vernon Jones Jr.

Funeral services for Vernon Jones Jr., 31, former resident who has resided in South Arm township near East Jordan for the past eight years, were held Saturday at the Pontius Chapel. The Rev. George L. Majors officiated. Burial was in Brookside cemetery.

Death was due to accidental drowning according to James Stackus, of Boyne City, Charlevoix county coroner.

It is believed he fell into Monroe Creek after suffering a seizure while mowing the lawn on the Allen property which borders the creek He was found a short time later by his parents, Mr. and Mrs. Vernon Jones Sr.

Born in Charlevoix Aug. 30, 1921, he had always lived here until eight years ago when he moved to South Arm township with his parents. His father is the caretaker of the Allen property.

Besides his parents, he is survived by a brother, John of Columbus, Ohio and his paternal grandmother, Mrs. E. R. Jones of Norwood.

Rudolph Eckerle To Address Farm Group

Rudolph Eckerle of Sutton's Bay will be the speaker at the Charlevoix-Antrim county Farmer's Union meeting Tuesday, Aug. 18, at 8:30 p.m. in the Ellsworth Community hall.

Mr Eckerle is president of the Leelanau county Farm Union and will report on Farm Union activity in the cherry industry. All cherry growers are invited and, as always, any farm people are welcome.

Walter Moore Is Drowned In Lake Michigan

Walter J. Moore, 48, local Hudson sales and service owner, was drowned in Lake Michigan early Sunday when he fell from a cabin cruiser while enroute from Charlevoix to the Beaver Island homecoming.

Coastguardsmen from the Charlevoix lifeboat station who joined the search for the body at 2:30 a.m. and the plane from the U.S.C.G. Air Station at Traverse City which assisted in the search throughout Sunday abandoned the operation late Sunday when no trace of the body could be found.

Periodical checks of the area will continue to be made however, until the body is recovered, Joseph Etienne, Chief Boatswain, in charge of the area said Monday.

The accident which took the life of the popular garageman occurred eight miles northwest of here about an hour and a half after the cabin cruiser owned by Leonard Sanford had left the local harbor According to Sanford, he went to relieve Moore who had been at the wheel since leaving Charlevoix at 11:25 p.m. As he did so, Moore stepped back from the wheel, tripped on the gunwale and fell into the choppy sea.

Sanford changed the course of the cruiser and alerted others aboard the craft to search for the missing man but after an unsuccessful try returned to Charlevoix at 2:30 a.m. to report the accident to the U. S. Coast Guard lifeboat station here.

A Coast Guard crew in command of Mr. Etienne, accompanied by Sanford, left at once to search the area but returned here at 7 a.m. after an unsuccessful trip.

They continued the search later in the day without success.

Aboard the cruiser at the time of the accident were Moore's son, Roy, who had come from Detroit Saturday for a visit, and Mr. and Mrs. Gerald Burke and two sons.

ODDS 'N ENDS

By Fran Martin

YOU'VE ALL heard the song "How Much is That Doggie in the Window" . . . We heard about one doggie in the window one day last week that wasn't worth very much . . . that is, if the owners of the Lee-Mors linen shop had their way about it . . . Seems like some little brown hound dog got locked in the store one night last week . . . Come the dawn and there is the pooch in the window . . . amid all the linens which he had pulled down around him . . . When Al Nahm showed up to open the store . . . there was the doggie in the window . . . And anyone could have afforded him at the moment . . .

* * *

AND SPEAKING of animals . . how about all those animals in the Michigan Conservation Department animal exhibit over the weekend . . . They are always fun to see . . . although most of them we wouldn't want to meet outside the cages . . . But the cub stole the show . . . Never having had much to do with a bear, we found him pretty amusing . . . Everyone was feeding him and if he didn't have a tummy ache, it's a miracle . . . We fed him ice cream on a stick and he ended up chewing on the stick . . . and all that after dozens of other people had fed him countless goodies . . . Gee, what a way to live . . . And did you notice the size of those paws . . . we'd hate to meet up with him when he got to be a big bear . . .

* * *

THIS SUNDAY night you've got a big treat in store for you . . Horatio Jackson, one of the nicest people we've ever met, is going to present the Biblical play, "Heaven Bound" . . . with an all-negro cast . . . It has a cast of more than 30 people . . . . people who are giving their time and talent to entertain you in something pretty unusual for northern Michigan . . . Mr. Jackson knows his business for we understand he directs a choir back home in Cincinnati . . . And we know that there's plenty of talent among the town's summer negro population . . . so take yourself to the high school auditorium Sunday night at 8 to see "Heaven Bound" . . . We know you'll love it . . .

* * *

AFTER LAST weekend we've decided that the people of Charlevoix must live right . . . It's the second weekend this summer which started out wet and cloudy and cleared for a grand two days . . . the first was Venetian night and now the weather cleared for the Sportsmen's festival . . . . . We've sure got lots to be grateful for . . .

* * *

BY THE WAY, how did you like the festival? . . . We thought it was pretty successful . .. there were lots of people with lots to do and that makes for a happy crowd . . . The Rod and Gun club certainly deserves plenty of plaudits for planning and presenting the affair which has taken on major proportions since the first one was presented some seven years ago . . . Let's hope that they continue to be bigger and better . .

* * *

AND WHILE the Sportmen's festival was on it sure was old home week . . . Don't know when we've seen so many people from out of town . . . It's always great fun saying "Hi" to old friends and we saw more than our share as we imagine you all did . . .

* * *

WE SAW something last week that we think is pretty special and should be practiced by all units of the armed services . . . a newsletter from the 357th Fighter Interceptor Squadron now stationed in French Moracco . . . Mrs. Thomas Jackson received it from her husband, Sgt. Jackson, who went overseas recently . . . It tells the story of the outfit from the time it left Portland, Ore., and landed at its destination either by ship as the ground echelon traveled or by plane as the pilots traveled . . . It was a most interesting letter, giving all the details of the trip which one loves to hear but which few servicemen write about . . . By the way, Mrs. Jackson and young son, Tommy, who's about the cutest tyke we've seen in a long while, plan to leave sometimes this fall to join Sgt. Jackson at Nouasseur Air Depot some 18 miles south of Casablanca.

* * *

FOR THE second year in a row, Charlevoix has three girls graduating from the same nurses training school . . . This year they are Phyllis Mason, Lorna Lewis and Sue Miles Sweet who will finish that long three year course at Grace Hospital in Detroit with graduation on Monday . . . We think nursing is a pretty wonderful field and we know from experience that those three years are hard and long . . . So congratulations to three swell gals . . . It will be some lucky patients who have you as their nurses . . .

* * *

WHETHER you noticed it or not, you were seeing something unusual when you attended the concerts offered by the Charlevoix City band Wednesday and Sunday . . . For the first time in the history of the organization, six members of one family were on the stand . . . They were the Paul family . . . Jack home from the service, Joyce home from Berrien Springs where she attends college, and the four still in school, Jerry, Carol, Cora and Connie . . . and all playing different instruments . . . Quite a remarkable family we'd say . . . And all received their musical training in the local high school under the direction of C. A. Odmark . . .

* * *

THE SYMPATHY of the entire community goes this week to the family of Walt Moore who was drowned early Sunday in Lake Michigan . . . It's hard to believe that the big guy with his cheery "Hi fella", won't be around anymore on the corner of Antrim and State . . . It just won't be the same . . . We'll all miss him for he was one of those people who had endeared himself to the community during his short time here . . .

Resting

While every living creature has moments of activity, all healthy forms of life must have rest, too. Deer find it in a shaded dell, birds under leafy boughs, trout beneath an undercut bank of a spring-fed brook, and even plants cease their growing activities and slumber when the sun goes down.

Our intake must at least equal our output of energy. If we are to work and exercise we must store up strength and vigor. Is it the only way we can serve our families, our employers, our world and our God.

At worship we accumulate reserves of holy thoughts, splendid inspirations, mighty convictions and supplies of faith which we use daily throughout the following week. Worship is, "the pause that refreshes."

Miles-Sweet Wedding Vows Are Spoken In Double Ring Service

The marriage of Suzanne M. Miles, daughter of Mr. and Mrs. Walker Miles, and Roger D. Sweet, son of Mr. and Mrs. Kenneth Sweet, was solemnized at the First Methodist church here Saturday evening.

The Rev. Steven Liddicoat of the United Protestant church of Grayslake, Ill., and the Rev. Lloyd M. Schloop officiated at the double ring ceremony and the communion service in the presence of 275 guests.

The altar was decorated with baskets of gladioli, Queen Anne's lace and zinnies and lighted tapers in candelabra for the impressive candellight ceremony. Lighted tapers and cedar boughs marked the pews.

Mrs. A. C. Belding, organist, played a program of traditional music and accompanied the soloist, Mrs. Roy MacArthur of Flint.

Fur her wedding the bride, who was given in marriage by her father, selected a ballerina length gown of white nylon tulle over satin styled with a Peter Pan collar and long sleeves. Her finger tip veil was secured with a seed pearl crown. She carried a white Bible topped with an arrangement of yellow roses and baby's breath.

Clara Miles, sister of the bride, was maid of honor. She wore a ballerina length gown of powder blue nylon tulle designed with a mandarin collar and cap sleeves. Her net headdress matched her gown and she carried a basket of garden flowers.

Helen Light was bridesmaid and Sylvia Lee Miles, sister of the bride, was junior bridesmaid. They wore gowns identical to the honor attendant's in light green and yellow respectively, matching headdresses and carried baskets of garden flowers.

Laurene Miles, cousin of the bride as flower girl, wore an orchid organdy gown and carried a basket of white daisies. Ralph Sweet, brother of the bridegroom as ring bearer, carried the rings on a satin pillow.

Donald North of Grand Rapids brother-in-law of the bridegroom, was best man and ushers were Bard Miles, brother of the bride, and Charles Beaman.

Margaret Liddicoat of Grayslake and Donald Beaman lighted the candles preceding the service.

Mrs. Miles chose a floor length gown of orchid crepe, white accessories and a corsage of white roses for her daughter's wedding. Mrs. Sweet chose an aqua gown, white accessories and a corsage of red roses.

Immediately following the ceremony, a reception featuring a smorgasbord was held in the church dining room. The bride's table held a tiered wedding cake. Dorothy Allers, Barbara Bice, Beverly Trimble and Mrs. Donald North of Grand Rapids, sister of the bridegroom, assisted.

The couple are now on a wedding trip to the upper peninsula For traveling the bride wore a navy suit, white accessories and a corsage of yellow roses. They will return here briefly this week enroute to Detroit where the bride will graduate on Monday from the Grace Hospital school of nursing.

After mid-September they will reside in Albion where the bridegroom is a senior at Albion college.

Wedding guests were here from Chicago, Ill. Richmond, Ind., Rochester, Pontiac, Lake Oriun, Alma, Belleville, Flint, Cadillac, East Jordan, Brandville, Ironton and Grand Rapids.

Don't Bite On That!

You'll be "taken in" for sure if you "bite" on that idea that the New Charlevoix Area Hospital will certainly be successfully completed now that the ground has been broken and the construction begun.

There is no such CERTAINTY about it.

The hospital is being built partly on funds already raised and partly on faith in the people of the Charlevoix area. We have faith that pledgers were sincere in promising specific amounts of financial support for the new hospital. We believe that the $70,000 still outstanding in pledges, will be paid.

★ A FEW ARE NOW DELINOUENT BECAUSE OF UNANTICIPATED MONEY DIFFICULTIES that have arisen since the financial drive. They will catch up on payments at the earliest possible moment.

★ SOME HAVE BEEN FORGETFUL OR NEGLIGENT. They but need to be reminded that payments are due. This notice is such a reminder.

★ OTHERS HAVE FELT THEY HAVE HAD HONEST DIFFERENCES WITH THE LEADERS OF THE HOSPITAL PROJECT, and because of those differences have not fulfilled their pledges. They are now beginning to see that the need of a new hospital in the Charlevox area is much bigger than any controversies that could possibly exist among us.

Has YOUR pledge been paid up to date? Have you made as large a contribution as possible to the New Charlevoix Area Hospital Fund? It not, you can help NOW by paying your pledge or making a cash contribution through either of Charlevoix's banks, the State Bank of East Jordan or to Herbert Schofield, Secretary of the Fund Raising Committee.

and personal property in the city were opened and referred to the city superintendent, Roy R. Robinson, and city assessor, Drew Young, for further study.

Only two bids on the work were received. They were from the J. M. Clemmshaw Co. of Cleveland for $8,900 and the Cole Layer Trumbell Co. of Toledo for $9,000.

The Council also moved to extend the veterans' section of Brookside 100 feet to the east.

The transfer of a Class C liquor license with dance permit from Della R. Lomas to James A. and Anna Lawyer of Harbor Springs was approved.

Bills amounting to $11,629.25 were approved and ordered paid.

Home Talent Show To Help Light Field

community projects. Proceeds here will be used to light Kipke Field.

The production will feeture a chorus of at least 25 high school girls preserting a series of songs and dances: a Don McNeill Breaklast Club show: a hilarious skit, Labor Daze: a Christmas party: e choir, singing Easter songs and many other specielities during the two hour musical comedy.

Another feature of the show will be a Tiny Tot Popularity contest which will give the young fry, under six years, the future athletes and cheering section of the Charlevoix high school an opportunity to do their bit toward lighting Kipke Field. The contest will run for about 10 days and will be concluded with the crowning of the Royal Family on the second night of the show. On the first evening the leading contestants will be introduced by Mrs. Twiford. Every child entered in the contest will receive a prize.

Further plans for the show will be announced next week.

"It's a Date" is only one of several fund-raising projects presented this summer to finance the lighting of Kipke Field.

Lest week, Memorial Fund Committee netted $153.75 from a tablecloth made by Mrs. H. A. Feleresel in the neme of her grendchildrer, Gerry and DeeAnne Left. Ann Duly wes awarded the teblecloth Sundey evening et the close of the Rod end Gun festival.

The Committee also sold ice cream products during the festival and added approximately $25.09 to the Fund which now boasts a total of $2,668.

THINK OF FUTURE TRADE-IN WHEN YOU TRY OUT A CAR!

Reports Prove Mercury's Trade-In Value Tops Them All in Its Price Class!

Smart shoppers know the *actual* cost of a new car isn't found on the price tag. When you buy a car you're making an investment. When you sell or trade in that car, one, two, or more years later—you get back part of your original purchase price. With some cars, this resale value is disappointingly small. But with Mercury—according to four independent, impartial surveys—you get the highest resale value in the entire Mercury price class.

The reason? Mercury's consistent years-ahead styling, for one thing. Clean, long, low lines that set the style and stay in style. Colorful interiors that keep their smartness for years. And Mercury's *proven* V-8 performance is another reason. A V-8 engine is the only type ever used in Mercury—and this latest is the best performer we've ever built.

So—before you buy any car—get the story on Mercury. Find out about Mercury's optional power features—the widest choice in the field—check on Mercury's proven economy. Above all, try a Mercury ride! We feel sure you'll agree no other car will do!

What's Doing at Camp Charlevoix

With Don Dohoney and Billy Wells, of the Michigan State football team, here now, the boys are getting in some fine instruction in football, and some of the bigger boys should profit much before their return to school and school football teams.

On Monday of the sixth week, Cabins 12 and 16 took a trip down the famous Sable River, and they were gone three days, having much fun swimming and fishing. Tom Witte, John Perloiat and Bur Morse were the counsellors on the trip and the boys were: Dick Weiler, Bob O'Brien, Jack Scott, John Osborn, Dick Lawler, Warren Zediker, Jim Faulkner, Mark Hollaran, Dave Ferguson, and Lloyd Lawson. That evening the entire Senior Section was entertained by Camp Chippewa Trails at dinner and a square Dance. A bus was hired and the entire group left camp about four in the afternoon. Mrs. Smith and six of the staff accompanied the boys, and from all reports it was a very fine party. Judging from the letters coming into camp and those leaving camp marked "Chippewa Trail", I can see where the boys must have had a great time. Cabins number 6 and 10 went into the movie that evening.

Tuesday morning found Jerry Prescot, Tom Verbedian and Eric Thoresen taking their three cabins to Wilderness State Park for a three day trip. These boys were Tom Balther, Vic Graf, Peter Nathan, Al Hillenbrand, Mark Fischer, Devy Barnes, John Naylor, Gary Praeg, Jim Smith, Bill Stoll, Bill George, Matt Buder, Marty Burke, John Mueller, Jim Potter, Charles Barlow, Larry Bolam, Bob Helwig and Tom Manley.

On Wednesday, Kevan Gosper took his cabin on an all-day sailing trip. These boys were John Basher, Nick Cameron, Gordon Peterson, Tom Wells, Peter Wells, Randy Carlson, and Jay Wannamacker. Our two cabins of our oldest boys in camp left for a three day trip to Beaver Island, which is a large island out in Lake Michigan. This was the only place in the country ever to be ruled by a king, and it is a very interesting place. John Ingold and George Cameron took the following boys via of a three hour boat trip (via mail boat): Kent Gibbs, Mac Gibboney, Edgar Guest, Tom Houchin, Mike Hintington, Chris Leitwiler, John McBride, Don Shealy, Phil Holliday, Mike Drossel, Doug Graham, Scott Beaman, Tops McKay, and Bill Parker. Only a few cases of sea-sickness were reported.

On Thursday more trips took to the roads, as boys enjoy trips and learn much on them. Jim Ball and Coyle Moore, our two Florida Flashes, took their boys to wilderness State Park up at Mackinaw City. These boys were Gary Murfin, Peter Barnes, Jan Gibboney, Jonathan Schmidt, Francis Scheuer, Perry McKay, Steve Holden, John Bahl, John O'Mara, Steve Robinson, and David Smallwood. Not to be outdone by the bigger boys going out on trips, two of our Junior Cabins were taken by their counsellors, Don Pelegrino and Jim Mueller on an overnight to Whiting State Park. These boys were: Nelson Scheuer, Bob Miller, Durfin Day, Dick Gibboney, Jib Bailey, Chria Chapin, George Davis, Butch Dillian, Stewart Crampton, Jim Davison, Joe Mapes, David Matthews, and Bill Cunings.

On Saturday night the second camper-counsellor hunt was held, and it was quite a sight to see 126 boys all running for the woods to hide where the staff couldn't find them. However, the men did a fine job. Finding 64 of them, and as the Greens had the least number of boys caught in all three sections, they have tied up the score 12-12 in Green-Grey competition.

Sunday morning, Coyle Moore gave the chapel talk. In the afternoon there was a camper-counsellor rodeo, which the campers won, due to the fine riding of Jack Scott, Tom Manley, Mike Drossell, Mike Huntington, John McBride, and Kent Gibbs.

This morning the long horse trip left for a four day trip, twenty-two boys going along with the four cowboys. They took along the new Chuck Wagon which Dick Hesse, the head cowboy, has fashioned. It is complete with lanterns and pails hanging on its sides, and a back that lets down to provide a table for serving. I'm sure that it will be quite a sight rambling along the country roads.

Great preparations are being made for the closing of camp with its rodeo and final council fire. We hope that all of the parents will be present.

Plans Underway For Charlevoix County Fair

Final plans were developed for the 1953 Charlevoix County Fair to be held at East Jordan September 8-11, Ed Rebman, county agricultural agent, announced today. The fair will again open with entry day on Tuesday, September 8. This years fair, however, will only be three days as the directors have voted to discontinue a fair on Saturday.

Charlevoix Day will be on Wednesday, September 9. The Program for that afternoon will be a Horse Show, which will include: rescue race, musical chair, boots and saddle, flag race, and ⅛ mile race. During the evening there will be a horse pulling contest. Both the light weight teams and the heavy weight teams will compete at the same time.

Boyne City day will be on Thursday, September 10. The sale of the calves, which the boys scrambled for during last years fair, will be sold during the afternoon.

Friday, September 11, will be East Jordan day. A livestock parade will take place during the afternoon. A very fine grandstand show will be shown on Thursday and Friday afternoon and evening, by Klein's Attractions.

Exhibitors are urged by Rebman to have their entries entered by 5 o'clock Tuesday, afternoon, September 8. Exhibitors may also obtain entry blanks from the County Extension office ahead of time and save them waiting in line. Judging of all exhibits will take place starting Wednesday morning, and continue until finished.

Gaylord Kiwanis Club Sponsoring 4-H Fair Aug. 27-28

The Gaylord Kiwanis Club Annual 4-H Fair, Thursday and Friday, August 27-28 will be quite an event according to Harry Collins, general chairman.

Beginning with a parade from downtown at 11 a.m., the program continues with judging of 4-H exhibits, ball game, children's races and a pot luck supper, there will be an entertainment program lasting an hour and a half Thursday evening.

Friday's program opens at 10 o'clock with a tractor derby then follows a greased pig scramble for 4-H boys and girls, horse pulling contest, horse show, and closes at night with a dance.

A refreshment stand will be open both days and everyone is invited.

Recommend Lawn Seeding In August

You can get the best results by seeding your lawn between now and August 25, says Carter M. Harrison, a lawn specialist at Michigan State college.

He maintains that late summer seedings usually look better by November 1 than those made the previous spring. Main reasons spring seedings usually don't do well, he believes, are low rainfall, increasing temperatures and competition from weeds.

After you have a good seedbed prepared, he advises, seed half your seed in one direction and the remaining half crosswise. That makes for even coverage. Adding screened soil to the seed before seeding will give more bulk and make distribution easier if you do the job by hand, Harrison notes.

Dairy Farmers In Antrim Have Own Test Plan

Dairy farmers in Antrim county have established a unique production testing organization which helps them select their best cows for breeding purposes. Their objective is to increase their milk output.

Unique part of the organization is the cooperation of dairymen in taking turns in picking up milk samples from farms and taking them to the laboratory for testing. Township and county boards of supervisors have established a milk and soil testing laboratory at the county agricultural agent's office at Bellaire.

County Agricultural Agent W. G. Kirkpatrick has been the main booster behind the organization. And it has grown rapidly since the initial group was formed in January of this year.

In the first month, 21 dairymen with 201 cows joined the organization to get the service. From then on there was a steady increase. The last count for June showed 50 members with 571 cows.

The owner-sampler testing program is similar to the dairy herd improvement association method except that dairymen do not have the cost accounting service that goes with the DHIA program.

Advise Planting Alfalfa Now In This Area Of Michigan

When you seed alfalfa in late summer, you're practically getting away from the most troublesome item-annual weeds, according to Stephen T. Dexter, farm crops specialist at Michigan State college.

He recommends early August seeding in mid-Michigan, a little earlier in the north and a little later in the south. The specialist points out that it's important to get reasonably good growth on the alfalfa before cold weather sets in so it will overwinter well. Good growth means the roots have stored enough food to make a good crop of hay next year.

Small seedling, Dexter says, may heave out during periods of alternate freezing and thawing. And even if they do live, they may not be vigorous enough to compete with weeds next spring.

Since soil is often dry at this time of year, he adds, a firm seedbed is very important. He believes that the cultipacker is one of the most valuable tools in getting successful alfalfa seedings started.

Farmers have had good results by cultipacking both before and after drilling, before and after broadcasting on the surface behind the drill and broadcasting in front of the cultipacker.

Predicts Drop In Price Of Lambs

A Michigan State college extension livestock marketing specialist predicts that lamb prices will continue through August and decline seasonally in early fall. Don Stark suggests that sheep men "finish out" spring lambs to arrive at markets in August before prices drop.

He warns that the pressure of a heavy run of grass-fed cattle this summer and early fall and an early marketing of hogs could press lamb prices lower than the normal seasonal decline. Lower prices for young breeding stock now, adds Stark, should interest farmers in replacement stock.

Farmers Exchange Has Annual Meeting

Ellsworth — The annual meeting of the Ellsworth Farmers Exchange was held in the Community Building Thursday evening, Aug. 6 with Bob Addy, head of the Feed Department of Farm Bureau Service in Lansing as the main speaker. He used as his theme, Cooperation and learning to get along with people in every phase of our lives.

Directors elected were Harold DeYoung who replaces John Wieland, whose term has expired; James Rubingh who replaces Nathan Carpenter, whose term has expired and Si Doctor who was re-elected and eligible for a second term.

Other numbers on the program included a film shown by Walter Kirkpatrick of Bellaire and a Dairy Demonstration by 4-H members from the Bellaire area.

End Restrictions On Shipment Of Hogs Into State

The proclamation issued by Governor Williams on August 5, 1952 prohibiting the movement of swine into Michigan unless accompanied by a health certificate has been rescinded as of August 6, 1953.

The proclamation was issued to assist in the control of Vesicular Exanthema in swine.

On July 1, 1953, a Federal regulation went into effect which effectively governs the interstate movement of hogs from garbage feeding premises. "The Federal regulation affords ample protection to Michigan swine," according to Dr. Lee Davisson, State Veterinarian.

Hogs coming into Michigan, except those going to immediate slaughter, or to a slaughter house approved by the Michigan Department of Agriculture, must be accompanied by a permit issued by the Department, or a health certificate issued by proper authorities in the state of origin.

Give Rules For Home Freezing Garden Vegetables

An important rule to remember during the home freezing season for vegetables is that all must be scalded (blanched) according to directions and cooled before freezing.

Boiling water is the surest method for scalding, according to foods and nutrition specialists at Michigan State college.

Use a large kettle holding at least four quarts of water. Scald only one pound of the prepared vegetable at one time so the temperature of the water will not be lowered too much when the vegetable is added.

Scalding time varies with each vegetable. Use a reliable guide for the time ranges for each vegetable. One such guide is the bulletin entitled "Freezing Foods for Michigan Homes" which may be obtained through your nearest extension office or agent.

Time for scalding depends on the size, age and variety. Be sure that the product has been heated to the center. Place the vegetable in a wire basket, colander or cheesecloth. After the water has reached a rolling boil, place the product into it. Count the time from the instant the vegetable is immersed. Stir occasionally to get uniform heating. Bring the water to a vigorous boil between each batch.

Cool the product immediately after removing it from the boiling water. Use cold running water or ice water. Quick, effective cooling makes better frozen products. Leave in the cold water only long enough to cool the product to the center. Drain excess water from product.

Poultry Breeders Plan To Attend School

"Here's Your Dividend Check"

Yes, one of the nicest feelings in the world is to have your postman bring you a dividend check for participation in the growth of industry.

Regular income — one that you can depend on
that's what counts.

A regular income is what investors in some of our leading food, industrial and utility companies have been receiving for years.

Send today for our circulars recommending investments which yield 5 to 7½%, paying dividends regularly.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Standard Gasolines, desert tested to assure

NO VAPOR LOCK!

STANDARD
TEST UNIT
STANDARD SCIENTISTS BEAT VAPOR LOCK ON BLISTERING MOJAVE DESERT

In summer some gasolines actually "boil." Your engine chokes, sputters, goes dead. You're a victim of vapor lock. But not if you use Standard Gasolines. On the hot Mojave Desert, Standard scientists tested hundreds of blends of gasolines. They studied the cause—certain extra-light molecules. And they found the cure—remove them from summer gasoline and save them for fast-starting winter gas. From these tests come Standard's great no-vapor-lock summer gasolines.

Standard gasolines have been tested under torrid desert conditions to assure you *trouble-free summer performance*. Only Standard says, "NOW—no vapor lock!" No vapor lock . . . on top of *octane ratings* that match your car's requirements...on top of catalytically-cracked gasolines perfected, blended and balanced to give you the *best possible combination of pick-up, power and mileage*. And wherever you drive in the Midwest, you'll find the same improved and guarded quality. You'll find, too, the famous SERVICE that car owners describe as the *finest treatment they get anywhere*. Try Standard WHITE CROWN Premium or Standard RED CROWN Gasoline.

Your first hot-day drive will prove that YOU CAN EXPECT MORE FROM STANDARD . . . AND GET IT!

Standard Gasolines can't be beat in summer heat!

This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered— and how much I could save!

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at *any* price.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are *high-compression* engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p "Thrift-King" engine.

And it's the lowest-priced line

A demonstration will show *you* that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

**Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.*

Let us demonstrate all the advantages of buying a Chevrolet *now!*

Sale At Polly-Kay's ----Whee!

There's still lots of summer left . . . and even so, we're slashing prices this week just for you gals who want a few new smart cottons to finish out this perfectly wonderful resort season . . . and to have ready and just-right to step into next year.

. . . and also for those of you who are planning a southern jaunt just as soon as the snow flies.

We're just packed with Fall merchandise . . . including all the stunning designs shown in the August 1st College Issue of Vogue.

Dark, tweedy-looking cottons . . perfect for both town, country, resort and campus wear.

We have a sincere respect for the instinctive good taste of the modern college girl. She always buys quality along classic lines that last . . . and likes to assemble her wardrobe with separates.

Realizing this, we have selected a slim, English walking skirt to be included in her back-to-school wardrobe . . . featuring a brand new idea for action introduced with a buttoned pleat.

Mixed coordinately with luxurious cashmeres, it will go in equally good taste from classroom to town, to date and to the Big Game.

You are invited to visit us during our sensational summer sale this week . . . and take this chance to let us help you plan your Fall and Winter wardrobe . . . see you!

Gene Bridge To Wed Minnesota Girl

Cpl Gene Bridge arrived home Saturday from three years service with the Military Police in Germany. After a 30-day leave he will report at Fort Sheridan, Ill. for re-assignment.

He was accompanied here by Virginia Swanson who has been in Germany for the past two years as a civilian employee of the State Department.

The couple will leave Saturday for her home in Long Lake, Minn., where they will be married Aug. 22.

Annis Struthers Visits Here

Annis Struthers of Klamath Falls, Ore., visited here briefly last Thursday with her sisters, Mrs. Arthur Geer and Mrs. Doris Pierce, enroute to Canada. It was her first visit here in 20 years. She is with the Public Health Department in Klamath Falls.

Boy Scouts Tell Kiwanis Club Of Annual Jamboree

Kit Carson and Bob Pierce, Charlevoix Boy Scouts who attended the annual Boy Scout Jamboree at Santa Ana, Calif., last month gave a detailed account of their trip west at the regular meeting of the Kiwanis club at the Beach Hotel Monday evening. The local Kiwanis Club sponsors the Boy Scout program in Charlevoix.

Plans were also made for the ladies' night to be held Monday.

Guests at the Monday meeting were Ralph Hahn of Alma, Charles W McLaughlin of Detroit Southwest, Hugh Richards of Madison, Wis., Floyd Akens of Dearborn and Robert Burns of River Rouge.

From where I sit ... *by* Joe Marsh

Harvesting a Better America

Rubbed my eyes yesterday when I saw Hap Jackson's truck in Biff Morgan's alfalfa field . . . helping Biff get in his cutting.

Since they've been carrying on a friendly argument for years (over how much fertilizer to use per acre of alfalfa), I had to ask Hap what was going on.

"Got my own crop in safely last week," he says. "And since Biff's boy is at the summer encampment of the National Guard, I figured the least I could do was to help him out. After all," Hap went on, "there's *no* argument over how important the National Guard is to all of us."

From where I sit, a fellow like me, who's too old to get in the Guard, can still vote, do a turn at jury duty, and respect others' rights. Even a little thing like respecting a neighbor's right to have, say, beer or buttermilk at dinner is important if we want to keep America strong. We have to be on "guard" in more ways than one these days!

Bid Accepted For Revaluing City Property

The Charlevoix city council at a special meeting Tuesday night voted to accept the bid of $5,800 submitted by the Cole Layer Trumbell Co. of Dayton, Ohio for the revaluation of personal and reel property in the city. A new file system for the city assessor will be compiled at the completion of the work.

It was also decided to support the 1954 Michigan Amateur Golf tournament at the Belvedere Club by contributing $600 to underwrite the program which this year brought 278 entries to the city.

A second man has been hired to help maintain fire protection of the city. Earl Crandall hes joined with Martin Elzinga to share the duties of fire chief. Eech will work a 24-hour shift with Cherles Marshall continuing as relief man. The new program went into effect this week.

Mr. Elzinga, who has lived in the city hall apartment over the fire station since Mey, has moved to his former home on East Lincoln ave.

Girl Scouts Seeking Home Of Their Own

The Girl Scout organization in Charlevoix is growing up.

It numbers about 140 girls now and a new group of seven-year old Brownies is expected to join the organization this fall. This will be quite a large group. With the increased interest shown by the community, the program that Girl Scout membership offers these girls is expanding and improving.

But there is always room for expansion and more improvement.

What the Girl Scouts of Cherlevoix want now . . . perhaps one might even say, what they need now. . . is a home of their own.

They have in mind a Girl Scout Little House, such as the organization maintains in other communities. A Girl Scout Little House is just what the name implies . . . a small house with one room large enough for troop meetings, a kitchen and just enough additional space to provide office and storage room.

It is a place where homemaking or hostess badge work can be carried on in real home surroundings. It should have a yard that could be used for gardening projects, outdoor cooking or even backyard camping.

A Girl Scout Little House can house all sorts of hobbies, crafts and learning projects while the troops are working on them. It can be the scene of small social gatherings. Its use is limited only by the imagination and the abilities of the Girls and their leaders.

But probably the best thing about a Girl Scout Little House is the fact that the Girl Scouts themselves own it. Caring for it, maintaining and improving it are responsibilities that the girls themselves share. The girl who goes there for her own weekly troop meeting has a real sense of belonging.

Ideally this Little House should be located close to school or the center of the town so it is easily accessible for all Girl Scout activities.

Local Stores Offer Variety Of Sales

This might be called "Sale Week" in Charlevoix as three local stores offer buyers bargains through a variety of special events, advertised elsewhere in the Courier.

Edwards Food Mart is celebrating their sixth anniversary with a three-day event, Hess Furniture is holding an August Sale and Mallhot's Outdoor Outfitters is staging a Summer Clearance Sale.

Also throughout the Courier you will find the usual excellent values offered each week by Charlevoix merchants.

Senator Ferguson To Visit City On Thursday, Aug. 27

Senator Homer Ferguson and Mrs. Ferguson will visit Charlevoix next week while on a vacation trip through the state.

While in Charlevoix they will meet with the members of the Charlevoix Republican Committee and their respective husbands and wives for a dinner meeting on Thursday evening. The time and place will be announced later.

Arrangements for the visit of the state's senior senator and his wife to Charlevoix are being made by Frank Bird, treasurer of the county committee.

Fund To Light Kipke Field Nearing Goal

A contribution of $1,050 to the Knight Memorial Fund to light Kipke field by friends of the late John Knight on the Belvedere Club and elsewhere this week has boosted the Knight Memorial Fund to $3,826, Tip Riley, chairman of the committee has announced.

The check for the amount was received from George Bisbee of Jackson, who, as honorary secretary of the Memorial Fund Committee, had accepted contributions to the fund from out of town friends of the late mayor.

On the strength of the amount now on hand, representetives of the Memoriel Fund Committee, Bruce Henley, Ken Cellner and Fran Mertin, met last week with Roy R. Robinson, city superintendent who recently planned the lighting of tha Niles athletic field and Edward Swanson of the city utilities department to determine the type of lights to be installed and to place an order for the necassary materials.

Plans are now underway to light Kipke field for the Rayder's first game on Sept. 25 against East Jordan.

With only $900 to go, the Memorial Fund committee is now devoting every effort to completing the project with in the next month. Contributions are being accepted and may be mailed to either bank or to Fran Martin, secretary-treasurer of the Committee.

The Committee is also planning a musical variety show "It's A Date," to be presented at the high school auditorium Sept. 4 and 5.

Agent Suggests Ways To Exhibit At County Fair

The vegetable exhibit at the Charlevoix County Fair, which will be September 8-11, is again expected to be the best in Northwest Michigan, Ed Rebman, county agricultural agent, stated today. In past years the individual adult exhibits, the 4-H Club exhibits, and the group exhibits in vegetables have been very excellent.

Robman offers some suggestions on the selection and care of vegetables to make the best possible exhibit. If at all possible, select your vegetables early in the morning. At that time they are full of moisture, and so will remain attractive and fresh for a long time.

In selecting your vegetables consider the following: size, shape, color, variety-type, disease and damage, or blemish.

Vegetables should be uniform as to size, and should be of a size thet commend the best price on the market. Potatoes should be from 6 to 10 ounces in weight; beets from 1½ to 3 inches in diemeter; carrots from 1 to 1½ inches in diameter except the "Stubby" types, such as Chantemay, which mey be up to 2½ inches in diameter; dry onions should be 2 inches or more in diameter.

Vegetables for exhibit should be of the same color. With many vegetables, color is an indication of maturity or ripeness, hence it should be the same for all specimens of that vegetable. Ripe vegetables should be exhibited wherever possible, but green and immature ones may be exhibited where necessary.

Plans Advance For Variety Show Program

Casting for the big musical variety show, "It's A Date," featuring home talent has been underway this week under the direction of Mrs. Mable Twiford of the Empire Production Co. who arrived Sunday to prepare the show for presentation Sept. 4 and 5 for the benefit of the Knight Memorial Fund to light Kipke field.

Casting will continue for tha next week and anyone interested in participating in the show in any capacity is asked to contact any member of the casting committee or the Knight Memorial Fund committee. There are places in the show for people of all age groups, Mrs. Twiford said, and anyone who wants to get into the show may do so by contacting me or any member of the committee.

Assisting with the casting are Tip Riley, chairman of the Knight Memoriel Fund Committee, Keren Smith, and Mrs. Jake White. Miss Smith is lining up more than 36 girls of high school age along with local cheerleeders and mejorettes. Mrs. White, a former telephone operetor, is busy contecting former operetors and other young women for roles in the telephone operators scene which opens tha show.

Joan Hess, popular Michigan State college student and 1953 Winter Sports queen, and Bobo Bennett, local high school athlete, will be featured in the roles of Ginger Jones and Jo-Jo Brown who find themselves in a quandry when they try to set the date for their wedding.

As they discuss each month, a scene or act picturing some event related to the month is presented. For instance, the autumn months portray a college home-

Vandals Destroy Timbers At Park

If you've been awaiting the completion of the well-house at the picnic park north of Charlevoix along Lake Michigan and have become impatient because it has taken so long, you have a perfect right to lose your temper, according to T. B. Reynolds, Charlevoix county road commission engineer-superintendent.

That is exactly what he and his crew did when they returned to the park one day last week to complete the project only to find that vandals had taken all the timbers, some as much as 20 feet in length, and burned them in a bonfire along the lake.

The lumber and timbers had been cut to size and taken to the site. The frame-work of the well-house had been erected and the other supplies left for use the following day to complete the project.

Sixteen inch wood, which is provided free of charge, was by-passed by the vandals.

The project is constructed through the Michigan highway department by the county road commission.

Charles Gibbons Awarded Degree

Charles Gibbons of Detroit, son of Dr. and Mrs. Gerald Gibbons, has been awarded a bachelor of Philosophy degree at the University of Detroit.

He now plans to attend night school at Wayne University while working in a Detroit bank.

Following his graduation, he was commissioned a second lieutenant in the U. S. Air Force. He is a veteran of two years service in the army.

He resides in Detroit with his wife and son.

Lee Kornfeld, 62 Dies In Illinois

Lee Kornfeld, 62, brother-in-law of Mrs. W. H. Wallace, died Aug. 6 at his home at Palos Park, Ill., after a long illness.

He had come to Charlevoix for many years as a summer resident and had owned a cottage near Boulder Park.

Mrs. Wallace and her granddaughter, Joan Giacone, have returned home from Palos Park where they attended the funeral services and visited relatives.

Draft Board To Call Two County Men Next Month

Fifteen Charlevoix county draft registrants will be called for pre-induction physicals Sept. 15, the local draft board has announced.

On Sept. 2, two men will be called for induction.

The names of the men who will fill the two September quotas will be announced following a draft board conference this week.

Earlier this month, two county men were inducted and another 15 reported for pre-induction physicals.

Rural Teacher Shortage Is A Problem Here

The shortage of teachers in the rural schools of the county was among the issues discussed at the organizational meeting of the Charlevoix county Board of Education here Thursday evening.

At that time it was revealed that Norwood, Marion, North Bay and St. James districts were without teachers. The latter district, located on Beaver Island, requires four teachers. Every effort will be made in the meantime to obtain teachers before the schools open Sept. 8, it was announced.

Ross Renwick of Walloon Lake was re-elected president of tha boerd. Mrs. Hesel Evers was nemed vica president.

A. F. Cook, who assumes his duties as county superintendent of schools Sept. 1, will be secretary of the board.

Mrs. Catherina C. Bergeon, who has served as county superintendent since 1948, reported on various subjects related to the office. She is leaving the county Sept. 1 to accept a position as helping teacher in Ottawa county with headquarters in Grand Haven.

Mr. Cook was appointed by the county board of education to succeed her following her resignation last spring.

James H. Gallagher of St. James was named to the board of directors of the Northern Michigan Association of County Boards of Education.

Ernest Gaunt Is Kiwanis Speaker

Ernest Gaunt of the faculty of Northwestern Michigan College of Education at Traverse City was the guest speaker at the regular meeting of the Kiwanis club Monday evening.

It was also ladies night and all members were accompanied by their respective wives.

Mr. Gaunt spoke on the college, its aims and the service it offered to northwestern Michigan.

Guests were Mr. and Mrs. Andy Bloetscher of Detroit Northwest, Mr. and Mrs. A. A. Schaerer of Detroit Strathmore, Mr. and Mrs. Joseph Solomon and son, Jon, of Terre Haute, Ind., and Mr. and Mrs. Robert Burns of River Rouge.

Mrs. Anna Sorensen Dies In Illinois

News of the death of Mrs. Anna Sorenson, 76, mother of Mrs. Klaus Andersen, at Quincy, Ill., early Wednesday has been received here.

Mrs. Sorenson was well known here, having visited here every summer for many years.

Funeral services will be held at Peru, Ill., Saturday.

Mr. Andersen plans to leave Friday to join Mrs. Andersen, who has been in Quincy for the past month.

Expect To Open Highway To All Traffic Soon

The new highway north of the city on US 31 may be opened to all highway traffic next week, William P. Collon of the Highway Department said Wednesday. At that time existing detours will be closed and all US 31 traffic routed over the new road.

The P. Vanderveen Co. of Grand Rapids is now completing intersections, a job which should end by the weekend. As soon as they are ready for traffic it will be possible to open the road, which is now used only by local motorists.

The work of building the curbs and gutters and the sidewalks will continue and the entire project completed early next month.

The re-surfacing of the south Bridge st. hill between Antrim st. and Hurlbut ave. is also underway. The raising of manholes and basins was finished and the bituminous concrete laying started Wednesday. The Hodgokiss and Dumas Co. of Petoskey is the contractor.

Plenny Genetts Celebrate Their 60th Anniversary

Mr. and Mrs. Plenny Gennett celebrated their sixtieth wedding anniversary Sunday with a family dinner followed by 'open house' at their home at 301 May St.

Twenty-five relatives including the couple's son-in-law and daughter, Mr. and Mrs. Irving Hallett of Detroit and their son and daughter-in-law, Mr. and Mrs. Ward Genett of Flint attended the dinner.

During the evening more than 75 relatives and friends called to offer their congratulations to the couple. Mr. and Mrs. Gennett received many cards, flowers, gifts and other remembrances of the happy occasion.

Among those from away who came for the celebration were Mr. and Mrs. Richard Hallett and two daughters of Birmingham, Mr. and Mrs. Clarence Whitney of Wyandotte, Mr. and Mrs. James Payne, and Mrs. Rose Gardner of Detroit, Mrs. Roy MacArthur of Flint, Mr. and Mrs. Henry Kidder and Mr. and Mrs. Vernon Darrow of Cadillac, Mrs. Lillian Supernaw of Elk Rapids, Mrs. Albert Supernaw of Florida, Mr. and Mrs. Glenn Supernaw of Petoskey, Marie Sipple of Lansing, Mr. and Mrs. Reed Gennett of Bellaire, Mr. and Mrs. James Heeres and son, Donald, and Mr. and Mrs. Gerritt Drenth of Ellsworth, Miss Mable Blow of Eastport, Mrs. Lula Cornell of Mancelona, Mr. and Mrs. Merrill Richardson and Mrs. Raymond Stafford of Norwood.

Roy Magee Dies Unexpectedly At Boyne Falls Home

Funeral services for Roy Magee 46, Boyne Falls rural letter carrier who was well known here, were held at the Methodist church in Boyne Falls Saturday with burial in the cemetery there.

He died unexpectedly at his home east of the village early Thursday morning.

He is survived by his wife, the former Louise Pearson and two sons; several brothers and sisters and his uncle, Perry Smith Sr. of Charlevoix and Milwaukee, Wis.

Among those who attended the funeral were Mr. and Mrs. Smith, Mr. and Mrs. Perry Smith Jr., Mr. and Mrs. Ralph Ryan and family who came from Milwaukee, Mrs. John Martin and sons, James and John.

Three New Directors, Incumbent, Elected To Hospital Board

The election of directors to the Charlevoix Hospital board of directors, the naming of the new hospital now under construction and reports presented by officers of the board of directors were the major issues discussed at the annual meeting of the Charlevoix Hospital Association at the city hall Wednesday evening, August 12.

Directors named were incumbent H. A. Craig, Mrs. Kit Carson, who succeeds P. D. Camphell, Floyd Brown who was elected after incumbent Charles Hampton declined the nomination and Hans DeYoung of Atwood, who was named as the tenth director to the board which until now has had only nine members.

Mr. Craig polled 22 votes to succeed himself with Mr. Brown tallying 17 and Mrs. James Coleman six.

Mrs. Carson received 34 votes to defeat incumbent Mr. Campbell who had 12. Mr. Brown with 26 votes was elected to succeed Mr. Hampton who was not a candidate. Mrs. Coleman who was nominated to run against Mr. Brown had 22 votes.

After some discussion it was decided to elect a director to represent the Ellsworth-Atwood district. Hans DeYoung was nominated by William Parsons for the post. Later Mr. Parsons was nominated. Mr. DeYoung won the election by a 24-21 vote.

The essembled members discussed changing the name of the new hospital now under construction from the "Charlevoix Hospitel" to the "Charlevoix area Hospitel". It was decided by a 22-21 vote to retein the name under which the local hospitel hes been known since it wes first opened in 1918, The Charlavoix Hospital.

Mrs. E. K. Shanahan, secretary of the board of directors, presented the minutes of the 1952 meeting; Charles Bleha, treasurer, read the treasurer's report; Anne Baumgartner, superintendent of the Charlevoix Hospital, read the superintendent's report; H. B. Schofield, secretary of the finance committee of the new hospital, reported that $8,000 in past due pledges were still outstanding. He also urged that all pledges be paid at the earliest possible date. Gordon Freedman spoke briefly on the progress of the construction of the new hospital and said the board was very pleased with the progress to date. He also said that if all pledges are paid, the construction of the hospital can continue without interruption.

Fred Willis, president of the hospital board presided.

"Heaven Bound" Pleases Large Audience Here

A large and enthusiastic audience composed of local and summer residents attended the presentation of the Biblical play, "Heaven Bound," by Horatio Jackson and his group at the high school auditorium Sunday evening.

The hour-long program, told almost entirely in song, was well received by the audience. The performance was exceptionally well presented under Mr. Jackson's direction with a great deal of feeling and beauty. The all-negro cast was composed of 34 members of the city's summer colony.

The audience portrayed its approval of the presentation by its continued applause at the close of the performance.

Woody Smith as St. Peter and Milton Wiley as Gabriel were guardians of the golden gates through which all worldly beings must pass to receive their heavenly crown. Then there were the sinners who were denied entrance and were taken away by the devil, Ossy McNeal who played the difficult role very well.

The cross bearer was played by John Wilkes; drunkard, Ruth Webb; pilgrim traveler, Pernola Wright; rich man, Cebrun Johnson; wayward girl, Mozelle Butler; Wandering boy, Francis Jones; mother, Fern Wilkes; weary traveler, Mr. Jackson. Milton Wiley was the trumpeter.

Angels garbed in white robes and wings were Gertrude Jackson, Pricella Smith, Dorothy Drake, Cecil Wiley, Pearl Green and Helen Moore.

The heavenly choir in white robes and heavenly crowns was composed of Maggie Jones, Cecil Goodlow, Engley Wilson, Helen Mitchell, Jessie Woodlee, Ethel Staple, Mary Hall, Zach Whyte, Emily Peoples, Gertrude Brooks, Rose Graves, Francis Lewis, Tracy Whitfield, Nannie Lewis, Pauline Nelson, Elizabeth Rucker and Jannie LaPlane.

Mrs. Leonard Burns accompanied the choir which sang a number of favorite negro spirituals carrying out the religious theme.

The Rev. Harold Kohn opened the program with an invocation before a background of choir voices.

Mayor Dean Davenport concluded the program with a brief talk in which he expressed the gratitude of the community to Mr. Jackson and his group for the fine performance and for the spirit in which it was given. He said they had indeed proved themselves a part of the community by presenting the play to raise funds for Charlevoix's new hospital now under construction. The show netted $326 which will be contributed to the hospital finance committee.

Davie Brown and Luther Webb greeted the audience at the door; George Wilmouth, Del Lee and Margaret Whyte were ushers and John Whyte was in charge of advertising.

Announce Sale Of Par-4 Night Club

The sale of the popular Par-4 Club near Petoskey to Mr. and Mrs. John Witte, who reside near Ironton has been announced by Mr. and Mrs. Ray Brown, who have operated the nightclub for several years.

Mr. and Mrs. Witte are well known here and formerly operated a similar place near Ypsilanti.

The new owners assumed operation of the club this week.

Football Squad To Have Exams On Next Monday

All prospective football players will meet at the high school locker room at the school at 10 a.m. Monday, Aug. 24, for physical examinations prior to the opening of the 1953 season, Coach Del Terrill announced this week.

Equipment will also be issued at that time.

Other schools in the northern Michigan Class C are planning examinations at later dates before the first practice sessions on Monday, Aug. 31.

The Charlevoix team will practice from 6 to 8 p.m. daily except week-ends from Aug. 31 until school starts two weeks later.

Former Teacher Pays Visit Here

Lee Aseltine, former math teacher in the Charlevoix high school, returned to Charlevoix last week for a visit with old friends and former students. It was his first visit here in 30 years.

He would like to extend a greeting to all former students, particularly those he did not see while in the city.

He now resides at 217 Casseday ave., Joliet, Ill.

Coming Events

August 20 — V F W Auxiliary social at the home of Mrs. Harley Warner, 314 Antrim st.

Aug. 25 — A cultural lecture on the Holy Land by Rev. E. F. Denay at the high school auditorium at 8 p.m.

ODDS 'N ENDS

By Fran Martin

HERE'S another of those wildlife stories . . . This one is about a family of raccoons that have a home in a tree on East Dixon ave . . . We're not quite sure of the location which is just as well 'cause we don't want anyone bothering the little things . . . But can you imagine a mother 'coon moving to town to raise a family . . . Mrs. Franklin Curtis was telling us about them . . . she tells us her family has been watching them since they were tiny . . .

* * *

SOL MARCUS . . . one of our summer residents from the east . . . is a man of his word . . . Last June when the bass season opened he promised us some fish . . . Last week he paid off with three beautiful fish . . . A few days later he caught five of the beauties and when some lady asked to buy one he told her she'd have to take all five . . . We'd like to have seen the expression on her face when she heard that offer . . . And we'll bet she was even more surprised when he handed her the entire catch and putted off in his boat before she could recover enough to say 'Thank you' . . .

* * *

WE WERE privileged Sunday night to hear and see a rare performance in Charlevoix . . . An all-negro group in a Biblical play, "Heaven-Bound" . . . Horatio Jackson, the director and his group of more than 30 deserve great praise for their efforts . . . a show with a message beautifully done . . . Mr. Jackson said it was their way of saying "Thank you" for the things Charlevoix has done for them . . . We hope they know that the large crowd which attended the show was thrilled by the performance and feel more than repaid . . . If payment were necessary . . . for any favors or kindensses granted.

* * *

FOR THE second time this year we've attended a sixtieth wedding anniversary . . . a rare privilege indeed . . . Sunday evening we paid a brief visit to the Phinny Gennetts where happiness reigned supreme as the couple, pioneer residents of the community, greeted what seemed like a myriad of old friends and equally as many relatives . . . We always feel very humble in the presence of the love and devotion, understanding and faith, that is represented in a marriage that has weathered that many years . . . We hope we'll be invited back for many more anniversaries . . .

* * *

WHILE OVER on the south side Sunday evening, we stopped by for a too brief chat with our old friend, Roy Ranger . . . Remember we did a story on his martin houses last year and if you were like us, you learned a lot about martins . . . the bird variety, this is . . . You remember that the little birds arrive in Charlevoix about the same date every year . . . This year they came one week early . . . and being birds of habit, they departed for their winter quarters in Central and South America one week earlier than usual . . . on Aug. 9 . . . They're smart birds, the martins, according to Mr. Ranger . . . In three months they build a home, rear a family and have the little ones 'on their own' before migrating south . . . It takes humans 20 years to complete the process . . .

* * *

REMEMBER our old friend, Prof. P. G. Holden . . . now Dr. Holden . . . the corn man? . . . In the current issue of the Michigan State Alumni publication, the Record, is a picture of Dr. Holden taken in the new Beal Gardens at the college which he helped dedicate last June . . . Under the title of "Days of Yore", is told the story of the Beal Foundation which will tell the story of hybrid corn . . . Dr. Holden's collection of writings, talks and correspondence constitute the first major addition to the Foundation's library on corn . . . recently, Mrs. J. K. Reed and Mrs. Clarence Goldstick assisted with the compilation of these works when Dr. Holden lived here with his daughter, Mrs. Ellsworth Besemer.

* * *

ELECTION tellers have a habit of acquiring the darndest things to collect votes in . . . For instance last week, when everyone knew there was going to be an election, no one made any arrangements about collecting the ballots . . . so what are they collected in? . . . Someone's good straw hat and a much-used paper bag . . . how the latter got into the council room we didn't find out . . . but used it was . . .

* * *

WHO EVER said chivalry was dead? . . . We understand that during the play, "Heaven Bound," at the auditorium Sunday night some very chivalrous gentleman offered his arm to the attractive girl who played the role of the drunkard as she staggered down the aisle before he realized it was part of the act . . .

* * *

HASN'T it been a treat to see so many of our servicemen home . . . Dick Hardy home from Europe and meeting his young son, Mike for the first time . . . Gene Bridge around for the first time in three years after a tour of duty in Germany . . . Ralph Mitchell, who is making the army his career, home from Korea . . . Larry Petersen, Bill Barber, Fritz Allard, George Haggard, Jack Paul . . . just to name a few . . . It will be nicer still when all our guys are home to stay . . . Let's hope it won't be too long.

Taking Life Easy

The lucky turtle! He takes life so easy. No rent and no house payments are necessary. Attached to his house, he carries it with him wherever he goes. When threatened by his enemies he merely withdraws into his heavily armored home. Thus the turtle seldom, if ever, knows pain. Bereavement and sorrow are unknown to him. He doesn't have to struggle for an existence.

If human beings are any better than turtles, why are people not protected from suffering? If people are God's children and He cares for them, why doesn't the Creator give human beings at least as much freedom from physical pain and mental anquish as He does to the lowly turtle?

Someone said at the time of the San Francisco earthquake, which took hundreds of lives, that the suffering from that catastrophe made more atheists than hundreds of books arguing for atheism could ever produce . . . Every thinking person has at some time or another wondered about the reasons for sorrow, pain and suffering. Would you like some answers to this problem?

"If God Is Good Why Does He Allow Suffering?"
will be the sermon subject

The Future Is Looking To You:

The little ones [illegible] know pain and meet with accident. They will need a hospital where adequate medical, surgical and nursing care can be given to them. We are responsible for providing for their future.

Many adults who read this notice will some day require hospital treatment. When that time comes a good hospital cannot suddenly be provided. It must be built and furnished in advance.

The New Charlevoix Area Hospital Fund provides the means for taking care of the future needs of the sick and suffering of our area. Our goodwill is not enough. Our money is needed. Money, not goodwill, buys brick and cement, plumbing and electrical supplies, labor and the multitude of other things that make a new hospital.

★ **IF YOU ARE BEHIND ON YOUR HOSPITAL PLEDGE PAYMENTS, please get caught up.**

★ **IF YOU HAVE NOT YET CONTRIBUTED to the New Charlevoix Area Hospital Fund, help us now take good care of the future by making a substantial gift.**

★ **IF YOU HAVE ALREADY MADE A CONTRIBUTION AND NOW WISH TO GIVE MORE, your help will be most deeply appreciated.**

You can pay on your pledge or make a cash contribution through either of Charlevoix's banks, the State Bank of East Jordan or to Herbert Schofield, Secretary of the Fund Raising Committee.

Flavor Of Food Is Accented By Using Garnishes

We eat first of all with our eyes.

That's why garnishes are so important, points out Margaret Wallace, Michigan State College foods and nutrition specialist. The eye appeal of garnishes is not the only reason for adding these "accessories" to our meals, however. They also accent food flavor.

Garnishes should be kept small, edible and in contrasting color to the dish.

Here are some garnishes suggested by Miss Wallace:

Raw broccoli or cauliflower flowerets are attractive for the hors-d'euvres tray.

Hot ripe olives, celery curls, carrot sticks and radish roses are good on the luncheon plate. Chopped olives, blanched almonds and small mushroom caps would be effective additions to cutlet or croquette sauces.

The imaginative cook might garnish salads with apple slices with the skins on, beets cut with a lattice slicer or sliced green pepper rings.

Children's Ward At Hospital Has Two New Pictures

Youngsters confined to the Charlevoix hospital will find two lovely and entertaining pictures on the walls of the children's ward, meant to make their stay at the hospital seem shorter and happier, Miss Anne Baumgartner has announced.

The pictures 24 by 30 inches in size were presented to the hospital by the Children's Sunday School of the Chicago Club. The pictures were selected by the youngsters because of their entertaining themes and pastel colors.

One, known as the quartette, portrays four animals, a bear, a donkey, a goat and a monkey playing string instruments under a colorful canopy which protects them from the sun.

The second is equally amusing. Titled the "Lantern Parade," it shows several varieties of fish parading with fishing poles topped by colorful lures and floats lost by fishermen on the bottom of the sea. One sad fish carries a lantern and two funny little worms lead the parade.

Both are popular paintings by Lewitt-Him.

Charlevoix County Farm News

Wheat Growers Advised To Sow Crop After Sept. 3rd

The Hessian fly-free date for Charlevoix county is September 3, Ed Rebman, county agricultural agent announces. That's the safe date for farmers to plant wheat ... when the wheat likely will not be injured by the fall generation of the fly.

The only satisfactory control for the Hessian fly, he explains, is by planting wheat in the fall after most of the danger from this insect is past. The pest normally does not lay eggs after late summer or early fall in years of average weather. Preventing egg laying in the fall by planting wheat in the fly-free period not only eliminates damage in the fall but also reduces the number of flies overwintering for the spring generation.

Extension Entomologist Ray L. Jones of Michigan State college reports that Hessian fly is on the population increase. The report is based on information entomologists are collecting. That means more damage has been done to wheat than normally.

Wheat plants infested with Hessian fly may turn dark bluish-green and the plants finally die back from the leaf tips. The injury comes entirely from the larvae, or maggots, of this insect which feed beneath the leaf sheath and the stem, usually next to the ground.

The larvae have a shiny appearance . . . white or greenish-white in color, legless, headless and about three-sixteenths of an inch long. The Hessian fly overwinters mainly as a full grown larva in the flax-seed stage. The maggots, which pupate in the spring, eventually become the flies that lay the eggs for the spring generation.

Bean Growers Plan Field Day Aug. 25

The Michigan Bean Council and Michigan State college have announced plans for a State Bean Field Day at 1 p.m. on August 25 at the George Schemm farm, northwest of Saginaw.

There are 3,000 test plots at the farm, a half mile east of Saginaw on M-81 and a half mile north on Outer Drive, according to Dr. Eldon E. "Jerry" Down, M.S.C. bean researcher who developed Michelite beans. There are about 200 strains that are resistant to Virus 15 and over 400 that are resistant to Anthracnose, he said.

Loren Black, Saginaw county agricultural agent, is working on details.

A little care in providing your pigs enough water in hot weather will pay off at the early fall market, remind swine specialists at Michigan State College.

State Tree Nursery Accepting Orders For Fall Plantings

Farmers interested in securing trees for planting this fall are reminded by Ed Rebman, county agricultural agent, that order blanks for these trees have been received from Michigan State college Nursery and are available at the county extension office in Boyne City. The following species of trees are available for this falls planting: Red Pine, Jack Pine, Scots Pine, Austrian Pine, Black Spruce, Norway Spruce, and White Spruce. Also available are: Black Locus, Honey Locus, Multiflora Rose, and Black Walnuts. Farmers are urged by Rebman to obtain one of these blanks if they are interested in fall planting.

Report Good Wheat Crop In County

Charlevoix County's 1953 wheat crop was an excellent one, Ed Rebman, County Agricultural Agent stated, but farmers should already begin planning for their 1954 wheat crop.

One important consideration should be the variety. Certified seed of the Yorkwin, Cornell, No. 595; Genesse, and Sencea, are available to growers for this falls plantings. Farmers interested in obtaining seed of one of these varieties should either contact one of the local Coop's, or the County Extension Office.

Test Soil Now

You can't beat August as a good time to get soil tested, claims James A. Porter, extension soil scientist at Michigan State College. It can give the clues to what soil needs to make fall-sown grains perform better, he explains. If liming is needed for spring seedings, it gives farmers a chance to get lime on six months ahead of time.

Mrs. Reuben E. McCurdy and daughter Susan

Mrs. Helen Kleckler

"I am grateful for the efficient, thoughtful service"

Little Susan McCurdy, 2, of Manton was only showing her affection for her dog "Woofie" when she tried to put her arms around him. For some unexplainable reason the animal turned suddenly and bit her on the eyelid and cheek.

Susan's mother hurriedly telephoned for the local doctor. Meantime, Mr. McCurdy was trying to calm the badly frightened child and applying cold compresses to her wounds. As Mrs. McCurdy later wrote, "When I learned that the doctor was out, and would not be back for some time, I went completely to pieces."

She shouted frantically to the operator, "Get a doctor! Get a doctor!" The operator on duty, Mrs. Helen Kleckler, called another doctor immediately as Mrs. McCurdy stayed on the line. Reporting that the doctor was on his way, Mrs. Kleckler continued to talk and tried to soothe the excited woman.

Today, Susan has only two tiny scars to remind her of the frightening experience.

In her letter to Michigan Bell, Mrs. McCurdy says, "Mrs. Kleckler showed fine presence of mind in her calm reassuring words and in getting another doctor for me almost at once. An incident of this nature is probably a matter of rontine to you, but it was a very upsetting experience for me. I am grateful for the efficient, thoughtful service your operator gave me."

Plans Progessing For Variety Show

(Continued from Page 1)

coming during the football season, a Christmas scene for December, an Easter choir for April, a May pole for May, a vacation scene and a Labor Daze chorus to name a few.

A breakfast club program and a guest artist program are also featured. The Roy Brill Trio row playing at the Argonne will fill the guest artist spot on the latter program. Mrs. Twiford said Wednesday after talking with Bill Matzinger of the Argonne.

In addition to the show itself, a Tiny Tot Participation contest will be featured so even the young fry of the community may do their part in lighting Kipke Field. Mrs. James Gallagher is chairman of this event. She will be assisted by Mrs. Ivan Phillips, Mrs. Drew Young, Mrs. William Lusk, Mrs. Melvin Plum, Mrs. Danforth Gallagher, Mrs. Thomas Carey, Mrs. Lester Gallagher, Mrs. Robert Anderson, Mrs. Joseph McPhillips, Mrs. Gordon Freedman, Mrs. Shelby Goss, Mrs. Emerald LaBlance, Mrs. Frank Trocchio, Mrs. Clifford Riley, Mrs. Louis McKenzie, Mrs. Jake White Jr.

All children up to six years of age are invited to participate in the contest. All you have to do is register your child with Mrs. Gallagher or a member of her committee and present two pictures, a photograph and a snapshot . . . there is no entry fee. One picture will be posted on the Brown Motors window along with pictures of all entries and a second will be used on a voting jar to be placed in the store of the parents' choice. Every penny counts a vote and the results of the voting will be posted daily.

The winners will be announced the second night of the variety show when Tiny Tot royalty will be crowned by Mayor Dean Davenport and presented with loving cups. All entries will receive a prize. The contest will get underway next week so there is still time to enter the contest.

Tickets for the show will go on sale this week with Mrs. Jake White serving as ticket chairman. What's Doing at Camp Charlevoix

Monday started out with the first of the long trips starting out. The horse trip with Dick Hesse, Dave Netting, Tom Corbett and Chuck Kearney left for three days, being led off by the new Chuck Wagon that Dick has fashioned from several of our non-de-script wagons around here. The boys on this trip were: Chris Leitwiler, Jon McBride, Tex Huntington, Dave Ferguson, Kent Gibbs, Jay Wannamacker, Dick Lawler, Jim Smith, Mike Drossell, Lloyd Lawson, Tops and Perry McKay, Mike Millis, Jack Scott, Mac Gibboney, and John Jacobs. They reported a very fine trip, even though it was cut short by a rain storm which drove them back to camp, however, shortly after their arrival, the sun was out, and they were all sorry that they hadn't waited. The long canoe trip down the Intermediate Chain of Lakes took off on Monday, too, and Coyle Moore and Jim Mueller were in charge of this trip. These boys came back full of praise for fine paddling, beautiful scenery, and delicious food. The boys on this trip were: Robbie Helwig, Chuck Barlow, Gary Murfin, Matt Buder, Eddie Guest, Clem Gill, Tom Wells, Don Shealy, John Mueller, and Douglas Graham.

On Tuesday, Bill Forsythe and Terry Tyksinski took the best sailors in camp on the long sailing trip. These boys were: Bob Massman, Bill Koehler, Tom Tinsley, Rick Gilbert, Dan Ross, Hanny Carpenter, John Lensen, Jim Potter, Peter Wells, Nick Cameron, and Jonathan Schmidt. They made Whiting's State Park their headquarters and sailed out from there each day.

Boys are very busy these days passing tests in certain activities so that they can have the satisfaction of knowing that they have accomplished something this summer.

Don Dohoney and Bill Wells took their cabins on a overnight trip on Friday night to Whitings' State Park.

On Saturday afternoon the Annual Mile Swim was held and out of 62 starting out, 48 finished. It was a grand afternoon and the boys who finished knew that they had really accomplished something. The first three boys to finish were John McBride, Jack Scott and Kent Gibbs. They finished in 36 minutes. The only Junior to finish was Butch Dillian. Julie Smith, the nine year old daughter of the Smiths, recently returned from her camp, and made the mile here, swimming it in an even one hour.

On Sunday morning, Kevan Gosper gave the chapel talk.

Sunday afternoon saw the Annual Obstacle Relay held in which 106 boys took part. This was the finish of the Green-Grey Competition for the year, with the Green Team winning by about five seconds. This is quite remarkable in an event that took fifty six minutes to complete. So, the Greens have their team name chiseled in the clubhouse along with the winning teams of the last eighteen years.

By the time parents read this, camp will be over for this season. It has been a very fine season with a grand group of boys, a superior staff and weather that was ideal for good camping. Until 1954, good bye, and may the year be kind to each of you.

Development And Planning Groups To Hold Meetings

The City Planning Commission will meet at the city hall at 5 p.m. Monday for an organization meeting, it was announced Wednesday.

Directors and members of the Charlevoix Development Corporation will meet at the city hall at 8 p.m. Tuesday for a business session. The meeting was called by Ralph Hess, chairman of the group.

The two groups met Tuesday night for a joint meeting called by Mayor Dean Davenport and City Superintendent Roy R. Robinson to discuss current city problems, new industries and residential development.

These matters will be discussed further at the meetings of the two organizations called for next week.

Former Resident Dies In Muskegon

Mrs. Lillian Walsh, a former Charlevoix resident, died Saturday at Hackley Hospital in Muskegon after a two months illness.

Funeral services were held at Jackson, Ohio, Wednesday.

A native of this city, the former Lillian Pant later lived in Ohio, returning here in 1940 following her marriage to William Cramblitt. In 1946 the family moved to Muskegon following her marriage to David Walsh.

Surviving are her husband; two sons, William Cramblitt of Wolf Lake and Jesse Cramblitt of Muskegon; three daughters, Mrs. Harriet Franklin, Mrs. Glenna Pant and Mrs. Shirley Garvey, all of Muskegon and several brothers.

Local Men Attend U. of M. Conference

Two Freedman Artcraft Engineering Corporation employees were in Ann Arbor recently to attend a conference at the University of Michigan on trouble-shooting in the wood-work industry.

They were Donald M. Gilbert (second from left) and Robert O. Pearl (second from right) shown here with Ted Kindel of Grand Rapids, of the Kindel Furniture Co., (right) and Norman Franz, research associate at the U. M. Engineering Research Institute as the latter explains a machine used to measure strength and durability of sanding paper.

The men also learned how to correct mistakes in production, the cause of rejections, and how poor production and design practices led to rejection.

Walter Moore Services Held Here Yesterday

Funeral services for Walter J. Moore, 48, local Hudson Sales and Service owner who was drowned in Lake Michigan August 9, were conducted at the Pontius Chapel Wednesday afternoon by the Rev. Fr. E. F. Denay. Burial was in St. Mary's cemetery.

On Tuesday evening members of the Petoskey B.P.O.E. lodge gathered at the Chapel for a brief service.

The body of Mr. Moore was recovered from Lake Michigan early Monday evening off Five Mile Point on the north side of Little Traverse Bay by Floyd Potts of Petoskey and a fishing party aboard his cabin cruiser.

The body was taken aboard the cruiser's dinghy and brought to Harbor Springs and the Charlevoix Lifeboat station and Charlevoix county sheriff's officers notified. Identification was made by local officers and the body returned to the Pontius Chapel here.

Mr. Moore was drowned early Aug. 9 when he fell from the cabin cruiser, Sandy, owned by Leonard Sanford while enroute to the Beaver Island homecoming. A search by the Coast Guard of the Charlevoix lifeboat station and the Coast Guard Air Station at Traverse City failed to reveal any trace of the body and the search was called off late Sunday.

A resident of Detroit for many years before coming here in 1942, he had operated a garage since coming to Charlevoix.

He is survived by his wife, Joanna; six children, Donald, Gary and Mary at home and Roy, Edward and Shirley of Detroit; his mother, Mrs. Elizabeth Moore who came last week from Alaska to spend some time in Charlevoix; two brothers and five sisters.

The names of the Charlevoix county draft registrants who will be called for induction into the armed services to fill the county's draft quota as well as those who will be called for pre-induction physical examinations have been announced by the local draft board.

Francis C. Partridge of Charlevoix and Robert E. Scott of Boyne City have been ordered to report for induction into the service on Sept. 2. They will make the trip to the Detroit Induction Center by bus.

On September 14 the following men will report for pre-induction physicals: Charles M. Hooker, William J. Stevens and William C. Kerr of Charlevoix; Don J. Bennett of Ironton;

Also James L. Milstein, Orville R. Nelson, Theodore A. Ecker, Walter R. North and Donald J. Saganek of East Jordan; Harry E. Behling and Thomas E. Meads of Boyne City; John S. Jarema, Sylvester J. Czerkies, Ernest L. Walton and James Duff of Boyne Falls.

Area Football Teams Prepare For First Practice Sessions

Fifty candidates for the 1953 Rayder football squad were on hand at the high school locker room Monday morning for preseason physical examinations given by Dr. A. F. Litzenburger, director of the district health department, Coach Del Terrill has reported.

An additional 15 or 20 are expected to report later, Coach Terrill added.

The Charlevoix players were the first in the northern Michigan Class C league to report for examinations prior to the opening of practice sessions next Monday.

Both coaches and players in the loop will wind up summer jobs within the next two weeks in preparation for the school year and the regular football season.

Coach Terrill, who has operated the Charlevoix Play Club since June 15, has called his first practice session for 6 p.m. Monday. The players will report daily from 6 to 8 p.m. until school opens. All players who did not undergo examinations Monday are advised to contact Coach Terrill for cards so they may report for examinations prior to Monday.

Elsewhere in the league coaches have called players in for examinations later this week or early next week.

At East Jordan Coach Gayle Saxton, who has completed the season as city recreation director, has called his squad in for examinations at 9:30 a.m. Friday with practice sessions to be held at 9:30 a.m. and 2:30 p.m. daily beginning Monday.

Boyne City players will report for examinations at 9:30 a.m. Saturday, according to Coach Tom Weede who has been in Mt. Pleasant, where he attended the Central Michigan college football camp after completing his duties as city recreation director.

Local Division Of Tool, Die Co. Plans Expansion

The Woodturning and Lathe Division of the South Bend Tool and Die Co. will move to new quarters within the next 60 days it was revealed this week following the announcement that the South Bend company had purchased the Cherry st property formerly occupied by the K&K Engineering and Manufacturing Co.

Chester Edison, who came here recently from South Bend to head the new plant, said the company had purchased the property, known locally as the Inn Garage, so that the woodturning division could expand its operation. It is now located at the former Miller Boat Co. property on Belvedere ave. which was purchased last fall by the South Bend company.

The new company also broke ground last week for a new saw mill and dry kiln on the Stover road site purchased earlier this year from the city. Connecting lumber sheds will also be built.

Two Local Scouts Are Eligible For Brotherhood Honor

Larry Burns and Stuart Walker, local Boy Scouts, are among the 56 Boy Scouts of the Scenic Trails Council, who are eligible for the Brotherhood Honor of the Indian Drum Lodge Order of the Arrow.

The Brotherhood Honor is the second step in the advancement ladder of the Orders of the Arrow. These members are now Ordeal Honor members.

The initiation ceremonies will be conducted at Camp Greilick at 10 p.m. Friday with candidates reporting at the camp at 4 p.m. for various tests necessary to administer the initiation.

The 56 candidates have served at least one year as Ordeal Honor members of the Order of the Arrow and have proved their interest to continue. The Honor team will conduct the calling out ceremony for the new Ordeal Honor members on Friday.

Gov. Williams Has Successful Day On Beaver Island

St. James — Friday was proclaimed Governor's Day on America's Emerald Island, Beaver Island, as Gov. G. Mennen Williams arrived aboard his private plane for a fishing trip to nearby Garden Island.

Aboard the Conservation Department boat in charge of Chester Belfy, Melvin Plum and Charlie Martin, the Governor carried the luck of the Irish with him to the fishing grounds, for all caught their limit. Biggest fish was a 34 inch eight pound northern pike caught by Gov. Williams.

Following the fishing trip, the majority of the island's 400 residents gathered at the Parish Hall for a square dance with Gov. Williams calling for the dances. Later there were waltzes with the Irish colleens staging robber dances, with the governor the most robbed' man in the hall.

With myriad good wishes the Governor and his party left the island early Saturday. Island residents are confident that he will return to use the fishing equipment left behind with the local conservation officer.

Announce Cast For Variety Show Program

Rehearsals for the musical variety show, "It's a Date," got off to a fine start this week with 65 members of the cast meeting at the city hall Monday night for initial try-outs, Mrs. Mable Twiford, director of the production said Wednesday.

Castings will be completed before the week is out, she continued. She also said she was well satisfied with the progress of the cast and is sure that the show will develop into a fine production by Labor Day weekend when it will be presented for two nights.

The play, featuring more than 150 local residents, will be presented at the high school auditorium Friday and Saturday, Sept. 4 and 5 under the sponsorship of the Knight Memorial Fund to light Kipke Field.

Plans have also been completed for the Tiny Tot Participation contest with Mrs. James Gallagher as general chairman. It is expected that at least 150 small fry up to six years of age will be entered in the contest which will be climaxed by the selection of a Tiny Tot royalty of the community the final night of the show. Mayor Dean Davenport will crown the tiny rulers and present golden loving cups to the [illegible] six winners. All other participants will also receive awards. At the closing performance, all contestants accompanied by one parent will be guests of the Knight Memorial Fund with reserved seats provided for them.

Mrs. Twiford will decorate a window at Brown Motors Friday morning and post the pictures of all entries. However, pictures are not necessary and any child may enter the contest. Voting cartons will be placed in the store of the parents choice to receive the

P. Hittenberger, Former Resident, Dies In Tucson

Phillip Hittenberger, 69, a former resident who had gone west last spring to make his home, died unexpectedly Aug. 19 at his new home in Tucson, Ariz.

The body was returned to Detroit where funeral services were held at the A. H. Peters Funeral Home Tuesday. Burial was in a Detroit cemetery.

Mr. Hittenberger came here in Oct. 1946 with his family from Detroit where he had resided many years. He was a brick-layer by trade.

He was active in church circles and had been a member of the board of the Assembly of God church when it was established and constructed here.

He and Mrs. Hittenberger had gone west last spring and planned to settle at Tucson.

Besides his wife, Margaret, he is survived by four sons, Phillip of Tucson, Arthur of St. Clair Shores, Otto and Joseph of Detroit, four daughters, Mrs. Margaret Gongle and Mrs. Dorothy Fischer of Charlevoix, Mrs. Ruth Mohrman of Flint and Mrs. Ann Percy of California; 16 grandchildren and one sister, Mrs. Sophie Schmidt of Cleveland.

Public School Term Will Open Sept. 15

Charlevoix public school students are reminded that they have less than three weeks vacation remaining before the 1953-54 school term will open.

The school year will start officially Monday, Sept. 14, when teachers meet for a conference. Students will enroll at 9 a.m. Tuesday, Sept. 15, according to Supt. R. G. Bennett.

Kiwanians Told About New Tax

U. S. Senator Ferguson To Visit County

The [illegible] County Republican Committee will entertain Michigan's Senior senator, Homer Ferguson, and Mrs. Ferguson at an informal potluck dinner at the summer cottage of Mr. and Mrs. Frank Bird on Lake Charlevoix tonight (Thursday).

Senator Homer Ferguson

The Committee, headed by chairman Guy C. Conkle Jr. of Boyne City, and their respective husbands and wives will gather at the Bird cottage at 6 p.m. to meet Senator and Mrs. Ferguson and party, who are on a trip through the state.

On Friday Senator Ferguson will be at the Hotel Dilworth in Boyne City from 10 a.m. until 1 p.m. to meet Charlevoix county residents and to speak at a luncheon meeting.

Later Friday he will be in Petoskey.

While in Charlevoix the Senator and his party will be at [illegible]er's Sunset Lodge.

Appraiser Visits City To Prepare For Tax Survey

John D. Coles of the Cole-Layer Trumble Co. of Dayton, Ohio, appraisers and engineers, was in Charlevoix Monday compiling preliminary information for the tax equalization program which his company will conduct for the city next month.

Mr. Coe consulted with Roy R. Robinson, city superintendent, regarding the number of properties and other information relative to the program; with Drew Young, city assessor, on building cost information and with representatives of the local lumber companies on material and labor costs of building in Charlevoix before setting up the schedule to be followed during the program.

A representative of the company is expected here about mid-September to begin the task of inspecting the city's 1,541 properties, appraising them and establishing a file system on which the tax assessments will be based in the future.

O. Petersen, 32 Is Drowned In Lake Michigan

Qu[illegible] Petersen, 32, E[illegible] was drowned late Thursday at White Shoals lighthouse 32 miles northwest of here in Lake Michigan where he was stationed with the U. S. Coast Guard.

The accidental drowning occurred during a boat-hoisting operation at the lighthouse after Petersen had returned from a trip to Cross Village in a motor launch.

Edward Stahulak, Eng. 3-c, who was operating the hoisting equipment from a point 30 feet above the water, said he had started to raise the launch from the water when Petersen stepped toward the bow of the boat. As he did so he seemed to lose his balance and fell into the water. Stahulak said he immediately threw a line to Petersen but he failed to grasp it.

He summoned Carl Walters, BM 1-c, who is in charge of the light and the pair descended to the base of the lighthouse. Before they could reach Peterson he sank beneath the water.

They recovered the body in a grappling operation 50 minutes later but attempts to revive him by artificial respiration failed.

The body was returned to the Pontius Chapel here where an autopsy revealed death due to drowning. It is believed Petersen struck his head when he fell from the boat and was stunned by the blow.

He is survived by his wife, Rose Marie, an expectant mother and two children, Karen and Lawrence of Sault Ste. Marie and his parents, Mr. and Mrs. Sophus Petersen of Cloquet, Minn. The body was taken to Superior, Wis., Saturday for funeral services and burial.

Council Gives City Employees Wage Increases

After careful study of the power situation in Charlevoix, the city council Monday night voted to advertise for bids for additional diesel equipment which will supplement the present output at the municipally-owned light plant.

The bids will be opened at a special meeting of the council set for 8 p.m. Tuesday, Sept. 8. Bids will be accepted until that hour on the furnishing and installing of diesel engine generating equipment of a capacity of between 600 and 1600 horsepower including switchboards, auxilaries and incidental equipment. Details regarding the bids may be obtained at the office of the City Clerk.

At the same meeting all city employees were given a wage increase effective August 24. The wages of hourly employees with the exception of the fire department, which last week adopted a new set-up, were voted a raise of five cents per hour. All salaried employees except the city superintendent received a raise of $2.00 per week.

Only one bid for the construction of a foundation for the new airport hanger was received. Submitted by the Lake Construction Co., it was for $2,635. After some discussion it was rejected.

Bills totaling $11,875.50 were approved and ordered paid.

INTERPRETING THE NEWS

by Gene Alleman

IS TAXPAYERS' money wasted?

Of course, it shouldn't be. And the job of the Auditor General is to see that it isn't. The department he administrates makes certain that all money is used as the Legislature intended and approves each of the 200,000 checks written each month. This means handling about $650,000,000 in state expenditures this year.

Present Auditor General is John B. Martin Jr., a tall, quiet, handsome man, with wavy hair, prematurely gray. Because he deals every day with Michigan's bank account, he is in a good position to discuss state financial matters.

Little danger exists of a deficit in this year's state budget," states Mr. Martin. "In fact", the Auditor General continued, "if sales tax returns maintain their present level and we collect what we expect from the new business receipts tax, we can probably reduce the deficit, . . . perhaps by as much as $10,000,000." Best estimates of revenue to come from the business receipts tax, according to Mr. Martin, amount to $36,000,000 per year.

* * *

WHEN SMOKE of suspicion rises in state finance, the Auditor General is called in to see if there's actually a fire. If things are not in order, it's his job to find the cause and recommend a way to prevent a recurrance.

This is exactly what happened several months ago when it was suspected that a school district in Michigan had been overpaid in state aid money because of false enrollment-figures supplied to the state department of public instruction. An investigation carried out by the Auditor General, working with state school authorities showed that Michigan taxpayers had been defrauded out of some $359,000 over a 10 year period. In addition, about $28,000 could not be properly accounted for.

This school scandal, and a few others involving much less money led to a new law requiring annual audits of all school districts. The legislation was recommended by the Auditor General and the state Superintendent of Public Instruction. It was passed in the last Legislative session.

School districts receiving more than $100,000 from the state each year must have a Certified Public Accountant handle the audit; districts receiving less are not required to employ a CPA but must have an audit.

"This will supply protection for everyone," explains Mr. Martin. "Local school boards and superintendents will be free from suspicion and the taxpaying public won't be overcharged."

* * *

MAIN responsibilities of the Auditor General's office amount to a sizeable task. Briefly the staff must perform these duties: 1. Audit records of all state agencies, 2. audit books of all counties (except Wayne which maintains its own Auditing Board). 3. Handle the collection of delinquent taxes. 4. Pay bills.

Mr. Martin, now in his second term as Auditor General, is particularly suited for this task. A native of Grand Rapids, he graduated from U. of M.'s law school. During World War II he was at various times a naval secret service agent in Europe, head of the National Office of Civil Defense and a member of the prosecutor's staff at the Nurnberg War trails. He has also represented Kent County in the state Senate.

"Government can be as efficient as private business and often is," Mr. Martin stated. "But it is more difficult to maintain efficiency because there is no profit motive." But he tries to supply a similar incentive.

When each audit is completed, it is submitted to the department head with any recommendations for changes in procedure that would improve service or lower cost. The Auditor General also requests a report from the department concerning what has been done about putting the recommendations into effect. This report is often submitted to the Appropriations Committee of the Legislature. An uncooperative department head needs some good answers if he fails to act on the Auditor's suggestions.

"This threat to a department's appropriation in government acts much like a desire to make profit in the business world," explains Mr. Martin, "and is a fine lever to secure increased efficiency."

* * *

PAYROLL PADDING and liquor stealing was recently uncovered in a Detroit Liquor Control Warehouse. An auditor's investigation revealed need for some new methods. They were suggested and put into effect. Improvements were almost immediately noticeable on the records.

All examples of the Auditor's functions are not so dramatic but every year they find 10 to 12 cases of embezzlement or instances where money is spent in an unauthorized manner. "These matters are usualy small and relatively easily rectified," said Mr. Martin.

Taxpayers can look with a little more understanding upon the problems of state finance when they consider the elaborate care taken to get a dollar's value for a dollar spent.

For there can be little doubt that a keen Auditor General's staff can increase economy, reduce theft and embezzzlement, and help guarantee efficient operation in government.

ODDS 'N ENDS

By Fran Martin

IT'S GETTING on toward the time when our summer visitors are preparing for their departures to spots hither and yon . . . And it's a shame too for the weather has been so heavenly that no one wants to leave . . . This weekend will see the first big exodus, with the Sunday night train pulling scads of cars loaded with those who are leaving early . . . In another three weeks it will all be over and another summer in Charlevoix will be history . . . We don't know about everyone else but we think it's been a pretty successful summer . . . in every way . . . And before it's hardly over, everyone's making plans for another year . . .

* * *

IF IT WON'T break the spell, we'd like to mention that we've rarely seen such grand weather this late in August . . . Always it does those awful things like raining or turning cold or something . . . We've enjoyed some of our nicest weather this past week . . . Now if it will just extend itself until Nov. 15 or so, we'll be tickled . . .

* * *

HAVE YOU noticed that the mountain ash berries are getting ripe . . . And there's a lot of them . . . Looks like a hard winter . . . Ohhhh . . . what are we saying????

By the way, if you're interested . . . that big holiday . . . Christmas, we mean, is just four months from last Tuesday . . .

If you get the idea that we're wishing our life away . . . don't be alarmed . . . we're not really.

* * *

HAVE YOU been black-berrying this year? . . . They tell us there are millions of them . . . The Floyd Ikenses and John Norton went for a little while last week and shared some of their find' with us and were they good . . . Tasted just like more . . .

* * *

CHARLEVOIX has set some kind of a new record . . . Or at least that's what we think . . . A family that has lived here for seven years, boasts that in those years they've never locked a door in their house . . . They've been gone as long as two and three weeks at a time and have yet to have anyone enter the house and take anything . . . Now that they're thinking of renting the house, they've had to have keys made . . . Since they've never had use for them 'til now . . .

* * *

WE HAVEN'T made up our mind yet whether Ted Browe is courageous or fool-hardy . . . Anyway, the Airman left last week for Savannah, Ga., in his 1928 Model A Ford . . . With the confidence of youth, he looked down his nose at us when we mentioned that he was taking quite a chance . . . After all, it's quite a piece from here to Savannah . . . We're wondering how he made out . . .

* * *

LOTS OF mail this week . . . from Italy a card from Mrs. David Bergstrom who with Mr. B left last June for a visit to the Scandinavian countries with a side trip through several European countries . . . The card came from Rapallo . . . She said she and her traveling companion were having a wonderful time . . . They were enroute to Rome where they were to spend several days . . . She ended with a greeting to everyone back here.

* * *

AND another card . . . this one from the Ted Miller family who are on a summer trip through the west . . . Earlier they took the southern route to California and now they've traveled north to the Canadian Rockies . . . The card was written aboard a paddle steamer on Arrow lake, the headwaters of the Columbia River in British Columbia . . . It must be beautiful there . . . Mrs. Ruth Miller was telling us last week about this same country and it sounded like heaven . . .

* * *

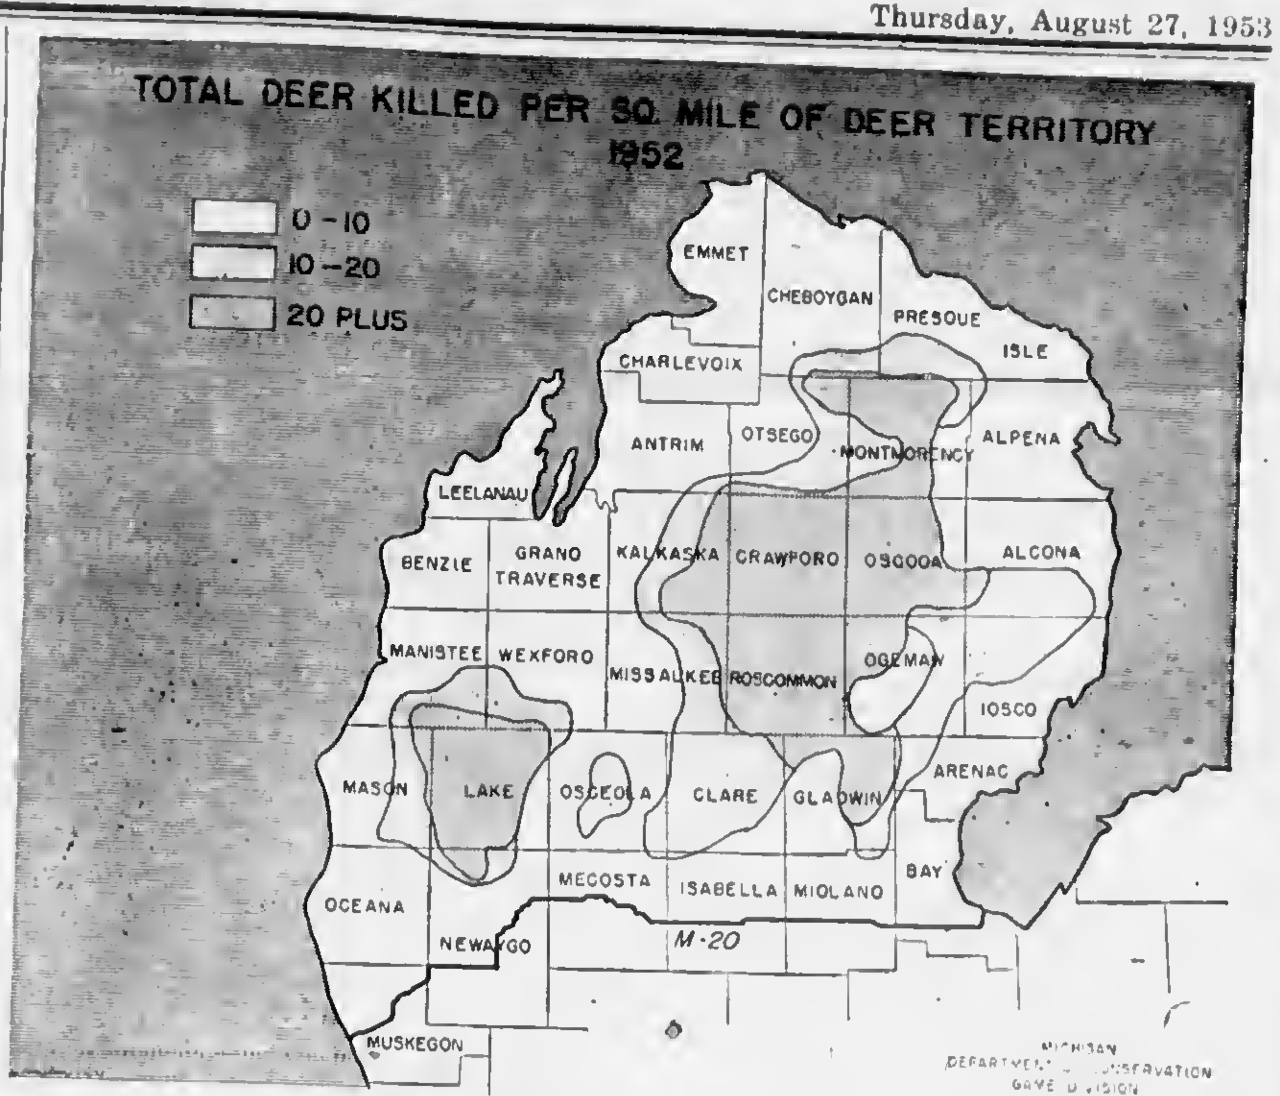
AND FROM Pete and Nina Locke, who spent several summers here, a note from Jackson, Wyo., where they are spending the summer . . . They were at the tourist park here for a number of years and asked if we had a new one . . . Both send their best wishes to old friends back here . . . We've sure missed Pete around this summer . . . The town just isn't the same without him . . .

* * *

THINGS are looking up in our little ole county . . . Boyne Falls, a few years back, got Boyne Mountain . . . Boyne City brought in a new plant last fall which is now doing mighty well, we hear . . . Charlevoix's been doing very well with its new industries . . . And now East Jordan has joined the parade with a new stamping industry . . . They've started a new building to house the industry and things are going along fine . . . This may not sound like much to some people but to the residents of the county it's a God-send . . . It's going to mean jobs for people so they can remain in northern Michigan . . . where they have homes . . . It's a bit of alright for our money . . .

* * *

LAST YEAR we went to the Camp Charlevoix rodeo and council fire as the camp closed for the season . . . This year we were invited for the final dinner and program and thoroughly enjoyed every minute of it . . . The Small fry showed me the camp . . . we visited all places of interest . . . even played 'inspection' on the inspection grounds. And then enjoyed a turkey dinner and trimmins with Ken and Ruby Smith, their counsellors and 127 campers and other camp personnel . . . It was quite an experience . . . Group singing and a brief program concluded the evening . . . And even though we were only a visitor, we felt a little sad as the counsellors, by candlelight, sang a program of favorite songs and the kids sang taps . . . The perfect ending to a grand summer . . . But how the kids hated to think of leaving for home the next day . . . And the grown-ups looked a little sad too . . . And we can't blame them for it's a grand place to spend the summer with some pretty wonderful people . . .



Deer kill figures from the regular and "any deer" seasons held in the northern lower peninsula last fall were recently assembled from a number of poll and survey sources and put together in the above map. After seeing the results, conservation department game men pointed out that, happily enough, the two areas of heaviest kill as shown by the map were also the areas that needed the most thinning. Tree and shrub growths in the two areas have been heavily over-eaten during recent winters and proper herd management, starting with the any deer season last fall, is aimed at correcting this situation.

Charlevoix IN UNIFORM

William Ward, Airman USN, is spending two weeks with his parents, Mr. and Mrs. Bernie Ward Sr. He is stationed at Hutchinson Kans.

On Sunday the Ward family enjoyed a family reunion for the first time since Christmas 1952.

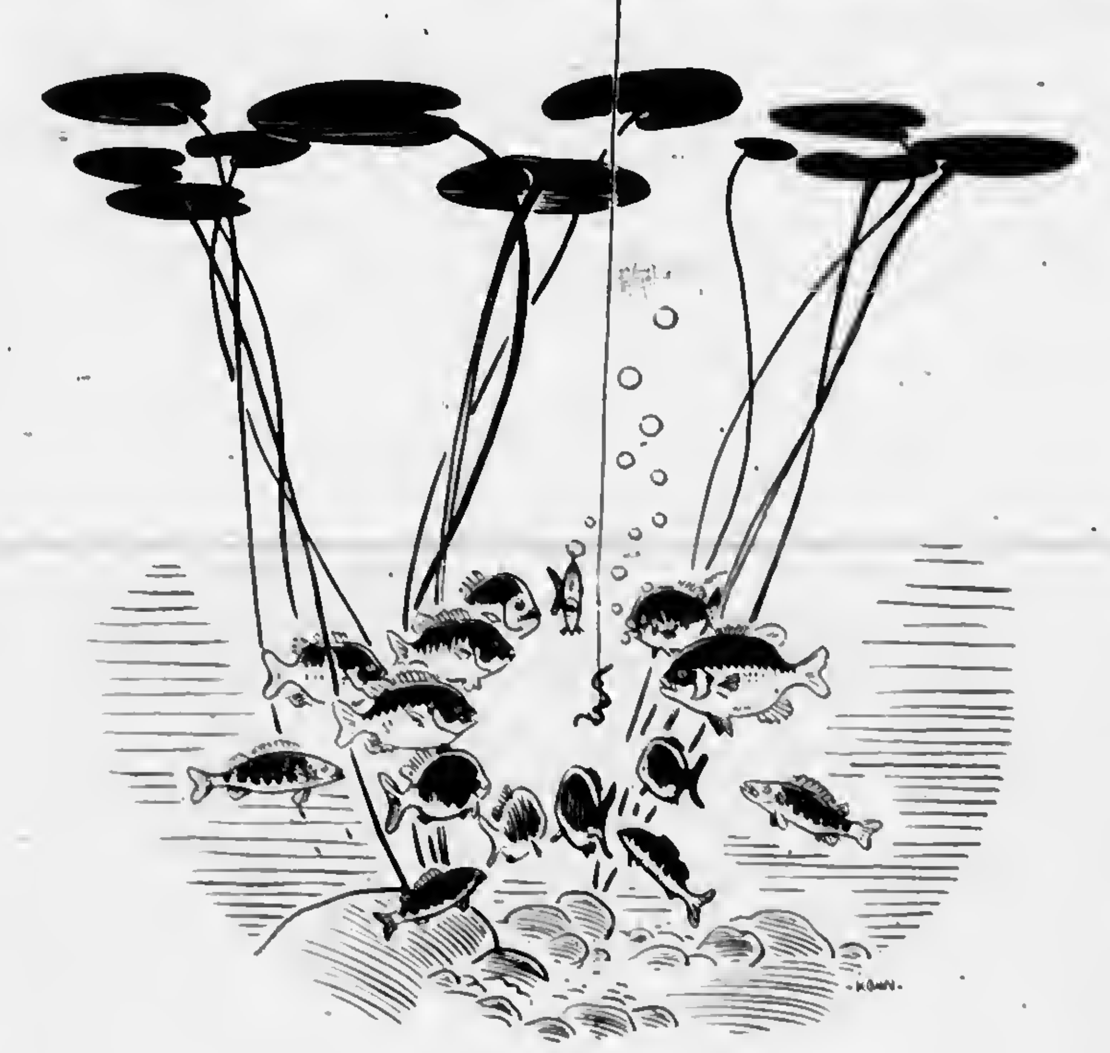
Charles Bennett, Yeoman, arrived last Thursday from Mare Island, Calif., where he is stationed with the U. S. Navy. He will spend a 30-day leave here with his mother, Mrs. A. T. Bennett, and other relatives.

* * *

Sgt. Ross A. Case, stationed in Germany with the U. S. Army for the past year, arrived here Monday to spend a furlough with his parents, Mr. and Mrs. Frank Case Sr.

He was brought home through the efforts of the Charlevoix county Red Cross chapter because of the serious illness of his father.

Redlegged grasshoppers prefer orchards that are sod-mulched, according to reports to Ray Hutson, head of the Michigan State college entomology department. He advises spraying orchards with parathion for the 'hoppers.'



CURIOUS

If you are fully alive you are a curious person. You have a hunger for information, a craving to know what you don't already know.

Most higher forms of life are like that. Fish will often scrutinise a foreign substance dropped into the water, eager to know if it is worth eating . . . Antelope are attracted by a waving cloth. Hunters on the western plains take advantage of the antelope's curiosity. They hide behind brush and wave a white handkerchief at a herd of antelope. Lured to within shooting range, the pronghorns literally "die of curiosity." . . . Deer are fascinated by a light in the darkness.

Curiosity, the hunger to know, motivates the learning of little children, inspires education, and is behind the progress of science.

A profound craving to know God as a Power in our lives and as Redeemer and Friend is behind all great religious experience. Many people, however, have never found a deeply satisfying faith because they do not know where and how to get the experiences that make God real to us.

Please Be Quiet

In a hospital no one can think of himself alone. A person cannot talk as loudly as he wishes, laugh boisterously, or walk noisily. He must have a regard for others. The welfare of the patients is of first importance.

So it is where an important community project is under way. No one ought to think of himself alone, his own opinions, his own comfort, his own welfare. We must then consider the good of the entire community.

The Charlevoix Hospital is such a community project. We have at heart the welfare of the sick and hurt people of the future. We want a hospital adequately fitted to provide the best care for them. Compared to that profound need, our own private opinions, feelings and comforts are of secondary importance.

Patterson-Hamilton Vows Are Spoken In Double Ring Service

Mr. and Mrs. David A. Hamilton will be at home at Monroe, Wis., Aug. 30 following a wedding trip to eastern Canada. The couple was married at Monroe Aug. 14.

The bride is the former Pauline Jeanette Patterson, daughter of Mr. and Mrs. Robert E. Patterson of Monroe. Mr. and Mrs. Ralph S. Hamilton are the parents of the bridegroom.

The Rev. Fr. McCallow read the double ring ceremony at St. Victor's rectory in the presence of their immediate families.

For her wedding the bride wore a waltz length gown of white imported Swiss embroidered organdy over taffeta designed by her mother. It was styled with a fitted bodice, scalloped portrait neckline, cap sleeves and a bouffant skirt which had a scalloped hemline. A shirred poke bonnet of embroidered organdy held her fingertip veil. She carried a cascade bouquet of white and calla gladioli and varigated ivy.

Mrs. Curtiss Diemer of Freeport, Ill., sister of the bride, was matron of honor. She wore a waltz length strapless gown of white organdy embroidered with green and a white organdy shrug jacket. Her headdress of yellow and calla gladioli and ivy matched the flowers in her cascade bouquet.

Nicholas Hamilton assisted his brother as best man.

Mrs. Patterson chose a gray and white nylon dress and white accessories for her daughter's wedding. Mrs. Hamilton, mother of the bridegroom, wore an aqua crepe dress and white accessories. Both had corsages of white feathered carnations.

Immediately following the ceremony at 1:30 p.m., an afternoon reception was held at the American Legion hall. A tiered wedding cake topped with a miniature cascade of yellow roses and encircled with the same flowers centered the refreshment table.

For traveling on their wedding trip, the bride wore a black nylon and taffeta ensemble, white accessories and a corsage of white feathered carnations.

The bride is a graduate of Monroe high school, Green county Normal school and Whitewater Teachers college. She now teaches at the Hiawatha School in Monroe.

Mr. Hamilton is a graduate of the Charlevoix high school and a veteran of two years with the U. S. Army. He is employed as an accountant with the Northern Illinois Corp. in Dekalb, Ill.

Out of town guests came from Freeport, Ill., Madison, New Glarus, Brodhead, Blanchardville and Winslow, Wis., Sioux City, Iowa and Charlevoix, Michigan.

Hold Annual Tea At Interlochen

The annual Interlochen Tea honoring the Michigan Federation of Women's Clubs, which annually sponsors scholarships to the National Music Camp, was held at Interlochen Wednesday.

Mrs. Charles Bleha and Mrs. R. G. Bennett of the local Dickens Club attended the tea and the operetta, "The Comedy on the Bridge," which was presented for the entertainment of the guests by the Interlochen students.

Mrs. William O'Merrill of Bloomfield Hills and Mrs. Maude Miller Hoffmaster, of Traverse City, widely known artist and author, presided at the tea tables.

City Recreation

The Charlevoix Softball program will be completed within the week, Pete Burns, recreation director said in announcing the final games of the season.

Scheduled games for the week follow:

Thursday: 7:30 p.m. N&N vs C. F.

Friday: 7:30 p.m. Class B' third and fourth place holders; 9 p.m. first and second place holders.

Tuesday: 7:30 p.m. N&N vs S&H to decide league title.

Mathers-Elzinga Vows Exchanged In Quiet Service

In a quiet ceremony solemnized at the Charlevoix parsonage of the Barnard Reformed church, Sally Jane Mathers, daughter of Mr. and Mrs. Frank Mathers of Boyne City, became the bride of Gerrit L. Elzinga, son of Mr. and Mrs. Harry Elzinga.

The Rev. J. Bekkering read the double ring service in the presence of their attendants.

The bride selected a heather blue nylon dressmaker suit, matching accessories and a corsage of carnations for her wedding.

Cynthia Amesbury of Boyne City, as matron of honor wore a figured blue nylon dress and Eileen Towne, also of Boyne City, as bridesmaid, wore a pink figured silk dress. Each wore matching accessories and a carnation corsage.

Robert Sarasin Jr. assisted the bridegroom as best man and Stanley Whitley was groomsman.

After a brief wedding trip spent in nearby cabin, the couple will reside at 303 Clinton st.

A reception for the couple is being planned for a later date.

The bride, a 1951 graduate of the Boyne City high school, is employed at the Dilworth Hotel in Boyne City. The bridegroom attended the Charlevoix high school, is a Korean War veteran with two years service and is employed by the Charlevoix Road Commission.

Joan Hess Crowns Nashville Queen

Joan Hess, Michigan's 1953 Winter Sports Queen, was in Nashville over the weekend to officiate at the coronation of the city's 1953 Harvest Queen, Mildred Teeter.

The coronation ceremony climaxed a two-day celebration.

Miss Hess is a former Nashville resident.

Little Theatre Group Opens Its Sale Of Tickets

Tickets for the 1953-54 season of the Petoskey Little Theatre group went on sale this week Mrs. R. Leo Brown as general chairman of the drive.

The Little Theatre, which has become very popular throughout the area, will produce three plays this year. The season will open Oct. 12-13 with "I Remember Mama" under the direction of Ross Stoakes Jr. followed by "Outward Bound" on Nov. 20-21 with Thomas Paxton directing and "Claudia" on March 1-2.

Tickets will be on sale for two weeks and may be purchased from members of the group or by calling Mrs. Robert Darrah in Petoskey. Season tickets are $2.00 for adults and $1.50 for students. General admission tickets will be $1.00 for adults and 50 cents for students.

Virginia Swanson, Eugene Bridge Wed In Candlelight Ceremony

In a candlelight ceremony solemnized at St. John's Lutheran church at Mound, Minn. Saturday evening, Virginia E. Swanson became the bride of Eugene M. Bridge.

The bride is the daughter of Mr. and Mrs. Carl R. Swanson of Long Lake, Minn., and Mr. and Mrs. Robert Bridge of this city are the parents of the bridegroom.

The Rev. Lloyd Zaudtke officiated at the double-ring service before an altar decorated with bouquets of white gladioli and asters, palms and lighted tapers in seven branch candelabra. Aisle candelabra festooned with ferns marked the pews.

Mrs. Jeanne Olson was the organist and also accompanist for Barbara Roberts who sang "Because", "O Perfect Love" and The Lord's Prayer.

The bride, given in marriage by her father, chose a gown of white bridal satin. It was styled with a fitted bodice, a high sheer neckline outlined with irridescent sequins, long sleeves and a full gored skirt which ended in a train. Her fingertip veil fell from a tiara of orange blossoms. She carried a colonial bouquet of white roses, asters and stephanotis.

Phyllis Haney, as her only attendant, wore a ballerina length gown of yellow net over satin styled with a full skirt which was caught at the hemline with yellow flowers. Her colonial bouquet was of Talisman roses and lavender asters.

Richard E. Swanson, brother of the bride assisted the bridegroom as best man. Ushers were Lyle Swanson and James Swanson, brothers of the bride.

Mrs. Swanson selected a gown of grey silk, blue accessories and a corsage of pink sweetheart roses and white carnations for her daughter's wedding. Mrs. Bridge, mother of the bridegroom, wore a French blue dress, white accessories and a corsage of white stephanotis and carnations.

Immediately following the ceremony a reception was held in the church parlors. A tiered wedding cake centered the bride's table which was decorated with white gladioli. Carol, Janice and Nancy Brokl and Wilma Stewart assisted at the refreshment table.

After a wedding trip to northern Minnesota, the couple will visit in Long Lake, Minn., and Milwaukee, Wis., before coming to Charlevoix late this week for a brief visit. For traveling the bride selected a brown tweed suit with brown and old gold accessories.

The bride returned recently from 2½ years in Germany as a civilian employee with the U. S. State Department. The bridegroom is a veteran of seven years service in the U. S. Army and returned early this month from three years duty in Germany. He will report at Fort Sheridan, Ill., early next month for reassignment.

Announce Sale Of Gaylord Newspaper

The sale of the Otsego County Herald Times to Neil Hercules of Seneca, S. C. was announced last week.

C. O. Reed, who has been editor and manager of the newspaper for its former owners, the Schallers of Petoskey, will become manager of the Gaylord radio station Aug. 27.

Area Football Teams Begin Fall Practice

(Continued from Page 1)

Springs boat works during the summer, Coach Dick Boles will begin the season Monday by issuing equipment for the practice sessions following examinations on Tuesday.

Matt Jacobson is ready for the season at Mancelona after directing the summer recreation program there with time out to attend a football clinic at Northern Michigan college in Marquette. He has called practice for Monday with the players reporting for examinations the week of Sept. 8.

At Gaylord, where Coach Bob Wallis will assume his duties as head football mentor, players will report for examinations at 10 a.m. Monday. Wallis, who has been assistant coach at Mason, spent the summer there and attended summer school at Michigan State college. He plans to move to Gaylord this week.

Coach Ray Brown has called his Pellston Hornets in for examinations Sept. 1 but they will not begin practice for the season until Sept. 7 because the majority of candidates are farm boys who find it hard to attend practice until school opens.

Several new assistant football coaches will make appearances in the league this fall.

At Pellston Al Gricius, a recent Central Michigan graduate, will serve as Brown's assistant in football and take over the other head coaching duties.

At Harbor Springs Bob Wischmeier, a native of Burlington, Iowa, will take over the assistant's tasks. A graduate of Burlington high school, he attended the University of Iowa from 1944 to '46, served three years in the army and returned to graduate in 1951. He played varsity football and basketball at the University. Since graduation he has attended Michigan State college.

Al VanWee will return as assistant coach at Mancelona and later on assume the duties of head basketball and track coach. Dick Ford, a recent Ferris Institute graduate, will coach the freshman team. He is a graduate of the Traverse City high school where he participated in all sports.

Five of the seven teams in the league, East Jordan, Mancelona, Pellston, Gaylord and Boyne City, will open their season with non-loop games on Sept. 18. The regular league schedule will open Sept. 25.

RESOLUTION

BE IT RESOLVED that the Common Council of the City of Charlevoix approve the transfer of Class "C" 8 months Liquor License with Dance Permit from Della Lumas, d b a Moonlight Gardens, located on Petoskey Avenue in Charlevoix, Michigan to James A. and Anna Lawyer of R. R. No. 1, Harbor Springs, Michigan.

BE IT FURTHER RESOLVED that the Clerk is hereby directed to forward a certified copy of this resolution to the Michigan Liquor Control Commission at Lansing, Michigan.

Resolution adopted by the following Yea and Nay vote, YEAS: Aldermen Bellinger, Carey, Hamilton, Hiller, and Kipke. NAYS: None. ABSENT: Alderman Zeitler.

Alderman Hamilton offered the following resolution and moved it's adoption, supported by Alderman Bellinger.

RESOLUTION

WHEREAS, State Trunkline Highway US 31 on Bridge Street in the City of Charlevoix is in need of improvements between Hurlbut and Antrim Streets in order to serve traffic in a safe and expeditious manner and to reduce maintenance costs, the improvement to consist of placing bituminous concrete surface on the existing pavement, and

WHEREAS, the City is to participate in the cost of such improvement in accordance with the provisions of Michigan law (see Compiled Laws 1948, Section 250.31 to 250.41 and Act 53 of 1951).

NOW THEREFORE BE IT RESOLVED,

1. That the City hereby requests the State Highway Commissioner to proceed with such improvement.

2. That the City's share of the estimated cost of such improvement will be paid to the State Highway Commissioner for deposit with the State Treasurer for credit to the State Trunkline Fund when the improvement is placed under contractor, or at such later time as may be agreed upon by the City and the State HighwayCommissioner, from Weight and Gasoline Tax funds made available to the City by Acts 51, 54 and 55, Public Acts of 1951; or from other funds provided by the City; and that if the City fails to make payment of its' share of the cost when due, the City hereby authorizes the Auditor General to withhold a sufficient amount from funds becoming availible to the City from the Acts named above to cover the City's indebtedness to the State Highway Commissioner, and the City expressly consents to such withholding. Withholding shall begin with the first distribution after the indebtedness becomes delinquent, and shall continue from succeeding distributions until the indebtedness is paid in full.

3. That upon determination of the actual cost of the improvement, any adjustment necessary to reconcile the estimated cost with actual cost will be made.

4. That upon completion of the improvement, parallel parking, in accordance with State statutes, will be enforced by the City.

5. That as much of the street surface, now or in the future, as is necessary for safe and efficient movement of rolling traffic, when so determined by the State Highway Commissioner, will be made available for said purpose.

County Fair To Present Klein's Circus Two Days

Each year members of the Charlevoix County Agricultural Society try to bring their patrons the very best in entertainment; however this year they have outdone themselves by engaging one of the most outstanding grandstand attractions ever to be presented at the Charlevoix County Fair, "Klein's Continental Circus."

The "Continental Circus" presents an assemblage of diversified entertainment such as a congress of four footed troupers, daredevils of the high trapeze, demons of the perch pole, artists of the treacherous unicycle and technicians of the precise and intricate feat of juggling, as well as side splitting, merry-making buffoons of comedy.

A feature of the 'continental Circus" will be the inimtable "Rick Roy", an aerial act that will thrill all with his unbelievable balancing feats, ankle drops and swinging neck hang. The sensational "Rick Roy" is known as the "Man who hangs himself and lives to tell the tale". When you see the climax of his act you will readily know that the title is well deserved.

Also included in the "Continental Circus" are many other specialty and novelty acts of outstanding quality and character, in a few words, a program of exceptional significance, long to be remembered.

Veenstra-Wynsma Vows Exchanged In Atwood Church

Ellsworth — A lovely summer wedding occurred in the Atwood Christian Reformed church Friday evening, August 21, when Thomas Wynsma Jr., son of Mr. and Mrs. Thomas Wynsma of Central Lake, took as his bride, Miss Flora Veenstra, daughter of Mr. and Mrs. Jacob Veenstra of Atwood.

The double ring ceremony was performed before the altar, decorated with large baskets of gladioli and vases of garden flowers and lighted by candelabra. Rev. Paul Veenstra, brother of the bride, from Rock Rapids, Iowa, was the officiating minister.

Mrs. Hans DeYoung, organist, played the traditional wedding music and accompanied the soloist, Marvin Shooks, who sang "God Gave Me You" before the entrance of the bridal party and "The Lord's Prayer" just after the vows were spoken.

The bride was lovely in a bridal satin gown, featuring a fitted bodice with Chantilly lace trimmed net yoke and long sleeves coming to a point over the wrists. The full gathered skirt of net over satin ended in a long train. She wore a finger tip veil and carried a white Bible topped with an arrangement of white rosebuds.

Jennie Veenstra was her sisters only attendant and wore a pastel green taffeta formal and carried a colonial bouquet of salmon pink glads.

Burton Wynsma assisted his brother as best man and William Wynsma, the grooms brother, and James Veenstra brother of the bride seated the guests.

Betty Lou Wynsma, sister of the groom, as the flower girl, wore a long pastel pink dotted swiss dress and carried a white basket of white and pink rosebuds, the handwork of Mrs. Paul J. Veenstra. Master Perry Penfield was ring bearer dressed in a grey and green suit and wearing a white carnation boutoniere.

Mrs. Veenstra chose a navy crepe street length dress for her daughter's wedding and Mrs. Wynsma wore a navy and white print crepe street length dress. Their corsages of salmon pink glads were identical.

A reception following the ceremony was held in the dining room of the Atwood Reformed church with Mr. and Mrs. Grant Hastings as Master and Mistress of ceremonies.

The Misses Myrna Veenstra, Mary Lou and Minnie May DeVries and Marlene Aardema served the guests, wearing organdy aprons, gifts from the bride.

Mrs. Frank Meekhof, sister of the bride and Misses Theola and Wilma Veenstra, cousins of the bride, were in charge of the gift table. The red rose corsages worn by Mrs. Hastings and Mrs. Meekhof and the pink carnation corsages worn by Theola and Wilma were the clever handwork of Mrs. Paul J. Veenstra.

The bride cut the three tiered wedding cake, iced in white and decorated with pink rosebuds baked by Mrs. Jacob Veenstra and decorated by Jennie Veenstra. An arrangement of orange blossoms centered with a miniature bride and groom topped the wedding cake.

The reception program numbers included a vocal solo by Jake Veenstra Jr.; vocal and instrumental numbers by Silas Doctor; a humorous skit "The Newly Weds" by Mr. and Mrs. Jerry Aardema and a humorous monologue by Mrs. Hastings.

Following the reception the young couple left on a wedding trip and on their return will reside in the Bos apartment in Atwood.

Out of town guests included, Mr. and Mrs. Louis Veenstra, son, August, Mr. and Mrs. Joe Veenstra, Mr. and Mrs. Paul S. Veenstra and daughter, Marleen, Mr. and Mrs. Kenneth Veenstra, Mr. and Mrs. Lambert Veenstra, Mr. and Mrs. Paul W. Veenstra, Wilma Veenstra, Mr. and Mrs. Frank Meekhof, Mr. and Mrs. Jack Klooster, Mr. and Mrs. C. B. Judy, Mrs. L. L. Montroy, Gerrit Van Dyke and Eugene Dorbush all of Grand Rapids; Mr. and Mrs. Corwin Slothaak and children of Holland; Rev. Paul J. Veenstra and Mrs. Veenstra of Rock Rapids, Iowa and Jewel Deenbush of Winnepeg, Canada.

It Takes A HEAP OF HAULING ...to make a Home!

IF YOU'VE BUILT a new home recently—or are in the midst of doing so now—you know how dependent building is on motor transport.

From the moment the big exacavating shovel arrives at the vacant lot astride a low-bed truck-trailer to dig the hole for your basement, it's a steady procession of trucks of one kind or another until the house is ready for occupancy.

Cement blocks, sand, steel, lumber, roofing, brick, plumbing, hardware, paint—everything that goes into the building of your home has to get to the site in motor trucks.

Then, when you arrive at the point where you're ready to move in, you call on motor transport again to transport your household furnishings for you.

If you've got it, a truck brought it!

Festerling Gives Pointers To 4-H Dairy Show Exhibitors

The 4-H Dairy Show at the Charlevoix County Fair, which will be held September 8-11 at East Jordan, is always well attended, K. C. Festerling, district 4-H club agent announced today.

Getting the calf ready for the 4-H Club show or for other dairy shows is always one of the objectives of the 4-H Club program. The steps which are taken in preparing the animal for the show are called "fitting." The well-fitted calf at the show always has an advantage over the long-haired, coarse-looking, unattractive calf. It takes little extra work for the member to care properly for his calf so that she will look her best on the day of the show.

Some of the advantages to be gained by showing cattle are: 1. Working with cattle helps acquaint you with their habits and their life processes and develops a love for livestock. 2. Heifers which have been broken to lead and which have been shown are always easy to handle the rest of their lives. 3. Competition is good experience for the beginner. Some of the experience includes losing as well as winning. 4. You will meet expert dairymen and showmen and you can learn from them. 5. You can compare your animal with others and study the faults and strong points of all the animals.

The horns and hooves should be filed and scraped until they are quite smooth. They can be further finished with emery paper and oiled just before showing.

When you go to the show, you should have a box in which to keep your showing equipment. It is recommended that the box have a padlock to protect your belongings. You should have a curry comb and brush, a show halter as well as a cheaper tie halter, a blanket for the animal, feed box, water pail, washing pail, soap, rags, pitchfork, as well as feed and bedding.

Prior to showing, the animal should be checked to be sure it is clean. It may be necessary to wash off some manure spots, and you should curry the animal and brush well. When the call comes to show your class, be prompt and do not delay the judge. Make sure that you have clean clothing and appear neat. This is good showmanship. You should lead the animal slowly and walk backwards so that you can see the animal at all times. Be certain that you keep one eye on the judge so that you can do what he asks. When you pose the animal, make certain that the front feet are as high as the hind feet, and preferably on a higher section of ground. Keep the animal alert, and do not allow it to relax.

How to be a graceful winner is often more difficult than to be a good loser. If you win your class, remember a number of others who worked fully as hard

Take Air Tour To Inspect Soil Districts Work

It was up in the wild blue yonder for the district directors of the Charlevoix Soil Conservation District, when they climaxed their summer activities by taking an air tour Sunday afternoon. Purpose of the trip was to see the Conservation accomplishment of the district cooperators and to view their own farms.

Taking part in the air tour were: Clayton Healey, Harold Goebel, Clyde Warner, directors; and Bill Grimm, farm planner and Claude Gilkerson, Conservation aid. Ed Rebman, county agent, took a few pictures of cooperators farms and some of these will be displayed at the Charlevoix County Fair at the District's booth.

Mrs. Clayton Healey, Mrs. Clyde Warner and Mrs. William Grimm, also took the tour.

The tour started from the Charlevoix Airport and proceeded on a round robin flight of the district taking in each district directors farm.

This air tour was made by directors to show them a different concept on the conservation problems and needs of the district, and also to view the conservation accomplishments of the cooperators.

The most picturesque of all the conservation practices were the contour strips that district cooperators have adopted to save their soil and water-two of natures most precious resources.

Clayton Healey, chairman of the C.S.C.D., stated after the tour that there is a good possibility of the district having an air tour next year for the cooperators so they too, can see their own accomplishments. Just seeing your own farm is well worth the trip alone, but also seeing the combined effort of the district cooperators is saving their soil gives a person a great feeling, especially one of security, both for the individual and our great nation.

Announce Awards In Soils Conservation Speaking Contest

The Charlevoix Soil Conservation District is planing on holding a speaking contest, Clayton Healey, chairman of the district, announced. The national awards total $1,700 in cash prizes; the state awards total $100 in cash prizes and the district awards for the Charlevoix contest, total $50 in cash prizes. Healey states that this contest is open to all cooperators of the Charlevoix District. The speech should be not more than 20 minutes in length, covering the topic "Democracy at Work in My Soil Conservation District." The local contest will be held some time prior to October 15, at which time a local winner will be selected to participate in the state contest.

The purpose of this year's speaking contest is to acquaint the local residence with the soil conservation district. Not too many people know that the district is a unit of self-government; of the people, by the people, and for the people. Anyone who is interested in entering this contest are urged by chairman, Healey, to get in contact with some of the officials of the Soil Conservation District.

Predicts Favorable Outlook For Dairy Industry Next Year

The outlook for dairying in Michigan is an optimistic one for the coming year, says a Michigan State college agricultural economist.

Extension Specialist Dale E. Butz predicts that dairying is likely to be favorable relative to most other enterprises.

"Support prices probably will be lowered next winter," he points out, "but this will not make too much difference in price, since increased demand due to the population increase will nearly absorb the milk equivalent of products purchased by the government this year."

Admitting that the longer-time outlook for dairying is 'colored" by the introduction of filled milk products, Butz believes the change there will not be as drastic as some have predicted.

He suggests that the increased fluid sales and the selling of non-fat dry milk will more than offset losses in outlets for fat. There will be a gradual shift in values placed on fat and non-fat solids with the latter taking the greater share of the milk price. This, Butz notes, will come with education and promotion as consumers realize the value of milk.

Butz looks for more emphasis to be placed on evening out the seasonal milk flow through pricing schemes and other means. Federal and state orders will be extended to nearly all fluid milk markets. 'Quality gradually will be raised so that nearly all milk is of bottling quality. And, Butz adds, the shift from farm-separated cream to the delivery of whole milk will continue.

"For the producer with an adequate size business, good management, good cows and proper equipment," concludes Butz, "the future is always bright. The producer with only three or four cows, inadequate equipment and high costs is in for a rough time.

Speed Cows Eating Time By Watering Grain Mixture

If your cows take too much time to eat while they're being milked, you can do something about the situation, say dairymen at Michigan State college. The high producers that eat more grain are usually the big offenders in taking their time.

M.S.C. dairymen report that you may be able to solve the problem by adding water to the grain mixture. That is what is being done experimentally with a Brown Swiss herd at the college. It works well. The cows have a lusty appetite for the grain . . . drinking it instead of lapping it up with the tongue.

Cows ate, (or "drank") the wet mixture in less than half the time they consumed the dry feed. And they let their milk down faster. As a result the Brown Swiss cows went through the milking parlor in much less time than formerly.

C. F. Huffman, N. P. Ralston and H. L. Dalton, who conducted the tests and timed the eating and drinking, report the cows that ate the wet mixture seemed more relaxed than others. As a consequence the animals let down their milk a fourth faster than cows eating dry grain. The faster the cows ate their grain, the faster they milked out.

The dairymen tried various rates of water per pound of concentrate and found that the cows consumed the grain most rapidly when 1.5 pounds of water was added to the concentrate.

The researchers figure that a lot of time could be saved if a practical method of adding water to the grain can be found. They're trying several ideas.

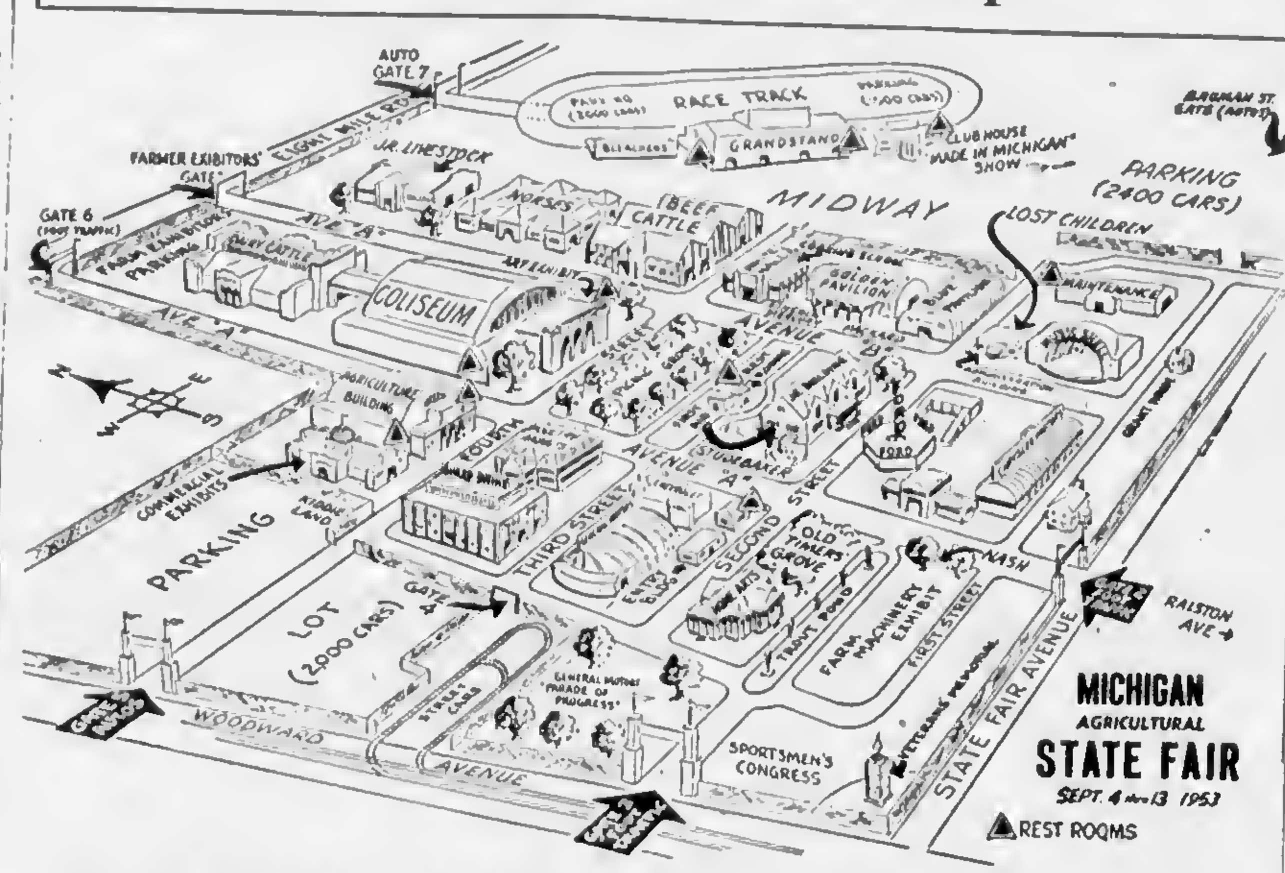
Save This State Fair Map



Visitors to the Michigan State Fair, Sept. 4 through 13, will find this specially prepared map a convenience in getting around the large grounds. General Manager James M. Hare suggests that readers bring it along when visiting this year.

FHA Authorized To Make Special Livestock Loans

Special livestock loans recently authorized by Congress are now available to farmers in this area, it was announced this week by Carl B. Brown, County Supervisor of the Farmers Home Administration.

The purpose of the United States Department of Agricultures' new loans is to provide temporary credit to established producers and feeders of livestock who may be in financial distress because of the drop in cattle prices or for other reasons.

Established producers of cattle and sheep may borrow money through this loan for feed, rent of buildings, pasture and cropland, repair or hire of farm machinery and equipment, to build and repair fences, to repair or improve water supply, and to pay essential living expenses and cost of maintaining buildings. In fact, any normal operating expense may be financed.

Mr. Brown further stated that the emphasis of this loan is to provide emergency credit and not to establish farmers in the livestock business nor to make loans to enable them to expand their normal operations. Under the program, which expires in July of 1955, loans bear 5% interest and are repayable over periods up to three years.

In Michigan a State Livestock Loan Committee appointed by Secretary of Agriculture Benson passes on all applications. B. F. Clothier, chairman of State PMA Committee, D. B. Varner, Director of Cooperative Extension Service, and L. H. Small, Acting State FHA Director comprise this committee.

Inquiries may be made or applications filed at the Farmers Home Administration office serving the area where the farm is located.

Festerling Gives Pointers To 4-H Dairy Exhibitors

as you did were not so fortunate. It is well to remember also that at another show, and with a different judge, one of the other calves might have been the winner. The judging of cattle is not an exact art, and judges have honest differences of opinion as to what constitutes ideal type. It is wise to recall the fact that the final proof of the pudding is not the appearance of a heifer, but what she does when she becomes a milk cow.

"If at first you don't succeed, try, try again" should be the motto of every 4-H Club member in the show ring. There can be no room for discouragement in case your calf is a long way down the line when the ribbons are tied. Courtesy toward the judge should be practiced since he is not placing you as as an individual, but rather your calf.

To vary the bigger and better hamburgers you're making while the beef supply is plentiful, Michigan State college food specialists suggest different spreads for the buns or bread slices. Try a spread of softened butter or margarine seasoned with onion or garlic salt, and horseradish or prepared mustard.

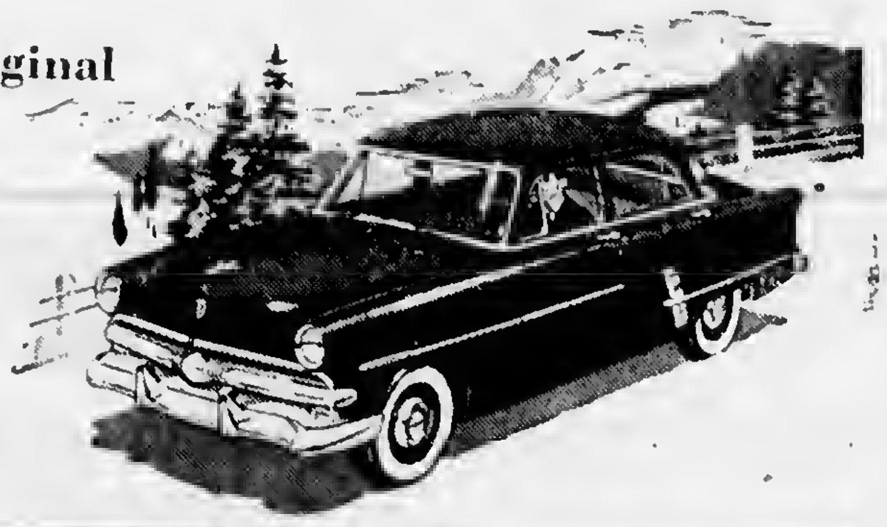
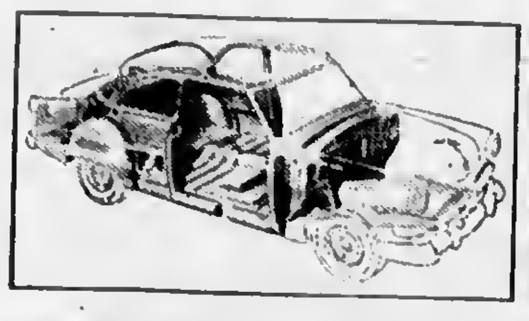
Keeps its value better than any other car!

Used car dealers report that Fords return more of their original cost than any other car— and there are 41 reasons why:



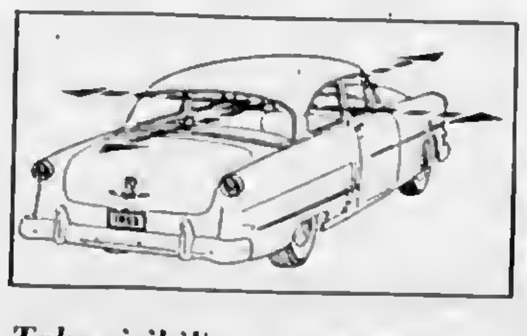
Take power. Ford's two high-compression engines are real leaders in their class. Ford's the only car in the low-price field to offer you the smooth power of a V-8 engine. And no other car in any field has so modern a Six.



Take build. Ford's one-piece Crestmark body gives you style-setting beauty with rugged "build" underneath. Where many other cars are bolted, Fords are welded hull-tight to keep out rust-causing weather and dirt.

Take ride. Ford's wonderful, new ride reduces front end road shock up to 80%. And Ford's new, more responsive spring and shock absorber action gives you the comfortable easy ride you want without gas-eating extra weight.

Take savings. Ford's economy-minded Automatic Power Pilot saves you money on every gallon of gas. It automatically adjusts carburetion, ignition and combustion to make every drop of gas ("regular" at that) work its heart out.



Take visibility. Ford gives you the "all-around" view you need in today's fast-moving traffic. A curved one-piece windshield, car-wide rear window and large "picture windows" all around make sure you have Full-Circle visibility.

Take drives. Only Ford in its field gives you a choice of a completely automatic drive, Fordomatic, the finest, most versatile automatic you can buy . . . fuel-saving Overdrive . . . or easy-shifting Conventional Drive.

Bernie Schrader Recognized As A Top Marksman

State Police Trooper Bernie Schrader, son of Mr. and Mrs. Bernard Schrader Sr. of this city, has qualified as one of the top revolver marksmen in the state following recent competition in Detroit and Flint.

Trooper Schrader is stationed at the B[illegible]ton State Police post.

After entering the elimination contest in Detroit early this month, he qualified among the top 15 and joined the Southeastern Michigan team in competition at Flint where he ranked [illegible] on the winning team.

The winning team at Flint received a cup on which is engraved the names of the men who make up the championship team. This cup has been in possession of the southeastern team for the past three years and resides in the Ford Rotunda Building in Flint.

The officers use the standard 38 caliber revolver which is the regulation size for policemen. The contest is sponsored annually to promote better shooting among police in the state.

Announce Cast For Variety Show

(Continued from Page 1)

votes. Each penny counts a vote. The loving cups which are now en route here will be displayed beginning Friday until the contest closes Sept. 5.

In the show itself, Joan Hess and Bobo Bennett are rehearsing almost daily with Mrs. Twiford for their roles as Ginger Jones and Jo-Jo Brown, who are finding it difficult to set a date for their wedding.

As the story unfolds, scenes from each month in the year will be shown. All scenes will feature costumes furnished for that purpose by the Empire Production Co.

In the major roles will be Del Terrill as Mr. I. Gottracks who returns for the college homecoming scene for autumn; Perry Smith Jr. will be Junior Santa Claus. Mr. and Mrs. Santa Claus will be named later.

Announcer on the guest star parade which will feature the Roy Brill Trio now playing at the Argonne, Ethel Staple, popular blues singer, Jim Brady, Tap dancer and others, will be Mr. Terrill as the suave and smooth Ed Sullivan.

In the Breakfast Club scene Herb Schofield will play the role of Don McNeil with Mrs. Homer Brady as Aunt Fanny, Barney Englehart as John Desmond, Mrs. Rodney Crede, the former Betty Ross, as Patsy Lee and others.

In the Labor Daze chorus which promises to be one of the highlights of the show Mr. Englehart will play the part of Fannie the farmer's daughter; Fay Davis, Winnie the waitress, John Schroeder, Tillie the tenth grade teacher; Pat Moran, Bessie the baby sitter; Maurice Foster, the million dollar baby from the five and ten cent store. The role of Rosie, queen of the runway, is still to be filled.

Frank Oleksy will be the interlocutor in the minstrel show scene which will feature Don Meggison as Rastus; Mr. Schofield, Rastus; John Krokem, Hambone; Perry Smith, Sambo; John Ripstra, Melindy; Grover Geneit, Belindy; Barney Chambers, Lucindy; Bill Lusk, Saphire; Joe Williams, Aunt Jemima; Del Terrill, Rochester and Art Ranger, Art Heilig, Bob Hamilton, Henry Ingalls and Clarence Heise in other roles in the scene.

Mrs. Charles Pontius will play the part of the chief operator in the switchboard scene which opens the show with a chorus of operators eavesdropping on Ginger and Jo Ju. With her in the scene will be Mrs. Schofield, Mrs. James Woodard, Mrs. Bruce Henley, Mrs. Brady, Mrs. Clarence Rabach, all former operators in the local exchange, Marilyn Bulow, B. J. Cunningham, Mrs. Joseph Arvilla, Mrs. Lusk, Mrs. Tip Riley, Mrs. Abe VerWys, Viola Andersen, Mrs. Crede, Mrs. Robert Miller, Mrs. Frank Trocchio, Mrs. Leonard Burns, Mrs. Krokem, Mrs. Thomas Jackson, Pat Murray, Mrs. George Plum, Mrs. Lee Morel and Mrs. Floyd Stormer.

In the dancing chorus which will appear in the Valentine, Maypole and vacation numbers are Karen Smith, Kate Fessenden, Carol Duerr, Sharon Belding, Margot Davenport, Patsy Ratigan, Nancy Wallace, Dee-Ann Geneit, Wanda Ward, Darlene Mason, Mona Davenport, Joyce Cunningham, Mary Foley, Connie Oleksy, Bennie Kipke, Roberta Swanson, Joan Heilig, Janet Todd, Marylee Baker, Beth Lewis, Jill Cross, Susan Crump and Brenda Brown.

Choirs of all local churches will be invited to join in singing sacred music for the Easter scene. There will be one rehearsal Tuesday at 8 p.m. in the gymnasium. The Charlevoix Shamrocks will be invited to be the guests of Mr. and Mrs. Santa Claus in the Christmas scene.

Mrs. Thelma Roberts is the accompanist for the entire show.

The names of all other members of the cast will be announced next week.

• Joan Ward of Grand Rapids spent the weekend with her parents, Mr. and Mrs. Bernie Ward Sr.

ANCIENT ROCKS:
MICHIGAN'S RUGGED UPPER PENINSULA IS ONE OF THE COUNTRY'S FEW PLACES TO VIEW ROCKS THAT ARE OVER A BILLION YEARS OLD. THESE REMNANTS OF ARCHEAN ROCKS, SIMILAR TO THOSE OF CENTRAL CANADA'S PRE-CAMBRIAN SHIELD, ARE AMONG THE WORLD'S OLDEST FORMATIONS. THEY ARE FOUND IN AND AROUND THE CITY OF MARQUETTE.

INTERESTING INDUSTRY:
ONE OF MICHIGAN'S LITTLE-KNOWN INDUSTRIES IS THE MANUFACTURE OF PEAVIES, CANT HOOKS AND OTHER LOGGING TOOLS IN EVART, MICHIGAN. HERE, 50 EVART WORKMEN MAKE ABOUT 60,000 PEAVIES ANNUALLY. THE INDUSTRY DATES BACK TO MICHIGAN'S EARLY LOGGING DAYS.

Enrollment For Music Program Sets New Record

The sixth annual Summer Instrumental Program concluded last week broke all records for enrollment, C. A. Odmark, director of the Charlevoix public school music department, said last week.

Sponsored by the Charlevoix board of education at no cost to the student, the program, designed to help the players in the various music groups at school, attracted 112 students this summer.

Lessons were given on all instruments by Mr. Odmark with all musical groups from the sixth grade beginner band, through the seventh and eighth grade groups into the senior band represented in the program.

Mr. Odmark went on to explain that it is during these summer lessons that individual problems are ironed out and suggestions made for improving technical playing ability given. It also gives the director, the opportunity to see the progress made by students, often impossible during the school year when the groups are larger.

The program consists of lessons to individuals and not more than three students at a time.

Local Kiwanians To Attend State Club Convention

Three members of the Charlevoix Kiwanis Club will be among the 1,200 Kiwanians from throughout the state who will gather in Ann Arbor this weekend for the thirty-sixth annual state convention of the club.

They are Capt. H. E. Paddock, president of the local club, Leonard Burns and R. G. Bennett.

The convention will assemble on the University of Michigan campus on Sunday for the four-day conference.

Charles P. Taft of Cincinnati, brother of the late senator and an internationally renowned church lay leader, will speak on "Applying Christianity to Daily Living".

The Kiwanians will hold five general sessions, starting Monday,

Charlevoix IN UNIFORM

According to a recent news release from Fort Campbell, Ky., Sgt. Patrick Martin recently went out for the regimental football team.

Formerly assigned as a platoon sergeant in charge of 50 men in Co. K of the famed 511th Airborne Infantry Regiment, Sgt. Martin is now undergoing training with the regimental team.

Sgt. Martin, nicknamed "Ivan the Terrible" by his platoon before he left for the football team, has turned out some of the finest soldiers of the past two cycles of basic trainees.

Sgt. Martin and his wife, the former Sue LaBlance, reside on the Fort Campbell post in the Wherry Housing Project. He is the son of Mrs. John Martin.

Pvt. 3-E Warren Shadko arrived last week from Fort Belvior, Va., to spend a 15-day furlough with his father, Gregory A. Shadko and other relatives before leaving for an overseas assignment in Germany. He will report at Camp Kilmer, N. J., for transportation overseas.

Study Chemicals Used In Lumber Operations

Lansing — Controlled experiments have been set up at Houghton Lake and Cusino wildlife experiment stations to study the effects of sodium arsenite on wildlife, the conservation department notes.

The chemical has been used in timber operations as an agent to loosen bark before the tree is cut, thereby reducing costs of peeling.

But deer and other wildlife may be attracted to the chemical so a number of repellents, colors and alternate chemicals have been added in attempts to make use of the poison feasible on a large-scale basis. The idea may also bring important progress for wildlife.

Some results of the experiments may be forthcoming this fall.

Completing Polls Of Grouse Broods By Rural Carriers

Lansing — Rural mail carrier polls of grouse and pheasant broods seen along country roads are presently being compiled in conservation department offices here.

Results of the polls will give some indication of the coming seasons, game men say, and will be completed for publication in about three weeks.

About 300 carriers participate in the upper and northern lower peninsula counts of grouse, while 500 more count pheasant broods seen along their routes in the southern lower peninsula.

Carriers have counted wildlife for the conservation department for a number of years. Their surveys provide valuable and rather extensive information which supplements other surveys and counts made by department workers.

Mulching is a good soil management practice in Michigan orchards and it pays off in yields and profits, say horticulturists at Michigan State college.

"Packed Up Troubles For Vacation Trip

ONAWAY — Talk about trouble!

A camper arrived at Onaway state park north of here one evening recently, with plans for a leisurely week of trailer camping.

First off, however, the chimney of his trailer was knocked apart. This happened when it struck something entering the park.

Shortly after, while backing into a parking place, a window crunched into a number of pieces.

The following morning, while taking his leisure a bit strenuously, the camper somehow sustained a gash on his arm. It required five stitches.

The next day, his wife went fishing at a nearby lake and wound up with a broken leg.

The campers decided they'd better go home; somehow it looked like this was just not their day.

Home economists at Michigan State college report that potato salad doesn't freeze satisfactorily. The potatoes become mushy when frozen . . . and the salad dressing separates.

Towerman Catches Native Lamprey Eel

Lansing — Kenneth Thompson, towerman for the conservation departments Grayling fire station, recently caught a native chestnut lamprey eel while trout fishing in Crawford county.

Thompson was fly fishing and apparently snagged the eel through the mouth parts while drawing his line through the water.

State Forest Fires Show Small Decline

Lansing — Damp weather is helping reduce the fire hazard on Michigan's forest and grass lands this year, the conservation department reports.

To date, 5,100 acres have been damaged; last year to this date, more than 5,300 acres had suffered from fires.

Last week, 11 fires were reported in the state, burning a total of 25 acres.

World in Review

THE UNITED NATIONS General Assembly last week approved 43 to 5 an American plan limiting the United Nations side of the Korean peace conference to countries which sent troops to Korea, plus the Republic of Korea.

The Soviet Union indicated the Russians would attend by accepting a Western resolution to invite them if the Communist side desires it.

• • •

REPORTS indicate that the Communists intend to release 300 to 500 more non-Korean Allied war prisoners than they had previously promised. It is believed that 1,000 to 1,200 American and other Allied captives, aside from South Koreans, were waiting at Kaesong for their freedom.

• • •

WHILE MOST of the Nation sizzled through a record-breaking heat wave, floods routed 4,500 persons from their homes in Texas where torrential downpours have pelted the southern part of the state for more than a week.

• • •

STOCK MARKETS fell this week to a new low for the year. Selling was heavy.

• • •

A JOINT Committee of Michigan legislators is charting a five-day cruise of the Great Lakes to make a study of channel and harbor needs. The inspection will cover lakes and connecting waters between Detroit and Duluth.

• • •

THE UNITED NATIONS has approved a 130-million-dollar program for the current fiscal year to help restore the economy of war-torn Korea.

Three County Men Are Sentenced By Judge C. L. Brown

Three Charlevoix county men were sentenced at special sessions of circuit court here during the past week by Judge Charles L. Brown.

Walter Wabanimkee, 17, was sentenced to two to 15 years for breaking and entering in the night-time with the recommendation that he serve the time at Cassidy Lake. He admitted breaking into the Charlevoix Lumber Co., Charlevoix Courier, St. Mary's church and the refreshment booth at the softball park.

He was sentenced Wednesday and taken early this week to Southern Michigan prison where he will be processed before going to Cassidy Lake camp.

Jesse Hadix, 22, and his brother, Louis, 34, charged with resisting an officer, pleaded guilty to the charges after being jailed since early July. Both were ordered to serve 60 days in the county jail, part of which they had already served, to serve an additional 10 days in jail by spending every other week-end in the county jail for 10 weeks, pay $125 costs plus restitution to the officer for medical bills. They were also placed on 20 months probation. Jesse was sentenced Wednesday and Louis on Monday.

Young Vacationers Aid Hospital Fund

Those of us who think children's interest is only play, may be interested to hear that the following children:

William A. Jr., Richard S. and Steven R. Little and Lynn S., Albert H., Jr., and David H. Robinson, all under 10 years of age have contributed of their summer earnings to the Charlevoix Hospital Building Fund.

The children and their parents are vacationing at the F. R. Dickinson cottages.

Music, Manual Arts Unit Ready For Use

Students To Occupy Addition, New Building For First Time

When the Charlevoix public schools open Tuesday, Sept. 15, for the 1953-54 school year, many students will find themselves attending classes in the new unit which houses the music and manual arts departments, in remodeled rooms left vacant by the changes or in the four-room addition to the elementary building.

The music department will move to its quarters in the west end of the new unit. Students will find the large rehearsal room decorated in soft shades of rose and gray, lighted by glass brick windows on the west and north with soundproof practice rooms to the east and a director's office to the right of the entrance. A room to store instruments and uniform closets is to the south of the large room.

The manual arts department, finished in soft shades of green, will house the woodworking department as well as the enlarged metal-working shop and the new machine working department.

The new equipment for the department which will supplement that already on hand will be installed before school opens by Robert Cook, new instructor in the department, and a representative of the company from which it was purchased.

The drawing rooms are to the south of the large workshop on a balcony above the hallway of the building. The shop also has a large outside door through which a truck can pass for delivery of supplies.

The main entrance to the building is on the east side. Off the hall to the north and east are restrooms and new noiseless lockers line the hallway. It is connected by stairs and hallways to the high school building and gymnasium.

In the elementary school, four rooms were added on the north of the existing building on Grant Street. The first floor rooms will be occupied by the first grade classes taught by Mrs. Elizabeth Trimble and Mrs. Bertha Shetter-

Variety Show To Be Given This Weekend

The musical variety show, "It's A Date", featuring a cast of more than a 100 local residents, will be presented at the Charlevoix high school auditorium Friday and Saturday evenings by the Knight Memorial Fund Committee.

Under the personal direction of Mrs. Mable Twiford of the Empire Production Co., the cast has been rehearsing nightly for the production which has only home talent in the cast.

Curtain time will be 8:03 p.m. for both performances. Final rehearsal will be held at 7 p.m. Thursday.

Ten different scenes or acts will be featured in the show which tells the story of a young couple, Ginger and Jo-Jo, played by Joan Hess and BoBo Bennett, who are trying to set a date for their wedding.

The show opens with the couple on the telephone and a group of telephone operators eavesdropping on their conversation. Anita Pontius as the chief operator leads the chorus in amusing vocal comments on the romance.

The month of November portrays a homecoming scene at BoolaBoola College with cheerleaders, drum majorette and college students in a rousing college scene.

Mrs. Santa Claus party with Mrs. Perry Smith playing the role of Mrs. Claus and Barney Englehart as Santa Claus will be the theme for the month of December. The Charlevoix Shamrocks and the children from 6 to 10 years of the Primary departments of all local Sunday schools have been invited to be Mrs. Claus' guests at the party. Paul E. Schlafly Gets Hole In One On Local Course

Paul A. Schlafly of St. Louis, Mo., and a resident of the Belvedere Club for more than 50 years, last week experienced the thrill of a life-time when he shot a hole in one on the No. 8 hole at the Belvedere Golf Course.

No one was more surprised then he when he teed off with a No. 3 iron and the ball ended up in the cup at the end of its 136 yard flight.

Witnesses to the event were Dick Clark Jr. of East St. Louis and Don Williams of St. Louis who were playing with Mr. Schlafly, who is president of the Union National Bank in St. Louis.

Senator Ferguson Visits County On Tour Of State

Senator Homer Ferguson, chairman of the Senate Republican policy committee, visited Charlevoix county last week while on a "report to the people" tour of the state.

On Thursday evening he and Mrs. Ferguson were guests of the Charlevoix county Republican committee and other invited guests at a potluck dinner at the Frank Bird cottage on Lake Charlevoix. Later he visited Boyne City where he was guest at a luncheon at the Dilworth Hotel.

Following the informal dinner Thursday evening, Senator Ferguson spoke briefly and then answered a barrage of questions regarding the administration, its policies and other questions of universal interest. Among the major questions were those regarding the Korean truce, tax reduction and the budget, federal aid to education, Senator McCarthy and our relationship with Britain.

Mrs. Ferguson was also introduced and was presented with a large colored picture of the Charlevoix harbor by S. E. Coleman, secretary of the Charlevoix board of commerce, as a memento of her visit here.

Guy Conkle Jr., chairman of the county Republican committee, was toastmaster.

Birds To Benefit From Free Grain Offered At Mill

The ground will be covered with snow . . . next winter and if you're a lover of birds and would like some grain to feed them come next January, you're invited to bring paper bags, big ones, to the Argo Mill this week where Earl A. Young is offering the grain to anyone who cares to ask for it.

The bins in the mill are being cleaned and the grain saved for birds.

The Courier has been promised details of the operation at a later date but in the meantime, gather the grain while you may. Winter will be here all too soon.

Charles Pontius New Chairman Of Planning Group

Charles Pontius was elected chairman of the City Planning Commission at a special meeting of the group at the city hall Monday afternoon.

Kit Carson was named vice-chairman and Miss Frances Milner secretary.

The commission approved a plat of city-owned property north of the city limits which will be made available to new industries requiring building sites. The plat which was made by Mary Feindt sub-divided existing property into various sized lots to fit the needs of different kinds of industries. Roy R. Robinson, city superintendent presented and explained the plat, which the Commission approved and referred to the City Council for consideration.

Other members of the Commission are Ralph V. Hess, Robert Bridge, J. Clark Dolliver, A. L. Livingston, R. G. Bennett and Dr. Isaac Terr.

Mrs. E. Peaslee Dies Following A Long Illness

Mrs. Ernest Peaslee, 76, resident of Hayes township for 55 years, died Tuesday at the Charlevoix Hospital where she had been a patient for two weeks. She had been in ill health for several months.

Funeral services will be held at the Pontius Chapel at 2 p.m. Thursday with the Rev. William W. Cruthers of Quincy and the Rev. L. L. Lewis of Boon officiating.

Born in Hillsdale township June 16, 1877, the former Mary Elizabeth Truman was married to Mr. Peaslee at Charlevoix in 1898. She had resided in Hayes township most of that time.

She was a member of the First Baptist church and had devoted much of her life to church work.

She is survived by her husband; two daughters, Mrs. Della Stover of Lake Orion and Mrs. Bessie McDonald of Lansing; a brother, Judson Truman of Astoria, Ore and a half-brother, William Bush of Warren, Ore.; a sister, Mrs. Dorothy VandyBogurt of Battle Creek; two half-sisters, Mrs. Nellie Austin of Grand Rapids and Mrs. Georgianna Dryer of Largo, Fla.; six grandchildren and seven great-grandchildren.

C. W. Marshall, Former Chief, Killed By Car

One of the city's best loved residents, Charles W. Marshall, 74, retired fire chief, was killed at 8:30 p.m. Saturday as he crossed South Bridge st. to his car after making a small purchase at the Boss service station at the corner of Bridge st. and Carpenter ave.

Mrs. Marshall, who was waiting for him in the family car, witnessed the accident.

Driver of the car was Albert (Buster) Russell, 35, whose car struck Mr. Marshall as it approached from the south. He was charged with manslaughter and negligent homicide when he appeared before Justice John Connolly in Justice Court Monday afternoon. He was bound over to the October term of circuit court and released on $500 bond after being held in the Charlevoix county jail over the weekend.

Funeral services for Mr. Marshall were held at the Pontius Chapel Tuesday afternoon with Rev. L. L. Lewis officiating. Burial was in Brookside cemetery.

To several generations of Charlevoix residents, Mr. Marshall was synonomous with the fire department. He joined the department in 1897 as a volunteer fireman when he was employed at a local lumber mill. In 1919 he became the driver of the city's first motorized fire-fighting equipment. In 1934 he was named fire chief but continued as the driver until his retirement last year. He continued with the department, however, as relief man until the time of his death.

Many are the stories he loved to tell of his early days with the department, especially of the old 'Sylvia', as the first steam pump was known. He was a devoted public servant who loved his work and in turn was loved by everyone. For many years he taught fire safety to the youngsters of the community in a small model house he constructed for that purpose. For equally as many years he played the role of Santa Claus at the annual Christmas party, always arriving at the party on the fire truck.

Born in Arcona county, Ont., Can., Jan. 9, 1879, Mr. Marshall came to Charlevoix with his parents at the age of two years. On New Year's Day, 1906, he was married to the former Matilda Coor.

He was a member of the First Baptist church here.

Besides his wife he is survived by a brother, Eber of Bell, Calif., and several nieces and nephews.

Building Damaged By Fire Saturday

A fire believed caused by a lighted cigarette dropped in a waste basket in the restroom of the Arcade pool hall at 105 Bridge st. Saturday morning caused approximately $1,000 damage before is was extinguished by the Charlevoix fire department. It had been smoldering for some time and had burned into the walls of the frame structure before it was discovered at 11:30 a.m.

Damage was confined to the rear of the building. The apartments on the second floor toward the front suffered only smoke damage.

The building is owned by Harold Pearl and occupied by Wilson Ward who operates the pool hall and taxi service.

Shortly before noon, the local fire department which has not had a call in some time, went to put out a grass fire in Hayes township across from the Gerald Burke saw-mill.

State Savings Bank Increases Capital Stock

The capital stock of the Charlevoix State Savings Bank has been doubled, A. L. Livingston, vice-president and cashier, revealed this week in a financial statement to the public.

The capital stock has been increased to $50,000.00 from $25,000.00 which according to Mr. Livingston is an expression of the management and stockholder's belief in the continued growth of the bank.

He concluded by saying that with the past growth and anticipated continued growth, it will be the aim of the bank to give competent service to the community and merit the good-will and faith of those who use the services of the bank.

Rural Schools Will Open On Next Tuesday

Charlevoix county's rural school students will return to their respective classrooms next Tuesday, Sept. 8, one week before most city schools will open.

All schools in the area have signed teachers for the 1953-54 school term with the exception of the Marion school district and the St. James school board which still needs one teacher.

Several new teachers will make appearances in the classrooms of the county's rural schools this year.

Among them will be Mrs. Louise Steele of Oraway who will teach at Norwood; Mrs. Lorah Foley of Charlevoix, Murray school; Mrs. Marguerite Schroeder of Petoskey, Bay Shore school; Mrs. Ruth Hoffman of Petoskey, North Bay school; Mrs. Edna Abbott of Hortons' Bay, the Hortons' Bay school.

At the Melrose township school at Walloon Lake, Donald Holbrook, who came to nothern Michigan from Brown City, will assume the principal's duties and teach the seventh and eighth grades. Another new teacher, Mrs. Leona Thayer of Boyne City, will teach kindergarten one half day. Other teachers returning to the school are Mrs. Mildred Coblentz of Charlevoix who will teach the fifth and sixth grades; Mrs. Bernice Alldread and Mrs. Genevieve McKerracher, both of Boyne City, who will teach the lower elementary grades.

Mrs. Goldie Sommerville will return to the Ironton school and Mrs. Orthella Denise to the Chandler school.

Three Dominican Sisters will return to the St. James township school on Beaver Island. A fourth teacher is still being sought by the school board there.

The Marion township school board had not signed a teacher early this week but had interviewed an applicant for the vacancy. The board is expected to make an announcement regarding the matter later this week.

Changes Announced In Bus Schedules

The Greyhound buses leaving here daily for Detroit and Chicago will change schedules on Tuesday, Sept. 8, the day after Labor Day, John Norton, local agent for the company has announced.

Beginning on that date the bus for Detroit will leave here daily at 10 a.m. The Chicago bus will leave later in the morning at 11:05 a.m.

The bus from Detroit will arrive at 4:55 p.m. and the bus from Chicago at 4:57 p.m.

Mayor's Proclamation

I, DEAN DAVENPORT, Mayor of the City of Charlevoix, request the cooperation of all property owners of Charlevoix in the new tax equalization program which will be conducted throughout the City beginning next month:

REPRESENTATIVES of the Cole-Trumble Co. of Dayton, Ohio, appraisers and engineers, will contact every home and business property owner for the purpose of a complete appraisal of revaluation to establish a file system on which future tax assessments will be based.

I REQUEST all summer residents who own property to make arrangements with their local caretakers for the admittance of said representatives.

Announce New County School Superintendent

Charles Robinson, Boyne City high school teacher and Bay township supervisor, was named Charlevoix county superintendent of schools at a special meeting of the county board of education held here Monday evening, Ross Renwick of Walloon Lake, chairman of the board, announced Tuesday.

He was appointed to succeed A. F. Cook, former Boyne Falls superintendent who was named to the office in June and who resigned Friday to accept a position in the Mancelona schools. Mr. Cook was to have taken office Sept. 1 to succeed Mrs. Catherina C. Bergeon who resigned in May to accept a helping teacher position in the Ottawa county school system.

Mr. Robinson assumed the duties of his new office Tuesday but will also continue to teach in the Boyne City high school until his successor is named. He was released from his contract with the Boyne City school by the board of education and Supt. L. E. White to accept the new position.

A former teacher in the rural schools of Emmet and Charlevoix counties, Mr. Robinson has taught mathematics and English in the Boyne City high school since 1942. Last year he was awarded a Ford Foundation scholarship which allowed him a year of travel throughout the United States.

ODDS 'N ENDS

By Fran Martin

REMEMBER we mentioned recently that Ted Browe was driving his antiquated Ford (some 23 years old) to Savannah, Ga. where he is stationed with the Air Force . . . We were happy to hear from his family that he'd arrived safely without even a flat tire to mar the trip . . . The trip cost him some $25 for gasoline and 90 cents for oil . . . How's that? . . .

* * *

WE WENT through the Chicago Club one day last week enroute home from the Depot beach . . . And you know, we decided that the people who selected that particular spot for a resort must have been guided there by Someone who knew they'd appreciate it's beauty . . . We don't see it often but when we do it's something to remember . . . The big pines, the beeches (Swear they're the biggest in town), the evergreens, Old River, Little Island . . . Surely one of God's choicest spots . . .

* * *

HOW ABOUT that weather last week? .. Now that the summer's about over, may we be allowed to say that we didn't like it . . . Earlier that's 'verboten' because it's that kind of weather that brings our summer visitors to town . . . But for us, the weather was just to hot and humid . . . We sure were glad when it cooled off a bit Sunday after the rain . . . But did you ever see such grand weather this late in the season . . . Now if we'll just have a nice Indian summer we'll be satisfied . . .

* * *

IT WAS good to see Harold Cartier, who spent the weekend here with his folks . . . It was the first trip he and Mrs. C. had made here in a couple years . . . He told us he enjoyed the Courier, which we're always happy to hear . . . We promise all of us will try to keep it as good as you say it is . . . Harold.

* * *

THE AUG. 23 issue of the New York Times carried an article on "More and More Modern" . . . a story of ultra-modern homes built at an Alexandria, Va. housing project . . . To quote" the latest model is the most extreme to date. The architect believes the public would not have found it acceptable at the inception of the project but that after several years of post war exposure to modern design, it will look neither odd nor strange . . . unquote . . . The accompanying floor plan looked mighty familiar to Dr. Walter Hoffman and then he remembered where he'd seen it before . . . Where? . . . in a scale model made last winter by our own Wayne Belding . . . Only difference, Wayne's model has two outside doors instead of one . . . It features an inside utility room, bathroom and fireplace with all vents leading to outlets in the middle of the house . . . It's really something to see so stop by and take a look at the model which he did in one of his few spare moments . . .

* * *

IF YOU pass the Ted Miller home on Park ave. in the near future and see two "somethings" on their front lawn, don't be alarmed . . . It will no doubt be Mr. Miller and his daughter, Susie sleeping in sleeping bags . . . the way they've slept since leaving here in June on a 10,000 miles journey that has taken them from here to Los Angeles, north to British Columbia and back home with seads of interesting side trips . . .

* * *

ANOTHER CARD in the mail this week came from California where Mrs. Winifred Finnean has gone to make her home . . . She's been there six weeks and her friends here will be happy to know that her health is much improved . . . She and her brother-in-law and sister, the Sees, spent a day recently with the Fred Youngs and reported a wonderful time . . .

* * *

AS OF Tuesday, we say who ever mentioned a break in the weather . . . It was a bit of alright for a while Sunday but now . . . Whew . . . And on Sept. 1 too . . .

* * *

THE PEOPLE of Charlevoix joined as one this week in mourning the loss of one of its most beloved citizens, Charlie Marshall . . . People came and people went with the years but it seemed as tho' he would go on forever . . . But it just wasn't to be for his life was snatched away at the most unexpected moment Saturday night . . . All of us have the fondest memories of Charlie . . . his love of people, his devotion to his job, his loyalty to his friends, his love and devotion to his wife, Tillie, with whom he had spent 47 years and every one of them happy ones . . just to name a few of the things which he represented to all who knew him . . . He never lost his zest for living, he enjoyed every day to the utmost . . . He was a grand guy and his passing has left a void which will remain

always for no one could ever hope to replace him in the community . . .

HAD occasion last week, as a guest of the County Republican Committee, to meet our senior senator, Homer Ferguson .... Don't know if most people are like us, but we're always awed at the thoughts of meeting people who hold such a prominent place in world affairs . . . And we're always surprised to find that these great people are usually pretty nice . . . A very personable man with a grand personality . . . a gracious manner and firm hand-shake, Senator Ferguson charmed everyone . . . And his wife . . . well, there just aren't words to describe her . . . lovely to look at, petite and charming, she gives one the feeling of great strength despite her smallness and everyone fell in love with her . . . Senator Ferguson would just have to be a nice person before she'd choose him for a husband, if you get what we mean . . . And, just in case you're interested, Senators have little difficulties just like the rest of us . . . He was late for dinner .... why? . . . because of a tooth-ache which had to be 'fixed' by Dr. Lyle Ance before the Senator could put in an appearance but Lyle evidently did a good job because the Senator certainly enjoyed his meal with the rest of us . . .

Legion Auxiliary Has Installation

New American Legion Auxiliary officers were installed by Mrs. Harry Walstad, past president, at the home of Mrs. Albert Taylor Monday night.

New officers installed at the meeting were: president, Mrs. Leo Allard; first vice-president, Mrs. Lloyd Barnett; second vice-president, Mrs. Harry Powers; secretary and historian, Mrs. W. E. Goss; treasurer, Mrs. Edgar Smith; chaplain, Mrs. Allen Ulrich.

At the business meeting which followed, plans for the organization's fall activities were made.

St. Mary's School Registration Sept. 14-15

Students at St. Mary's parochial school will register Monday and Tuesday, Sept. 14 and 15, prior to the opening of school for the 1953-54 school year. There will be no bus service for registration on Monday.

Sister M. Athanasius, O.P., and Sister M. Leona, O.P., members of the Dominican Community of Marywood, Grand Rapids, have returned as teachers in the school.

The Sister Principal of the local school was among those from nine northern Michigan communities who met at Gaylord Saturday with Sister Supervisors of the Dominican Community.

Program management, text book usage, professional reading and objectives of subject instruction correlative with those of Catholic education were among the topics discussed.

The tentative enrollment for St. Mary's school is seventy pupils for grades one through eight.

• Mr. and Mrs. Rex Supernaw and daughters, Marie and Martha, of Rochester visited from Thursday until Sunday with relatives here enroute to their home from a Canadian vacation trip.

Mighty Smart

Why is it that the crow is now more plentiful in America than when the Pilgrims landed at Plymouth Rock? Many of our other American birds have become very scarce, and some have disappeared altogether. Yet the crow has prospered. For one thing, the crow is a hardy bird, strong in flight and possessing exceptional eyesight. These traits enable him to fly over many miles of territory every day, seeing scraps of food at great distances, thus providing himself with an ample supply of nourishment. Then, too, the crow can readily adapt himself to changing conditions, finding food in all sorts of weather and in almost any kind of habitat.

But above all the crows are smart birds, regarded by many naturalists as the most intelligent of all our native American birds. They have many enemies, chiefly men with guns. But they know enough to help each other against their common foes. They flock together and warn each other of approaching danger. They call to each other when they find food, inviting other crows to share in their feast. Crows have thrived because they are smart enough to get together and help each other.

People who get together and help each other prosper too!

The Christian Church is a fellowship of people who love to band together in a spirit of helpfulness — seeking help of God and giving spiritual assistance to one another. It is not only good to go to church. It is also intelligent, SMART.

Great Oaks From Little Acorns?

There is an old proverb that reads, "Great oaks from little acorns grow." Recently a minister of our village was heard to say, "Great oaks do not grow from little acorns alone, but from little acorns plus good soil and rain and sunshine. Without these the little acorn has no chance for growth."

We suppose that is true of institutions as well as acorns. Great institutions do not grow from little beginnings alone. Besides little beginnings other things are needed such as careful planning, the cooperation of many people of varying tastes and opinions, and money to purchase materials and labor. Otherwise the institution cannot come to full maturity.

Our new Charlevoix Hospital has been started. Some funds have been pledged. Some financial gifts have been made. Some work has actually been done toward the building of the hospital. However, before the hospital can be completed many pledges must be brought up to date.

★ IF YOU ARE BEHIND ON YOUR HOSPITAL PLEDGE PAYMENT, please get paid up to date.

★ IF YOU HAVE AS YET GIVEN NOTHING to the new hospital fund, now is a good time to make a substantial gift, thus providing an adequate place for the care of the sick and suffering.

★ IF YOU WISH TO SUPPLEMENT A FORMER CONTRIBUTION with another gift, such support will be deeply appreciated.

You can pay on your pledge or make a cash contribution through either of the Charlevoix banks, the State Bank of East Jordan, or to Herb Schofield, Secretary of the Fund Raising Committee.

Shirley Black, Edward Wilbur Exchange Vows

The Evangelical United Brethern church in Kalamazoo was the scene Saturday afternoon of the wedding of Shirley Ann Black daughter of Mr. and Mrs. Floyd Black, and Edward Peyton Wilbur, son of Mr. and Mrs. Edward Wilbur of Kalamazoo.

The Rev. W. P. Peck read the service in the presence of their immediate families before a floral background of gladioli.

The bride chose a mink brown gaberdine dress, matching hat and yellow accessories for her wedding. Her corsage was of yellow orchids.

Mrs. Arthur Drenth of Ellsworth attended her sister as matron of honor. She wore a beige ensemble, red accessories and a corsage of gardenias.

After a wedding trip to Washington, D. C. the couple will reside at 523 West South ave. in Kalamazoo.

The bride is a graduate of the Charlevoix high school and the Northeastern School of Commerce in Bay City. She is employed as a secretary at the Shakespeare company. The bridegroom is a graduate of Central high school and attended Western Michigan college in Kalamazoo. He is employed as a junior field engineer by the Ingersoll Products Corporation.

In Kalamazoo for the wedding on Saturday were Mr. and Mrs. Black and daughter, Maxine, of Charlevoix and Mr. and Mrs. Arthur Drenth and two daughters of Ellsworth.

- Mr. and Mrs. Calvin Plum returned to Milwaukee on Sunday after spending a week with their respective parents, Mrs. Helen Plum and Mr. and Mrs. John Knudsen. They were accompanied by Dick Shores and Ron and Jerry Anderson.

Thompson-Ward Vows Spoken In Standish Church

In a quiet ceremony solemnized at the Grace Episcopal church at Standish August 25, Patricia Jean Thompson, daughter of Mr. and Mrs. [illegible] Thompson of Birmingham and Ironton became the bride of William H. Ward, son of Mr. and Mrs. Bernie Ward Sr.

The Rev. W. T. E[illegible] of Gladwin, rector of the church, read the impressive service before an altar lighted with tapers.

For her wedding the bride chose a white summer suit, light blue and white accessories and a corsage of red roses.

After a wedding trip to southern Michigan and Ohio, the couple returned here for a visit with their respective families before leaving for Hutchinson, Kans., where the bridegroom is stationed at the U. S. Naval Air Station.

The bride attended a Birmingham high school. The bridegroom is a 1950 graduate of the Charlevoix high school and in Sept. 1952 enlisted in the U. S. Navy.

Girligigs

I had absolutely nothing to do with my little left ear the other day when it rather unwittingly eavesdropped into a consuming conversation between a couple of men . . . naturally . . . regarding the pros and cons of those smoothy femmes, Jane Russell and Marilyn Monroe.

* * *

Such intense interest on the subject was newsworthy, I guessed . . . so I grabbed my pencil and raced out along the waterfront, coyly asking local business men if they had seen the recent Palace sell-out "Gentlemen Prefer Blondes" . . . and, as gentlemen, which of the two curvesome cuties did they prefer, possibly?

* * *

Jack Maillhot said he could almost answer that one before he even went to the show: "Marilyn Monroe is no actress, but she's sure good decorative material!"

* * *

Charlie Heise says: "Well . . . now I think quite a lot of Marilyn, but I'm too busy to even go across the street to see her in the summertime."

* * *

Charley Bellinger smiled. "There's a beautiful pair of women," he said. "But I'm only going to the show because my wife wants to go." . . . hm.

* * *

Fred Dittmer says: 'Don't care anything about Marilyn . . . I like Jane Russell." Was it a good show, I asked him? . . . "Yeah!!"

* * *

Herman Drake said it was too early in the morning but he guessed Monroe was a better actress than he thought" . . . unless she's really that dumb!"

* * *

Ralph Hess was sad. "Doggone-it, I missed it! The rest of the family went but they kept me away on purpose . . . darn it!"

* * *

"Don Campbell said: "It was the craziest darn silly leg show I've ever seen . . . but maybe I'm old fashioned."

* * *

This highly informative column wouldn't be complete if I didn't mention the remark by Herb Schofield which instigated this report.

* * *

"What this gal Monroe has, I don't know," he remarked. "Russell has her beat all sideways." . .

* * *

From all this I reached the obvious conclusion that men actually know more about what they admit they dont know anything about than they think they know. And I'll admit that I think I've known that all along.

New Dress Shop Will Open Here Late This Month

Annoucement was made this week by R. M. and Fav Lee, owners of a chain of Fay's Dress shoppes, that a new ladies' and girls' ready-to-wear store will be opened in Charlevoix this fall. Charlevoix's new Fay's Dress Shoppe will be located at 405 Bridge Street, the former showroom for Brown Motors. Extensive decorating and remodeling is already underway prior to the grand opening which is scheduled for later this month.

Other Michigan locations of Fay's Dress Shoppe are Petoskey, Gaylord, Cheboygan and Onaway. They carry a complete line of nationally advertised ladies and children's wear and guarantee one model only in their better garments.

Annual Picnic To Be At Lake Orion

The fourth annual East Jordan-Charlevoix county Friends and Neighbors picnic will be held at 2 p.m. Sunday, Sept. 13, at the home of Mrs. Agatha (Kenny) Rehfus, 112 Grandview ave. Lake Orion, one-half block east of Lapeer road M-24 in the south end of the town.

Anyone living, traveling or visiting in the area is invited to attend the event.

Everyone is asked to bring table service and choice of food or beverage to pass. Coffee and tea will be served. Further information may be obtained by calling MY 3-3971.

Students To Occupy New School Building

(Continued from Page 1)

ly.

The fourth grades taught by Mrs. Florence Moeller and Mrs. Blanche Paul will be assigned to the second floor rooms of the addition.

The seventh grade, which in the past has been transferred to the high school building, will remain in the elementary building and will occupy the room formerly occupied by Mrs. Goss' fourth grade and Mrs. Richards fifth grade.

Other changes will find the two third grades moving to the first floor with Mrs. Novotny's class occupying the first grade room formerly occupied by Mrs. Shetterly's class and the second class going to the other former first grade room.

Mrs. Richards' fifth grade class will move to the room formerly occupied by Mr. Tuomela's sixth grade and the latter class will move to the former fourth grade room occupied by Mrs. Moeller's fourth grade.

The two rooms left vacant by the addition will be used as visual education and conference rooms for the present.

The eighth grade, which went into the high school building last year, will remain there and not return to the elementary building, Mr. Bennett said.

In the high school building, the commercial department which had occupied cramped quarters for some time has been shifted to the room where the manual arts department was formerly located. The former shop will be used as the commercial room and the drawing room as the typing room. The rooms formerly occupied by the department in the high school building will be utilized as a classroom and conference room.

The new commercial rooms have been re-decorated in shades of buff and ivory, the floors sanded and varnished and are now in readiness for the opening of school.

The home-making room has also been re-decorated with each unit a different color, with grey as a background color.

Rooms not re-decorated have been thoroughly cleaned and are now ready for the opening day of school.

A special dedication and open house is being planned for late September so the people of the Charlevoix school district may inspect the new buildings as well as the existing buildings Mr. Bennett said. The date for this event will be announced shortly.

First Football Practices Held Here This Week

Forty-one candidates for the 1953 football squad reported for the first practice session Monday night, despite the hot weather, Coach Del Terrill reported Tuesday. It was the largest number to report for the first practice in recent years, he continued. Another 20 to 25 are expected out by the time school opens.

Among the first to report were Larry Burns, Bill Bennett, Gordon Mol and Dave Glassford, seniors; Joe Powell, John Connolly, Tom Erber, Tom Swanson, Pete Ulrich, Jack Stebe, Doug Reynolds, Joe McDermott, and Mike Elzinga, juniors and Guy Swanson, Dick Elzinga and Joe Etienne sophomores.

A large group of freshman were also on hand and after the first weeks will be taken over by Coach Pete Burns.

Several other lettermen, still busy with summer jobs, are expected to join the squad at an early date.

Bennett and McDermott are the only regular backs returning while Burns, Bob Jolliffe and Everett Pease are the only returning linemen. Jolliffe and Pease were not present for the first practice.

A number of lettermen who saw limited action are out and others may develop, Coach Terrill said, but at the present time this year's team remains a question mark.

Robert Ripley Exhibit Will Be Here Saturday

Robert Ripley's personal collection of "Believe It or Not" oddities, being exhibited on national tour under the auspices of the Navy Club of the USA, will be presented in Charlevoix on Saturday, Sept. 5.

Believe It or Not cartoons have been appearing in newspapers throughout the world for years. On display in this exhibit will be some of the original drawings picturing facts which many found difficult to believe. The greater portion of the exhibit features part of Ripley's amazing collection of the authentic original subjects on which the cartoons are based. Every item is selected from the unusual assortment of strange things which Mr. Ripley spared no effort or expense to unearth during his endless explorations of all parts of the world.

Location of the showing will be on Bridge st. in front of Central Drug Store. Admission is free, and the exhibit will be open to the public from 9 a.m. to 9 p.m. Any funds raised through voluntary donations will be used by the National Headquarters and the Local Ships of Navy Club of the USA to assist them in carrying on their services to veterans.

• Mr. and Mrs. John Gillespie of Chicago have been visiting his brother-in-law and sister, Mr. and Mrs. Henry Supernaw, enroute to Beaver Island.

North Central Practical Nurse Course To Open

The North Central School of Practical Nurse Education announces Sept. 9 as the beginning date for classes in the year's course.

The training gives four months of classroom study in the school and seven months supervised clinical practice in one of the affiliating hospitals approved and supervised by the State Department of Vocational Education.

Classes are open to men and women over 17½ years of age who must be physically well and emotionally prepared and have had the equivalent of an eighth grade education.

Further information may be obtained from the North Central School of Practical Nurse Education, Traverse City high school, Traverse City, Michigan.

Shamrocks End Activities With Water Ballet

The Charlevoix Shamrocks, directed by Patsy Ratigan, concluded their activities for the season with a water ballet at the Lake Charlevoix north side beach Wednesday afternoon.

A large crowd of parents, friends and visitors to the beach gathered for the event, which included a Tropic Breezes dance, Water Lilies and the Sea Dragon, Water Bubbles, a nightgown race and a balloon and cracker race.

At the close of the show medals were awarded for profeciency in swimming.

Gold medal winners who participated in the Tropic Breezes number were Marilyn Novak, Dulcie McClure, Lenore Erber and Julie Schofield.

Silver medal winners who were also in the Water Lilies number were Jeanette Novak, Bonnie Shapton, Garlyn Bice, Martha Coleman, Linda Neff, Georgie Smith and Barbara Novak. Ann Ratigan, who assists her sister with the group, played the role of the Sea Dragon.

Bronze medal winners who were also Water Bubbles were Kay Davis, Nancy Novak, Penny Schulnick, Nancy Snider, Linda Campfield, Ruth Schofield and Patty Shapton.

Marilyn, Dulcie and Lenore composed team No. 1 and Jeanette, Bonnie and Barbara team No. 2 in the nightgown race which ended in a tie. All other Shamrocks participated in the balloon and cracker race.

Fran Martin was official starter for the races.

On Thursday the Shamrocks enjoyed their annual 'Dress up' party, gathering for luncheon at the Ratigan home and later touring about town in the Ratigan old model Shamrock special.

The Shamrocks have met daily all summer and enjoyed a program of water activities as well as games, sports and other entertainment.

Woodlot Harvests Can Be Profitable

Do you have a woodlot on your farm?

If you have and can spend two to four hours per acre in it this winter, you may get returns ranging from $2.75 to $9.50 from that much land. That's the word from Lester E. Bell, extension forestry at Michigan State college.

He suggests harvesting timber products and marketing them in form of sawlogs, pulpwood, firewood and other forest products. But, he advises, you should make sure there is a local timber operator or another buyer in the vicinity before beginning work. And negotiate in advance on both price and how the timber is to be measured.

If you need extra silage space, don't overlook the possibility of trench or bunker storage, advise Michigan State college specialists. Some farmers are building such storage at less than $1 per ton of silage.

Horse Show To Be Feature Attraction For 'Charlevoix Day'

The 1953 Charlevoix County Fair will be held next week, September 8-11 at East Jordan. The 64th annual fair will open with [illegible] on Tuesday and all exhibits must be in place by [illegible] that day, Ed Rebman, county agricultural agent stated [illegible].

[illegible] premiums are offered in [illegible] Agricultural, Home Economics, 4-H and FFA exhibits. There will also be a large number of commercial exhibits of [illegible] appliances, farm machinery, and new cars.

Charlevoix Day will start the programs on Wednesday. During the afternoon an outstanding Horse Show will be presented in front of the grandstand. Events will include: rescue race, musical chair, boots and saddle, flag race, speed and action, and a boys and girls ¼ mile race. The Horse Pulling will be held Wednesday evening, both light and heavy weight teams will pull at the same time.

Judging of all exhibits will take place on Wednesday. Some of the judges have been secured. Ed Kidd, Cheboygan county agricultural agent, will judge livestock. Clarence Mullett, District Horticulturist, from Traverse City will judge the fruit, grains and [illegible]. The other judges will be selected before Fair time.

Thursday will be Boyne City Day. The program will start off in the afternoon with the sale of 12 Hereford steers, being fed by boys who caught them in the calf scramble at last year's fair. Klein's Attractions will put on a grandstand show, both during the afternoon and evening.

East Jordan Day will wind up the fair on Friday. Their program will start off with the livestock parade in the afternoon. Klien's Attractions will again have an afternoon and evening show. Those who saw their show last year remarked that it was the best one ever presented at the Fair. Klian's have stated that this year's performance will be still better.

The Ray Williams Show will provide the carnival and midway. The National Needlecraft Bureau will offer a beautiful cup to the Best Crocheted articles exhibits at the Fair. Everyone is invited to bring any articles they have for exhibit. Everyone in this area is urged to come to the Charlevoix County Fair at East Jordan, September 8-11.

State Vegetable Becomes Thriving Export Business

The Michigan vegetable industry, which started out as a local market gardening deal, depending on nearby cities for outlets, has blossomed into a thriving export enterprise.

Blessed with an ideal summer climate, a wide variety of good vegetable soils and abundant available water, vegetable growers have expanded their export now to 14 major markets outside the Wolverine State.

Extension Horticulturist J. W. Rose of Michigan State college, who checked mid-August produce reports, said there are opportunities for further expansion.

M.S.C. specialists have worked with growers for many years in pointing out these opportunities and developing grades, packs and containers suitable for shipping long distances. Michigan onions and celery have been reaching out to out-of-state markets for a long time, but now other produce is going afar, too. In the produce reports, fresh Michigan vegetables were listed at these markets:

New Orleans, New York, St. Louis, Birmingham, Atlanta, Cleveland, Columbus, Cincinnati, Baltimore, Dallas, Pittsburg, Chicago, Memphis, Little Rock, and Jacksonville. The produce shipped out-of-state includes onions, celery, sweet corn, cantaloupes, snapbeans, carrots, cucumbers, cauliflowers, eggplants, parsnips, mushrooms, green peppers and tomatoes.

Fall Is Good Time For Trapping Moles

Early fall . . . as well as early spring . . . is a good time to do something about that unwelcome underground visitor . . . the mole.

You can trap the lawn destroyers if you're careful, advise Michigan State college specialists. Moles will clear and repair tunnels which have been mashed down or become clogged. So, the specialists say, leave the trap in the mashed earth where the mole can dig into it before he realizes the trap is there.

The M.S.C. men also recommend taking care of the moles by destroying their food supply . . . with an application of chlordane or lead arsenate. The insecticide kills grub worms which moles feed on.

Legumes on Michigan farms manufactured about 13 million dollars worth of nitrogen fertilizer last year. Soil Scientist Richard M. Swenson of Michigan State college figures the plants took 43,500 tons of nitrogen from the air and placed it in the soil.

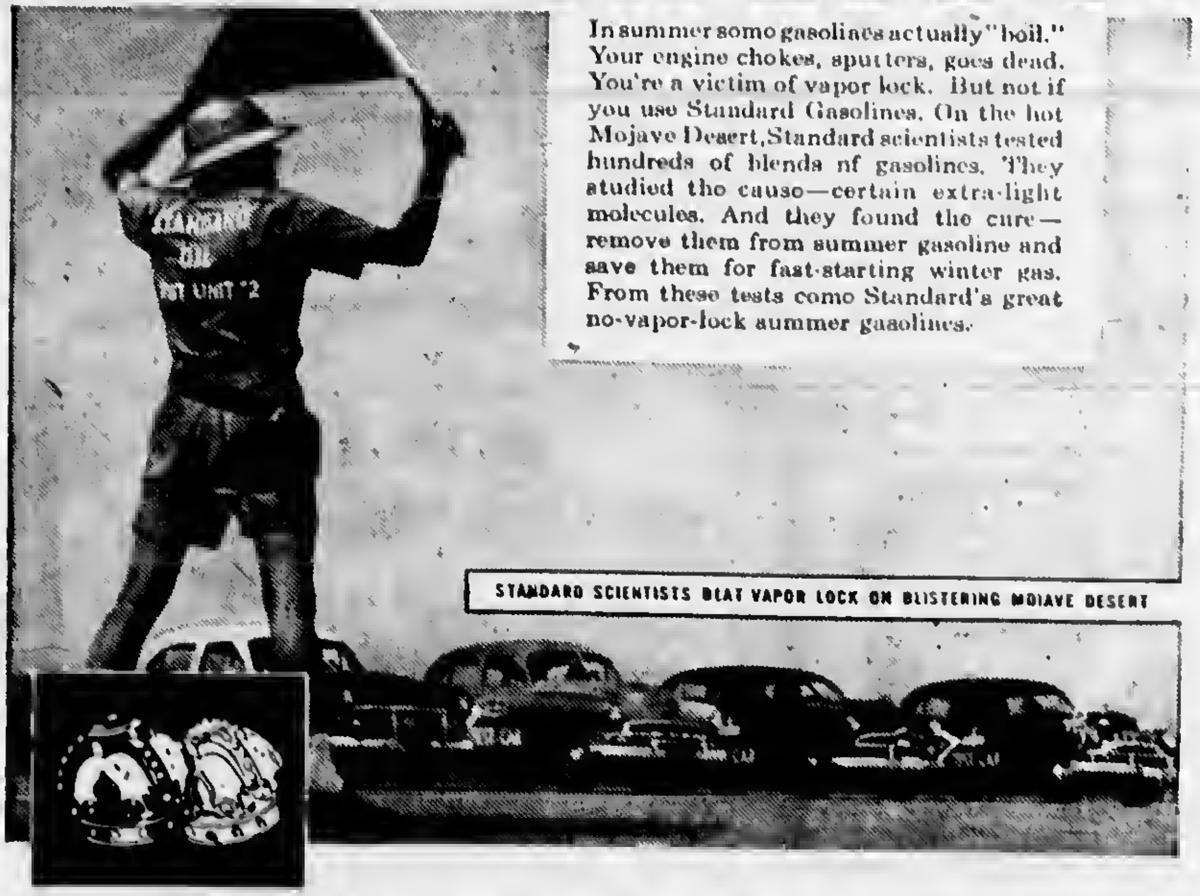
Standard Gasolines, tested in desert heat to assure

NO VAPOR LOCK!



In summer some gasolines actually "boil." Your engine chokes, sputters, goes dead. You're a victim of vapor lock. But not if you use Standard Gasolines. On the hot Mojave Desert, Standard scientists tested hundreds of blends of gasolines. They studied the cause—certain extra-light molecules. And they found the cure—remove them from summer gasoline and save them for fast-starting winter gas. From these tests come Standard's great no-vapor-lock summer gasolines.

STANDARD SCIENTISTS BEAT VAPOR LOCK ON BLISTERING MOJAVE DESERT

Standard gasolines have been tested under torrid desert conditions to assure you *trouble-free summer performance.* Only Standard says, "NOW—no vapor lock!". No vapor lock . . . on top of *octane ratings* that match your car's requirements...on top of catalytically-cracked gasolines perfectly blended and balanced to give you the *best possible combination of pick-up, power and mileage.* And wherever you drive in the Midwest, you'll find the same improved and guarded quality. You'll find, too, the famous SERVICE that car owners describe as the *finest treatment they get anywhere.* Try STANDARD WHITE CROWN Premium or STANDARD RED CROWN Gasoline. Your first hot-day drive will prove that YOU CAN EXPECT MORE FROM STANDARD . . . AND GET IT!

Clyde Ogdens Celebrate Their Fiftieth Wedding Anniversary

Mr. and Mrs. Clyde Ogden, residents of Ironton for more than 40 years, celebrated their golden wedding anniversary at an open house at their Ironton home Saturday.

Among the 125 relatives and friends who gathered for the memorable occasion were their five children, six of their eight grandchildren and Ross Treadwell of Wildwood who was the best man at their wedding.

They received many gifts and other remembrances of the event including a large purse from their Ironton neighbors.

Mr. and Mrs. Ogden were married at Wildwood in Cheboygan county Aug. 29, 1903, and lived there for seven years before moving to their present home.

Mr. Ogden was born at Holland, Michigan in 1874 and moved to Cheboygan county in 1902. Mrs. Ogden, the former Katie Reber, was born at Reading, Pa., in 1876 and moved to Wildwood in 1901.

Both enjoy good health despite their ages. For many years Mr. Ogden was caretaker at the first Camp Charlevoix located near Ironton, the Sequanota Club, the Stuart and Loeb farms. Since his retirement he has devoted his time to a large flower garden. Mrs. Ogden does her own housework and is active in church work.

Both are members of the Ironton Congregational church.

Members of their family who returned for the anniversary celebration were their sons and daughters-in-law, Dr. and Mrs. Cecil Ogden and children, Linda and Everett of Delmar, N. Y., Mr. and Mrs. Vaughn Ogden and children, Keith and Bruce of East Jordan, and Doan Ogden of Asheville, N. C. and their sons-in-law and daughters, Mr. and Mrs. Perry Fassett and daughter, Joan, of Cass Lake, Minn., and Mrs. Ivan Thomson of Crystal Falls.

Other guests were present from Charlevoix, Petoskey, East Jordan, Bellevue, Wildwood, Indian River, Pontiac, Kalamazoo and Grand Junction, Colo.

Mrs. C. C. Bergeon Ends Duties Here

Mrs. Catherina C. Bergeon, who served as Charlevoix county superintendent of schools from Nov. 1948 until her resignation which became effective Sept. 1, left last week for Grand Haven to make her home.

She has accepted a position as helping teacher in the Ottawa county school system.
